Praising with Natalia

Hi!
Come praise Jesus
with me!

Let's begin
by lifting up our hands
towards Heaven and
telling Jesus we
love Him!

ZEB

Praise the Lord for His exciting Word. Tell Him what your favorite Word stories are.

Reading Your Word makes me happy. Do You want to hear what my favorite Word stories are?

We canceled the special snack planned for tonight, because you kids were arguing so much today.

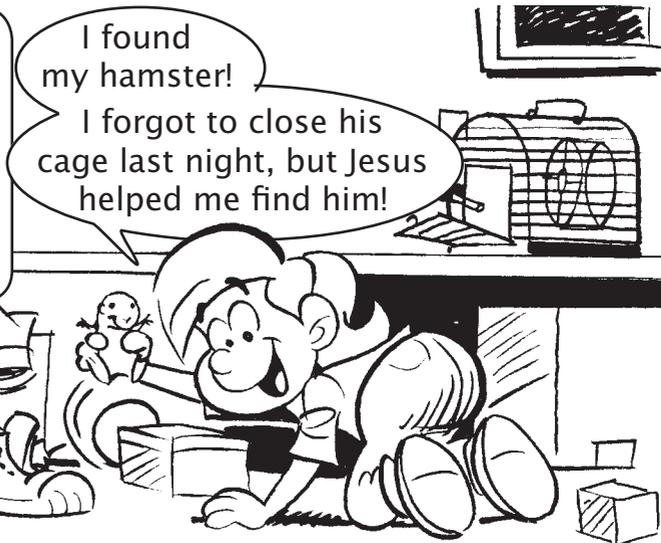

Sometimes you go through difficult times. Praise Him for the lessons He teaches you during those times, and for bringing you closer to Him.

I want to thank You, Jesus, for how even when some experiences are not so easy, You teach me good things through those times and bring me closer to You.

Isn't it wonderful how Jesus forgives you, and gives you another chance when you do something wrong? Thank Him for this.

I found my hamster!
I forgot to close his cage last night, but Jesus helped me find him!

Jesus, I appreciate how You forgive me over and over. You even give me another chance when I've done something wrong.

What's the name of my guardian angel?

I'm glad you asked!

Praise Jesus for how He has a neat answer for every question you ask Him, whether big or small.

Praise You, Jesus! I love asking You questions, because You always answer!
