Every time they get into a difficulty, they look straight ahead, and focus. They then give a nod or a glance of acknowledgment and a set of golden keys appears.

A brilliant beam of light shines from their eyes!

They extend their arms, and as they do, the keys transform into a huge sword that is glowing so brightly, as if edged with fire!

The sword has great explosive power! Its edge is as sharp as can be!

Even though the sword is very big, each Family member is wielding it with incredible ease.

There's no match for the speed, skill and agility with which they handle these weapons!

These Family members wield the swords so fast that anything in their way is defeated!

THWACK!

The Family members always overcome whatever obstacle stands in their way as long as they focus and signal for help!

It's right there at their fingertips.

They start wielding this weapon, and it does whatever they need.

It stops enemies.

It can hold back the weather, or it can bring raging storms, earthquakes, volcanoes, tornados, terrible lightning and thunder upon the wicked and those who fight against God's people!

It heals the sick. One woman is wielding her sword over a sick man lying in intensive care in a hospital unit, and he rises to his feet!

It releases captives. In one scene there is a Family man freeing spiritual prisoners.

He's not freeing them from a prison, but from an office building, and the prisoners are the employees.

The swords can be used to blind the eyes of the authorities.

The swords bring supply. Huge floodgates are being opened, and food, clothing, and needs are flowing out.

In another scene there are Family members high on a hill, with a large crowd of frightened people flocking around them.

They're crying out, "Save us, feed us!"

The brethren signal for help from the keys. Reaching out to grab their swords, they wave them over the crowds.

A great calm comes over the people. As they settle down, instantly little portable tables set with food, appear in front of the people in the crowd.

The brethren then begin prophesying to the crowds.

Now several Family members are lined up, ready to give a demonstration.

In perfect unison, they reach out to take hold of the keys-turned-to-swords at the same time.

They're all perfectly synced*
as they grab their weapons and
wield them.

Then they flip
their huge fiery
swords ...

*synced: synchronized; moving
together at the same time

... throw them up in
the air ...

... and as they catch them, the weapons turn back into beautiful golden keys, several on one key ring, and these keys just slip right into their pockets.

The keys are always with them.

They then raise their arms in praise and thanks to the Lord, giving Him all the credit and glory.

END OF VISION

JESUS SPEAKING:

These keys are for you who love Me and want to do My will. Take them! Use them to bring My joy and Words to others, to bring healing and provision.

Reach out by faith
to use the keys!

Use the keys to guide
others through the
Endtime.

Practice using this powerful gift of the keys and you will become masters at turning them into swords.

Hold out the keys with full faith and wield this mighty sword of My Spirit!

MORE KEYS PROMISES

Prayer, along with calling on the keys, is the most powerful force on Earth. Never give up, keep your prayer fire burning, and you will see miracles.

The keys of the Kingdom, My love, and the Word are one—this great power of the universe can conquer all evil, solve all problems, and forgive all sins!

When you're at the end of your rope and feel there's nowhere to turn and no solution in sight, call on the keys; they will light your path and make your way clear.

There is no problem too great for the keys, the Word and My love.
