(From a discussion with Maria on her Flirty-Fishing in a certain hotel!)

1. WHEN I LOVE SOMEONE, I REALLY LOVE THEM AND I WANT TO GIVE THEM WHAT THEY WANT AND NEED THE MOST!--

And believe it or not, you Flirty Fishers are doing the same! But there is a big difference between men and women and what they want and what they need! I'm talking about what a man needs from a woman and a woman needs from a man.

2. MEN ARE FUNNY! What is it they want and need the most and what satisfies them? Well, they are desperate for love and affection, and in their case particularly sexual love.

3. MEN CAN GET SO HORNY THEY'LL EVEN KILL TO GET IT! They have got to have a woman and they have got to fuck her! It's just virtually an irresistible desire on their part that apparently God has given them to perpetuate the human race.

4. THEY HAVE ABSOLUTELY A CRAVING TO SOW THEIR SEEDS wherever they can sow them! A man makes love and gets up and goes his own way. He has his own job, his own living, his own place, his own security and, except for a protective instinct that he has for a woman, his sexual drive is almost the strongest drive that he has in relation to a woman.

5. HIS DESIRE FOR A WOMAN SEXUALLY IS ALMOST HIS STRONGEST DRIVE. It is more than hunger or thirst or the desire and need for shelter or security or even his affection for his own children!

6. MEN HAVE EVEN BEEN KNOWN TO DIE FUCKING RATHER THAN LIVE! Sick men who were dying have been known to have their strongest urge to fuck even more than to live, and with their last ounce of strength and dying gasp they've attacked their nurses and tried to fuck them!

7. IT IS A TREMENDOUS URGE WITH MEN! It is just about the strongest urge and need they have, more than any other physical need or urge. As soon as they're done they're done, and it is over with them as far as sex is concerned. They don't have too much further desire for or toward the woman, unless they have a real love for her.

8. FEEDING A MAN SEX IS LIKE FEEDING HIM A MEAL, something he absolutely has to have and he'll do anything to get it, including kill in some sad cases!

9. SEX IS A BASIC ESSENTIAL NEED OF THE MALE PERSONALITY AND THE STRONGEST OF ALL, his needs aside from his spiritual needs. Amongst peoples starving to death they've been known to keep on having sex as long as they were able, even when they were starving to death! So I've asked the Lord,

10. WHAT KIND OF MINISTRY IS THIS FLIRTY-FISHING AND WHAT GOOD DOES IT DO? How much does it accomplish, and how come the same is not true with men fishing for women? Why aren't the women lined up at my door for sex? Why don't I make the rounds and fuck all the female staff? I believe these women would give me sex, but not because it is the most basic and demanding urge of their lives!

11. NORMALLY MOST WOMEN GIVE A MAN SEX PRIMARILY BECAUSE HE NEEDS IT and he initiates it and she wants to satisfy him and make him happy. And therefore, this is why a woman normally only makes love to the men she likes.

12. A MAN CAN MAKE LOVE TO ALMOST ANYTHING, fuck almost anything as long as it's got a hole in it, and that's no joke! They've been known to fuck farm animals, and they even sell rubber pussies and inflated dolls in the sex shops because it is such an urgent need for men to sat-

isfy that sex drive, so that most men jack off or masturbate almost daily when they can't get a woman, because they have to!

13. BUT BY COMPARISON, MOST WOMEN'S SEX DRIVE IS NOT ALL THAT STRONG that they all have to keep jacking off or masturbating all the time! That's not their strongest drive of any kind or their major need or their most urgent necessity. I really believe they do it mostly because they like or love a man and want to please him, as well as at the same time being physically attracted and enjoying it.

14. GOD'S GIVEN WOMEN NERVES TO ENJOY IT ALSO, BUT THEY DON'T USUALLY INITIATE IT. The man is usually the aggressor and the one who is pushing for it. You may give them a loving affectionate kiss which you could just as well have given to anybody, but you yourself personally are not really pressing these boys for sex.--They are the ones pushing for it.

15. IT IS THE WOMAN'S ROLE TO USUALLY HAVE A DESIRE TO SATISFY THE MAN--"the woman was made for man and not the man for the woman"! (I Cor.11:9.) At the same time God has made her physiologically so that she also can enjoy it and be satisfied. She too can enjoy a climax and get a great deal of satisfaction from the act. But the whole operation is usually initiated by the man as being his major aim!

16. A MAN'S MAJOR AIM IS TO SCORE, as they say in the world, to fuck--as much as he can and as many as he can! But it is a very rare woman who has this attitude toward sex, and they usually call them nymphomaniacs when they do. Sexual satisfaction is not the greatest need of most women. Sexual satisfaction is not the total thing with them like it is with men. Most men almost live for sex, and they'll do almost anything to get it!

17. THAT'S JUST THE WAY GOD MADE

THEM TO BE SURE THAT THOSE SEEDS GET PLANTED SOMEWHERE so they can grow and produce! So that's what a man wants most of all, and that's what you have to give him to keep him happy! What can you do most of all to make a man happy?--Satisfy his normal sex drive! I'm talking about his physical needs now, not his spiritual needs. Of course now, you can link that sex love with his spiritual need for real love and show him the similarity.

18. THE BASIC NEED OF BOTH SEXES IS REAL LOVE. The greatest need of all is love. "The greatest of these is love" (I Cor.13:13), but the way a man needs to have his love expressed is different from the way a woman most wants her love expressed.

19. THE NEED FOR LOVE IS A SPIRITUAL NEED--REAL LOVE. But love must be manifested in works--"faith that worketh through love"! (Gal.5:6.) It must be physically shown if it is real love, right? It has to be expressed in some way, and a man simply likes his woman's love expressed in sex almost above all--that is, the normal average male. If he figures a woman really loves him, the greatest proof to him is that she'll let him fuck her! To him this is almost the greatest expression of her love, especially if she says she'd like to have his baby!

20. TO A MAN THE GREATEST PROOF OF A WOMAN'S LOVE IS LOVE-MAKING! It doesn't matter if she can cook and be the best housekeeper in the world, the best mother or even a good businesswoman to help him make money! None of these things will satisfy him unless she satisfies him with sex. Man's greatest need from a woman is sex, and he needs to have her love expressed in sex more than any other way.

21. I'VE REALLY PRAYED A LOT ABOUT THIS the last few days, thinking, for God's sake, what good does that do!--That little waiter in here giving you a "two-to-five-minute quickie"

--or rather, you giving him a two-to-five-minute quickie! You're the one who is giving.--He's the one accepting what you're offering, right?

22. I KNOW THIS BECAUSE MY FIRST WIFE WAS A GOOD WOMAN: She gave me good children and was a wonderful mother. She was a good cook and a housekeeper. But she did not in those early years care enough about me sexually and love me enough sexually to be willing on several occasions to forsake all, including home and children and ministry to come and love me sexually, satisfy my sexual needs, if it meant deserting the children and neglecting the home and forsaking the business!

23. THEREFORE I SIMPLY DIDN'T FEEL THAT SHE REALLY LOVED ME ENOUGH if she wasn't willing to do all this to give me the sex that I so sorely needed, the sexual love I desperately had to have, the expression of her love in sex. So on the road alone I had to find my sex elsewhere!

24. A NORMAL MAN'S GREATEST PHYSICAL NEED IS SEXUAL LOVE, and in his relationship with a woman he has to have that love expressed in sex. To a man that's the final acid test: If a woman loves him she'll go to bed with him!

25. BUT WITH A WOMAN IT IS DIFFERENT: To her the final acid test of his love is not whether or not he will go to bed with her, because most any man will go to bed with almost any woman, and it is amazing what some of them will go to bed with to merely satisfy their purely physical necessity, love or no love!

26. BUT A WOMAN NEEDS LOVE EXPRESSED IN A MUCH GREATER VARIETY OF WAYS THAN MERE SEX OR THE BED. A woman's needs and her need of love is much more complex than a man's, and her major need of his love's expression is not sex nor the bed--that's only part of it. The greatest need of most women is for a man's love expressed in his security, pro-

vision and protection. A woman needs love expressed in these ways most of all.

27. SHE NEEDS TO KNOW THAT A MAN LOVES HER ENOUGH TO TAKE CARE OF HER, PROTECT HER, PROVIDE FOR HER. She wants to sleep in his arms not primarily because of a sexual urge, but because of an instinctive desire for his affectionate protection and his loving care. More than a man's sex, a woman needs a man's home, his heart and his hearth, his protection and provisions.

28. SHE WILL LOVE THE MAN WHO GIVES HER THESE THINGS MORE THAN HE WHO GIVES HER ONLY SEX. She'll be loyal and faithful to the man who cares for her, more than to just a good lover. She would rather sleep safely, tenderly and feel secure in his arms all night than be fucked like mad half the night by a man who leaves her alone to sleep alone in a lonely room for the rest of the night!

29. THEREFORE, MANY A WOMAN HAS BEEN KNOWN TO FORSAKE A GOOD LOVER WHO DIDN'T OR COULDN'T TAKE CARE OF HER for a man who could give her little or no sexual love at all, but who could tenderly gently care for her day after day, and beside whom she could sleep and feel secure night after night!

30. THE NORMAL WOMAN ALSO PREFERS HER CHILDREN TO LOVE-MAKING, and prefers a good father for them to help her care for them and train them over a good sexual lover who wants no children. A woman is happy to give a man sex and enjoy it in return for all these, but the average woman is far from willing to forsake all these for nothing but sex!

31. SHE CAN LOVE 'EM AND LEAVE 'EM, BUT SHE'LL NEVER LEAVE HER LOVING PROVIDER AND PROTECTOR FOR LONG FOR MERE SEX! Although many a foolish woman has thought she could, and has forsaken a husband for a lover, only to discover later to her

dismay that she had lost what she really wanted most of all for a mere fleeting sexual impulse.

32. A WOMAN NEEDS HER LOVE EXPRESSED IN (LOVING CARE) EVEN MORE THAN LOVING SEX. But a man can even do without the loving care if necessary, but he must have the loving sex to believe that she loves him. A woman needs a nest and nest eggs and birdlings to be happy. She desires a home and the things which make it comfortable and convenient for her and her family and possible for her to have children even more than she needs sex, as a rule.

33. A MAN CAN ACTUALLY DO WITHOUT ALL OF THESE THINGS and sometimes hardly miss them, but he has got to have a woman for sex or he will nearly go crazy! Many a wife has driven her husband crazy or at least from home by withholding herself from him and denying her mate sex, his absolutely necessary due.

34. THE INJUSTICE OF THE U.S. LAWS is that the courts will give the woman all of these things that she wanted in the first place--the house, the furniture, the car, the income and the children, and she can kick the man out with absolutely nothing and hardly miss him because she's got what she really wanted! But the man will not resent the loss of these things as much as the loss of the woman herself to satisfy his basic need of love expressed in sex. But the courts even deprive the man of this one thing he needs most--his wife's body, for which he would gladly forsake all his possessions and even his children.

35. SO IT IS MUCH EASIER FOR A WOMAN TO SATISFY A MAN'S GREATEST NEEDS, WHICH ARE PRIMARILY SEXUAL, and their methods of satisfying him can be quick, easy and with no strings attached. She can send him merrily on his way, happy and content just from having been to bed with her, having satisfied himself

with her love expressed by her body.

36. BUT A WOMAN NEEDS A GREAT DEAL MORE and hers are needs which are much more difficult to satisfy. So you can satisfy these boys with a mere five-minute quickie on the couch, which will send them happily on their way for a week asking no more!

37. BUT MEN HAVE TO OFFER THE WOMEN A LOT MORE THAN A QUICK FUCK TO MAKE THEM HAPPY! They not only want your love, but they want your heart, your home, your income, your children and your life, even more than your love-making, which is just the opposite from the boys! That's why it's virtually impossible for a man to try to carry on such a program of mass love-making with many women, as some girls do with many boys, because the women don't merely want to move into a fellow's arms.

38. THE WOMEN WANT TO MOVE INTO HIS HOUSE AND HIS LIFE, and they want to be the only other person in it, if possible, as well. Women usually don't like the idea of having to share their man with others. But the boys are perfectly happy and sometimes satisfied for days at a time from merely spending a few moments in your arms and obtaining the urgent sexual satisfaction they need.

39. BUT THE WOMEN ARE NOT SATISFIED WITH A FIVE-MINUTE QUICKIE ON THE COUCH! In fact, they're not even that keen on it at all. They want to spend the rest of their lives in your arms and in your house! So these basic urges of the women and their sexual needs are far more complex and difficult to satisfy.

40. TO MAKE A WOMAN HAPPY YOU HAVE TO ASK HER TO BE YOUR WIFE and let her move in with you for the rest of her life! But to make a man happy, you only need to fuck him two or three times a week to satisfy his most urgent needs.

41. A MAN DOES HAVE OTHER NEEDS TOO, OF COURSE, such as a cook,

housekeeper, mother for his children and companion, someone with whom to share his daily life. He does like to feel needed, and he has that instinctive desire to want to care for, provide for and protect his woman and try to make her happy.

42. BUT A MAN CAN BE FAIRLY HAPPY IF SOME WOMAN IS AT LEAST MERELY PROVIDING HIS SEXUAL NEEDS which are much less than all of these needs of the woman. So the task of the Flirty-Fish can be much easier and make more men happy than that of the Fisherman who has to try to provide a home, provision and protection for all his female fish!

43. MALE FISH CAN BE SATISFIED WITH A MERE NIBBLE OR A BITE, a mouthful and bellyful of bait! Whereas the female fish want the fisherman, the tackle, the trap, and the whole darn boat!

44. SO THIS EXPLAINS WHY IT IS A LOT EASIER TO FISH FOR MALE FISH THAN FOR FEMALE FISH. The male is satisfied with the bait even if he's hooked! The female fish wants the bait, hook, line and sinker, pole, boat and fisherman! Which makes it a little more difficult to catch females than males!

45. BUT IT CAN BE DONE IF YOU'RE WILLING TO HAVE QUITE A HOUSEFUL OF FEMALES and they're all willing to share!--Ha! Is it any wonder we have more males than females in our Family?

46. BUT DON'T GIVE UP!--Promise her everything and give her whatever she needs, and she'll remain one of your loyal faithful devotees forever! Whereas the males may drift in and out for a mere bite of bait and be gone again!

47. SO IF IT IS STICK-TUITIVE QUALITY YOU WANT, "FRUIT THAT REMAINS" (Jn.15:16), GO AFTER THE FEMALES! But for quantity you can't beat the males! They'll swim in in whole schools! But having satisfied their stomachs with your bait, they

may swim right out again just as fast as they came in!

48. ALTHOUGH WE HAVE TWICE AS MANY MALES IN THE FAMILY, WE'VE FOUND THE FEMALES STICK AROUND LONGER, believe it or not! So they're worth promising everything to to catch 'em! So go after those gals, guys. They're great! They make terrific wives!--And we've got everything in our Family to give 'em!

49. WE CAN GIVE 'EM ALL A HOME, plentiful provision, perfect protection, loving care, lots of sex, plenty of children and everything they always wanted, including forgiveness of sins, faith in God, love in Christ, something to really live and work for, peace of mind, health of body and joy and happiness and love and laughter forever after!

50. SO GET OUT THERE FELLOWS AND HOOK 'EM!--They'll love it! You've got everything they always wanted! Use it!--You just need to teach 'em to share a bit, like we do them!--Ha! After all, if they want the best there is, they can't expect to be selfish and keep it all to themselves!

51. THEY JUST GOTTA LEARN TO SHARE!--Amen, girls?--We love you! You're the greatest! Keep it busy! Use it! We love it! Thank you! God bless and keep you and keep making you a blessing! Happy hookin'!--In Jesus name! PTL? Amen!
