

as a youth, but he also has a Guinean passport.

**THE U.S. INTERNAL REVENUE SERVICE HAS A LIEN** against him for \$55,000 in back taxes, which does not keep him awake nights any more than do the mosquitos.

**FOR MR. CARMICHAEL, LIFE IS SIMPLE** in this socialist society where even basic food staples are scarce. He is separated from his wife, South African folksinger Miriam Makeba, who lives across the palm-fringed cove. He parties with friends and plays soccer and basketball, but most of his time is devoted to the

cause. He answers his phone with the phrase that punctuates virtually every conversation among Guineans: "Ready for the revolution". He reads constantly, pausing to listen to short-wave newscasts.

**"I CAME TO STAY BECAUSE GUINEA WAS THE VANGUARD** of the African revolution, and I wanted revolution. Since leaving the United States, I realized how stupid and arrogant I was. I actually thought we could change things overnight. That is one thing Africa teaches you: patience."

## U.S. LAWS DISCRIMINATE AGAINST— U.S. Citizens Living Abroad!

(From an article in the "Int'l. Herald Tribune"—8/1/79.)

by Robert C. Siner

**A COMPENDIUM OF 50 AREAS IN WHICH U.S. LAWS DISCRIMINATE** against U.S. citizens living abroad has been presented to the Carter administration by "American Citizens Abroad", a Geneva-based organization dedicated to "protecting and establishing the rights of Americans who live outside the United States."

**THE PURPOSE OF THE PAPER** was to provide concise data on all federal statutes and regulations that discriminate against U.S. citizens living abroad including recommendations for ending inequitable treatment of Americans overseas.

**ABOUT HALF THE ISSUES COVERED INVOLVED DISCRIMINATORY TAX LAWS.** Other areas included discrimination in health, welfare and Social Security laws, citizenship, education and jobs. A

major recommendation of the report was the ending of **U.S. taxation of income earned by U.S. citizens abroad.**

**ANDREW SUNDBERG,** who presented the report to Mr. Carter, said, "We intend to continue to present these issues and explain why it is not in the best interests of the United States to continue to mistreat their citizens living abroad." He also pointed out that while most other countries recognize their expatriates as important assets, the United States seems to treat its citizens abroad as liabilities.

**NONE OF THE MAJOR INDUSTRIAL NATIONS TAX THEIR CITIZENS** on income earned abroad, many of them provide special tax incentives, funds for education and a variety of incentives to their citizens abroad, with France and Switzerland the most notable.

some people as an ideal for the transformation of ours. Through intense suffering, our country has now achieved a spiritual development of such intensity that the Western system in its present state of spiritual exhaustion does not look attractive," he said. "A fact which cannot be disputed is the weakening of human beings in the West while in the East they are becoming firmer and stronger."

**EXILED FROM THE SOVIET UNION IN 1974,** Solzhenitsyn, 59, lived initially in Switzerland and now has secluded himself on a 50-acre estate in Cavendish, Vermont. Solzhenitsyn was sharply critical of Western leadership, the zealotry of human rights advocates and of the press which he said "has become the greatest power within the Western countries."

**REFERRING TO THE PRESS,** he said, "people also have the right not to know—the right not to have their divine souls stuffed with gossip, nonsense, vain talk."

**HE CRITICIZED AMERICAN WITHDRAWAL FROM VIETNAM,** saying, "Your short-sighted politicians who signed the hasty Vietnam capitulation seemingly gave America a carefree breathing pause. However, a hundredfold Vietnam now looms over you."

**"THAT SMALL VIETNAM HAD BEEN A WARNING** and an occasion to mobilize the nation's courage. But if a full-fledged America suffered a real defeat from a small communist half-country, how can the West hope to stand firm in the future? There have been naive pre-

Russian exile Alexander Solzhenitsyn.

dictions by some American experts who believed that Angola would become the Soviet Union's Vietnam or that Cuban expeditions in Africa would best be stopped by special U.S. courtesy to Cuba.

**"IF YOU ONLY KNEW** how the youngest of Moscow Old Square (Kremlin) officials laugh at your political wizards. As to Fidel Castro, he frankly scorns the United States, sending his troops to distant adventures from his country next to yours," Solzhenitsyn said.

**"THE WESTERN WORLD HAS LOST ITS CIVIL COURAGE,** both as a whole, separately, in each country, each government, each political party and of course, in the United Nations," he said. "The defense of individual rights has reached such extremes as to make society as a whole defenseless against certain individuals. It is time, in the West, to defend not so much human rights as human obligations."

## DAD: *Blasphemy of the ANTI-CHRIST!*

### Of Cults, Nietzsche!

DAD: *The Psychiatric Anti-Christ!*

(From the Letters-to-the-Editor section of the "Int'l. Herald Tribune" 17/1/79.)

**IN HIS ARTICLE "CULTS AND SURRENDER OF JUDGMENT"** (IHT, Dec. 12) Arthur Janov has said a mouthful—much of it undoubtedly true, none of it very new.

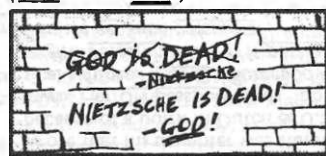

**OVER A HUNDRED YEARS AGO,** FRIEDRICH NIETZSCHE announced that "God is dead"—or so he would have it. In effect, he was saying it is necessary for "God" to be dead, for "His" authority to be eliminated from man's consciousness, if there is ever to be hope for humanity reaching that...state of the Superman.

**HE TOLD US, "I TEACH YOU THE SUPERMAN."** Then he went on to predict, "All gods are dead; now the Superman can live." "You will never again pray, never again worship, never again rest in limitless trust—you must refuse to be entranced by an ultimate wisdom, an ultimate good, an ultimate power..." (DAD: *Blasphemy!*)

**NIETZSCHE'S MAJOR THEME,** arrived at in his later works, saw an

infinite joy in existence, but a joy that could only be reached through self-sufficiency...Man at his best, he seemed to say, was an independent doer.

**WHAT HAD BEEN DEVELOPED AT JONESTOWN**—and is still being developed in many other places throughout the world today—was, of course, the exact opposite of Nietzsche's postulate for joy. (DAD: *Thank God!*)

## Solzhenitsyn Blasts The West!

(from "The Register" newspaper, Calif.  
—sent in by DAD.)

**AFTER FOUR YEARS OF EXILE IN THE WEST,** Soviet author

concluded that Western society is suffering "spiritual exhaustion" and could not be a model for transforming Russia. "Should someone ask me whether I would indicate the West, such as it is today, as a model for my country, frankly, I would have to answer negatively," the Nobel-winning writer said in a rare public appearance.

"NO, I COULD NOT RECOM-

## CIA's UFO Cover-up!

(From an article in the "Int'l. Herald Tribune"—15/1/79.)

**DOCUMENTS OBTAINED IN A LAWSUIT AGAINST THE CIA** show that the agency is secretly involved in the surveillance of unidentified flying objects and has been since 1949, an Arizona-based UFO group said. The CIA has repeatedly said that it investigated and closed its books on UFOs in 1952. But 1,000 pages of documents obtained under a Freedom of Information suit show:

**"THE GOVERNMENT HAS BEEN LYING** to us all these years," it said. "After reviewing the documents, Ground Saucer Watch believes that UFOs do exist, they are real, the U.S. government has been totally untruthful and the cover-up is massive," said William Spaulding, head of the group. Mr. Spaulding, an aerospace engineer with AiResearch, one of the largest producers of specialized aerospace components, said the documents show that

**U.S. EMBASSIES ARE USED TO HELP GATHER INFORMATION ON UFO SIGHTINGS** and that the information "seems to be directed to the CIA, the White House and the National Security Agency."

**A CIA MEMO OF AUG. 1, 1952,** recommends continued agency surveillance of flying saucers, saying, "it is strongly urged, however, that no indication of CIA interest or concern reach the press or public, in view of their probably alarmist tendencies to accept such interest as 'confirmation' of the soundness of 'unpub-

lished information," the document said.

**AMONG THE DOCUMENTS ARE SEVERAL DETAILED REPORTS** of Air Force attempts to either intercept or destroy UFOs. In a 1976 incident in Iran, one report says, two F-4 Phantom jet fighter-bombers pursued a large UFO that seemed to send out smaller craft. One of the smaller craft "headed straight toward the F-4 at a very fast rate of speed," the report said.

**"THE PILOT ATTEMPTED TO FIRE AN AIM-9 MISSILE** at the object but at that instant his weapons control panel went off and he lost all communications." The pilot eluded the craft, then watched as it "returned to the primary object for a perfect rejoin," the report continued.

**A REPORT TO THE CIA** from the office of Scientific Intelligence recommends that the CIA help "develop a policy of public information which will minimize concern and possible panic resulting from the numerous sightings of unidentified objects."

**MR. SPAULDING SAID THE DOCUMENTS SHOW THAT THERE ARE LINKS AND PATTERNS** in the sightings. From that evidence, he said, he believes UFOs are here on surveillance missions. "We find a concentration of sightings around our military installations, research and development areas. The UFO phenomenon is following what our own astronauts are doing on other planets—we send a scoutship, we take soil samples and then we land."

**MR. SPAULDING SAID HE HAS SWORN STATEMENTS** from retired Air Force colonels that at least two UFOs have crash-landed and
