

## The Fantastic Fruit!

From Juan, Victoria & Pilar:

WE WANT TO TELL HOW THE LLIMM WAS STARTED for Iberia & Latin America, & all the testimonies & miracles the Lord has done & continues to do every day. We are now a team of 3 & are awaiting another brother who is coming soon to help us.

IT ALL BEGAN 2 MONTHS AGO when we received an invitation to work on the new LLIMM. At first we had no idea how big it was going to be! Starting from scratch with nothing, within 15 days the Lord supplied a house, furniture etc.

FROM THE BEGINNING WE RECEIVED MULTITUDES OF ADDRESSES sent from the WWIMM along with a class on how to get organised which helped tremendously to get us going, so that within a few days we already had about 2,000 addresses! PTL!

SOON WE BEGAN ALSO TO RECEIVE ADDRESSES

FROM THE FIELD HOMES, daily receiving a great amount so that so far we have sent letters to 3,842 people in Spain, 770 in Latin America, 808 in Portugal & 204 in Brasil.

THAT'S A TOTAL OF 5,624 LETTERS WITH A TOTAL OF 20,056 PIECES OF LIT! TLL! And we are still awaiting many new addresses from Latin America & Brasil.

RESPONSE FROM THIS FIRST MAILING is already starting to come in. Some of them are so sweet & truly a reward of all our efforts. These people are so thankful to receive news of the Family that you really realize that it's worth doing anything for them! Here are some excerpts from some of their letters:

"WE LOVE YOU FOR HAVING PUT US ON YOUR LIST so we can receive the new Mo Letters as they are published. It's very thrilling for us to wait for the new Letters which is a new food that renews our life & brightens our flame." —Paco & Mercedes, Tenerife (a couple with 4 children, now 1 RFI)

"I WOULD LIKE TO BE ONE OF YOU, write to other people & send them publications, be an active member of the Family. I want to do something for others." —Malte, age 14, Spain.

"MY NAME IS ISAIAS. When I was doing my military service, I met you in Madrid. Then I had to go to my town & lost contact with you. But I still kept reading the Letters & verses of the Word. Right now I already have 6 persons saved. I hope to receive some news from you. Here I am loving & changing & winning souls for the Lord. Please keep in contact!" —Isaias, Spain.

"SO THE ONLY WAY TO WIN THE WORLD IS WITH THE LOVE OF JESUS! Which we're doing & showing as we're going, & we'll keep on winning if we keep on loving them with His love. PTL! For Love Never Fails!" (No. 151:56.)

SO FAR WE HAVE 27 IRF-ers & 21 people who are getting the Basic Course, which makes a total of 48 new Spanish & Portuguese speaking brethren! And this is only the beginning!

"FOR HE SENT LETTERS into all the king's provinces, into every province according to the writing thereof, & to every people after their language, that every man should bear rule in his own house, & that it should be published according to the language of every people." (Esther 1:22.) Love, Juan, Victoria & Pilar, of your S/P LLIMM.

P.S. FROM IBERIAN KQL: We would like to ask again that all brethren in the Spanish & Portuguese speaking world send us all addresses you have of sheep, friends, family, backsliders etc. As Dad recently wrote us:

"THEY (THE FOLKS ON THE FIELD) CAN WRITE 'EM but can't furnish much Lit. U (the LLIMM) can! —No competition." So please send 'em today! Tomorrow might be too late! KGFG! Much love, D/C. Address for LLIMM: Juan Fonta, Apdo. 2561, Madrid, Spain.

(Editors: Family members with personal mailing lists! —Please don't horde your addresses. Share them with the WWIMM & for LLIMMs. They can provide in showers what you can only give in trickles! So don't deprive those who are starving for the Words of David! On the other hand,

you can continue to give them personal individual attention by letter, news & pictures & a closer relationship where

you can comfort, encourage & inspire with personal thought & testimony. —And they in turn can help support

us again too! you in your missionary efforts. "As you pour out He'll pour in, and you can never outpour Him!"

## REACTIONS TO "Get Out!"

No. 305 DFO

From Paul & Marianne, KQL's: "GET OUT!", WE FELT, WAS A REALLY NEEDED LETTER, as we ourselves have so often felt, when the walls were closing in on us, that we had to get out & walk & oxygenate our brains & spirits, remembering our sample.

AND THE LORD'S NEVER FAILED to use it to relieve the tension, lift up the weary. Often as we walked, we received brand new ideas & in-

spiration & solutions to things that we had been torturing our minds about in our room. Then they all came thru' so simply when we just relaxed & stepped into the fresh air to burn up our surplus of adrenalin!

"AS THEY WENT (OUT) THEY WERE HEALED!" —hal (Lu. 17:14.) We even found that when we can't get in unity with each other, there's nothing as good as taking a romantic walk to bring us close to each other, & being in God's creation & fresh air really helps bring up the Lord in each of

us again too! DURING THE SUMMER, we got books of tickets for the open-air swimming pool & managed to go swimming & get some sun nearly every day, as well as writing loads of letters & meeting the people we needed to see in an inspiring, relaxing atmosphere.

DAD, WE ARE WITH YOU WHOLEHEARTEDLY. This Letter was so needed, as we so easily slip into lethargy. As usual, you are our "pace-setter" & a real sample of diligence in taking good care of the "Temple of the Holy Spirit" —I Love, Paul & Marianne.

## One of Britain's Richest Men FFed Before Death!

The Lord reveals His Love thru' one of His Love Queens!

From J.; So. France: A FEW MONTHS BEFORE HIS DEATH, WINDY & I MET SIR CHARLES CLORE at a dinner party on a yacht in Monte Carlo. All the guests were very old millionnaires, & the conversations centered around their past experiences with various kings, princes, presidents & other famous personalities (mostly from "the

old days" such as Onassis & Hemingway). I TALKED A LOT WITH SIR CHARLES & later danced with him at the club to the surprise of everyone who thought he could not dance anymore. He took my phone number & called the next day.

AFTER A GOOD TALK DURING TEA, I realised that his intentions were for me to

become a close companion. He really liked the "social work" I did but was not too enthusiastic about my source —Jesus!

THAT EVENING WINDY & I MET HIM at a piano bar & escorted him home, during which time we talked a lot about our beliefs, & at one point he almost seemed afraid

### OBITUARY

## Sir Charles Clore, 74, Industrialist in Britain

LONDON, July 26 (AP) — Sir Charles Clore, 74, one of the richest men in Britain, died today in the London Clinic, where he had been admitted 10 days ago.

Often called "the man with the Midas touch," Sir Charles built up a personal fortune estimated between £30 and £50 million (\$70 to \$120 million).

He was born in the East End of London on Dec. 24, 1904, the son of a tailor who had fled from Russia during a wave of anti-Semitic violence at the turn of the century.

Sir Charles astonished the financial world by

his takeover techniques — acquiring companies for a mixture of cash and shares, and developing their assets and potential into flourishing successes.

As the head of the £750 million Sears Holdings, his empire included such enterprises as Selfridge's department store in London; the British Shoe Corporation Ltd., the major force in footwear retailing in Britain; Mappin and Webb, and the William Hill chain of betting offices.

Sir Charles had been living in Monte Carlo after having had a major operation.

Sir Charles was knighted in 1971 in recognition of his philanthropic activities.

He was a supporter of Israel and presented the Israeli government with a check for £1 million for war relief after the 1967 war broke out.

of the Name of Jesus. He asked me to come for tea the next day and I said,

IF YOU WANT ME, YOU GET JESUS TOO because He's in my heart. Nevertheless, he called the next day. After praying together with Windy about what I should do, we got that I should show him the full Love of Jesus —

"WE OWE THE MESSAGE OF GOD & HIS LOVE TO EVERY MAN...even tho' all will

not listen nor respond nor be saved. Even God can't win them all, but He wants to give them all a chance!" (DM 3:4.) Thank God we did! (Ez. 3:17-19.)

HE WAS VERY SWEET & INTERESTED IN THE FAMILY but was so conditioned against Jesus that he would really become fearful of my talking about Him. I loved him physically, as much as possible at his age, telling him this

was Jesus' Love thru' me. This was the last time I saw him.

LAST MONTH WE SAW THE ENCLOSED OBITUARY in the "IHT", & we realised how God had used us to give him his last chance before his death. It reminded me of the story of Howard Hughes (see Letter No. 199) but I pray that maybe Sir Charles called out to Jesus on his death bed. —J.

UNWANTED BABY FINDS HOME! Ahikam met his wife Seiko in the Orient. After being unable to have children, they recently adopted an unwanted illegitimate baby girl. Now little "Ai-Chan" has the promise of a secure & happy childhood & a life of love & warmth!

## One of The Lord's Lovers

From Ana (Dad: "My Guatemala Hot Tamale!" —Hope to see & love you again!)

Dear Dad & Maria, ILY! I REALLY REALLY LOVE YOU A LOT, DAD, & miss your sweet sweet love. When I think back at the time I spent working for you, I long for those beautiful days of Heaven on earth & would love to have them back. (D. —Amen!) But I guess my job now is to take that Heaven to others. (D. —Amen!)

THE DAY I LEFT YOUR HOUSE DOWN IN MALTA my heart was so broken to leave you all as I had never in my life fallen so in love with anybody else like when I fell in love with you. (D. —PTL! Hot-test I'll lover I ever had! —Ha!) I love you like a lover, like a father, friend & admire you as God's Love Prophet. (D. —PTL! I'll buy that!) SOMETIMES IT'S HARD TO BELIEVE a person could have so much love to give others. (D. —Like U! ILY!) But your love taught me that there is no limitation to what love can do & to the love you can feel for others. (D. —Amen! Give it!) IT'S EXCITING BEING ABLE TO SHARE WITH ALL THE HOMES & meet all the boys, hal (D. —I'll bet! —Ha! Sock it 2m!) When we came to one Home there was a bit of disunity between the different Homes but thank God everything is much better now. LAST NIGHT WE GOT ALL THE

HOMES TOGETHER & read "Stand in the Gap", had communion & everybody had a chance to open their heart & share with everybody. It was a real victory, PTL! And some people got together & made love to each other (D. —Such a humbler & meller! —Amen!). It's
