ATTN: W.S. (See "Look Before You Leap" No. 931.) GBY, WLY.—W.S.

CHRISTMAS!

WE WOULD LIKE TO TAKE THIS OPPORTUNITY TO ENCOURAGE ALL FAMILY MEMBERS to start making your plans for witnessing over the Christmas season well in advance. As Dad has said, "I think that it's

good that the whole world is almost compelled to remember Christ's Birthday. It's the one time they celebrate something about faith & religion & Christ & the Bible." ("Merry Christmas" No. 638:60.)

SO THE CHRISTMAS SEASON WILL BE AN IDEAL TIME TO EXTEND YOUR WITNESS & TESTIMONY to as many as possible, to remind them of the real meaning of Christmas. It is also an excellent time to provision needs for your local Family, as well as Christmas lit (the Komix Editions & ML Nos. 636 & 638 are in Mag No. 11 & also to be reprinted again in next Mag, God willing), Christmas cards (you can even print or make your own!) & newsletters etc. PRINT & MAIL CARDS & LETTERS NOW! However if you leave this till the last minute, you may find that your contacts, especially printers & even postmen are too busy to help you, & you'll be left behind in the "Christmas rush"! So make your preparations now, so that you can be a blessing to those around you this Christmas! WLY!—W.S.

GOOD NEWS FOR MUSICIANS!

W.S. IS OFFERING SPECIAL AWARDS TO ALL MUSICIANS whose material is used on MWM. They have already sent such Awards as small gifts to 44 musicians whose songs or compositions or their performances have been used on the MWM Shows, including some old-timers.

HOWEVER, WE'VE BEEN UNABLE TO LOCATE SOME OF THESE MUSICIANS whose cheques are waiting for them: Neaman Gypsy, Israel Cane, Fisher (composer of "Your Love Is the Reason"), Fernando (composer of "I Want to Sing"), Tabitha (composer of "Mtn. Children"), Alex Peru & little black

Zachseus. Let us know where you are!—Or if any of you Family know how to locate them, please send us their addresses so that we can forward these gifts to them. Some of them may no longer be with the Family, but we still desire to reward them for the use of their material on MWM.

IF ANY OF YOU MUSICIANS IN OR OUT OF THE FAMILY WISH TO SEND GOOD RECORDINGS of your music to MWM, CPO 220, Athens, Greece, & it's useable on the Show, we will do our best to send you our small gift of thanks & appreciation for your contribution to the Lord's Work. So send a tape today! Don't delay! A cheque may be waiting for you! (Please refer to the vital article by the great musical artist Jeremy Spencer on how to record your songs for MWM beginning on page 65 of the Special MWM Issue, Mag 27, before you do your recording, Tks.!!)

W.S. ALSO SENDS SMALL AWARDS OF GRATITUDE TO ALL ARTISTS who send graphics which are useable in the Magazine, such as True Komix, front covers, posters & so on, in both black & white & colour. Colour is good for front covers, posters, calendars & so on, but we prefer black & white for the TKs to be reprinted in the Magazines or KIDZ Magazine or future Komix Books or inexpensive duplication or mass distribution of GP Komix by the Family.

PLEASE SEND ONLY YOUR ORIGINALS registered & insured to: Maria Campos, Apdo. 46131, Madrid, Spain, & if at all useable for any of our publications, a small gift cheque will be on its way to you as soon as possible, within the month, D.V.

WE MAY NOT BE ABLE TO USE ALL YOUR MATERIAL IMMEDIATELY, but we will send you your cheques immed-

ately as we know you may need the help in return for your artistic contributions to the Lord's Work. Don't delay! Send today! A cheque may be waiting for you!

THOSE OF YOU IN THE FAMILY WHO WOULD LIKE TO CONTRIBUTE TO these musicians & artists awards funds, we & they would certainly appreciate it. Send your artists or musicians gifts & specify which, either or both to: Artists or Musicians Funds, c/o W.S., P.O. 241, 8021 Zurich, Switzerland.

Thanks & GBY & may you continue to be a great blessing to the whole world, in Jesus' Name!

FOR QUICKER SERVICE ON LAST MAIL REPORTS!

YOU CAN SEND THEM DIRECTLY TO YOUR REPORTING OFFICE, instead of P.O. 241 as previously instructed. However, if you're not sure of your Reporting Office's correct address, it's ok to send them to our world address & we will forward them to your CRO, LIM or WIM. Love, your W.S. Family.

TO THE FAMILY IN BRASIL!

I WAS JUST ASKING THE LORD WHY THE FAMILY IN BRASIL HAS SO MUCH TROUBLE RECEIVING THEIR MAGAZINES, either the Government stopping them or the postmen confiscating them. It came to me how come in general they have been such a mess spiritually & how they really have not been what they ought to be, not being a very good representation of the Family, not winning the kind of people they should, not living & witnessing as they should.

WHEN THIS HAPPENS, SOMETIMES THE LORD JUST WITHHOLDS THE WORD. (Maria: First they had a big persecution last year. Now this year

they're not getting their Magazines.) Well, I don't think I'd even live in a country where I couldn't get my Magazines.

AND IF THE CAUSE IS GOVERNMENTAL PERSECUTION, I don't think they ought to be witnessing in such a country, the people don't deserve it. They've got to get out, if the Lord rejects the country. When are they going to learn that? When you get to the point where you get severe persecution, it's time to quit & get out, flee the city! (See Nos. 125, 379, 758.)

WE'D BETTER WARN THE PEOPLE WHO ARE NOW GOING THERE that they're not going to be able to get their Magazines in Brasil. Any country where they can't witness & there's that severe governmental opposition where they can't even get their Magazines thru' the mail, then I think they ought to get out.

BUT MAYBE THE POSTMEN ARE STEALING THEM & reading them. Maybe it's a real witness. You know, everything costs money in those countries. Even a magazine is worth something. If they're not really getting severe governmental persecution now, it's possibly not the government's fault. It might be just the postmen themselves are just stealing anything that's valuable that comes thru' the mail. Since it's in Portuguese & they can read it, then maybe they enjoy it.

(MARIA: THEY GET THEIR OTHER MAIL but they don't get the Magazines. Some of them do, but we've never had a country or a situation where it's been that bad, not even anywhere like it.) Well, that's Brasil, honey. We've had that problem in African countries but on a small scale because we didn't have so many people there.

ALL BRASIL IS AN AFRICAN COUNTRY, really. It's an African country where they don't hesitate to steal, & in general they're pretty wicked &

cruel & dishonest. If there's not any severe persecution to stop their witnessing, I wouldn't say they should get out.

BUT THEY'RE PROBABLY GOING TO HAVE TO GET THEIR MAGS SMUGGLED IN by people in the Family from other countries or something. Maybe their V's are going to have to distribute them. Have them shipped or mailed thru' some other country or printed right there.

THEY COULD TAKE THEM AROUND like they did in Paul's day. They sent them by special courier & messenger. It took a long time, but they sent letters around by people who were going that way. (Some of our other places do it that way.) Where there's a will there's a way. If they're faithful to the Lord, the Lord will do it & figure out a way. Family, please pray for the situation that it will be resolved soon. Love, M&M.

SPECIAL THANKS

TO ALL OF YOU WHO HAVE SPECIFICALLY PRAYED FOR DAD'S HEALTH—his eyes, stomach, sleep etc. Please continue to pray!—Your prayers work miracles! You'll be thrilled to know that your prayers have been so effective he can't even wear his glasses anymore except for reading. He can now see better without them!

BUT HE'S STILL HAVING SOME STOMACH TROUBLE, so please pray. His cup of coffee in the morning & bowl of health cereal in the afternoon are usually no problem, but his family dinners don't seem to set too well with him at night & cause him sometimes to waken with severe burning indigestion or gas that disturbs his rest. It doesn't seem to have anything to do with exactly what he's eating, but he says perhaps it's just a weakness of his age & that maybe his poor stomach's just

wearing out. It's lasted over three score years already, so, it's done a pretty tough job. PTL.

HE ASKS THAT YOU PLEASE PRAY the Lord will help it to last a little longer & that he can get enough rest, so he can continue to be a blessing to you. Thanks so much! GBY! ILY!—Maria.

A Plea To North Americans!

Flee as a bird! Go by faith!—God will bless it! How one family did it!

From Job & Mary St. Francis; Mexico:

WE WANT TO SHARE OUR TESTIMONY OF ALL THE MIRACLES the Lord did as we obeyed & fled the U.S. It all started about 3½ years ago when Jethro asked me to come back up to Texas from Mexico City to raise funds to help support the office in Peru. At first I really murmured in my heart about this as I was really in love with Mexico & the sheepy people & to go from Mexico back to the U.S. seemed like a nightmare to me. Anyway, I really prayed & the Lord gave me the grace. But I remember Faithy's exact words at that big meeting in Mexico. She said,

"ANYONE GOING BACK TO THE STATES HAD BETTER REALLY STAY IN PRAYER! We don't call it 'America the Whore' for nothing you know!" Little did I know it would take me 3½ years to get back out of it! I'm not saying God made a mistake. I wouldn't have my beautiful wife & happy little 10-month-old boy if I hadn't been there. But I met her 2½ years ago!

ALL WE SEEMED TO DO THERE WAS MAKE MONEY TO GET OUR NEEDS! And you know what!—We never really did get all our needs! Like that verse in John 6:27: "Labour not for the meat which perisheth" (which is what we were doing, trying to get our needs, getting things for ourselves). It's so comfortable in the States! You can park your trailer almost free in most places, plus we'd receive foodstamps monthly. But I went thru' some periods of too much drinking there (TTL I now have the victory!), it was such a confusing spiritual

& physical battle!

THEN ALONG CAME THE BOMB "AMERICANS ABROAD"! The next day we packed up & split to California to see my 70-year-old mother. Well, the Lord really blessed the whole trip fantastically! We provisioned all our gas & food, literally hundreds of dollars worth. We visited several Homes on the way & saw that many brethren seem to be stuck in a rut, many with neither a vision for a refuge or a vision to flee! They're all great brethren but it seems like they just take the Warning Letters so lightly! Plus there are many brethren still in California, even after all the Letters & warnings about that area!

ANYWAY, MY MOTHER WHO ONLY RECEIVES SOCIAL SECURITY, had saved up \$300 to give to us. I bought new tires & air shocks with that. Then we went down to San Diego to litness up more needs & try to get a welfare grant of \$400, but we just didn't feel right in that area with that fast confusing city spirit.

THE LORD TOLD US TO GO TO THE DESERT. So we went to a little town that I had pioneered about 6 years ago with another brother, & God just blew our minds! In less than a week He supplied even more than the welfare was going to give us, just thru' "litness"! Many souls were saved & we met many new friends & supporters.

WE MADE THE MISTAKE OF NOT SAVING UP OUR 10% DAILY as we were relying on the welfare. So we litnessed it up in 2 days & just as I mailed it off & stepped out of the post office I said to

Mary, "Well honey, we're broke! Praise God!" Right after I said that a Christian man walked up & talked to us for a while, invited us to his church & gave us a \$20 donation on the spot without our even asking!—Like an angel sent by the Lord to bless us for sending our %!

WE WENT TO HIS CHURCH & IT WAS AN ON-FIRE CONGREGATION! The preacher was really radical. At the end of the service I stood up & gave our testimony of what we were doing & how we were leaving for Mexico the next day with or without money. And lo & behold, they took up a collection for us amounting to over \$100! One lady even said she'd support us down here. They had so much love they broke our hearts & made us cry. Well, we were able to get practically all our needs & took off.

WE FOUND PROVISIONING GAS ETC. EVEN EASIER IN MEXICO than in the States, & we provisioned everything all the way down. It's a 100% victory being out of the States! TY!! We found that when we quit trying to raise all those funds to leave & just got out, God supplied everything! He just honours our pioneering faith!

NOW THAT WE'RE OUT OF THE "FOREST" WE CAN SEE THE "TREES" AGAIN, & we urge any brethren in the States who are trying to get out to just break away from the luxuries & colour TVs & GO by faith! "As they went they were healed" (Lk. 17:14)! God will bless your faith as he did ours. "Flee as a bird to the mountain, ye who are weary of sin" (No. 8:31.) Love, Job & Mary St. Francis.
