

Working with Our Spirit Helpers

An illustration showing a group of spirit helpers in the background and a young couple in the foreground. The spirit helpers are depicted with white wings and halos. One is a young woman with blonde hair and a halo, another is a woman with long blonde hair, and a third is a man with long blonde hair. In the foreground, a young woman with brown hair, wearing an orange top and light blue pants, holds a book titled 'Private' and a dark bag. Next to her is a young man with brown hair, wearing a blue t-shirt and blue pants. The background is a light blue sky with white clouds.

It's important to get to know your spirit helpers.

Then when you need their help, you will know who in the spirit world you can ask for help from.

It's exciting to be able to go on a witnessing trip together as a family.

Lord, please bless the rest of our Home while we are away.

I'm still feeling quite tired and rundown after the flu I had last week. Could you pray for me?

Is everyone comfortable and feeling okay?

Maybe there is someone who is sick and needs extra care.

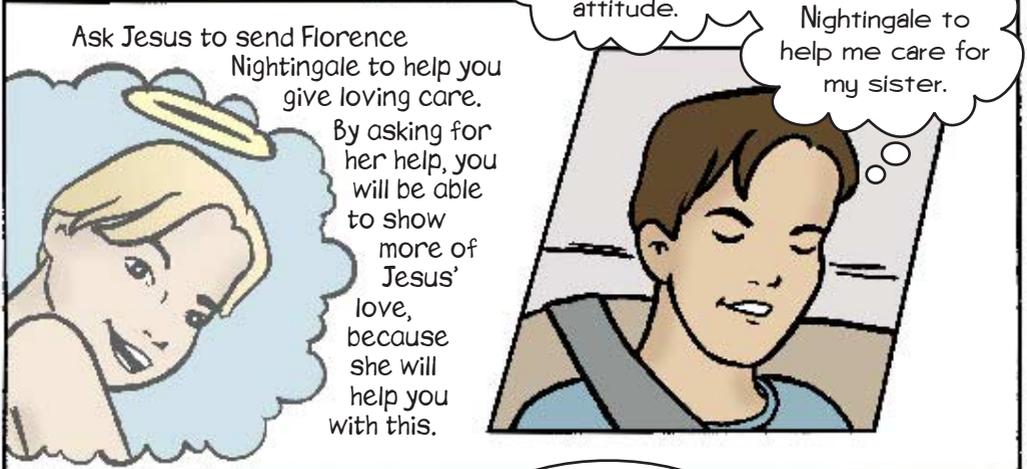

Yes, we'll pray for you. James, could you see if there's a way to help Cathy to feel more comfortable?

Isn't she old enough to take care of herself? I don't feel like helping her.

Jesus, please forgive me for my wrong attitude.

Please send Florence Nightingale to help me care for my sister.

Ask Jesus to send Florence Nightingale to help you give loving care.

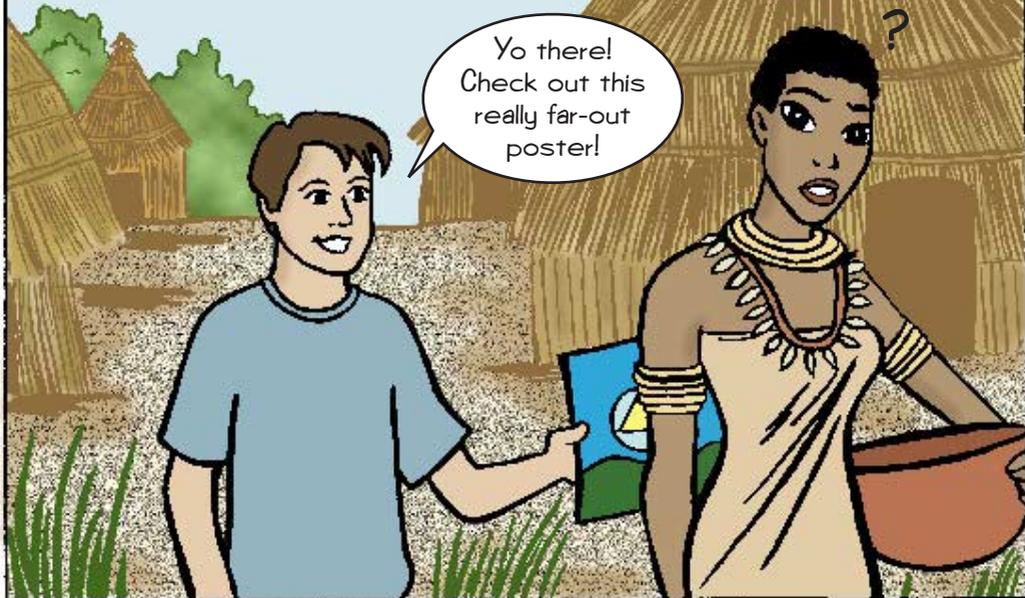

By asking for her help, you will be able to show more of Jesus' love, because she will help you with this.

Here Cathy, I'll move some of the things under your feet to my side, to give you more room. And here's a pillow for you to lie against.

Thanks so much!

Maybe you and your parents are pioneering a new city or country in Africa, and you need to learn how to relate to the people in this new place so you can help them get to know Jesus.

Yo there!
Check out this
really far-out
poster!

You can ask the Lord to send David Livingstone to help you learn to relate to these people and to find the best way to lead them to Him.

Jesus, something isn't quite right with my approach in witnessing. Please send David Livingstone to help me.

Yesu wa nakupenda.
[Swahili]

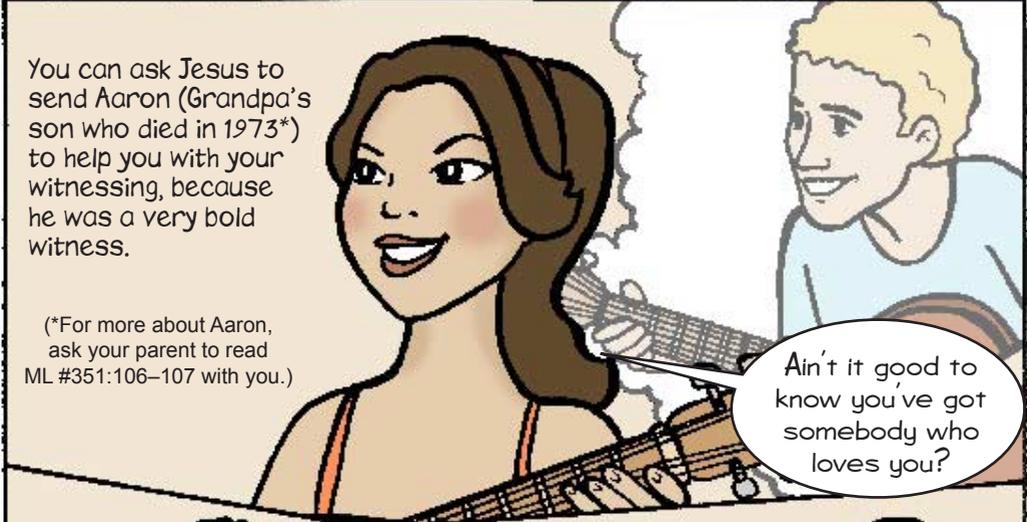

Cathy,
when we go to Mr.
Sono's office, would
you like to sing the new
song you learned for
him?

Maybe you need
help to be bolder
when you are out
witnessing.

Jesus, please
send Aaron to
help me witness
and give me
boldness.

You can ask Jesus to
send Aaron (Grandpa's
son who died in 1973*)
to help you with your
witnessing, because
he was a very bold
witness.

(*For more about Aaron,
ask your parent to read
ML #351:106-107 with you.)

Ain't it good to
know you've got
somebody who
loves you?

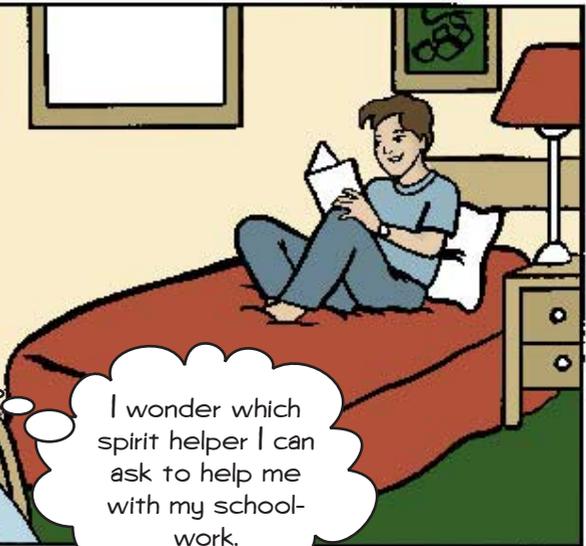

Thank you
so much for
the *Activated*
magazines you
gave me.

And thank you
for the beautiful
song! It really spoke
to my heart.

Maybe you need help being diligent with your schoolwork. You can ask the Lord for a spirit helper to help you with your studies.

It's kind of difficult to concentrate on my schoolwork in this hotel while on the road.

I wonder which spirit helper I can ask to help me with my schoolwork.

But who do you ask for? Ask Jesus to choose who to send, and then ask Him what spirit helper He sent to you.

Later...

Jesus, please send me a spirit helper that You know would be the right one to help me right now.

Thank You, Jesus! That really helped! Please show me who You sent to help me.

He might send you someone you know who was in the Family here on Earth and is now in Heaven. Or maybe He'll send you someone you never heard about before, but who He has assigned to help you.

If it's someone you haven't heard of before, you can ask Jesus to tell you more about this new spirit helper. You can ask your spirit helper to tell you his or her name; if they were born on Earth or in Heaven, what are their likes and dislikes, and what they look like. There are lots of questions you can ask your spirit helpers, so you can get to know them better.

It will be fun getting to know your spirit helpers. Before going to bed at night you could pray with your parent or older brother or sister, and ask the Lord to tell you about one of your spirit helpers.

Jesus gave me a new spirit helper today to help me with my schoolwork. His name is Valiant.

Can you help me ask the Lord for more about who this spirit helper is?

Sure, I'd love to!

Then once Jesus has told you about him, you can ask that spirit helper to speak to you personally, and tell you more about himself.

Thank You, Jesus, for this new spirit helper You've given Cathy to help her with her schoolwork.

Please show us more about him.

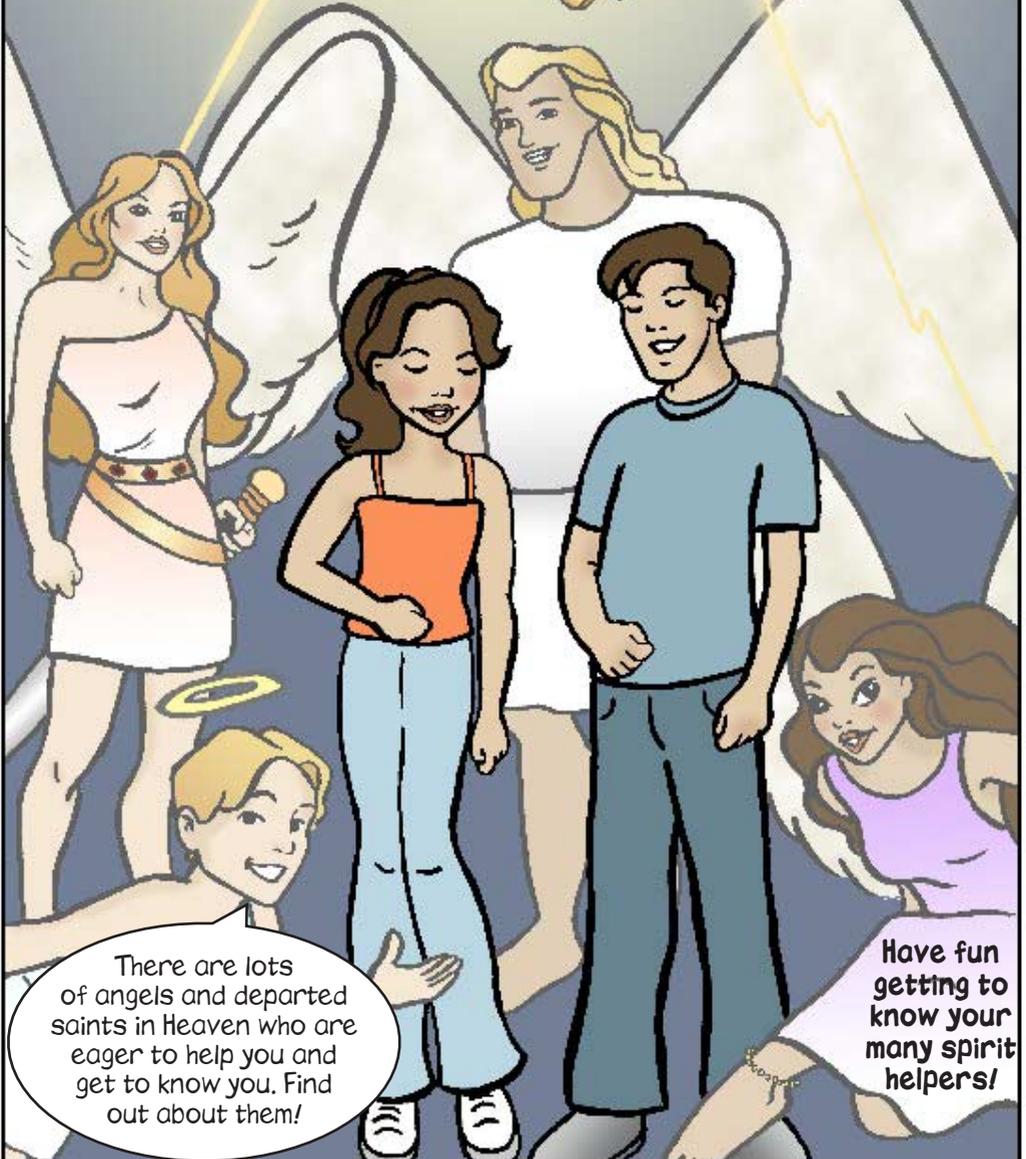

I'm Valiant, a spiritual warrior whom Jesus assigned to help fight the Enemy when he tries to distract you and make it hard for you to concentrate. Call on me whenever you need help and I will be right there to help you.

You can keep a list about the spirit helpers you get to know. A good place for this is in a notebook where you write down prophecies. Also, write down things your spirit helpers tell you about themselves.

Remember to call on the keys when you ask for a spirit helper to assist you. The keys and Jesus' spirit helpers work hand in hand.

The keys give you greater access to Heaven's power, which means they give you greater access to the help from your spirit helpers, too.

There are lots of angels and departed saints in Heaven who are eager to help you and get to know you. Find out about them!

Have fun getting to know your many spirit helpers!
