

EST, HAS REALLY GOTTEN TO BE A STINKER, probably because of jealousy. She needs a lot of extra love & attention, & we've found that even her older sisters Sherah & Summer can give it to her. I explained the situation to them, how I'm busy with the baby now & how they

can be little mommies to her. Also one day I took her by the hand with me to do little chores, like washing baby's things & folding clothes. This really helped too. Today we sat together by the baby's bed while he was awake & talked about a picture book. That way the baby could

see us & hear our voices & they were both entertained. Well, PTL, we're so happy & thankful for the new little life the Lord's given us, & for the wonderful way of life, knowing that the promises of God's Word work! Love, Seek & Sec. ("Worth the pain!" Amen! Dad.)

## A Star For Ever And Ever!

A New Baby's Homegoing—"I had prayed for my baby to be a comfort!"

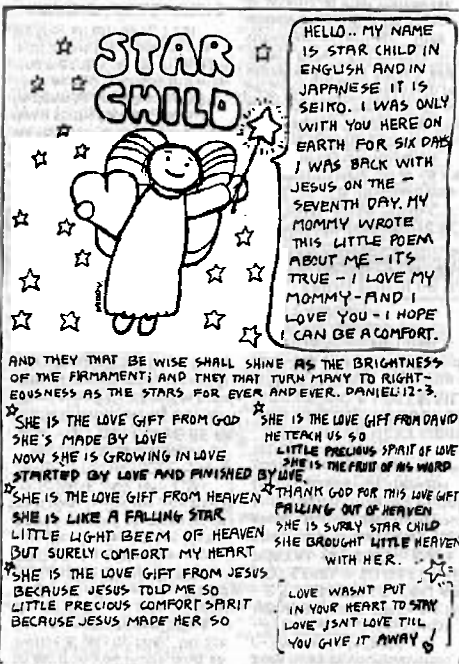

A look of love from Samaria!

From Samaria, Asia:

THE ENCLOSED IS A LITTLE POEM & CARD that I made up after my little baby went home to Heaven. She was born the 18th of November, 1979. I knew that I would have a girl. I prayed for my baby to be a comfort to many people. JESUS TOLD ME TO NAME MY BABY something about a star. So I got the name Seiko (meaning Star-Child in Japanese). The night I prayed I saw 6 falling stars. That was exactly how many days she was here on earth with us.

SHE WAS 3 MONTHS PRE-MATURE. She was such a beautiful baby. I love her dearly. A few hours before she went back to be with Jesus, He gave me a

poem. My poem might sound funny because I got it in English which is not my native

tongue. But I hope it will be a comfort to your heart. Much love & prayers always, -Samaria.

## Literally A Dream Come True!

The miraculous conception & birth of one of Jesus' Babies! A natural breech birth!

From Rose, U.S.A.:

ABOUT 9 MONTHS AGO I MET ABDULLAH from Bahrain. He told me he was so confused by so many different religions in the world. He asked me why there was such a division. It was a perfect opportunity to share with him about Jesus & how His love & life are for us to unite everyone in real love, but that because many people refuse His love, the division grows. AFTER DANCING WE WENT TO HIS HOTEL. Right in the middle of making love, Abdullah stopped & exclaimed, "I love Jesus!" He then received Him on the spot! PTL!

A WEEK LATER I HAD A DREAM that I gave birth to a baby girl. Christina Maria was the name given in my dream. She had dark skin, dark curly hair & big dark eyes, just like Abdullah! About 3 weeks later I found I was pregnant!

WELL, LAST DEC. 18TH MY DREAM CAME TRUE! Little Christina Maria was born & she looked just like she did in my dream! PTL! She was born naturally & breech at that.

THE WHOLE BIRTH WAS A TESTIMONY TO ALL those involved. My water bag broke one evening while my husband Tim & I were taking our 2 boys for a walk. I called the doctor as soon as we got home & she said that since the baby was in a breech position (feet first), I should go to the hospital right away. They tried to turn the baby to no avail, so we slept the night at the hospital.

IN THE MORNING THEY WERE THINKING OF DOING A C-SECTION. Tim & I prayed very desperately together for an answer & while we were praying I heard a verse from Dad's

tape of "Psalms Read to Maria" which we had playing in the background. The verse said, "I cried unto the Lord with my voice & He heard me out of His Holy Hill". (Ps. 3:4.)

SO TIM & I TOOK A STAND OF FAITH & decided to tell the doctor they could either induce labor with a natural hormone or wait for me to go into labor by myself, but that we didn't want a C-section.

AN OBSTETRICIAN CAME IN TO EXAMINE ME & went out saying, "You only need some strong contractions to get that baby out." A few minutes later my doctor came in with a big grin on her face & said,

**KNEW DISCIPLES!** "He knew her & she conceived & bare a child!" -Gen. 4:1.

"We're not going to do a C-section!" We were so happy! BUT I FELT THERE WAS GOING TO BE ONE OTHER TEST. And there was. Since she was breech, her head came out last, but her mouth was wide open & so she swallowed quite a bit of mucus. They couldn't get her breathing. Tim & I prayed desperately for her & I got the verse "And God breathed into his nostrils the breath of life & the doctor said, 'She's okay now!' TTL for such a precious & miraculous Jesus' Baby! Love, Rose. (Hallelujah!—Dad.)

## An Arabian Princess Who FF'ed A Sultan!

—& now the Lord's given her to me as a spirit helper!

From Ahlai Gospel; S. America:

IT'S BEEN SEVERAL MOS. SINCE THE LORD SHOWED ME I HAVE A SPECIAL SISTER who is helping me with FF'ing & other things. I never felt "spiritual" enough to have a spirit helper, but maybe that's why the Lord has sent her to help me, because I really do need her! PGL Here's how it happened! WHEN WE FIRST ARRIVED IN THIS CITY the Lord started giving me some special Fish right away, some very rich, others not, but all very needy & already on the verge of salvation. I was teaching some English classes at the time & one day during my break I ducked into an empty classroom, so burdened about some of these men & just started pouring out my heart desperately to get the Lord's help & answers for all of them, which I didn't have.

I KEPT GETTING A VISION OF A BOOK, a Bible-like book & just then the Lord's voice spoke to my heart to "open up the book", which I couldn't understand as I had come in empty-handed. But there among 40 vacant desks in a silent classroom was a conspicuous paperback book about the size of a Bible & I felt a great urge to open it! MY WHOLE BODY STARTED TO TINGLE as I read the 1st thing my eyes fell upon—a 1-page account of a certain Arabian princess, a member of the Sultan's harem. After a very unfortunate love affair, the hardened & embittered Sultan, in revenge, began loving & murdering a different girl nightly. One by one the maidens of the kingdom were being sacrificed without es-

cape until it came the night of Scheherazade. —& she had a plan! SCHEHERAZADE BEGAN TO TELL THE MOST INTENSELY BEGUILING STORY to the Sultan, totally entrancing him in the spirit of her message & leading him carefully to the climax of the story just at daybreak—the hour of her execution.

BUT THE SULTAN WAS SO HYPNOTISED that he postponed her death until the following night to hear the rest! Then she started another tale, climaxing at daybreak, forcing him to again postpone her death.

THIS CONTINUED ON & ON until she told the Sultan many thrilling tales which are called the 1001 Arabian Nights of Scheherazade. The Sultan finally falls deeply in love with her, the one who fed his spirit—& also saves the lives of the Kingdom's other maidens.

READING THIS, I WAS SO MOVED, it really turned my key! My 1st reaction was, "My God! This girl was an FF'er! She actually FF'ed that Sultan & won him over!" Then it dawned on me that the Lord was sending me the greatest help imaginable for my FF'ing in answer to my prayer—a spirit helper! IN FINDING OUT MORE ABOUT SCHEHERAZADE, it was incredible to see that among her famous tales is that of "Al-

addin's Magic Lamp!" I got my Mo Books & looked up what Dad said about that story in Letter No. 226: "I am convinced now that this simple little childish fairy tale has its actual basis in an ancient Oriental Arabic prophetic parable which is being fulfilled this very day!" And from Letter 247: "That story of Aladdin's Lamp was really a prophecy! Everything about it had a parallel!" —& now I believe that Scheherazade, tho' now legend, was the actual inspired prophetess who received it!

SHE HAS SINCE SPOKE TO ME MANY TIMES, & I'm always compelled to write down these little jewels that are a real practical help & enlightenment. Not long ago she helped me thru' some FF blues when dear Sus was FF'ing by saying: "LET ME SHOW YOU A BETTER WAY—David is a King, follow him! He is our true king & why shouldn't he live like our ancient kings—many wives, much love. We women learned to share! We were more Godly than you modern women in many ways!" Boy, was I convicted! She also told me that she was saved just by hearing & believing on the name of Jesus!

ANOTHER LITTLE TIDBIT THE LORD BROUGHT BACK to me is that of all my childhood years of studying piano, the only piece I can still play which always stuck with me is a moving piece called "Dance of Scheherazade" but I never knew what it meant before. I gave my heart to Jesus at 9 years old & am wondering if she could have been helping me since then? I KNOW I'VE FELT HER PRESENCE OF A SPECIAL TYPE OF ANOINTING when I'm witnessing to & wooing some of the warriest old Fish & with whom we've had surprisingly good fruit, TYLI—Real changed lives after all these years! ■
