

The Kid Power Video Show!

The MWM kids pioneer the Video Ministry!—For all our kids everywhere!

From Abel Seaman at MWM; photos by Peter Pebble:

"KID POWER" SHOW
STARTED WHEN MANUEL PERUVIAN RETURNED to MWM in December with 3 new disciples won in Germany (one of them being his mate Maria)! He made it back just in time to help here with the children's singing at orphanages & hospitals during the Christmas season.

LOOKING FOR SOMETHING NEW TO PIONEER with the children & knowing of Dad's burden for more videos, Manuel got the idea for Music With Meaning's special children's show "Kid Power". Here's Manuel to tell the story:

"PTL, THE LORD DID A REAL MIRACLE & we finally arrived at the MWM encampment & they all received us with love & we had a beautiful Christmas.

When I heard of the need of new ideas for video, I was thinking about this for the next few days, & it came back to my memory so clearly how when I was young, when I would get out from school I would come running home to watch a program called "Tio Johnny". He was a funny man who presented children to sing & dance, & for me it was beautiful, because it was something I could relate to. I was a child & it really turned me on to see children of my own age sing & dance.

"SO I ASKED MYSELF, 'WHY CAN'T WE PUT A PROGRAM LIKE THAT ON TV to reach all the new bottles who are much easier to win than the old people! Then I thought, 'We have the children with the talent, the best music, a video ministry, a studio, so why not?' Paul & Marianne suggested, 'Well, PTL, put it on paper & we shall see.' So I went back to my tent & put the whole idea on paper & handed it in. They gave me the approv-

al & we began practising.

"WE DIVIDED ALL THE CHILDREN INTO 4 GROUPS & took time each day to practise with them & work with them on their songs & movements. From the original script to the final one, we changed it 4 times to finally get what the Lord wanted along with others to make it more interesting. Michael wrote the Kid Power theme song.

"THE FIRST SHOW CONSISTED OF SEVERAL COMBOS—Heidi & the Bluebirds (Koa & Nat), Patrick & the Bamba Girls, The Love Dancers, The Little People Group composed of the youngest children—Maresha of Jeremy & Fiona, Nicky of Michael & Patience, Mitra & Marcus of Peter & Topaz, Olivia of Paul Michael & Mary, Regina (Tracy & Joan's amusing little 2-yr.-old), & 3-yr.-old Emmanuelle (Angelo & Sarah's oldest boy). Also performing was "Love-light"—Charity, Christy & Dina, the eldest 3 of Job & Charran's

lovely daughters.

"THE POETIC MOMENT OF THE SHOW was a dramatic recital of the 23rd Psalm by Nicky dressed in his Sunday best! All the performances were woven together by Dicon's excellent MC'ing, full of beautiful Quotes straight from the Letters.

"THE SHOW WOUND UP WITH THE 'HEART SKIT' to let all viewers know that only Love can truly satisfy the human heart. A very last-minute idea, thought up the very morning we were preparing to film, which helped make the Show more comical, was the addition of 'Ole Papa Lion', & the children loved to see him dancing around!"

SO PTL! THIS IS JUST THE BEGINNING OF THE KP CLUB

From Abel Seaman (Johnny Appleseed):
GBY ALL! HERE WE ARE REGROUPING IN OUR SECLUDED CAMP after one month of intense holiday witnessing in which our children pulled over 200 souls out of the darkness & into His glorious light, during the joyous Christmas & New Year's Holidays!

AFTER THE BIG CHRISTMAS SHOWS FOR ATHENS' LARGEST DEPT. STORE & the completion of the children's "Jesus Is Born" Video, we decided to "bestow greater care on the uncomely parts", the destitute & lonely souls who fill the hospitals, old folks homes & orphanages in & surrounding Athens.

THE CHILDREN PERFORMED 10 DIFFERENT SHOWS, 5 of them in one of Athens' largest hospitals. Many lonely people felt a real Christmas joy when these young children came into their rooms to sing "Avia Nykta" ("Silent Night") & other Christmas favourites!

TO WATER THE SEEDS PLANTED, WE DISTRIBUTED THE NEW "TOMMY" KOMIC for all those there, a wonderful Letter of hope to all those confined to their rooms & beds. Even the nurses held hands to ask Jesus into their hearts, &

then they led us from room to room to pray with the neediest patients.

WE REMINDED ALL THERE THAT "HAPPINESS IS THE BEST MEDICINE", & the nurses & doctors were soon to agree after seeing the countenances of those we touched greatly enlightened.

AS THE APOSTLE PAUL WROTE ABOUT THE ATHENIANS: "This people seek a new thing" (250:35), our kids have been providing them with the most novel thing seen since the days when Paul himself walked the streets of Athens!

THINGS HAVEN'T CHANGED TOO MUCH HERE—the people now ignorantly worship the known God instead of the unknown God & some are still "in all things too superstitious" (see Acts 17), especially concerning religious traditions.

SO OUR KIDS HAVE BEEN TRYING TO CLEAR AWAY THE RUBBLE of the centuries with their very popular songs such as "Pistayvo Stin Agapi" (I believe in love) & its catchy chorus "O Theos einay Agapi"

The children open the Christmas Show at Minion Dept. Store, with "Joy to the World" in Greek! Also joining in were 2 grandchildren of Minion's owner (girl in plaid skirt & boy standing between Windy & Jeremy).

"Lovelight"—Charity, Christy & Dina of Job & Charran—sing of the glories of God's creation.

with possibilities that have no limits! God only knows, in the future we may be able to produce a children's TV Program which could be booked on TV stations around the world, with a KP Club for children to write in & join, & begin a whole new field to reach the New Bottles from ages 2-12, & even their older brothers & sisters & even parents & grandparents!

FOR NOW WE'RE WORKING TO MAKE THE KP VIDEOS TO INSPIRE OUR FAMILY around the world with the potential of what we have in our hand if we just take the time to train them, have faith in them & let the Lord use them to the maximum of their potential! We have been trying to give an opportunity to all the different children, to encourage them to perform what they're best at, whether it be singing, dancing, skits or even a poetry recital!

TO END, SPECIAL THANKS: To Juan who was very excited & encouraged us to keep going; to Paul & Marianne for their continual inspiration, to Michael for all the musical arrangements; to Topaz for teaching the children

the various dances; to Angelo for all the decorations & scenography; & to Tiras for his help with the little people; & especially to the children themselves who really make it, & of course to Dad whose words inspire the hearts of our kids to sing, dance & love, & whose words spark us "old people" to inspire our children to conquer the world & set it aright for Jesus! WLY!

Manuel & Michael, KP's off-stage musicians! "We are to be as nothing & out of sight...to let these little ones shine...Help us to stand back & let them shine. Let them turn & twist & tumble—so beautiful. Help us to stay out of the limelight. They're Thy stars!" (No. 75:24.)
