

2 years, & Paul had been working as a janitor in Denmark. He had hardly written a song in 2 years & knew that he needed to be using his talent for the Lord. We needed someone to "stand in the gap" as a songwriter, & we really felt the Lord was calling him & would also give him new songs.

HE ANSWERED THE CALL & "FORSAKE ALL" ONCE AGAIN, not to miss the crown & the Lord's highest calling for him, TTL! After some breakings & purifyings the Lord really began to pour thru' him, averaging ten new songs a month!—Power-packed & full of the Word with most lyrics taken straight from the Letters.

AS HE LEFT THE PAST & HIS PROBLEMS BEHIND, including excessive drinking, adding a personal word from Dad mentioning also how much his songs moved him, he really got on the attack & sought the Lord for new inspirations from His Word & the Letters for new songs "with Meaning", & the Lord began to give him some of the most beautiful & moving songs we'd ever heard!—Truly a fresh infilling of His Spirit of one of our greatest composers! Dad says, like Jenny Lind, "he sings from a broken heart" TYJ!

WE CAN'T FORGET DEAR SOLOMON DRUMMER who

MWM drummer Solomon

"It took a while but we finally made it to Greece! Hal"—Paul Michael & daughter shortly after their arrival from Scandinavia to help MWM explode!

actually arrived even before Joan, Tracy & Windy, from England. He had been living with a Russian girl & just about the time that he received our note of confirmation that we could use his talent at MWM, she showed her true colors & turned completely against the Word & him & even tore up all of his Letters & Bible!

THIS DROVE HIM (LITERALLY) BACK INTO THE LORD'S SERVICE, as he drove his £75 car to Greece to find the Lord's calling for him after all these years of not really knowing where he belonged, which of course was in "the Father's house" at MWM. Besides being a good drummer for the Lord, he's also had a very special calling & that is helping to care for Simon Peter, especially when he was so sick & in bed with hep! GBH! He got a very touching word from the Lord, thru' Dad, because of his faithfulness!

ALSO WE DON'T WANT TO FAIL TO MENTION JONAS' VISIT! Dad & Maria suggested to us that perhaps we should invite Jonas to come & record all of his beautiful songs, so we could include them in the int'l. series of shows we were prepar-

ing. He was so excited when he contacted him & said he had been waiting for something to do with his music & songs for nearly a year, & this was the answer!

HE HAD JUST READ "MILLIONS OF MILES OF MIRACLES" & had been recalling his own days as a pioneer & was beginning to feel the Lord's call once again to really do something for Him, Hallelujah! He dropped everything & came to MWM that same week, GBH!—& spent 3 "Heavenly" weeks camping with us & recorded 21 songs! **THE SAMPLE OF LOVE & FELLOWSHIP WAS SUCH A BLESSING** for him & just what he needed to reconnect him with the Family & to give him the conviction to "step out now" & to once again be a pioneer & really help MWM—the Gospel for the world! TYJ!

THEN CAME ANGELO & SARA with caravan & family, all the way from Geneva! They felt the Lord wanted them to come to Greece & that there they would find the solution to their problems, both personal & otherwise, & that they would be able to find their work for the

Lord possibly with MWM! Their faith was rewarded because they did find both! TTL!

BUT THERE'S NO VICTORY WITHOUT A BATTLE! And the battle was on!—Both for their personal lives & walk with the Lord, & their music ministry! We had a serious crisis with a Fish, a Palestinian girl who had come to join them but not to join the Lord & His Family! She thought she could get away with just living with Angelo without having to believe in the Words of David & so tried to take him away from his wife & caused much trouble with her lies & deceit.

BUT "BE SURE YOUR SINS WILL FIND YOU OUT!" (Num. 32:23.) Soon her influential parents called int'l. detectives to find her & her mother flew in from London & took her home with her. "Oh what tangled webs we weave when first we practise to deceive!" That was certainly true in her case. Even tho' she began to like us & our work & camping life & music, & possibly even the Lord, after a very rebellious time, it was too late & the Lord wasn't pleased with her shenanigans & the trouble she caused between Angelo & Sara.

IT WAS THEN EVIDENT TO ANGELO WHAT THE LORD'S HIGHEST WILL FOR HIS LIFE WAS, & he began to work extra hard to make a new relationship with his wife Sara.—And to get down to the Lord's important business of recording their songs for MWM! And also seeking Him for new inspirations for new songs to help us reach the lost sheep with His love!

AFTER THIS BREAKING & PURGING EXPERIENCE THEY WERE NOW READY for His fulltime service with the MWM Family! TTL! The Lord rewarded their obedience in answering His call to "Seek First" & gave them a beautiful new ba-

by girl, Mariangela, & a new love for each other like never before! **SARA HAD JUST FINISHED RECORDING THE BEAUTIFUL AVE MARIA** with Angelo during the exciting week of recording the Christmas Old Favourites at the request of Dad & Maria, to be sent out as their special Christmas gift to the Family! On the last notes she began having contractions but bravely finished the recording without telling anyone that she was in labour! She had the baby a few hours later, GBH!

ANOTHER OLD-TIMER, DEAR JEREMIAH, SOON ANSWERED THE CALL & invitation to come & record his songs & spent 3 "renewing" weeks with us & recorded 30 of his songs! GBH! He helped us to pioneer "live" recording, which Dad had suggested we try to do more of to save time & help us to be more inspired in our recordings—to just sing it straight thru' without stopping for every little mistake & try better to capture the "firey anointing" & keep the inspiration flowing.

WITH HARMONICA & GUI-

TAR, OUR "DYLAN" CROON- ED his protest songs, love songs & then whaled away with some real rockers enough to get your feet a'dancin', as only Jeremiah can do! He hadn't written a new song in a long time but knew that the love & fellowship he had received with us would inspire him to go home & write some! PTL!

IN THE MIDST OF ALL THIS WE HAD A VERY EXCITING THING HAPPEN to inspire us all to do more for the Lord & others! Paul & Marianne came to visit us & video MWM, our way of life & work, for Dad & Maria & the worldwide Family & friends. It was such a blessing to have them with us for almost a month for fellowship & the latest news of our Family in the North. But most of all they brought with them a fantastic new "Visiting Via Video" vision from Dad himself! Besides sending some beautiful movie & documentary videos for us to watch which were really inspiring for everyone,

WE TOOK SOME 12 HOURS OF VIDEOS!—& WE LEARNED TO DO OUR FIRST MWM

First MWM Video!—Topaz sings Shangri-la, backed up by Joan, Windy & Sabina! Photo by Faithy.

VIDEO SHOW, to visually capture our beautiful talent here! It was another real breaking, tho', as we pioneered something unknown to us & which seemed to be invading our little studio privacy that we had all grown so accustomed to since forsaking the stage & public performances. But to get us in shape we were obliged to "perform" a live show at the campgrounds as part of the deal for our discount, & for the summer tourists. TTL!

NOT LONG AFTER PAUL & MARIANNE'S DEPARTURE (taking with them over 12 hours of all of us on Video for Dad to see & get to know MWM more personally) Silas arrived!—Bringing with him some mail for us from WS, special delivery! He was on his way thru' from Latin America to work with the MWM MM & received this wonderful package from WS.

IN IT WERE 7 TAPES, ALL FROM OUR BELOVED FATHER IN THE LORD with his reactions to our videos & very personal words for each one! GBH! So much needed counsel, guidance & instruction & thrilling inspirational messages from the Lord for us & our Ministry!

7 DAYS WITH DAD! WOW! We played a one-hour tape every night for 7 days & sat under our tree "tabernacle" thrilling to his personal words, even his admonitions coming thru' on our outdoor speakers, which our dear Abishai had set up for us! (This is another testimony in itself—how Abishai & his lovely French wife Francoise & sweet little baby Windy happened to join us at MWM to help us!)

WHAT A REVOLUTION, or should I say revolutions, those "7 Days With Dad" caused in each of our lives & personal vision & overall MWM musical ministry! PTL! And with them, of course, came more breakings, purgings & cleansings & remakings, but al-

so the inspiration & direction to do a much better job! TYJ!

ABISHAI & FRANCOISE HAD NOT BEEN WITH US FOR VERY LONG when this big event took place. They had come all the way from France with their car & caravan in answer to our desperate call for help with the ever-growing technical side of the ever growing new ministry of music at MWM!

JEREMY WAS WORKING VERY LONG & HARD HOURS in the studio, having to be the only technician for both musical recordings & the recording of the actual Shows. GBH! A real brave pioneer! So this was a definite answer to our desperate prayers for another technician! TTL!

AND I BELIEVE IT WAS AN ANSWER TO THEIR PRAYERS ALSO for a place of fulfilling & fruitful full-time service once again!—Another precious Prodigal had come "home" to the Father's house & His loving service to help us fulfill the Lord's plan, TYJ!

SOME WEEKS AFTER SILAS ARRIVED, ENDURETH & THEIR 2 CHILDREN ALSO ARRIVED from the faraway land of Latin America & stayed with us at the camp which was real exciting for both them & us, GBH! They really felt like they were in "Heaven" & had come home, seeing so many familiar faces popping out from behind every bush! It turned out that they were to stay with us & help out with managing our ever-growing little "Loveville", quite an unusual village!

NEXT CAME MANUEL (PERUVIAN) to help with our ever-growing "Kid Power"! PTL! He was also another Prodigal coming "home" answering the "call" to once again help train our children to sing & perform boldly as our little prophets should. He was our fiery young Latin & really helped to set the children on fire both at home & on stage or out

cafe singing. He has now brought 3 sweet & beautiful young German girls to join the Family here! **MIRACULOUSLY THE LORD ALSO BROUGHT TIRAS SEEDS** BACK to full-time service after a very difficult time "in a far country", & he has learned once again how not only to receive love from the Lord thru' His Family but also to give it! He has been washing himself clean in the pure water of the Word, & the many beautiful new & not-so-new Letters which are restoring unto him the joy of his salvation! Hal! **BESIDES THIS HE HAS BEEN A GREAT PHYSICAL HELP** around our camp. One of his first

nights with us we had a big storm, one of the worst yet with heavy winds & rain. We thought it might blow us away! It was such a flood too that our tents started to flood & blow down & almost floated away! They say it was the worst storm in recent times, & many homes near us were flooded too, so it wasn't just our poor tenters who got flooded out! Others were worse off than us, at least we had a refuge from the storm in the Lord & each other!—Working together as fast as we could to keep the water from completely flooding us out!

TIRAS CERTAINLY WASN'T JUST A "FAIR WEATHER FRIEND", as he proved to be a strong tower of physical strength during the height of the storm, moving people & tents & belongings to drier ground! GBH! We've also uncovered a hidden talent, which is composing songs for the children from the Mo Letters which feeds & inspires them so much!—And a good photographer too!

AND LAST BUT NOT LEAST WE HAD DEAR TOPAZ, NOW OUR CO-MC OF MWM, join us with Peter her faithful mate & 4 beautiful children! They were so thrilled when they heard Dad mention that he would like them to work full-time at MWM & move in with us! They lived in a nice little family tent until the storm flooded them out & we had to move them to a bungalow! They have been such a great blessing & help in every way, GBH!

FOLLOWING DAD'S SUGGESTION, TOPAZ NOW WORKS FULL-TIME AS SIMON PETER'S BEAUTIFUL CO-HOSTESS of our exciting MWM International Show!—& also a very charming new asset to our new MWM Video Show! As Dad puts it, we have a very colourful Show now! TTL!

AND DEAR SWEET PETER

HELPS IN OUR CAMP MANAGEMENT & is also a good cook! Besides going DTD with their children & shop provisioning & litnessing & FF'ing, they are just a real sample & uplift for all of us, GBH! Peter often says he is so thankful to be able to serve the Lord full-time again, thanks to Dad!

ANOTHER VISITOR WHO RECORDED SONGS, SKITS & INTERVIEWS for MWM was Gamaliel the Jew (Jerry Golden) who passed thru' Greece after pioneering in Turkey for 4 years, on his way to SA with his family.

Topaz, dynamic co-hostess of MWM, & mother of 4, nursing her "knewest".

He's a classical guitarist & a very funny comedian, GBH!

HE RECORDED 8 ALL-TIME FAMILY FAVOURITES, played classically on the guitar! Once again, this was Dad's idea after hearing his beautiful classical guitar on a video that Paul & Marianne took. He reminded us not to let any talent pass thru' without capturing it on tape!

WE ALSO DISCOVERED SOME WONDERFUL LOCAL TALENT, real jewels, in Hannah Happy & Australian Saral Hannah who works at the Greek LIM as typist & the darkroom expert & whose husband Jacob is our only Greek typist, sent us a demo tape. Well to say the least, everyone was surprised

when they heard it, & Jeremy was exclaiming how it was one of the freshest new talents he's heard in the Family!

AND AT HER HOME THEY DIDN'T EVEN KNOW SHE COULD SING! Hal—Certainly hidden talent! So we got her in to the studio right away & she recorded 3 of her own compositions, playing guitar & accompanying herself, besides harmonizing with herself!—A real "one-woman" show! Amazing! Such a talented mother, songwriter, singer & musician—right there in our own back yard! Her songs are so beautifully simple & melodic & happy, like she is, GBH!

AUSTRALIAN SARA (MARGARITA), ANOTHER TALENT we have found "in our own back yard" here in Greece, also added something completely new to MWM—original Australian Family songs written by an Australian brother (Steve) who went to be with the Lord a few years ago. Abram (Mike) & his son Zeph have also professionally recorded some of his songs in Australia on a system album which has been quite popular there.

ABRAM USED TO PLAY WITH STEVE IN A SMALL MUSIC COMBO, but then Steve backslid & left the Family & the music group.—& suffered greatly from having departed from his shepherd & the Letters. So he

Greek LIMer Hannah Happy! Her hidden musical talents were uncovered to inspire the world via MWM!
