

# All Hail To The 'Queen of Music'!

"May all come now and fight by your side ... Brunhild, Daughter of God!"

From Michael (Ahimelech); MWM:

Dear Dad & Maria, I'M SO HAPPY TO HEAR THAT YOU LIKE THE MUSIC we are doing here & that it is going to be a great tool for the Lord. I really love my work & being close to the King in His Service. Such a wonderful feeling knowing I'm doing what God has made me to do.

I JUST HEARD THE TAPE YOU SENT commenting on Video No. 3 introducing Simon Peter. It was so inspiring to hear your voice again—always so warm, comforting & full of love (& a little bit scary!).

THE PART CONCERNING FAITHY WAS SO BEAUTIFUL & so true. She really is Brunhild in Spirit & stature!

WHEN JEREMY & I WERE IN L.A. Rachel had pretty much forsaken us, altho' all for us to go in the first place. We really didn't know what to do, & Faithy came & rescued us out of our seemingly hopeless situation.

SHE WAS SO LOVING, never condemning. Tho' she saw the mess Rachel had left us in, Faithy never once undermined Rachel's leadership in front of us. One day in the studio there Faithy visited us & while listening to a song I had written, "One More Time in My Life".

FAITHY STARTED WEeping & TOLD US TO PRAY FOR RACHEL because she was very ill with appendicitis. However when we returned to Italy Rachel scorned Faithy's counsel, saying "Well you know how Faithy is, always over-reacting," but Rachel still left us with no sound counsel but rather "stew in our juice".

HOW DIFFERENT FROM

On behalf of all at MWM, John presents Faithy with a poetic scroll "All Hail to our New Queen!"—T.M. by Dad crowned today / To lead us along / The straight narrow way ..."

FAITHY WHO HAD BEEN SO LOVING, but who also made it clear that we needed to part from this ungodly record company which we finally did when Faithy came to Italy some time later. So, many times she has helped to "keep us saved", hal

JETHRO & RACHEL WERE ALWAYS FIGHTING each other & speaking badly of each other to win (or steal) the loyalty of others, but Faithy never spoke evil of anyone because her loyalty is to you & the Lord & His Family.

"MAY THE BEST WIN!—To the strongest!—But sometimes the weakest who depend more on the Lord's strength than their own wisdom, & who are the most loyal, faithful & obedient without fail & without question unto the End." (No. 335C:35).

GOD HAS SEEN FAITHY'S MOTIVES & given her Jethro's

& Rachel's Kingdoms! I could go on & on about the differences between working under Rachel & Emmanuele & working with Faithy & Juan, but—

THE LETTER "THE DIVISION" (NO. 716) COVERS THE SUBJECT WELL: the difference between the house of David & the house of Saul, the house of the Spirit & the house of the flesh, the house of Love & the house of law. Faithy has the Family & the Spirit of the Let-

ters in her heart & is totally loyal to you & the Lord. So thank you so much for Faithy! We need her so much here, as every body needs a heart. Love in Jesus, Michael.

P.S. ABOUT MUSIC: Jethro, Deborah & Rachel always claimed to know so much about music, tho' they were led by their own desire for the hard stuff. Faithy claims she knows nothing about music but she certainly knows a lot about the Spirit, & tho' musically she can't lay a label on every term, she knows if a song has got it & moves you. And that's what it's all about.

ALL HAIL TO THE QUEEN OF MUSIC! And all Hail to our King & Queen of Love for giving her to us & trusting us with so much! We've got a lot!—"To be thankful for!" PTL! Amen! GBY! A beautiful tribute to your Queen Faithy!—Dad.)

there still live people who are very particular about sentiments, feelings etc. People have been missing something which is very essential—Love. I am so happy to know that you people have taken trouble to establish a fountain which can distribute the elixir of life in the form of music.
