

## Response to The Timothy Revelation!

"We keep holding on with broken hearts & wait for the Lord to do a miracle!"

From Torbjorn & Maria, former teachers of Timothy & Rachel's children:

Dear Dad & Maria,  
THANK YOU AGAIN SO MUCH FOR ALL YOUR PRAYERS & concern for us. We don't have the words to tell you how good it feels in the midst of the storm to know that someone is praying for you!  
WE JUST RE-READ "THE TIMOTHY REVELATION" & we have both really decided to write our reaction to it. We sure feel it's needed that we do & we pray it will encourage & strengthen your heart & spirit, Dad.

WE ARE REALLY SORRY that we never wrote you a reaction about the "Nebuchadnezzar Revelation", but we heartily agree with your dealing with the situation. We can't do the subject justice, how far gone she is. We just really pray that after she has eaten grass, she will repent & cry out to the Lord for forgiveness.

WE BOTH FELT REALLY CLOSE TO TIMOTHY, even tho' we hadn't seen him much lately. He was the one who would show us the most

love & concern during our time at the school, & he would come down to our level & whenever he could, he would talk with us & it was always encouraging. We felt very close to him, so it really broke our hearts to see such a close friend change so much.

AFTER READING THE LETTER, we must say that even if it hurts "it is the Lord, let Him do what seemeth Him good". Like Eli with little Samuel, Eli had to confess it was the Lord speaking to Samuel. So it is with what the Letter said about Timothy. It has probably been so for everybody around Rachel, everybody was so much into the worship of the Queen instead of fearing the Lord.

WE WERE EVEN AFRAID TO TALK TO HER because the next minute she would talk to someone else behind your back. We were all into that kind of thing, that's one of the things that was wrong in the blob school.

SO AS JESUS' HEART WAS BROKEN MANY TIMES FOR US, the Lord is breaking our hearts many times by letting us see these

things happen. It's not easy, but I must admit by the clarity of the revelation that it must be the Lord. So we need to pray to understand every situation the Lord puts us in, to learn the lesson & go on.

RIGHT NOW SINCE OUR LITTLE ANDREA WAS KIDNAPPED (See FIV Vol. 13, No. 1), we can really understand how much you, Dad, must have prayed & agonized over your son Timothy & for Rachel & all the others. We believe you feel the way we feel for Andrea right now. All we have is the Word, God's promises for him & how much we pray for him before he was born, & even tho' it's hard to see God's purpose in it all, we keep holding on with our broken hearts & wait for the Lord to do a miracle.

WE REALLY LOVE YOU ALL & keep you in our prayers. We also thank you so much for the latest Letters, especially the ones about children, that were such an encouragement & strength to us. We want to say how thankful we are for every little word from you, TYJ! God bless & keep you always. Lots of love, Torbjorn & Maria.

## "What a Revelation from God!"

Response to an unpublished talk about "The Nebuchadnezzar Revelation!"

From Kenaz: KOS:

Dear Dad & Maria,  
I JUST FINISHED READING "RACHEL 3", the unpublished rough draft, for the second time. Wow! This part of the talk is like a real good class on wisdom in decision making. The Lord even gave more on the Daniel 4 story & its application. Wow! What a revelation from God!! Well, it certainly is another good reminder to all to keep our hearts in the fear of the Lord all the day long. Lord help us!

ANOTHER THING THAT REALLY HIT ME was Timothy sitting thru' all this, & the gentle but firm way the Lord was obviously speaking to him, trying to help him see just how Rachel went astray & how far astray! Apparently he'd really learned from Rachel how to hide & harden his heart!

IT BLEW MY MIND HOW DAD GIVES THE INSPIRING STORY ABOUT TYNDALE & how the Lord forced that revelation out past the human mind—it was so right on for Timothy—pride of an intellectual! Then Dad begins to pray for Emanuel, but instead the Spirit said,

"Lord have mercy on poor Timothy!" THIS REALLY HELPS ME TO SEE EVEN CLEARER how Tim was really under Rachel's bad influence for so long (& she's one to always stress talent rather than leading of the Spirit, isn't she?) that he really had a break with the Power Source & even with the Prophet's spirit! "Pretty soon you'll just run out!" it says in "Temple Time".

WELL, HE'S IN THE LORD'S HANDS & maybe he'll get some real joys soon that will break him & show him that he's got to cease from

his own wisdom & understanding, & trust in the Lord with all his heart! I'm gonna try & write him another letter to really share with him personally what I've seen thru' these rough drafts & hearing the rest of the story, as I don't want him to say, even in his own heart, that I wouldn't tell him to his face what I said to others. I love you, Dad. Keep climbing! Many of your kids still stand to your words—Kenaz.

I DON'T EVEN KNOW HOW TO BEGIN TO EXPRESS MY GRATITUDE to you both for taking such a loving interest in me, & for dramatically changing my life. I never got completely over my fear that once upon a time you'd really see what a mess I am & give up all hope on me. Well, I guess you could see what a mess I am, but you sure encouraged me to try harder than ever

to live up to the confidence you've put in me.

I CAN'T HELP BUT SAY THAT THIS CLOSE CONTACT with you has me more hooked on my "Guru" than ever before! I don't mean to give flatteries or anything, but Dad, you really blew my mind! What you said about Tim, how "now he's seen the real thing & knows we live it"—that really sums it up for me too!

YOUR LITTLE FAMILY IS SO LOVING & KIND & 100% DEDICATED. Thanks so much for sending your beautiful daughter & your love thru' her! She's sooo sweet & really encouraged me a great deal. Thanks for everything, & I pray that I'll be a blessing to the work. I'm really turned on by the challenge. One of your loving devotees, Kenaz.

## On Africa!

Problems in the past and prospects for the future!

From Kenaz: KOS:

AFRICA: THIS IS A SUBJECT WE'VE WONDERED ABOUT. Personally I feel that a lot of our problems in Africa stemmed from the Rachel/Silas neglect of pioneers, as well as ill-prepared teams with improper visions.

MOST WERE SENT THERE with the vision of large regular allotments promised & under pressure (I believe partly so "new countries opened" stats would be good for So. Europe/Asia/Africa area!) & really not in accordance with "World Conquest Thru' Love" & the vision to live off the land etc.

THEY REALLY DIDN'T KNOW WHAT THEY WERE DOING DOWN there & some were soon unbelievably blabbed-out & with way more children than such a difficult field could care for—hence large amount of sickness, poverty etc.

OF COURSE, "BLACK HOLES" REALLY HITS THE NAIL ON THE HEAD & I don't think it's our main push of course. But if we're going to reach every tongue & tribe then it seems maybe we'll be going back there??

I DO BELIEVE THAT WITH A LITTLE ENCOURAGEMENT & a realistic picture of what to expect, that a few good teams could do a lot with a drop-in approach in the main sophisticated cities such as Nairobi,

Abijan, Lusaka, perhaps Dakar & others as well, ministering to the top of the African crop & collecting addresses for the Mail Ministry as well.

IN "MOCUMBA" THE BRAVEST ONES PASSED THRU' THE FIRE to get in & love Mocumba. We'd really appreciate any word on this. I don't want to push it, but "Black

Holes" seems to have scared almost everyone out, & there were a few good things said in there that most people have forgotten. I feel tho' that maybe some might give it a go if there were any encouragement from Dad. (Dad discusses Africa in a new Letter No. 806.)

## Faithy & Juan Visit Dad!

JUAN'S REACTIONS TO 'NEB. REV.' & 'TIM REV.'!

YESTERDAY WE SPENT THE WHOLE DAY READING THE Tech Story, which is so fantastic & so needed, & also the unpublished material about Rachel. It is just incredible to read how the Lord just revealed the whole truth to Dad about Rachel. TYJ! Only God could have revealed such an exact revelation on what was happening with her!

IT IS SAD THAT SHAUL & ABIAH FAILED TO PASS ON TO YOU what Rachel had been saying & doing while she was in Latin America at the RNR. She had told S&A not to write to you about anything as you were not in a capable state of mind to handle any problems! She not only told them that, but spread that statement to different people who are not with us anymore, such as Singin' Sam & Shiloh. Lord help us!

RACHEL ALSO TOLD MORE OUTRIGHT LIES about how you did not live the Letters & did not believe in sharing & it was all a double standard you had. When we heard this, we asked S&A to write a full & complete detailed report, as we felt it was serious & that something needed to be done about her!

BUT EVEN THO' THEY DIDN'T, it is so inspiring to see how the Lord just gave it all to Dad supernaturally & exposed her completely, & her lying spirit.

HOW WISE & LOVING DAD IS in his handling of Timothy when he is exposing Rachel. I can remember from my short visit to Poggio Secco 2 years ago that she treated him like a little puppet & just ordered him around, kind of like he was bewitched by her, & now Dad was trying to gently break the enchantment with love, but sad to see, he

seemed to make the wrong choice, God help him!

I GUESS THE LORD ALLOWED ME TO SEE ALL THESE THINGS in my short stay at Poggio so I could learn what not to do. Thank God for the Letters, as everytime we would read a Letter it was so different in Spirit than what we had seen in Poggio!

I ALSO WANTED TO MENTION THE PRAYER at the beginning of the meeting (see "Prayer of a Good Shepherd", page 7). It was such a beautiful & inspiring prayer that I know the whole Family will enjoy. There is so much love in it, it really breaks my heart to see how people who have been so close to you can be so far away. TTL for our true shepherd that never forsakes us! TYJ! Yours always, Juan.

JUAN'S REACTION TO MEETING DAD & MARIA!

IT'S LIKE HAVING BEEN IN SPACE CITY & then coming back! It's like a dream! Thank you for taking some of your precious time to come & visit us. Being able to sit & talk & fellowship was such a priceless privilege!

YOU BOTH RADIATE SO MUCH LOVE in such a simple & natural way it just overtakes me! Your simplicity is so beautiful. You are what I read in the Letters. You both are so young & beautiful, as beautiful as your letters.

I'M SORRY FOR BEING SO NERVOUS, as after I met you, your love & simplicity made me feel so good that I was praying for the time not to go by! I could go on for pages expressing my feelings of all the beautiful things about you both—your eyes, your hands, your mannerisms etc.

YOUR SAMPLE IS SUCH AN INSPIRATION. May the Lord help me to be able to follow that sample

as closely as possible to 12:00pm (17: gratitude for this privilege to spend a few hours with you, TYJ!

IT WAS SO THOUGHTFUL OF YOU TO COME BY OUR HOME TO SAY GOOD-BYE. I guess the hardest thing about our visit is leaving, as it really was beautiful Days of Heaven, fellowshiping with you both, Little David, & all your precious staff, & having all those Letters, rough drafts & tapes to keep us high in the Spirit, TYJ!

I PRAY I CAN HELP OTHERS & share with them the same love I have received while visiting you! There are so many beautiful lessons in the recent experiences that you have been going thru' lately. Altho' it breaks my heart to see how these experiences have hurt you, I'm so thankful for them as from them we are learning how important it is for us to stay very very close to the Word!—And how the Lord & you are so loving & merciful, even to those who have left you. TYJ!

WE LOVE YOU & I CAN SAY FROM MY EXPERIENCE ON THE FIELD that the Family loves you & the Letters so much & are going & growing stronger than ever before! The IRF is so inspiring! GBY for always leading the way & pioneering. I love you both very much & with the Lord's help I pray I will continue to do my job to the best of my ability & take good care of your flying ambassador, Faithy! Our prayers are always with you & your precious staff & to Davidito & our precious little Knew Disciple Queen Tech. She's so beautiful, just like her Daddy & Mommy! GB&KY! Yours forever, Juan.

### FAITHY ON TECH!

From Faith David:

Dearest Dad & Maria,  
GBY ILY! IT'S SO WONDERFUL TO BE HERE & to say a little "hello" by phone! Tks! It was really fun having Davidito & Davide over for lunch today. They are really quite grown up now! They told us they were not all able to come, because Tech wasn't here. We can't wait to meet her, especially after reading about her in the last part of "The Timothy Revelation"! She must be very very precious & really a joy to your hearts!

I WAS SHOCKED, THO', WHEN

I SAW HER PHOTO in the FN, how much she looks like you, Dad, nose & all! Ha! I was thrilled, to tell you the truth, when I saw her photo, to see the unmistakable resemblance! PTL! He never fails to fulfill His promises, even sometimes above & beyond our expectations! I'm just thrilled thrilled thrilled! Let all the doubters beware—let the true believers rejoice! All hail to the Queen & the King & the Princess! WLY!—Faith.

FAITHY'S REACTION TO "You Are What You Read!"

I KNOW FROM PERSONAL EXPERIENCE that if I even read too much of "Time" magazine, it begins to take its toll, because they also are filling you with their point of view besides the news, & then you have to read a Letter to get God's point of view!

I REALLY AGREE 100% that we all need to spend our time in the Word, as I have found this is the only way I can really help others effectively, & feed the sheep, is to fill up my heart, to paraphrase a MG, & then I don't have any trouble knowing what to say or what to do.

I FIND I JUST DON'T HAVE TIME TO READ THINGS NOT ON THE SUBJECT, & there is so little time to read all that I need to read of the Letters & Bible, not only to help others but also for my own personal spiritual upkeep & inspiration with such a heavy responsibility as we have.

I GO TO A MOVIE ONCE OR TWICE A MONTH & sometimes not even that, if I want to relax & change scenery, as it doesn't take that much time (which is so valuable) & it does the job in a hurry & you really don't have to dwell on it very long, as you said, especially if it's not a good one.

MAYBE ONE REASON ONE AREA IS SUFFERING & they can't solve their problems etc. is that the shepherd reads too many other books (not just general info books or about the culture of the peoples of his area etc.) which may be having a negative influence on him, according to "ANYR".

IT WORRIED ME AT THE TIME & I EVEN MENTIONED TO HIM that I could barely find the time to read what I need to read of the Let-

ters & Bible, & also to think & pray along the way about what to do to help solve area problems & find the Lord's solution.

IF YOU CAN'T READ ON A BUS OR TRAIN, PERHAPS YOU CAN PRAY! I sure need lots of that, with all the persecution, re-organization, going underground etc.. Our type of job, caring for sheep, takes so much Prayer Power! I don't see how people do without it, or fill their time with other things, like books! Lord help us!

I'M EVEN CONVICTED NOW ABOUT TOO MUCH READING OF NEWSPAPERS & news magazines, so now I scan the headlines & ask the Lord to lead me to what's important so I don't waste important time reading too much Time! I find it more inspiring!

MAYBE SOME HAVE FORGOTTEN THAT WE'RE STILL "STUDENTS", as you said, & really need to stick to the textbooks to pass the tests! Hallelujah! And there sure is plenty there to entertain too! TTL—And you for giving it!

WHERE DID HE GET THIS IDEA OF READING BOOKS?—Maybe when he was in Europe, or from J.T. or "Alexander" who loved to read books & quote famous people, other than you or Bible verses! The handwriting for Tim was on the wall in that Letter, so amazingly! I hope others take heed to this important warning so that it doesn't happen to them!

I KNOW I SURE NEED TO TAKE CERTAIN CLASSES OVER, such as Prophecy, & have been studying it together with Juan. I couldn't believe how long it had been since I had read thru' the Book of Daniel! What a fantastic trip that Book is! Wow! So thrilling & exciting with lots of suspense too! I've heard those stories all my life, but they are still as suspenseful & hair-raising as ever!

THEY REALLY GIVE YOU FAITH for what we're going thru' now, especially the story of Neb. in Chapter 4, which the Lord so miraculously gave you! Rosa read it to her fish Vittorio & shared about Rachel, & she was just flipped over the Word the Lord gave about her & said that was exactly her problem—no mercy for the poor! Now, in what novel could you find an answer like that! And that's sure what we

need to protect God's sheep & his Kingdom, & even His King, in the times we live in. Thanks for hearing from God like you do, it's such an example for us! Love, Faithy.

FAITHY'S REACTION TO "CHILDHOOD SEX!"

"CHILDHOOD SEX" (No. 779): I like it! It reminded me of how you used to put me to sleep when I was a little girl, 3 or 4. Wow! Daddy did it best! Back rubbin', that is, & front rubbin' too! The others, our various babysitters, just rubbed your back raw, & it didn't even feel good, so I would pretend to fall asleep as fast as possible so they'd stop. It felt so good when they stopped! Ha!

BUT DADDY JUST MADE ME FEEL GOOD ALL OVER & I didn't know why, but it would really put me to sleep with a sigh! PTL! I don't think it perverted me none at all, but it sure converted me to His Call! So I believe our parents should try it, & help our kids get the natural habit!

WE PRAY IT'LL WORK, then Junior won't be a sexual jerk! It worked for me as you can see, I just do what comes naturally! Oh I could write a book, but this is just a look, into my childhood sex!

FAITHY'S REACTION TO "Children in the World!"

"CHILDREN IN THE WORLD" (No. 780): Very needed! That's the way you taught us, & that's the way we were! Superior! The rest of the dumb idiots in our school had hardly been out of their country, & we had already been to most of the places they were studying about in our country! In fact, we were always ahead of the class! When I was 7-10 years old I travelled a lot with you & took my books on the road too!

WHEN I RETURNED TO THE CHRISTIAN SCHOOL, the kids made fun but they were the fool! Because I became the shining example for my teacher knew I had studied ample! And she made me stand in front as a sample!

THEY KNEW MY PARENTS WERE MISSIONARIES & POOR, but I knew that I had more! Besides that, I could quote the Bible & knew how to help those in trouble! We

could brag about travelin' coast to coast, while my friends in junior high milked their goats!

I CAN'T SAY I WAS TOO POPULAR WITH THE KIDS, but my teachers sure flipped their lids! When I finally graduated at 15, guess who felt dumb & was turnin' green! Oh what a scene, cause they were 19! They'd always thought we were different & strange, but now we'd proved we were above their range!

THEY COULD NOW SEE I WAS NO ORDINARY LASS, 'cause we graduated at the top of our class! Aaron too was 19, but not blue, 'cause he loved to see those system-ites stew, & was proud of his little sister being smart too! So he was not sad that we graduated together, 'cause he knew we were of the same feather!

AARON TOO WAS NO ORDINARY GUY. He knew his algebra & his pi! The fastest in class & that's no lie, he'd give the answer first & wasn't even shy! He was Spirit-filled so we know why he couldn't be beat & there was never a tie!

WE STOOD TOGETHER AGAINST EVOLUTION & wrote a thesis to prove our solution! We got straight A's for our essays, & we knew that the Lord was with us so we didn't worry, hurry or flury when some made a fuss. I'm sure we'll go down in history as the smartest kids of Huckaby!

SO IF YOU FEEL "DIFFERENT", don't get blue! Cheer up & thank the Lord 'cause this could happen to you! Don't let the Devil get you down, & don't let some other kid steal your crown! Love, Faithy.

FAITHY'S VISIT WITH DAD & MARIA!

Dearest Dad  
I'M STILL IN LOVE WITH YOU! And always will be! You are the Love of my life, besides Jesus, & have always loved me & given me all I ever needed or wanted in the wonderful life of service we have.

IT'S SO SAD THAT OUR BACKSLIDEN LOVED ONES DON'T APPRECIATE all you give them & how you loved them more than anyone ever could. But I guess they have to learn the hard way, as that's the way they've chosen.

THE REACTIONS TO THE IRF & WHMM IS FANTASTIC! I couldn't stop crying as I read them. You're the true shepherd gathering the stray sheep. My God, how many more there must be & how important this new ministry is!—Our greatest yet! TTL!

THANKS SO MUCH FOR YOUR LOVE & CONCERN in sending Alfred & others to talk with us & visit, especially Little David who is always an inspiration! He's so smart & really grown up, a real sample! The tapes of Daddy Stories have been such a blessing. Thanks for sending them over. We fall into bed at night & listen to them till we fall asleep, so peaceful! I'm still a little girl, I guess, 'cause I love 'em!

THE FIRST TIME MEETING HIS "GURU", JUAN WAS A BIT SPACED & VERY QUIET (as he is usually with new people), GBH! He didn't want to miss a single word, tho' & said later he loved your simplicity & that you are just like your Letters he's been reading for over 3 years!

IT'S SO WONDERFUL TO HAVE YOU IN PERSON a little bit too, as we love the flesh as well as the Spirit of our prophet, as you really inspire us with your sample. Juan said you're the most like Jesus must have been of anyone he's ever seen or that must be alive today!

"JESUS NOT ONLY PREACHED HIS MESSAGE, but He lived it. He was not only the Living Word, the Sermon, but He was also the Living Word, the Sample! The greatest guide is the one that shows the way!" (From "Daily Might" No. 3.) And that's so different from the other samples he's seen from Deb & Jeth & Rachel, like night & day, he said. HE'S SO THRILLED TO HAVE HAD THE PRIVILEGE TO SEE YOU. He has loved you thru' your Letters, & they are what gave him the faith to go on no matter the sample of others because "My sheep know my voice & they follow & a stranger will they not follow", Jesus said.

WE'RE SO HAPPY TO BE HIS & YOUR SHEEP, & we feel so sorry for those who are not & even for those who are but have gone astray. But "train up a child in the way he should go & when he is old he will not depart from it" (Pr. 22:6)
