

Homegoer finds Homeless

The sad plight of hundreds of thousands of Vietnamese refugees—the awful fruits of war! They need our help & prayers!

From Francois; Montreal, Canada:

WHILE VISITING RELATIVES in Montreal, Canada, I met a lovely Vietnamese refugee who introduced me to members of her community. These refugees escaping the Communist regime are accepted by the Canadian government (15,000 in one month).

HAVING EXPERIENCED THE HORRORS OF WAR UNDER THE AMERICANS and now having to fight for the communists in their expenditure in Southeast Asia, they are pretty disillusioned about both alternatives. Talking with a few refugees

who left their country a month ago, I FOUND SOME WHO LOVE JESUS & have come out of these experiences with a strong faith in the Lord. One young man, showing me his Bible, said that he has read it very carefully since his youth, although sometimes he had to do it secretly hidden in his home. He's ever grateful for what Jesus did for him & would like to help free his people from pain, hunger & fear.

ANOTHER YOUNG WOMAN, DESCRIBING HER EXPERIENCES in the refugee camps & the difficult conditions surrounding her escape, said she would never have survived without Jesus' help. The girl I first met lost both parents & a sister trying to escape when their boat turned upside down. She is now without relatives. These people are really broken & really need the love of Jesus & David. Please pray for them!

Get desperate for deliverance, fast & pray. It all depends on how much you want to be freed. Maybe you don't, or maybe you think I'm someone special to the Lord. Well, I am! And so is everyone else in this Family, including you! So hit the David back hard; don't even listen to him. I love you all & hope this helps those who need it as badly as I did. Fight! Battles never cease!

THESE LETTERS HAVE HELPED ME: "Attack!", "Pen!", "Home!", "Elixir of Love", "Pity the Weak", "Love Never Fails", "Feet of Faith", "But It's Not", My love & kisses to you, Dad & Maria, for all you have done & will yet do to reach the souls in the world, which included me! Love, Paul. (DAD: The only reason we don't have more miracles like that is that

we just don't believe God as we should & don't challenge the Enemy, rebuke the Devil & expect God to answer! If we would, we'd have a lot more miracles like that! Expect miracles! And in Jesus' name you'll get them!—Amen! "Believe & ye shall receive!"—Mark 11:24. God bless & keep you! We love you! **EXPECT MIRACLES!**—From Letter No. 717/47, 49.)

Don't be Duped by Drugs!

Hard-hitting Quotes to strengthen your convictions!

Compiled from the Index & sent in by Aran & Gentleness Fiddler; USA:

ONE THING THAT'S SHOCKED US since being in the U.S. for a couple of months is finding a few brethren who are smoking marijuana & not even thinking there's anything wrong with it, using as their excuse what Dad says in "Revolutionary Sex", paragraph 7 about it being less harmful than either alcohol or tobacco.

BUT WE HAVE YET TO READ IN THE LETTERS that we should start smoking it. So we pulled out a few references from the Index that have really helped to strengthen our convictions on the subject. We hope others are a help as well as a warning to others! Love, Aran & Gentleness Fiddler.

"You're only high on Jesus & the Most High" ("Personal Vitals" 143A, 58.)

"...the drugged organised church... the opiate of the people" contrasted to the true underground church: "very wide awake & busy...very ac-

tive & happy & busy" ("The Drummer" 26:10-12.)

"Any compromise can bring a disaster that could result in total surrender. It only takes one tiny temptation to compromise just a little to bring about a total defeat! 'Give no place to the Evil One!'" ("Bewitched" 29:66-68.)

About society's drug problem: "We have an answer!" ("Mo' Little Jewels" 536:92.)

Describing the symptoms of drug abuse: "drugging, drinking & smoking himself to death with a sort of Devil-may-care attitude..." "Dead to the world...stupor...fast sinking into his death-like sleep, stagger..." ("God's Love Slaves" 537:37, 43, 45, 48, 54.)

Describing the effects of LSD: "knocked her clear out of her mind...blanking out...under the influence of that drug she had some horrible phobias & fears..." ("EE Times" 549:92, 93.)

Describing a TV programme: "to get anything they can on the man & his girls & they finally do discover drugs"—A warning on the dangers of illegal practices! ("Nuns

of Love" 570:24, 30.)

"Many many of our disciples who have moved in with us had nothing at all. They were poor, destitute, drug-ridden hippies who were delivered from their drugs thru the power of Jesus Christ in prayer."

"The misuse of drugs of course is absolutely forbidden in our Family!" ("The St. Ermin" 591:70.)

Our cause: "Saving young people from moral, mental & physical destruction, including from drugs." "We do not permit the illegal use or abuse of drugs in any form in our Homes or amongst our members." ("Mora Truth" 596:67, 73-75.)

THE FINAL WORD!—"What good reason would you have for smoking pot as a witness? The answer is, it is against the law! Even in the places where it's not against the law, it's against our rules. Haven't you heard about us?—We don't smoke! Period." ("Questions from the Field, part 1" 792:5, 6.)

"But now, after that ye have known God, or rather are known of God, how turn ye again to the weak & beggarly elements, whereunto ye desire again to be in bondage?"—Galatians 4:9.

Stand on the Word Delivers Homosexual!

"I decided to challenge the Devil & be a sample for others suffering from the same problem!"—Now totally delivered!

From Paul; India:

I WAS RAISED IN ORPHANAGES till the age of 17, & after 10 years in the System I ended up in a mental hospital. After 5 months of drugs & interrogation in the hospital, God finally boomed thru to me one night with a series of 7 visions which set me on my quest in search of the truth & a way to live it, PTL!

AFTER INQUIRING INTO MANY CHRISTIAN GROUPS, a few months later I picked up a "Baby" tract off a train floor. In 1973 I joined the Family & have since backslid twice. Why? Well, I couldn't really accept or get the victory over an area of my life—homosexuality. Anything & everything else seemed possible except this one area which the Lord kept pointing to, which I refused to face.

MY HOMOSEXUALITY WAS DESTROYING BOTH MY LIFE with the Lord & His Work & also in the System. I could find no peace within myself, whether in or out of the Family. During my second time

of backsliding, I was posted Dad's Letter "Home".

IT THRILLED ME TO KNOW DAD WAS GIVING COUNSEL on a subject that had been taboo to talk about even in the Family before. It grieved me to know of other brothers like myself who loved the Lord & the Letters, but had let the Devil win over us by defeating us till we had completely backslid.

WHEN I READ THE TESTIMONIES of other HOMOS GETTING HEALED or delivered, I would think, "Oh, they're special" or "it's impossible for me to shake it off." But I knew deep down that God was & is able, so why didn't I let Him do it, even if it killed me in the process. It would be worth dying trusting Jesus than fainting halfway as I decided before.

SO I DECIDED TO REJOIN THE FAMILY ONCE MORE & FACE THE OLD BOY himself (the Devil that is) & be a guinea pig for all the others who were suffering with the same problem. I thought, "Let's see if God will do it, let's challenge

God & stand on His promises. It's going to be a testimony against the Devil one way or the other."—And boy!—Did the winds blow & did it ever get dark, but I found people in the Family who were very understanding (a very, very important key) who encouraged me & prayed with me as if it were their problem too & shared my heartaches.

THEN ON MY BIRTHDAY IN A DESPERATE PRAYER SESSION with others for God to deliver me, I had an encounter with a dark spirit that came straight at me, which I rebuked in the power of the Spirit & in Jesus' name. And wham!

I WAS DELIVERED OF THE SPIRITUAL HOLD THAT DEMON HAD ON ME! PTL! TYJ! Afterwards I realised that I had a fear of women, a fear of God's gift to man, but the Lord has given me greater victories since then! Hallelujah! I got married & now the Lord is going to give us a baby! I can share with sisters also now & am gradually overcoming this childhood fear of girls with the help of these girls full of the Elixir of Love & the Words of David & the gentleness of Jesus & His Love! So all things are possible to him that believeth!

SO, YOU WANT TO SERVE GOD & BE DELIVERED? Then take Dad's advice in his recent "Questions from the Field" Letters.

M&M Mail!

MONTHLY RECAP OF M&M MAIL MINISTRY!
by Karen-Happuch

DAD'S LATEST LETTERS HAVE BROUGHT SO MUCH NEEDED COUNSEL, guidance, instruction & inspiration that we have received a flood of heart-warming

thank-yous from our worldwide Family who appreciate each golden drop so much!

"QUESTIONS FROM THE FIELD I & II" were very much appreciated. As one wrote: "Don't stop speaking please, you really cleared up a lot of things. You always say something new, even if it's on the same subject & you do repeat, you do clarify & simplify & help us to understand better & to see right from wrong—be not weary in well doing!" And "Don't feel exasperated & like it's a waste of time to answer those kind of questions, Dad. I tell you honestly, each one was very appropriate & relevant."

CONTINUED RESPONSE STILL COMING in to "The Timothy Revelation" with comments like: "It makes me want to be closer to your heart, Dad!" & "I pledge my loyalty to you both in the Lord's Work. I never would have served God had it not been for your Letters of honesty & truth." Plus, many offering to help in any way possible to fill

the hole created by Timothy's departure.

"CHILDREN IN THE WORLD" & "CHILDHOOD SEX" were much appreciated. Many wrote similar comments to Maggie Quixote of Calif. who said, "After reading 'Children in the World' I am doubly determined to not only fill my children with positive, encouraging & strengthening thoughts from the Word, but to also instill them with a real fighting spirit to stand up for Jesus!"

"ELEVEN YEARS" BROUGHT GREAT JOY & a good response. All who wrote sent a BIG thank you & pledges to tithe all so they can receive all!

ALSO RECEIVED MANY MORE INSPIRING TESTIMONIES from those who've reached their pioneer fields after their fruitful Homegoings, including one dear brother who said he'd learned about the "Benefits of Backsliding" & the necessity of standing strong for one's convictions & to fight the dangers of compromise!

Reaction To Rachel's Departure!

From Kenaz; KQ5:

Dear Dad & Maria, 19/5/79
SHARING WITH OTHERS OVER THE LAST FEW DAYS about the things going on in the Family that I didn't previously know about & details, real shockers, about how bad off Rachel was (& is!!) & those of her ilk, it really, really encourages me that the Lord is doing this powerful clean sweep to get rid of the disloyal, half-hearted & completely unworthy, as these things usually precede some big victories & blessings to the loyal & faithful who remain.

ONE THING WE HERE REALLY WANT TO LET YOU KNOW is that there are many many dedicated children of David faithfully at work in the fields, pioneering & changing the world with the Love of God that they drink in thru' your Words! **THERE ARE MANY WHO ARE MATURING & COMING OF AGE** & staying childlike in Spirit at the same time, clamoring for the Words

of their father! "We may lose a few battles, BUT WE'RE WINNING THE WAR!" Amen!! If God be for us, no man can stand against us!! His truth goes marching on! Psalm 1:1-61 Love, Kenaz.

Dear Dad & Maria, GBY! WOW, I'VE JUST SPENT MOST OF THE LAST 5 OR 6 HOURS READING UNEDITED TRANSCRIPTS OF REPORTS ON RACHEL & "Rachel Part I & II", & I have to say it's one of the best feedings I've had in ages!! Wow, really really a lot of precious things out of those heavenly mines!

EACH SCRIPTURE & SCRIPTURAL PARALLEL you drew is so bang on!! Nebuchadnezzar—every phrase fits to a tee! Elijah & Jezebel, Samuel with Saul, Jesus & his twelve, Judas, just perfect. "The Word of the Lord is sure!"

THIS WHOLE STORY (& ALL ITS DISGRACES!!) ARE SO HEAVY & SO REVEALING as to the Scriptural background & historical background & puts the whole string of events clearly in the spiritual light they need to be seen in. I sure hope this can come out for the whole worldwide family, so that these things that for so long were hidden can be laid bare.

THIS REALLY IS AN IMPORTANT SUBJECT, I think, for all to have a real clear picture of. Many of us, I think, deliberately turned our eyes the other way for a long time thinking we were listening to the "accuser" if we felt something wrong was going on. It really blows my mind to see what you put up with, & the Lord put up with, for so long—so merciful & patient & yet they would not repent.

DAD, EVEN THE PRESENTATION OF THIS IS SO GENTLE & SO MERCIFUL with so much feeling & yet so absolutely true & exposing!! The "Daily Might" No. 3 for today, the 20th, says: "Delusion must be destroyed to build a firm foundation of truth." And this really exposes the delusion, the "deceitfulness of riches" etc. & also the "water off a duck's back" attitude Rachel & obviously others too had about the Words of the Lord!

"THE CHILDREN OF THY PEOPLE STILL ARE TALKING AGAINST THEE by the walls & in the doors of the houses... and they come unto thee as the people cometh, & they sit before thee as My people, & they hear thy words, but they will not do them for with their mouth they show much love, but

their heart goeth after their covetousness... and when this cometh to pass, (lo, it will come) then shall they know that a prophet hath been among them" (Ez. 33:31-33)—Just before Ezekiel 34, the David Chapter! Lord help us to take these Words of God into our hearts!

THERE IS SO MUCH IN THE LETTER it would take a lot of your time to read all my reactions to every subject. But it's all great! I really dug your lessons on everything from neckties to money, & really really got fed by your thorough examining of the entire background & history, where Rachel got her traits & so on.

IT REALLY BREAKS MY HEART ABOUT EMANUELE—I never knew all that! Wow, do you think there's anything we could do to help him? Sara said he's really going like a "frozen book", but I just wanted to ask if you think there's any hope or anything we could do to help him.

ANOTHER THING THIS SHOWS IS HOW REALLY HARD & UNCONQUERED TIM WAS to listen to you give that huge stack of evidence of how defiant to the Lord & brazen she was, & how the Neb. Letter was straight from the Lord, & BOOM, reject it & not want to sign & all. Lord! What a mind boggler!

THE LORD IS SHOWING ME MORE & MORE about Tim all the time. I really pray God'll clearly show him how sadly deceived & deluded he was & is! I guess "they" that make them are like unto them!

DAD, GOD BLESS YOU!! By God's grace we'll stand with you & the Lord! These that rise against you are sickening & ridiculous. "The king shall rejoice in God, every one that sweareth by him shall glory, but the mouth of them that speak lies shall be stopped!"

P.S. ONE OTHER THING I WANTED TO SHARE that might be signi-

ficant is that Melody (a backslider & traitor!) stopped in Italy at Poggio when she was travelling Europe with Mr. D. And Bara told me that Rachel spent a long time talking with Melody!

THIS WAS JUST BEFORE MELODY HAD A BREAKDOWN & ended up backsliding!! Now I can imagine the negative impact her visit had on her! Mr. D., by the way, was quite unimpressed with R&E, & commented he didn't know how people could publicly humiliate each other in front of company!

BOY, AM I EVER SORRY I ever recommended he stop at Poggio! Well anyway, perhaps when we share about R&E's departure he'll really understand it all anyway, & it will probably increase his faith in David, now that he'll realise Poggio was no sample of David's life & attitudes (Ro. 8:28)! —Much love & prayers, Kenaz.

Family Care News & Views

A Letter from Sara Davidito to Keda & Yasuko, Pacific KQ5s!

Dear sweet Keda & Yasuko,

GIJINI FIRST OF ALL, PLEASE FORGIVE ME FOR MY DELAYED REPLY to your two sweet letters that we received very close together. You are both so, so faithful with communications that we have even heard from many people on the field how your little postcards & love notes have inspired them on & on to know that you are really in touch with the sheep & are taking careful watch for their souls. GBY! It's real fun to pass on your love & love, too, to the others here. We all really, really get excited to hear from you both because we love you so & keep you in our prayers very often!

THANK YOU FOR THE FAMILY CARE TIPS ON CATALOGUE & SEAMAIL ORDERS. I was really interested to hear if there was any success in finding some of the books we've recommended on the List in your field. We're sorry to hear that it is not that easy.

AN IDEA I'VE RECENTLY HAD is to possibly ask some of our Furloughers & IRFs from the States to put their support into a kind of book-buying project to possibly send some of those particularly good books

from the U.S. to other needy fields. **BOOKS CAN BE VERY CHEAP TO SEND BY BOAT** or at book-rate airmail, & some books like "Teach Your Baby To Read", "How To Raise a Brighter Child" etc. are a great help. Of course, translating what puts we already have on hand seems to be one of the greatest needs in the fields where the parents don't speak English, & I do pray in fields such as yours where the need is so great, that the translating will get done by some good bi-lingual translators who have the burden!

KEDA, WHEN I HEARD OF YOUR BURDEN FOR THE TEENAGERS in the Family & how to handle them, if because you have several in your field, I wondered if you could possibly sometime pour out your heart in a letter to the parents of the teenagers, on exactly how you think they should be handled or what it is they need.

WE'VE HEARD OF A COUPLE OF OTHER TEENAGERS in other areas who have the very same problems of getting into System music, their own independent selfishness etc., with a big loss of vision. They do need to be challenged, but they also

need shepherds. I've always had a burden for them but I've only been close to one or two teenagers within the Family. If ever you feel led, maybe you could write something about it & we could try & use it for the parents, D.V.

IN ANSWER TO YOUR QUESTION ABOUT DISPOSABLE PLASTIC BOTTLE BAGS (for babies), yes I do think they are very, very convenient, & Dad himself wondered why we weren't using those for Techil! It just so happens that because we move so often—in our particular situation—I didn't know if we would be able to find the bottle bags in different countries & areas that we move to & I had that problem before of running out of the bottle bags & having to resort to buying plastic boilable baby bottles again.

BUT IF THEY'RE AVAILABLE & YOU HAVE FUNDS to buy a big, big supply of bottle bags while you're there, perhaps sharing them with another mother or something, I do think they are a real time-saver, & they're definitely easy to use & keep clean. Not only do you have to get an extra supply of bottle bags, but also the nipples that go with that type of bottles, as the nipples can
