1. YOU REALLY FAILED ME TONIGHT.

You really failed! I've never heard of such stubborn bait that didn't want to go after the fish, the fish I told her to get! I said, "You swim over that way and you catch that big fish."

2. BUT YOU SAY, "I DON'T WANT TO SWIM THAT WAY. I don't want to make that big fish think I'm trying to catch him. Besides he's got another nice female fish and I don't want to offend her." That's ridiculous! (Maria: I didn't want him to think I didn't love you.)

3. MY LORD, HONEY! Do you think the big fish would ever gobble up

the bait if they thought it was absolutely firmly attached on a line and the bait contained a hook?--Huh? Do you think they would bite at all if they thought there was no possibility of getting you loose and running off with you? What about Brian?--(Maria: He's too nice. He wouldn't think of such a thing!) Oh, is that so? You think so? Well, he is beginning to think about it.

4. YOU ARE THE STUBBORNIST PIECE OF BAIT I ever tried to fish with! Jesus help us! You won't cast in the direction I cast you, you won't try to lure the fish I'm after. You swim around so damn rebellious and

independent and stubborn and doing your own thing, whatever you think you want to do, instead of doing what I tell you to do! Oh, my Lord, help us catch them in Jesus name!

5. LORD HELP US! I just want you to give me one good reason for disobeying me time and again when I told you to go--go after that one, do so and so. Give me one good reason for not obeying, except your own God-damned pride! You aren't crucified yet! You are still too damn proud!

6. YOU STILL WANT TO HAVE YOUR OWN WAY. Do I have to cut you to ribbons to toss you to the fish, huh? Is that what I have to do? Well, then, when I cast you in a certain direction of a certain fish from now on, and I say, "Go get him!"--what are you going to do? "Oh, I don't want to go, I don't want to make him think I'm chasing him or after him!"

7. YOU WANT TO GO out there and take a dance lesson, beginners' steps with some stinking catfish nobody wants! What the hell are you going to do, Honey? When are you going to learn to do what I tell you to do, huh? Are you going to be willing to do what I tell you to do or not, huh? (I hope so.) Well, you don't! Jesus said, "Catch men!"

8. TIME AND TIME AGAIN I CAST YOU and you foul up the lines and you don't go where I tell you to go. (I'm afraid it's going to hurt you.) Hurt me? How can it hurt me when that's the fish I'm trying to catch? (Because you feel awful bad.) I didn't feel a bit bad! What are you talking about? What the hell are you talking about?

9. IT'S SO RIDICULOUS! It makes me so damn mad I don't know what to do! Hurt me? I'm trying to catch Arthur and you refuse to even swim in his direction! It makes me so mad! What did he say about making love, Bait? (He didn't.) What did you say? (I said, I liked it too

and we ought to...)--Do it again?

10. WHAT DID HE SAY? Why did you say that? (He said, "I had the nicest time that I've had for a long time the other evening.") So he's practically asking for another date. (I said, "I did too, we'll have to do it another time soon.") So he said what? (I don't know.)

11. WHAT HAPPENED THEN? (I said, "We'll have to do it another time soon, I hope." He said, "How about Friday night?" But I said, "No, because possibly we'll be going soon. We'll have to do it another time sooner, Arthur.") What about Friday night?--You're the bait, you're angling for him. (But I leave the dates up to you. I didn't know I could go ahead and make a date without asking.) Of course you can make a date! It's your job to catch men.

12. MY GOD, when you are out there in the water and there is a fish, all I can do is try to signal to you from the bank if I can. If I can't, you have to do the job. You are out there and you have to do the job when you are out there. I can't do your job for you. You're the one who is supposed to attract them and lure them and get them to bite.--You're the bait!

13. BUT YOU'RE A HELL OF A BAIT, HONEY! You won't even obey the will of the fisherman! Jesus, help us Lord! I never heard of a bait that argued with the fisherman! It's so ridiculous! It's the craziest thing I ever heard of! "Oh, I don't want to catch that fish. I don't want to make that fish think I'm chasing him. I don't want to stay over there and attract him and flirt in front of him. I don't want him to think I'm flirting and trying to catch him." What the hell is that?--Nothing but pride, huh?--Huh? (Yes, partly.) Partly?

14. IT'S ALL DAMN PRIDE! What else could it be? (I'm afraid he'll think we don't love each other and it wouldn't be as good a testimony.)

That's ridiculous! So the bait says, "If I hook the big fish, if I go after the big fish and I let him bite me, he won't think I'm still attached to the fisherman."--That's the whole idea! Make him think you're after him, but maybe you're not really hooked or maybe there isn't a line on you after all.

15. DO YOU THINK HE'D BITE at all if he knew the hook and the line were there? (I don't know.) What do you mean, you don't know, Honey? (Well, Brian did.) He's only been nibbling. He's not really hooked yet. He's only nibbling. He knows the hook is there on the end of the line, and that's why he is only nibbling. He's afraid to bite. (Well, what do you think I should do about it?)

16. GIG HIM! (How?) Fuck the daylight out of him! (Am I supposed to go sit on his lap in front of you or something?) Why not? You didn't do in the living room what I told you to do last night. I as good as told you to go over there and grab his dick out of his pants and massage him and you refused to do it, and he was waiting to see what you would do.

17. (IT WOULD HURT YOU.) Hurt me? I am the fisherman! I told you what

to do, why in the hell didn't you do it? (I was afraid it would hurt you if I showed him love and affection in front of you.) That was a God-damned lie of the Devil! You showed me less love and affection by being disobedient! I would have felt you loved me more if you'd keep my commandments--"he it is that loveth me!"--Do what I say!

18. WHEN I TOLD YOU to go over there and take his peter out of his pants and do it right there and you refused, I was furious! Which showed the most love?--That you obey me or you don't obey me? Because of some stupid idea about your wanting to be loyal to the fisherman, you don't want to give him the line and the hook, and you try to use as little bait as possible! That's no way to catch men!

19. YOU'RE AFRAID TO USE YOURSELF AS BAIT 'cause you are attached to the fisherman on the line and they might get hooked! What the hell do you think Flirty Fishing is all about? That's what it's all about--to get him hooked! How is he going to get hooked and how is the fisherman going to pull him in and catch him if you are not willing to get swallowed and carry the hook to him and obey the fisherman? How?

20. IT MAKES ME SO MAD! If you had gone over there and grabbed his peter I think he would have accepted it right there. He would have let you jack him off right there!--But no, you wouldn't do it. Even if he refused at least you could have tried. Well, what's the matter? Your God-damned pride? Huh? I told you to do it.--Why didn't you?

21. NOW HOW MANY MORE TIMES ARE YOU GOING TO DISOBEY me when I tell you what to do, huh? (I hope I'm not.) Well, you have! Time and again you have. Time and again I've told you what to do, but I've had to practically kick you out of your seat to get you going. I don't know what to do with you, you are so damned stubborn!

22. I'VE NEVER HEARD OF SUCH BAIT! (You keep telling me you're afraid you're going to lose me, and all the time you're telling me that.) Oh b-loney! Every fisherman has that concern that he might lose his bait, so what! But he's never going to catch any fish unless he risks the bait. (But all the time you're making me feel like you're afraid I don't love you because I'm running after those other men and everything.)

23. THAT'S WHAT EVERY FISHERMAN HAS TO TAKE A CHANCE ON, LOSING THE BAIT. (So it makes me feel horrible because I don't want to hurt you. I love you more than anybody else.) Yeah, you complain, "I don't want to go out there and be bait because I just might get lost!" Well, you'll sure never help me catch any fish that way, I'll tell you! (Well, I won't get lost, but you think I will, and you get all hurt.) No, I know better than that. I know the Lord will do it. Thank You Jesus, help us Lord! It's all for You!

24. I'VE NEVER HEARD OF SUCH STUBBORN BAIT! I don't believe I ever heard of any bait that argued with the fisherman! (I love you, Honey. I'll try to obey you. Lord help me, in Jesus name.) You're just like a

piece of bait that's on a hook that got caught in the fisherman's clothes and whose line gets all tangled up because you refuse to be cast in the direction that I'm trying to cast you. (It gets all tangled up?)--Yes, of course!

25. I TELL YOU IT'S TERRIBLE! Of course you get tangled up if you don't go where you are supposed to go and do what I tell you do and you don't cast in the direction of the fish I'm trying to catch. I'm very, very displeased with you 'cause of your stubbornness and your disobedience.

26. (SHOULD I HAVE DANCED WITH DEREK the other night?) Of course! (I thought he had that girl Sheila, and if I did he'd just think I was another one of those girls that were chasing him.) That's ridiculous, Honey! You couldn't be like the rest of them! He knows you're different, he knows that you are attached to the fisherman. He can't understand how you love him.

27. IT'S SO RIDICULOUS!--"Should I have danced with Derek?" What do you mean, should you have danced with Derek? (He had that girl Sheila he was dancing with.) So what! (I thought that if I danced with him I'd just be like another one of...) Did he ask you? Did you ask him? (No, he didn't ask me, but...) Well, if you'd asked him, how could he have refused? (I thought I should have asked him.)--Of course!

28. YOU'VE GOT TO GIVE HIM AN OFFER HE CAN'T REFUSE. (I should have asked him then.) Of course!--Of course you should have. Honey, a man is a man, and it's almost impossible for him to refuse a maid if you are winsome, sweet enough and beg him enough, even if you have to take hold of his peter to persuade him! Boy, I'll tell you, you don't know how to be bait!

29. I'VE BEEN IN PLENTY OF WHORE HOUSES and clubs and whatnot where the girls wanted to get me hooked,

and they didn't beat around the bush!--They just reached down and grabbed the peter and that was that! I mean they didn't waste any words! What's the use of faking it? They just reached down and grabbed it and started massaging it and knew I couldn't resist!--Try it!

30. (SHOULD I HAVE DANCED WITH BILL TOO?) Why not! (You said he had all he needed.) He doesn't have what you have. Of all the ridiculous things!--"Has all he needed!" But I think you need to go after the ones that are the most lonely and the most needy. I don't think Little Bill is as needy as Derek. I think Derek is the most needy fish over there, and loneliest and the most fed up.--Go after the loners!

31. (WHAT ABOUT JOHN?) What John? (Leslie's John.) Go after him? Go after him of course, for goodness sake! Did you kiss him goodnight? (I gave him a little peck on the cheek.) Oh, for goodness sake! (But we were right in front of you in the car.) Did you hold his hand while you were riding? (No.) Did you lay your head on his shoulder? (No.)

32. DID YOU SAY, "JOHN, I LOVE YOU! I'm sorry Leslie treats you the way she does"? (No.) Did you say, "You can love me if you want to. I'll let you love me. What will it be, John, your place one night? I'll love you, John. I like you, I love you, I want to comfort you. David won't mind. He'll have to come along, but he won't mind. He wants me to love whoever I want to love."--Did you say that?

33. THEY'LL UNDERSTAND IT. They know I'm an old man. They'll think I'm probably trying to get them to fuck you because I can't make it anymore. It is perfectly understandable from a very natural human standpoint. They'll think they understand why I want you to do it, that they are performing a service that I like, to give you sex I can't

34. OH JESUS, HELP HER TO BE OBED-

IENT! I can't understand how you can be so damn stubborn, and worst of all so damn disobedient! How can you argue with the fisherman? Huh? Huh? (I'm sorry, I shouldn't.) You whimper, "I don't want to swim over there, I don't want to hook that fish! I don't want to go in that direction where you cast me! I don't want him to think that he might be able to swallow me and get away with me! I don't want to!"--My God!

35. (SHOULD I HAVE TOLD PETER?) Peter keeps telling me, he's always talking with me about how wonderful it would be if I were single and that we could love each other.) Just say, "I'd like to go home with you, Peter!" (Really?) Yes. (Really?) Yes!--"But you'll have to take David along." (I know if he had a chance he would. He can't say that to everybody. He even comes out of his stag corner and dances with me, he comes up there and asks me.) Well there is something about him that's very special. (He's always telling me how I make his day and how he sleeps better because he danced with me.) Why don't you ask him, "Do you want me to go home with you, Peter?" (Last time I said, "Well, I can love you. I love you!")

36. HOW ARE THEY GOING TO GET HOOKED, Honey, unless they go to bed with you? If you are bait they have got to try and swallow you.-- Only I have to be there to protect you and keep you and remove you. (You approve of that?) What? (Approve of Peter?) Honey, if it's of the Lord, it will happen, if not then it won't happen. (I mean it could very easily happen, because all I'd have to do is tell him that. He's always thinking about it.) Just ask him, "Do you mind taking David along?"--That's kind of an acid test. "David has to come along."

37. (BUT WHAT IF IT GOT OUT THAT I DID?) So what! (Brian would be... horrible!) Well, you just have to tell Peter, "You've got to keep this

strictly confidential"....Peter is sweet. (Yes, he is.) He is very lonely. (Yes.) He's almost in tears. He is really heart-broken. It's pitiful! I love him. (I haven't learned much about him either.)--Why not? Why don't you ask him? (I should have asked him.) Why don't you talk to him? (I know, I guess I really have been...) You can go sit in the bar with a drink and get him to loosen up. (Yes, I should suggest it, huh?)--Amen!

38. HONEY, ARE YOU GOING TO BE A HOOKER FOR JESUS OR NOT, huh? (I was worried about you, Honey.) Oh my Lord!--So the bait worries about the fisherman on the bank!--So worried about the fisherman and that the fish might think you don't have a line and a hook and might try to gobble you up and try to get away with it.--And they'll think you don't love me, the poor fisherman, if they think you're not attached!

39. HOW ARE YOU GOING TO HOOK THEM if they don't think there is some possibility of getting away with the bait? (That's right...) How are you going to hook them if they don't think that maybe you love them and maybe you might run away with them, that maybe you might jerk loose and break the line, huh? Do you think that they will purpose-ly swallow you if they know they are going to get hooked, attached to the fisherman, and they know the fisherman's going to catch them? Then how are you going to hook them and help me catch them if you don't mislead them?--You're the bait!

40. THE BAIT CONCEALS THE HOOK! The bait deceives the fish and makes them think there is no hook there and there is no line and no attachment and is willing to be gobbled and go. Even when you tell them they have to take me along, then you are pretty much revealing you're attached. So if even under those circumstances although they are warned they still grab the bait,

they risk it, still thinking maybe it's not so, they're pretty much ready to be hooked. (Harry invited us to go home with him, but I didn't dance with him the other night.) All I ask you to do is, when you finally get home, if you could just please me and make love to me. After you go with all these other men, the least you can do is make love to me.

41. BUT IF YOU DON'T LIKE BEING BAIT, YOU DON'T HAVE TO DO IT. If you don't like being bait, then why did you let yourself get caught by the fisherman in the first place, huh? If you don't like being bait, Honey, you got caught by the wrong guy, 'cause I use bait to catch fish! --And I'm after big fish. Do you think I'm going to sit around here on the bank and be satisfied with a little minnow or a little worm or two, huh? (No.) I want to use you to catch some big ones. You're going to like that, huh? (Yes.) If you don't like it, why didn't you go someplace else?--I catch fish!

42. (WHAT ABOUT BERNARD AND PETER, the other Peter, the ones that were at the party?) Honey, that is according to the leading of the Lord. But for God's sake, when I cast you in a certain direction, please go that way, will you? (That's the same way with Arthur, he seems to, I mean a lot of these people, Bill...) I don't even know them, I don't know anything about them. Arthur we know. (He has lots.)--OK, get him!

43. ARTHUR WE KNOW GOD IS AFTER and I'm angling for him, but you won't even swim in his direction. I throw you out there, but he has to come and practically ask for you. I throw you out in his direction and you swim off with some other fish. It's so ridiculous! I don't understand how you can be so damn stubborn!--An. arguing bait!

44. (YOU'RE NOT GOING TO GET HURT if I try to act more affectionate to Brian?) Of course, Honey, that's the whole idea, that's the whole

purpose, is for you to act affectionate. Honey, have you read through "The Flirty Fish"?--She deliberately bats her eyes and wiggles her tail between his legs, wraps her fins around him and does everything she can to lure him. (I thought you might even be bothered that I held his hand the other night.) Oh that's so stupid--I was so thankful to see you love him!

45. WHAT DID I TELL YOU TO DO? I told you to sit on the settee beside him and I expected you to throw your arms around him and start kissing him and making love to him right there. I thought maybe you'd wind up making love on the couch together. (You did?) Yes. (That would hurt you.) That wouldn't hurt me--that's what I'm after! Can't you understand that? I'm fishing. I'm actually trying to catch these fish, but now I've got a piece of bait that doesn't even want to do it. It's so ridiculous!--Catch them!

46. (SHOULD I SAY THAT TO PETER the next time he dances with me?) Say what? ("You want me to come home with you?"--He'll say yes of course. But I'll say, "Well, you know David will have to come too."--And we'll see what he says.) Yes, yes, absolutely! (Well, Peter--he left his stag corner and came up and asked to dance with me.) Think of that!

47. I THINK HE IS A REAL LONESOME LITTLE FISH. He sat up there looking through his little black book--it was the funniest thing! I saw him at the back bar. (He never has any girls around him.) As for Brian, he just has a lot of pride. But I'll tell you right now, he won't be able to resist. If you do what I tell you, if you'd sit on top of him like that. (I tried, I really tried.) Well, Brian is a real tough customer, but remember that with those other guys, they won't be able to resist it.--Just grab their peter!

48. I'LL NEVER FORGET THAT WOMAN in that club in Tijuana! I danced

with her until she pulled me off the floor and into her room upstairs and wanted me to undress and get in bed with her, but I was very shy and reluctant. So the first thing I knew she'd zipped open my pants and was massaging my peter and getting it hard. Then all of a sudden she bent down and started sucking it and it made me go immediately!...I was satisfied and she was perfectly happy and she had done something to me I hadn't had done before and it felt great all over!

49. (WELL, ARE YOU SURE YOU DON'T MIND that they think we don't love each other? I thought that was supposed to be part of the testimony.) They will know we love each other just by the fact that you refuse to go without me--that shows you love me. The fact that I'm willing to go along and let you shows that I love them. You understand that?--I love you! (I love you!)

50. IF YOU'LL JUST SIT ON TOP of them like that astride their legs facing them and hold their peter in your hand and rub it against your pussy, the shaft of it and the head and all, they won't be able to resist it. You can let their hands hold both of your bosoms and massage them while you are doing it and it's going to feel terrific!

51. YOU CAN GOOSE YOURSELF WITH THEIR PETER AS YOU JACK THEM OFF and you'll both feel great, and they won't even have to go into you.--What's wrong with that? (Nothing.) Then you don't have to suck them or fuck them either one. It's a terrific method! It just really sends me, you know that. Thank You Lord! (Pray about Derek then tomorrow, huh?) Yes, he's a lot more important than Peter is. (Yes, of course. I love you, Sweet Baby.)

52. YOU'RE SO PRECIOUS, MY LITTLE BAIT! I'll take good care of you. I just want you to be obedient and go the way I tell you to go and hook when I tell you to hook, so I don't

have to practically throw you into the water. It's terrible when I've got to push you in, Honey. (I love you.) You understand? (Yes, I think so.) Well, do you? (Yes.)

53. (YOU THINK I SHOULD CALL ARTHUR and make a date with him?) Of course! (Call him tomorrow?) By all means! Try to get him if you can. (Well, I should have asked him tonight.) Of course you should have asked him tonight, Honey! You had a marvellous opportunity and you didn't do anything about it. (I was waiting for him to ask us.) Oh yes, of course!--The big fish comes along and says to the fisherman, "Can I please have a piece of your bait? Would you kindly let me have a little bit of the hook?"--Nonsense!

54. THE BAIT IS OUT THERE TO ENTICE THE FISH! The fish are not supposed to be enticing the bait. The bait is out there to be inviting the fish--the fish don't invite the bait. The bait was put there on purpose to invite the fish, don't you understand that? (Yes.) Who ever heard of the fish inviting the bait?--"Would you like to be swallowed by me? Would you like for me to nibble at you?"--No!

55. THE BAIT IS OUT THERE TO FLASH HERSELF AROUND and twitch her little fanny and her tail and everything else and say, "How would you like to eat me? How would you like to have a little nibble? Would you like to have a bite?" The bait is the one who takes the initiative, not the fish. Now when in the hell are you going to get that through your thick skull? (I hope I do.)

56. YOU'RE TO GO OUT THERE ANGLING, procuring, pandering, whatever you want to call it, for fish. You have to try and persuade him--they're not supposed to be trying to persuade you: "Oh dear little bait, would you kindly come over here and hook me, please!" How ridiculous! You are supposed to catch men!

57. THE BAIT IS WORKING TRYING TO HOOK THE FISH and does everything she can to try to persuade him. You understand? (Yes, right.) I love you. (I love you, Sweetheart.) When are you ever going to get the idea, Honey, that the fish aren't supposed to come asking for the bait. (I hope right away.) The bait is thrown out there by the fisherman asking for fish. Don't you get the point? (Uh huh.) Lord help us catch men!

58. (IT MAKES ME FEEL BETTER if you'd go out and try catching a few female fishes too, and then you wouldn't feel so bad worrying about me.) Oh, I'll catch what fish I want to, Honey. But I'll catch the biggest ones through you.

59. (WHY DON'T YOU CATCH SOME LITTLE GIRL FISHEES?) Okay. But I don't feel bad about you at all. (Yes, you do, 'cause at the Rivoli all the dances those boys got to dance with me were the slow ones, and you get hurt if I don't get to dance one with you, like the slow waltzes.) Okay. (What about Tom at the Rivoli?) He's got all the love he needs--he's got lots of girls!

60. NOW NEXT TIME I THROW YOU IN you go down and catch some fish! (Okay, I'll try.) I'd like you to wear your little fins. (I'll try tomorrow, okay?) I like you to swim through my legs and wiggle your little tail! I love you Sweetheart! (I love you!) Be good bait for Jesus!

61. FOLLOW ME (JESUS SAID)
AND I WILL MAKE YOU
FISHERS OF MEN!
(Mat. 4:19)

62. AND JESUS SAID,
"FEAR NOT!
--FROM HENCEFORTH
THOU SHALT CATCH MEN!"
(Luke 5:10.)

--Are you good bait catching men?
--God bless you! I love you, Little Hooker!
