1. RECEIVING JESUS IS LIKE SEXUALLY GOING ALL THE WAY! You can even use that in witnessing with a guy that is rejecting. You can say to him, "It's as if I were offering myself to you right now to go all the way and you look at me, you strip me, you caress me, you praise my beauty, you say I'm wonderful, 'I love you! Thank you, this is wonderful!', and you even let me make you happy and love you and make you feel good.

2. BUT THEN FINALLY REJECTING

JESUS IS LIKE IF IN LOVE-MAKING WE'D GET TO THE LAST STEP AND YOU'D REFUSE TO FUCK ME, you'd refuse to receive me or take me in!"--This is what he did! Isn't it insane? Isn't that ridiculous? How many men would do such a thing? I mean this just sounds ridiculous!

3. THEY CAN THINK OF JESUS ON THE CROSS AND EVEN SAY THEY LOVE HIM AND YET REJECT HIM, AND IT DOESN'T MEAN A THING! "What else? A lot of people reject Him, so what? A lot of people don't believe He is the

Son of God, so what?" But illustrate it in sexual terms in what they understand today! It is a sexual age, right? So it's like showing them it's like going all the way with sex except the last step, and therefore not to be actually united in rejecting that step.

4. ANYBODY WOULD HAVE TO BE INSANE! (Maria: He said, "Well, you know, this has been almost the greatest temptation of my life for me!"--But how can I believe him?) Well, I believe it is, I believe it is because it is us. Why else would God use us of all people?

5. WHAT MORE IMPORTANT PEOPLE COULD GOD TAKE OUT OF THE WHOLE WORLD TO TEST HIS FAITH AND HIS LOVE AND USE HIM AS AN EXAMPLE, A GUINEA PIG, TO SHOW HOW HARD THE HEART OF THE SINNER IS! I've even used that verse with him--I rephrased it because I don't want to call him wicked because he doesn't think he is wicked. But God said in Isaiah,

6. "LET MERCY BE SHOWN TO THE WICKED AND YET HE WILL NOT LEARN RIGHTEOUSNESS!" (Isa. 26:10.) Even if you show mercy to the wicked, which God is doing every day with the rain and the sunshine and life and physical love and everything else He is showing mercy to the wicked, and yet they will not learn righteousness, they will not thank God!

7. THE WHOLE THING IS THAT BUSINESS OF PRIDE! (Maria: He was already up even when we were in the living room, so we went to the bedroom.) And you went to bed together? (Maria: Yes, and he got undressed.) Were you already undressed? (Maria: I got undressed too, and so he laid across the bed and pretty soon I started loving him.) Started caressing him or what? (Maria: No, I just laid down and I sort of worked down at the end of the bed near him on the floor and then I got up a little and got on the bed.)

8. DID YOU GET BETWEEN HIS KNEES? (Maria: Yes, and so then...) That's the best position for sucking. (Maria: Yes, and he did enjoy it. Then finally he said, when I still had him in my mouth, he said, "I'm about ready to come, maybe we better do it by hand." And I said, "It's only protein, vitamins and salt, Brian! It won't hurt me a bit, it's nourishing!" I protested a couple of times, but still he said, "No!")

9. SO HE WOULDN'T EVEN LET YOU SUCK HIM OFF BECAUSE THAT IS A FORM OF UNION, TOO, SEE? That's a form of total union if you suck him and you swallow it, that's just like a form of union. (Maria: He could have--he said he was real close.) See, in other words, that still in a sense is a form of unity, too close to the real thing for him to accept it! Isn't that amazing, he wouldn't even let you suck him off, how about that! What did he do then, just take it out and jack it off? (Maria: Yes, and I helped him.)

10. THEN WHAT? (Maria: And then I just laid down with him beside him and that's when I started asking him those questions.) You see, the semen, the fluid from the penis, actually becomes part of your flesh when you suck all the way, and that is almost the most marvellous feeling of all! It is just terrific! (Maria: He said he enjoyed it, but he didn't say he enjoyed it any more than any other, than anything else.)

11. SO THEN I LAY DOWN WITH HIM AND I JUST STARTED TALKING WITH HIM. You only went that one time? (Maria: Yes, I just didn't feel...) I don't blame you! He had his chance! (Maria: Because I thought, well, I'll lie down beside him and ask him some questions and I'll see if he would be willing. I'll try one last time. So, you know, I started saying I wish he would...)

12. THAT'S WHEN YOU SOCKED IT TO HIM! (Maria: Yes, I asked him all

those questions and really brought him to make a decision, to tell me what he thought.) A total decision and rejection!--"Will you or won't you!" (Maria: I asked him if he loved me or if he loved Helen more, or would he do it for me if it was my dying request, and he still wouldn't answer.) If I were dead, would he do it. (Maria: Yes, I asked him if he'd do it if you weren't there or if this is the last time he would see us.) Isn't that something?

13. IT'S SO LIKE THE STUBBORN WILFUL SINNER, REJECTING TO THE LAST DITCH, TO HIS DYING DAY! Isn't that amazing? Isn't that the absolute epitome of self-righteousness! I don't think I have ever met a man so stubbornly self-righteous, so stubborn and so self-righteous, with as little excuse for being so! No wonder! God, it makes me so angry! I mean we have sacrificed so much to give him everything and asked nothing in return!

14. WE HAVE DONE ALL THE GIVING, EVERYTHING, AND YET HE DOES THE WORST THING OF ALL AND EVEN REJECTS THE GIFT because he doesn't want to be thankful, he doesn't want to be obligated, he doesn't want to say, "You're my Master, you're my Captain!" (Maria: So in effect he calls us liars. He won't believe what we are saying, so he is calling us liars. See, he says it's adultery and we say it isn't, and he continues to insist on it, so in effect he is calling us liars and the worst sinners of all.)

15. WHAT A RELIEF DEAR ARTHUR IS GOING TO BE TO YOU! Thank God you were successful with really the best and the greatest and the most wonderful! Brian was always a problem child, he was always a case, and he was always a bore and everything else! He just talked, talked, talked all the time, all about himself all the time! He was never interested in you nor your problems,

nothing! He hardly ever even asked questions about us, nothing! He was just so totally self-centered he talked about himself all the time and his girls and his problems, hour after hour!

16. I SAT THERE IN ONE SESSION AND I BET I LISTENED TO HIM FOR TEN HOURS! Of course I had to do some shooting too and I got in a word here and there edgewise, but that's about all! I thought one time I was going to time him and just let him talk and see how long he'd talk. I think he would have just talked for-ever if I hadn't have finally socked it to him, and I think if it hadn't been for the appeal of going to bed with Maria he would probably be still talking yet!

17. SEE, THAT IS A PICTURE OF THE SINNER TOO: HE IS NOT REALLY INTERESTED IN THE MESSAGE AND THE WORDS OF GOD, he wants to get in his arguments and his reasoning, his logic across, and he wants to give you all his excuses for not being willing to accept, and so on. Isn't that a picture of the sinner? Oh, what a picture! But bringing it down to the sexual plane, bringing it down to the sexual level and using sex as an illustration, how much more effective an illustration could you get?

18. PEOPLE THINK NOTHING OF REJECTING CHRIST, BUT FOR A MAN TO REJECT SEX AT THE LAST MOMENT, THE FINAL INSERTION WHEN HE IS ABOUT TO GO CRAZY FOR IT, THIS PEOPLE CAN UNDERSTAND AS ABSOLUTE INSANITY! Whereas they don't think anything of the insanity of rejecting Christ! But yet this is an illustration of such love, such total giving. (Maria: He still insisted on having the door shut too.) Oh, isn't that a scream--with nobody there! He doesn't even want the spirits walking in!--Ha! Oh, thank You Lord! Well, it is an experience!

19. NO WONDER GOD GETS SO ANGRY WITH THE SINNER, AFTER ALL THAT

LOVE AND THEY STILL WON'T LET HIM IN, so then His wrath is heaped out on him! God is just fed up! He has tried everything He can to help somebody, to love them and have mercy on them and to forgive them and to give them salvation and give them the world with a string around it and happiness and Heaven on Earth--and they still reject it! God must get so angry He just wants to sock 'em one and wipe 'em out! You can understand the judgements of God, you can understand the anger of God after all of that!

20. GOD IS NOT SO ANGRY AT THE SINNER FOR BREAKING THE RULES. He knows the sinner is a sinner and can't keep the rules. But for rejecting the free gift of God's love and salvation and happiness and joy and everything God has got to give him in Christ his Saviour--(Maria: And for telling God it isn't true, and calling Him a Liar!)--Yes, for rejecting and saying, "I don't believe it, it isn't so! You are not really offering me all that!"--Or even when they do believe and they see it--no wonder God is angry!

21. HE HAS HAD TO ADMIT THAT GOD HAS LOVE FOR HIM, he has had to admit he believes in His love because he has seen His love in her and me. He's seen it, he believes it and he believes that the love is there. But even after seeing it totally manifested to the nth degree to where she is even willing to insert him and put him in and go through with it, he still rejects it! (Maria:

22. BUT HE DOESN'T BELIEVE THE WORDS OF GOD, YOU SEE, SO HE DOESN'T BELIEVE US! He calls us liars when we tell him what it really is, God's love!) Well really, that's what it amounts to in the long run, that he doesn't do it because he doesn't have the faith in the words, that's true. He doesn't really believe it when you say it is the love of God. He always goes

back and says it's adultery.

23. SO HE IS SAYING THAT'S A LIE, IT IS NOT LOVE.--You must be doing it for some other reason, there is something else. "Hath God said?", the Devil doubts to Eve in the garden. "Oh no, thou shalt not surely die! But God has some other motive, see? It is not because He really loves you that He doesn't want you to eat of that tree. It's not because it is really bad for you, it's not really because it is evil, but God has another motive He's not telling you! He is being selfish, trying to withhold something from you! It's because He really hates you and He doesn't love you like I do!" Those are exactly the Devil's arguments, see? Isn't that something!

24. WELL, SO YOU LAY THERE AND SOCKED IT TO HIM WITH THE WORD.

(Maria: Well, I tried everything I could think of, and finally he said, "You know, you can understand, can't you, Love?" So finally there at the end I said, "Yes, I guess so." I mean what good was it, I just...) You understand alright!-- Understand that he was totally rejecting the love of God! How much more could anybody illustrate their rejection of God's love than in the way that he has rejected Maria in that respect!

25. IT'S AMAZING, WHAT A STORY!

(Maria: Now this may be just Brian, because he is a little peculiar, but driving home he told me, as I had my hand on his leg like this, he said, "Well you know, if you don't mind, that's a little distracting. You know I am trying to concentrate. I have a radio program on, music is alright and it doesn't bother me, but that tickles me a little.") Even that small personal contact with the Spirit of God was too much for him! He couldn't even stand to have her touch him while he is doing something else! (Maria:

26. BUT ARTHUR WAS JUST THE OPPO-

SITE--he was very happy for me to touch him while we were driving.) He put his coat on top of the gears and let her sit up there beside him! (Maria: Well, Brian is a little funny anyway. I could understand, he is very good about his driving and he is very careful. So I said, "I'm glad you told me, I like you to be careful and concentrate." But Arthur is a good driver too.)

27. SO TO FINISH THE STORY, YOU FINALLY GAVE UP AND GOT UP? (Maria: Yes, I didn't try anything else.)-- And he never got up again? He never came up again? (Maria: I didn't want to try. I was just fed up. I saw that it just wouldn't help. So it was getting late, we looked at the clock and it was a quarter after four, and I wanted to get his dishes done, so I quick hurried and did his dishes and he got up and got ready and we left. He didn't say too much on the way home. Well, he refuses to be happy with what you give him and he wants something different, so...?)

28. WELL, NOW HE IS NOT GOING TO GET ANYTHING, SEE? (Maria: I intimated that to him very strongly, but--well, you had, too.) "The double-minded man is unstable in all his ways; let not that man think that he shall receive anything from the Lord!" (Ja. 1:7,8.) Nothing, because he is so double-minded and so unstable and so wishy-washy and wallows back and forth from one thing to another, where he almost does and then he doesn't!--On again, off again, gone again!

29. HE IS THE TYPICAL DOUBLE-MINDED MAN. One minute he is acknowledging everything you say, and the next minute he is saying it is all lies! One minute he accepts love, and the next minute he rejects the final stage. "Let not that man think that he shall receive anything from the Lord!...For the wicked are like the troubled sea when it cannot rest. There is no peace, saith my

God, to the wicked." (Isa 57:20,21.) Isn't that something?

30. LOOK AT THAT BEAUTIFUL LITTLE PAPER-WEIGHT ARTHUR CARVED FOR YOU! --"LOVE! PEACE!" Isn't that sweet! Arthur gave you this little thing right away. Brian hasn't ever given us anything! I can't think of a thing he ever gave us except a ride --even to his own advantage! (Maria: Look, my ring that he designed it from didn't even have "PEACE"! My ring only had "LOVE". But look, he added "PEACE" because that's what the Lord has given him!)

31. THIS IS WHAT ARTHUR GAVE HER. She is handling here this beautiful little round block of wood which Arthur gave her yesterday. He came to the door and knocked like a little boy and offered her this little token of his love, this little round wooden wheel. It's about three inches in diameter. (Maria:

32. ARTHUR SAID THIS MORNING, "I DIDN'T KNOW WHAT TO GIVE YOU."-- LIKE HE KNEW HE WAS SUPPOSED TO GIVE ME SOMETHING.) This morning? (Maria: Yes, on the phone. That's why when I told him thank you...) When you called Arthur--she called him before he went to work this morning. (Maria: Do you remember that?) I remember vaguely, it's kind of vague. (Maria: That's when we made the date for tonight.) Yes, isn't that wonderful? Oh, that was a miracle, that was a miracle!

33. IT WAS JUST LIKE GOD KNEW THAT BRIAN WAS REJECTING. SO GOD WAS TURNING FROM HIM TO ARTHUR. (Maria: So I called up Arthur this morning.) It's just like God turned her heart from Brian to Arthur. (Maria: Yes, at 6:15 AM! Then at about 9:15 AM Brian called. But I made the date with Arthur at 6:15 and we went back to sleep!--And Brian called and woke us up about 9!) So Brian finally called! We told him never to call us before noon, so of course he calls us

early in the morning! He has never called before, has he?--Never called us before! It was the first time he ever got to the point to where he called us!--Well, only when he was going to be a little late or something like that.

34. SO THEN BRIAN CALLS LATER AND HINTS AROUND FOR A DATE. (Maria: But he never came right out and said it, and each time I said, "Well, we want to do it for you," each time I told him "Well, we are doing this for you because you needed it", he just brushed it off like, "Well, no, I don't have a need. I'm inviting you over because you like to come over. Don't you want a cup of coffee? Wouldn't you like to enjoy my apartment? Well, David likes the fire.")

35. HE IS ALWAYS TRYING TO BLAME IT ON YOU, you know. He is doing all the giving and you're doing the getting, when it's just the opposite! Isn't that just like the sinner? I mean it's just like some sinners: "Well, if I give God my heart, after all, I would be doing Him a big favour, you know! Dear me!" You know, like the church people who're always patting themselves on the back thinking, "So I've done my little duty and favour to God today, I've gone to church this morning!"

36. WE HAVEN'T FINISHED DESCRIBING ARTHUR'S LITTLE WHEEL, this beautiful little round block-of-wood paper-weight that Arthur made for Maria with "LOVE"! He said yesterday afternoon he carved the word "LOVE" on one side and he carved the word "PEACE" on the other. (Maria: This morning on the phone he told me he got the inspiration from my ring.) Isn't that something? He notices everything, he never forgets anything! He is so thoughtful and so sweet! He is so spiritual, so in tune, really, you know? (Maria: The thing is, they are a lot alike in certain ways: They are both

spiritual, but one under the good influence, the other under the bad!)

37. ONE IS IN TUNE WITH THE DEVIL AND THE OTHER IS IN TUNE WITH THE LORD! (Maria: They both like the number 7 and they both see the significance in little things, you know, they both have got a lot of the same spiritual sensitivity.) You've got Brian like a negative spiritual pole and Arthur is like the positive.

38. THE VERY FIRST TIME ARTHUR JUST ACCEPTED IT AND RECEIVED IT JUST LIKE THAT! (Maria: This morning on the phone when I said, "I want to come over one more time before we go on our holidays. Would you pick me up on your way home?") Isn't that cute? (Maria: He said, "Do you think it would be all right?" And I said, "Of course!" So he said, "Okay!"--Just like that!)

39. ARTHUR JUST ACCEPTS IT LIKE A LITTLE CHILD! Thank You Lord! He just accepted every bit of it, just went right along without protest, or very little protest. He just wanted to make sure it was alright with me, I guess, didn't he? (Maria: Yes, he said, "Do you think it will be all right?") The first time! (Maria: Oh yes, he asked me, "Well, what does David think about this?") Well, he knows what I think: I offered you to him almost in so many words that night he was going home when he said, "Now I've got to go home to my lonely flat!" I said,

40. "YOU KNOW YOU DON'T HAVE TO BE ALONE--MARIA WILL GLADLY SLEEP WITH YOU!" But he just laughs! He said, "Well, I'm tired tonight. I've got to go to work in the morning." (Maria: It was real late, about 1:00 A.M. and he had to get up at 5:00 A.M.!) Yes, they have to have a little time to let it sink in, to debate about it. (Maria: That was the first night we had ever really talked to him, after all!) Yes, that was the first night we ever went out with him to dinner. (Maria: I said

the other night, I said, "Didn't you want to take me home with you that first night?"--And he said, "Are you kidding!" I said, "You didn't want to take me home?" He said, "Of course I wanted to!" He is so honest!

41. BRIAN IS REALLY SUCH A LIAR, he keeps lying about all these things, and then he contradicts himself all the time, you know. Whereas Arthur is so simple and childlike and open and honest and he just admits his faults and frailties and his relations with other women and everything else! He said he hadn't had sex since October anyhow! So goodness knows, we thought he was well supplied!

42. SO MARIA DID REALLY MEET A REAL NEED WITH ARTHUR.--And he came to our door and gave her this like a little boy that had made something in school to give to his little girlfriend, you know?--The next thing to carving your names together on a tree! You're "LOVE" and he's "PEACE"! (Maria: I'll say, "Would you make me another one, Arthur? You put "Arthur" on one side and "Maria" on the other!") Yes, that would be cute! (Maria: I'll see if he'll do it.--But maybe that would be asking too much?) It might be, Honey. Thank you Jesus! Thank You Lord! Well, praise the Lord!

43. SO YOU GOT UP AND WASHED BRIAN'S DISHES and..? (Maria: Yes, and then we came home, we left then.) Did he make any begrudging protest to have to bring you home or anything? (Maria: Oh no, he didn't mind that.) Did he say anything after that, when you were getting ready to go? (Maria: Well, that was when he said, "It's the greatest temptation that I've had," --when I was doing the dishes.)

44. IT REMINDS ME OF THE STORY ABOUT THAT FAMOUS CRIMINAL LAWYER IN DETROIT, MICHIGAN. We went, Mother and I, to a revival there

in the First Alliance Church, this big downtown church. It had millionaires, doctors, lawyers, real estate men and everything. We were staying in the home of Henry Ford's cousin, this fellow that was our host, Fred Shultz, an old friend and multi-millionaire property owner there. But he was a real good personal witness. He was always witnessing to the real estate men and lawyers and businessmen that he dealt with, a real good personal witness.

45. FRED HAD BEEN WORKING ON THIS LAWYER FOR A LONG TIME and it was the last night of the revival and it was what you call an evangelistic meeting, you know. So Fred, every night he had a whole bunch of his friends there, he had such influence! He'd persuade them to come out to the meetings and hear this woman preacher, my mother!

46. FINALLY HE GOT THIS LAWYER TO COME ON THE LAST NIGHT, and Mother gave her life story about her conversion from atheism and her miraculous healing and so on. But on the invitation, when the invitation came, this lawyer was sitting there next to Fred and Fred saw him, and sweat was just pouring down the lawyer's face and he was mopping his head! I mean he was under such terrific conviction he was practically trembling!

47. BUT AS MOTHER WAS GIVING THE INVITATION TO COME FORWARD AND ACCEPT CHRIST AND GIVE YOUR LIFE TO THE LORD, HE GOT UP AND ALMOST RAN OUT OF THE CHURCH! So Fred ran after him to see what was the matter, you know, to try to catch him, as he thought maybe he was sick or something. Well, he was sick all right!--Sick in the head, sick in the heart and practically sick in the flesh as a result! He was standing outside leaning up against the wall of the building mopping his brow and saying,

48. "OH MY GOD! I MADE IT! SHE

ALMOST GOT A HOOK IN MY JAW BUT I MADE IT! I MADE IT, I GOT AWAY!"-- Yes, he "made it" all right!--About three weeks later he put a gun to his head and blew his brains out!-- "That woman almost got a hook in my jaw, but I made it!"--and he shot himself! His beautiful 17-year-old daughter that I liked--I was just a teenager then--was heartbroken! (Maria:

49. IT SOUNDS LIKE BRIAN, DOESN'T IT? Yes, exactly his attitude right now! "Well I almost got hooked, but I made it!" Now what does it mean, that God is now going to gig him? When you gig a fish, it usually kills it on the spot! Now, you can catch fish with a hook, you know, and take the hook out immediately and it doesn't kill them. You can put them in the bucket and they are still alive. But when you have to get to the point where you have got to gig the fish, it is sudden destruction from above! It usually kills it right on the spot!

50. SO DOES THAT MEAN GOD IS GOING TO HAVE TO KILL HIM? I WOULDN'T BE SURPRISED! I mean he sure had every chance! (Maria: Do you think he knows the Lord enough to think that he really accepted the Lord?) Well, he claims he did, but how could he? Well, of course he could have, but I don't see how he could have accepted the Lord and not accept you! I just don't see it, it is too much of a type.

51. OF COURSE WE DON'T KNOW ALL THE MERCY OF GOD. He believes in God, that's for sure--more now than he turns around and says he does! He is just the type of the wishy-washy sinner that is double-minded and never makes up his mind, but now he is driven to the decision. What an illustration of the rejecter's heart!

52. WELL, THANK GOD YOU CAN GO TO THE NICE BIG BOY, THE RECEPTIVE ONE TONIGHT!--ARTHUR! And I am happy to let you go this time,

Honey! I think I will be able to make it through the night! (To Becky:) Well, I really had gotten the victory, hadn't I, just before she got home, hadn't I? I was resigned and I had gotten over being so upset. (Maria: Yes, that's almost the worst thing, the later effect on you!)

53. HONEY, HOW DID THAT PHONE CALL TO ARTHUR COME ABOUT THIS MORNING? (Maria: You told me to phone him--you kept telling me. But I said, "Are you sure?"--Maybe you're drunk!") See, it was the Lord! (Maria: And you said, "I'm not drunk! See, I can see my one finger in front of my face, one finger!")

54. SEE, WHEN I GET DRUNK, I YIELD TO GOD'S SPIRIT, and then I am happy about it! Well, I guess that's the truth! That's something, if you have the Spirit of God, if you get intoxicated, why, it just makes you even more free in the spirit--at least it does with me!

55. BUT IT'S JUST LIKE THE DEVIL'S PEOPLE: IF THEY HAVE THE SPIRIT OF SATAN, when they get drunk they get wild, insane, violent or rape or whatever!

56. SO PRAISE THE LORD! It came to me this morning after you were gone. I was praying about it and it came to me so clear, you know: The kind of people we appeal to is the hippies and some of what the system calls the dregs of society. But actually they are a lot of nice kids just like you, Becky.

57. BUT JUST BECAUSE THEY ARE HIPPIES THE SYSTEM THINKS THEY ARE THE LOWEST OF THE LOW. Of course a lot of the girls have gotten deeply involved in sex, in virtual prostitution. But if we are going to write on the subject of sex in relation to soul winning, we cannot exclude the potential of sex as a soul bait! It's just there! Amen? GBY! ILY!--Hook 'em for Jesus! PTL!
