

# M&M Mail!

MONTHLY RECAP OF M&M MAIL MINISTRY!

Compiled by Karen Happpuch: "IRFERS BEWARE!" Dad received many letters with more details of "the whole story", including testimonies from a close relative of the couple involved. A couple who lived with Orion & Shula while they were on the field commented: "Never have I read a Letter with a 'character analysis' in which I was so close to the character involved & could see how the Lord showed Dad so many things just by the Spirit & the Word. It is a real confirmation of so many things that God had shown us..."

**OTHERS SHARED HOW THIS LETTER HAD HELPED THEM TO START TITHING AGAIN.** & personal lessons about the Lord taking decisions in their lives: "About 2 years ago we had just come up to Nepal from India to start a new Home. We were low on finances & I decided to keep back our 10% as the Home was virtually bare. Within days I became ill with a serious intestinal infection. I took the medicine prescribed but 'you can't have faith for God to heal & bless you when you know you're not obeying Him.' It was beginning to be quite serious with temps.

as high as 106° followed by convulsions. Blood tests showed malaria & in the early hours of the morning I was awakened by a specific prophecy that He was taking a collection for my dishonesty & that He would heal me if I would set things right. I did & He did, PTL! I've never had a relapse since, TYJ! We haven't missed our tithes since & don't intend to!"

**"AMERICANS ABROAD":** Here are some initial responses written personally to Dad: "If I've ever understood that we need to forsake all every day & that we're never done forsaking all, it's now! Lord help us not to look back at the burning city behind but go on till Jesus comes back for us all!"—Blossom & Diddy, U.S.A. "Tks for the Letter 'AA'—we're getting ready to go!"—Esther Ruby, Europe. "We read 'AA' & knew we had to obey 100%!"—Rebecca Caravan. "Lots of changes since the new mailing. We're heading for Barcelona to find a way to cross the ocean, visit our folks briefly & go to S.A.!"—Seek & Secundus.

**"LETTER FROM ROY WAL-LIS":** Encouraging news

rec'd. from Great Britain! Jeremiah Tartan, after coming to a repentance, is again with the Family & has written BBC's nationwide programme asking them not to use his name or any info. they attribute to him in any way. He was shocked to learn of their programme as they had not personally contacted him in any way. "We know that thru' living with Jeremiah (new name Jair), that he has had a true repentance & love of the Lord, you, the Letters, God's Family & all those hungry sheep & is doing his best to repair the past & to spread God's love to others."—Artemas & Elizabeth.

**"CHILD BRIDES":** "The Letter made me feel so good about my kids getting married early & still living with us. How exciting & Godly to live & stay together!"—Joseph & Abigail France. "Thanks for 'Child Brides', says Grandpa Amos O'Test in Australia, whose wife is now expecting their 8th child. "Both our teenage boys are now mated. Reuben & his mate just had a baby girl while Joseph & his mate are expecting a baby in 3 mos." (See photo.)

Amos-36, Darren-1, Reuben-16 & baby Dulcinea, Joseph-17, (bottom) Mary with Crystal-2, Ben-7, Rose, Stephen-4, Christina, Ally-6. "We are all very happy in His Service & are still serving Him full-time, TYJ!"

(Congrats!—To all you Grandads! How bout more Grand-ad News?—Are there any more of us?—Grandpa.)

## Family Feedback!

Reactions to the Letters From the Monthly TRF Reports

**"IRFERS BEWARE" CAUSED A MAJOR VICTORY** in our Home for everyone, a real metanola! It was so sobering & radical & showed us that even tho' we were tithing, we still weren't 100% in heart & spirit & were compromising."—Siles & Tamar, Australia.

**"IRFERS BEWARE" CAUSED EVERYONE TO CHECK THEIR HEARTS** & caused a 100% Revolution!"—James & Marina, S.E. Asia.

**"WE FOUND 'IRFERS BEWARE' A NEEDED ANSWER** to many questions, especially how to relate to old brethren who don't even support the Family."—Shalom & Esther, Australia.

**"IRFERS BEWARE" PUT THE FEAR OF THE LORD IN US** as this month particularly has been our worst in lit & tithes."—Jaziz & Rebekah, Pacific.

**"WE LIVED WITH THE COUPLE OF 'IRFERS BEWARE'"** when they first met. The revelation Dad received couldn't have been more true. Kerry was a very sweet & cooperative brother until he met her. A very short time later they backslid."—Sot & Ahli, South America.

**GBY DAD FOR TELLING THE TRUTH** about a very delicate situation in 'Irfers Beware', I had been considering a visit to the States as I was feeling a little down & thought I'd take a fur-

lough. But the inspiration of this Letter woke me up to get back & 'seek first!'—Timothy, Europe.

**"IRFERS BEWARE" WAS ONE HELL OF A SHOCKER!** It shook me up & I'm already a supposed TRF 100%. That's what I like about Dad. He gives it to you straight & lets the chips fall where they may."—Mordcal & Rose, Europe.

**"I KNEW SHULA FROM 'IRFERS BEWARE'"** when we were in Dallas in '75, & Dad's description is right-on."—Joshua, S.E. Asia.

**"MO HAD MORE THAN JUST OUR RESPECT** for his continued unwavering dedication to the basics of God's truth & our required service!"—Resaph & Sara, Europe.

**"IRFERS BEWARE" DID THE JOB ON US!** We've decided to tithe every month!"—Richard & Susan, U.S.A.

**"IRFERS BEWARE" SCARED THE HELL OUT OF ME!** Mo's absolutely right! My hubby makes all the money & can't stand Mo, so I can't tithe, but I am scared about it & I want to serve God, & I hate it that people like me have to go & get M&M so upset when they have so much to do to prepare the world for the coming of Jesus!"—Lucy, U.S.A.

**"WE WERE SHOCKED & HORRIFIED** by the IRF death, but very inspired by Dad's faith & courage to tell the truth even if it hurts & sounds so hard at first, GBH!"—Byron & Tabitha, Italy.

**"IRFERS BEWARE" WAS SO SOBERING.** If we could only learn from the widow's mite & Dad's many stories of how they were down to nothing & after they obeyed & gave God the little that He asks He really rewarded their sacrifice.—Plus

the many worldwide testimonies of how God blesses obedience. The Lord only asks 10%!—What a small price to pay for the Words of life!"—Ahim, & Patience.

(One thing evident in this month's reports is that 'IRFers Beware' is a very needed Letter & quite a few IRFers are suffering for their lack of tithing & subsequently it seems God's taking a collection (e.g. one couple's children were very ill resulting in a large medical bill, one girl had an operation because of a pain in her abdomen for 6 mo., & another wrote his IRF Report from a hospital where he was suffering from meningitis!). Lord help us! TG for that Letter. It seems it will be a big help & very needed!—WIM Staff.)

**"SARGEANT YORK GAVE ANSWERS** we haven't even thought of, like obedience to wrong commands. Thank God for Mo making things clear."—Caleb & Noel, Canada.

**"SGT. YORK" WAS CERTAINLY HEAVY.** We have guns here on the refuge for hunting etc., but who knows what may happen when the country falls & we may have to defend ourselves & refuge."—Peris & Ruth, U.S.A.

**"I REALLY APPRECIATED 'SGT. YORK'"** as it cleared up my thinking in that area. I was a CO during the Vietnam War, but I have often thought about what I would do if I had to protect my Family."—Achaicus, U.S.A.

**"CHRISTMAS EVE MASSACRE" WAS A REAL HELP** to ME as sometimes I'm tempted to drink too much. So we're really cut down a lot & this is helping to improve our sample & effectiveness."—Apelles & Joshua Chesire, Australia.

**"ONE LETTER THAT CASE SPECIAL TO US** was 'The Christmas Eve Massacre' because

everybody was drinking too much, myself too!"—Matheus & Maria, South America.

**"LUKE STOPPED DRINKING!** It is a big victory as we had a lot of problems with his drinking. Since the Letter 'Christmas Eve Massacre' it is really helping him to stick to what the Lord showed him, PGI! He is really thankful for the Letter. We plan to obey 100%!"—Luke & Crystal, U.S.A.

**"CHRISTMAS EVE MASSACRE" WAS EXCEPTIONALLY HEAVY.** Altho' no one in our Home has a drinking problem, we were all convicted about our other 'little variances'. Lord help us to stay closer to His light & not get side-tracked on our own wants & desires!"—Jeremiah Gypsy, Europe.

**"THE LORD WAS REALLY DEALING WITH ME ABOUT DRINKING** when we received the Letter 'Christmas Eve Massacre'. My wife & I actually were separated, & I fasted & prayed. Now we're back together & my drinking problem has shrunk to only one or 2 beers a day & often nothing at all."—Paul & Dulcinea, U.S.A.

**"RIGHT AFTER I DECIDED TO TOTALLY QUIT DRINKING** altogether, we got 'Christmas Eve Massacre'. It was such a revelation & confirmation from the Lord. It's been 40 days since I quit & I feel like a new man. I have more time with the kids for school & training in the Word."—Isaiah & Rebecca, U.S.A.

**"TERROR BY NIGHT" WAS A REAL COMFORT** to us, as Gabriel had been plagued with some of the same exact problems as Dad described. Since then his sleep has been more peaceful."—Gabriel & Galilee, USA.

**"TERROR BY NIGHT" REALLY HIT THE SPOT!** I've always had fears like this & it

really helps to know that it's not only me. It helps me to get the victory & makes me realize once again that the trials on earth never really matter at all."—Regan & Magpie Lion, U.S.A. (We received quite a few comments similar to this one, from those glad to know others suffer the same trials as they in the night.)

**"WHEN I READ 'THE SHEPHERD'"** I cried & cried & was actually sick for a couple of days. I think I know just how Dad feels, as sick as he was, trying to make his children happy with his love. GBY, Dad, ILY!"—Patsy, South America.

**"WHAT EVERY DRIVER SHOULD KNOW"** has been a great help in my efforts to keep the truck we use here in the housing project running. I am teaching 3 Indian men to drive & maintain it as well."—Stephen, Central America.

**AFTER READING 'WHAT EVERY DRIVER SHOULD KNOW'"** I took the Magazine outside & Job & Daniella & 5 neighborhood boys & I got a good class on mechanics. We read the book, filled the oil, put in brake fluid, learned the parts of the car. Now my car doesn't cough any more & it's not mad at me anymore because I wait till it's warmed up before I start off. Your Letter was so convicting to me, a lady driver. But now I'm more careful & prayerful & especially thankful! My car would have died, like me, without your loving concern. Now I'm not ashamed to give you a ride! Come on Dad, let's go! Hal ILY! Thanks for being so faithful in all those areas we need!"—Jabalina, U.S.A.

**"KEEP THE KOMIX COMING!"** The new ones are so much better & more useable, especially for the Third World where we have to clothe the beauties of

God's Creation more."—Jessa & Candace, India.

**"DITO CHAPTERS 59-62 MADE US WEEP** to see how hard Dad & his staff work for our welfare & are so loving."—Etem & Maria, Europe.

**"THE WORLD SITUATION & THE LATEST LETTERS HAVE REALLY BEEN SOBERING** & now there seems to be a greater unity among the Homes after the latest Survival Letters, when we realize what a blessing the Family is & that we need each other."—Adam & Patience, Europe.

**"THE FAMILY HISTORY WAS REALLY INSPIRING** & gave us the faith to launch out. 'Sgt. York' was encouraging! 'Terror By Night' faith building! As for Puppets, we have been doing it here for several months & it works!"—Ezra & Rom Guitars, Europe.

**"THE WORDLESS CB IS GREAT.** The children love to tell the story. We also simplified our breakfast at home according to the suggestion in the Camping Letter & it's great, a lot easier."—Jordan & Sharon, Eur.

**"DEAR MARIA, THANKS SO MUCH FOR THE WONDERFUL COLLECTION OF BIBLE VERSES** in Mag 18. I can't thank you enough. Just what the doctor ordered! xox!"—Allon & Tapheth Harper, U.S.A. (We rec'd a lot of thanks & comments on the verses & some mentioned how they are now memorizing them & how much they help.)

**"THANK GOD FOR THE LETTERS!** They've been so heavy lately. My sister Sally had written about what was happening in Tenerife, so I was really glad to hear God's side of it."—Suzanne & Mauricio, U.S.A.

## MORE ON How A Large Family Does It!

Provisioning! Witnessing to Children! Getting a Caravan!

From Seek & Secundus, parents of 7, Spain: Dear Dad, Maria & family, WLY SO MUCH & PRAY FOR YOU! Could you please especially thank Davidito & Sara for the sweet card & the \$5 they sent. It really inspired the kids that Davidito would write to them & especially little Jamie-3 who talks about Davidito a lot.

**WE APPRECIATE SO MUCH EACH TESTIMONY IN THE FN** & always think we will have time to write & thank Family members for writing them. They really provoke us to good works & are so helpful to share with the children. Testimonies from other large families really speak to our hearts & are an incentive to keep us going for the Lord.

**THE LORD HAS REALLY CONVICTED US ABOUT PROVISIONING** more thru' the Letter "Use It" & Emmanuel's class on provisioning. We stepped out by faith a couple of days this week to put the Letter into action & the Lord sure opened the windows of Heaven! **PILAR, A SPANISH SISTER WHO IS HELPING US, & I WENT STORE TO STORE** with the 3 older children & the baby. In 2 days the kids had completely new performing outfits—some of the nicest they have ever had, complete with socks & shoes! Eighteen pairs of good quality shoes were provisioned. The Lord also provided new fabric for recovering the cushions in the van—durable & colourful, perfectly matching the new carpet we had already provisioned & put in! Other stores helped with school supplies, kitchen needs, cosmetics, towels & items of clothing for Secundus. Our photo album of the kids'

singing sure helps, & the kids are learning to use it & do the provisioning themselves. Even if we have to help them a bit, it really makes an impression on the store owners to see them try.

**WE ARE SO THANKFUL FOR THE NEW KOMIX** for the children. Using them for witnessing has given the children much more confidence. It was always hard for the children to find a way to get started witnessing without seeming churchy & boring for their friends. But with the new Komix, Jason & Sherah first interest them in the pictures & then have them read it & this leads quite simply to their praying to receive Jesus. The Komix are also so good for follow-up devotion times when their friends come over to visit.

**WITH 7 CHILDREN IT CAN BE EASY TO FIND EXCUSES NOT TO EVER GET OUT OURSELVES** without them. But

the other night after the children went to sleep we went to a disco with a couple from another Home who also have 4 children. Two sisters watched the children in each Home so we could get out. It was quite an explosion, & we didn't realise how much we needed it!

**THERE WAS AN ANNOUNCEMENT** that the girl in the white dress had won a free drink for being the best dancer. It was me! Hal! But this led to free drinks for all & to meeting a young man who works in the mayor's office in this little pueblo who came by the house later that week & got saved! The Spirit of the Lord in us really changed the spirit of the disco. Soon everyone was standing around watching as Ruth danced Flamenco with someone else & everyone was even dancing thru' the tunnels gypsy style before the night was over! It was so much
