

## What a Sample of Unselfish Love!

Letter from ANA, one of MO & Maria's Helpers!

Dearest Dad & Maria,

How can I begin to thank you for what you've done for me and for what you are to me?! I just don't know enough words to say so!

I never in my life received so much love and such pure and unselfish love. You certainly are the perfect sample of the Good Shepherd with so much love and concern for those around you!

My year in your house has been a year of Heaven on earth!! And it has changed my life completely, and my way of seeing things, my love toward others and my love toward you and the Lord has increased more and more every minute I've been with you and around your people.

"Love begets Love" and I surely know that I love you because you first loved me. You all are such simple and loving people with so much to give and so much to learn from.

I pray I will be a good sample of the simple way of living and enjoying life I have learned from you, and specially all of your love.

And Dad, being in your arms and making love with you was just like being in Heaven, you have so much love. It was the deepest desire of my heart! When I look back to the first time, it was almost like a joke, I was so shocked.

Maria came early in the morning and said, "How would you like to come make love to Dad?" I was

be true! I didn't know what to do. I had cried to the Lord asking Him to please let me make love with David that very same night! So it was a direct answer to my prayer!

As I got into your bed everything smelled so clean and fresh. You were lying there so sweetly ready to love!—Ha!—And boy what a big one! Ha! I felt so stupid, though, and didn't know what to do, or I must say I was too shocked to do anything.

Then you called me your little Queen Esther and told me that the Lord had told you that I had pleaded for your love. (I had spent a long part of the night crying to the Lord that I wanted to make love with you!)

And you sang me a little song about a handmaiden and said I was your handmaiden, a maid with my hands. It was so sweet!

And you Maria were always so willing to share Dad with us.

Thank you! What a sample of unselfish love!! I love you!! And I'll always and always keep you as my first loves after the Lord!! I love you!

And I appreciate the priceless privilege of having been able to help you in the little ways I could with all of my heart. And I hope to be able to help you again. But even in the distance I will keep you in my heart and prayers and I'll try to be a faithful messenger of your love to all your children. Yours forever,

## Beware of Certified Mail!

URGENT LESSON ON SECURITY! by Dave, Iberian KQS.

**ONE LESSON WE LEARNED WHILE LIVING IN DAD'S HOUSE** concerning security is how to handle "Certified" mail. One day the postman came to the gate with a certified letter for the owner of the house we were renting. When I answered the gate, he asked me to sign for it, even though I was not the person it was addressed to. So I did, but later Dad said that—

**NO ONE SHOULD EVER SIGN FOR A CERTIFIED LETTER FOR SOMEONE ELSE!** He said the letter might have been some legal charge or something which the owner might not want to see! So this was a big lesson for me that I wanted to share with the Family at this time as,

**TWO TIMES RECENTLY, A LOCAL HOME BLEW IT ALONG THIS LINE!** One time a guy showed up at the door with a certified letter for an individual who was not living there. This letter contained legal charges against the Family for illegal distribution of literature.

**THE GUY CONVINCED THE SERVANT OF THE HOME TO SIGN ANYWAY,** even though he was not the addressee. He used much pleading & convincing to get him to sign. Once he signed it, it was too late!—The system had de-

livered the charges & the Home was in for trouble!

**IN ANOTHER CASE** in the same Home, the Handmaiden went to the Post Office to pick up the mail & was notified that she should go to the window to get a piece of certified mail. It was addressed simply "Family of Love" with the box number. (The box itself is not registered in the name of FOL, but in the names of two individuals!)

**INSTEAD OF SAYING, "I CAN'T SIGN** for the 'Family of Love' because that's not my name," she simply signed it & now has a big fine or court case on the Family's hands! I'm not absolutely certain on the legality of the question but

**IT SURE SEEMS THAT IF YOU ARE CONFRONTED WITH A CERTIFIED LETTER** that looks suspicious, you could just walk off & simply say you don't want to sign!—Especially if it is not specifically in your name!

**SO, BEWARE OF CERTIFIED MAIL—IT'S ONE OF THEIR TOOLS TO TRAP YOU!! GBY!**

And by the way, it seems that for this reason, the Family members should avoid the use of certified mail, so that if you are notified there is certified mail for you to pick up, you will be advised of danger! Love, Dave. (Amen!)

## Birthday Poem To Mo!

We wish you a Happy Birthday on this day made just for you,  
That God will richly bless & bring forth treasures old & new  
From His Word-warehouse, His Love pours forth so warm & fresh & true  
We wish you Happy Birthday on this day made just for you!

We wish you Happy Birthday, ever guided by His light,  
Then your Words will shine forth on us, bright'ning up the darkest night  
Setting free those who are captives, to the blind man giving sight  
We wish you Happy Birthday, ever guided by His light.

Papa Lion, it's your Birthday and your children all rejoice,  
That He's kept you safe & sound & restored to us His voice.  
And we'll follow thru' tribulation, by our own free will & choice!  
Papa Lion, it's your Birthday & your children all rejoice! —Shaul.

## A Plea For "Real Fathers"!

Letter from Bev in Portugal

Dearest Dad & most beloved Maria,  
**THANK YOU FOR THE LIFE-FLOW OF WORDS** you continually pour out to us! Oh, how we need you so desperately! I pray this day your hearts are happy and warm in the sunshine of God's love and peace.—A big hug and seven kisses to you!!!

**I'M SENDING YOU A PICTURE OF DEAR LITTLE CHRISTOPHER.** Isn't he a beautiful love child! He's the most precious and lovable gift Jesus ever gave me! Truly the highest calling in the world for a woman is to be a "real mother"! I

**I WANTED TO LET YOU KNOW, I FINALLY FOUND A "REAL DADDY"** for Christopher! I found him and I won't let him go! (He doesn't know it yet!—Ha!) Christopher needs him and I need him too. Every time I see his tender-

lovin' care toward this little babe, my heart melts and I'm falling in love.

**OH HOW I WISH THIS FATHERLY TOUCH OF LOVE WAS MORE EASILY FOUND** amongst the brethren, as more and more of our dear FF girls are discovering that their wombs have been blessed with the miracle of new life.

David, my King, Father, Lover and Friend,

With words of true love, this message I send:  
Tell the brothers far and wide,  
Their charm & touch not to hide  
From the little ones playing at their side!

If you desire a woman,  
Today just love her children!  
It's a sure key to her heart,  
And she'll love you from the start!  
It's an answer old and true,  
Maybe it's the one for you!

MY HEART IS BREAKING IN I see more and more single FF mothers and I want to ask, "Will all the 'Real Daddies' please stand up for Jesus? We need you!" My heart-cry for all the single Mommies around the world is, "Who and where are all the Daddies?" "The harvest truly is plenteous, but the labourers are few!"

THANK YOU, DAVID, THAT

YOU ARE THE GREATEST FATHER we have! You give me Light from Jesus to direct my steps. You catch me when I fall, you kiss me when I'm weak, you guide me when I'm strong, correct me when I'm wrong and love me all the day long! I need Love! I need you! I'm forever yours, and Christopher too! Much love, Bev.

## Care & Cleanliness of Baby Bottles!

—A must for all new mothers!

by SARA DAVIDITO

**TO STERILISE OR NOT TO STERILISE?** This is a rather controversial subject. Some modern baby books de-emphasise it. But with so many of our new moms living under difficult conditions such as in Third World countries or on the road or just setting up house etc., sterilising is needed, I believe. —For the first 3 months at least, and up to 6 months or more if travelling or in Third World countries.—Better safe than sorry!

**STEPS TO CLEANLINESS BOTTLES & NIPPLES WITH THE MEREST TRACE OF MILK** left on them are liable to breed germs from bacteria in the milk and are harder to sterilise. This means that cleaning the bottle & nipple immediately after each use is a must!

1. RINSE BOTTLE & NIPPLE in

cold water to remove any leftover milk. Hot water makes the milk stick. (If you're unable to thoroughly wash the bottle immediately, be sure to at least follow this step.)

2. WASH YOUR HANDS & NAILS thoroughly with hot water & soap.

3. RUB THE NIPPLES WITH TABLE SALT, inside & out. This is to remove the milk slime that always clings to the rubber even after rinsing.

4. WASH BOTTLE well with clean, hot water & dish detergent, using a bottle brush.

5. WASH NIPPLE in the same way with a nipple brush. You can make sure the hole is not blocked by putting your thumb over the opening & squeezing the water thru'.

6. RINSE BOTTLE & NIPPLE well with hot or warm clear, clean water.

7. DRAIN DRY. Avoid using towels as they can harbour germs if not kept very clean.—Or put nipples & bottles immediately into sterilising vessel & sterilise.
