

simply by faith as humble missionaries. Lord help us, having temporarily fallen back into the habit of looking to some type of leader or personality for direction rather than following what the Lord & the Letters had already shown us to do, we were left wavering between two opinions (1 Kings 18:21).

**FINALLY, BACK IN FLORIDA AWAY FROM THE OLD TIES** gave us time to read & study the Letters both old & new & to return to the basics & simplicity from whence we came. The Neb. Revelation came out confirming many feelings we'd come to have of late regarding Rachel & those around her.

**NOT LONG AFTER THIS WE RECEIVED "THE TIM REV."** which was a real shock for us. Oddly enough, a couple of days later we answered the phone only to hear Timothy's voice on the other end. Arrangements were quickly made for us to get together for a couple of days to visit one another. For some reason that we were only to understand later we felt a real burden to go.

**MORE THAN ANYTHING ELSE, THE TRIP PROVED THE WORD OF THE LORD TO BE SO TRUE!** The change in Timothy was shocking & it really put the fear of the Lord in us to see him without the Spirit, a totally changed man. In many ways it was the destruction of the last idol of our past, & we could at last begin anew.

**THO' LIFE IN MANY WAYS WAS VERY HARD,** living alone & working full-time, the continual flow of the Letters renewed & strengthened our faith daily, as well as renewing our vision totally. Tho' it didn't seem like we were accomplishing much, we had a real peace in our hearts that we were in the Lord's will & continuing to learn some valuable lessons that probably could never have been learned any other way.

**AFTER SEVERAL MONTHS**

**WE WERE CONTACTED BY ANOTHER FAMILY COUPLE,** Rocky & Naz & their 4 children, who also were living & working in the same city. Before long we moved into a rented house together with the vision of helping & strengthening each other in getting off to a new field & full-time service for Him.

**UNFORTUNATELY, AFTER WORKING IN A SYSTEM JOB FOR ALMOST ONE YEAR** we still didn't have much money saved, & it was only by a miraculous & generous donation from a very dear friend & supporter of the Family that we were able to make our long-awaited "Exodus" PTLI. The Lord also miraculously supplied Rocky & Naz with the necessary funds to make their move South at almost the same exact time, PTLI!

**LOOKING BACK OVER THE LAST 2 1/2 YEARS** we ask ourselves, "Did God make a mistake?" NO! Tho' it's obvious that we made plenty, God certainly used all of it to accomplish His purpose in our lives. The Mo Letters were & still are a constant source of guidance, strength & inspiration. We would never have made it without them! PTL & thank God for His unending mercy! Love, Silas & Endureth (GBY-D)

*Stuffed to overflowing with new inspiration!*

From John Rain; helping to pioneer Spanish MWM—his reaction to visiting MWM-Greece:

Dearest Dad & Maria, I AM JUST THRILLED TO BE HERE IN "LOVEVILLE" & again, thank you so much for allowing me to come here & partake of this beautiful sample of love, unity & cooperation. I can truly feel your loving presence & can only think that this must be a lot like your home, where love for the Lord & our brothers & sisters is the main motivating

factor which powers the work that is done.

**FROM THE FIRST MOMENT I ARRIVED I FELT SUCH LOVE & CONCERN FROM ALL** the Family here who were constantly asking me if I was getting enough rest, enough to eat, if I was warm enough & if there was anything that I needed!

**THERE IS SO MUCH GOING ON HERE** as the Lord is exploding thru' the radio show & now the beautiful exciting videos, that I am just really getting stuffed to overflowing with this new inspiration, TYJ! But even tho' there is a lot happening & a lot of work to do,

**I CAN SEE & FEEL THAT THE WORD, PRAYER & INSPIRATION TIME ARE NOT NEGLECTED** in the daily schedule, along with an hour a day of brisk exercise walking which we call our "Getting Out" time.

**THE FAMILY HERE SEEMS TO BE MORE CONCERNED ABOUT OTHERS & REACHING OUT** to show their love & concern than anywhere I've ever seen in the Family, & you know it's because this is the way you live, as this Camp is just a reflection of you. I wish everyone could come here to see it, as words are sometimes not sufficient for how I feel.—But if not, I believe the music imparts the Spirit of the Lord found here. Thanks to you & your Letters of guidance & faithful supervision!

**SOMETHING ELSE I FEEL IS SIGNIFICANT IS THE WILLING SPIRIT OF THE BRETHREN** here in their work & the feeling of everyone "pulling together" for the common good to see the good news published abroad via the radio shows & the videos. From the musicians to the provisioners, to the cooks, childcare helpers, mothers & on down the line, everyone is cheerful & inspired about the part they play & do their responsibilities as unto the Lord & not unto man, & out of genuine love for the Lord. TYJ!

**I HOPE & PRAY I CAN BRING THIS SPIRIT BACK TO THE FIELD** so that others can feel & see more of the Spirit of David. It is truly amazing to see the fruit coming out of this Camp, such as Paul Michael's 36 new songs for the Lord in only six months, & all the songs the other musicians are receiving!

**THESE NEW INSPIRATIONS FROM THE LORD ARE HAPPENING SO FAST** that you almost can't keep up with them all. It seems that everyone's gifts are being used to the fullest! God bless you, Dad & Maria, & Faithy & Juan, for having the compassion & vision to go after these talented musicians & bring them back into the "fold of David" for such a time as this, for this is truly a tremendous moving of the Spirit & an explosion which will be heard 'round the world in the hearts of people everywhere! Hallelujah! Praise the Lord!

**IT IS ALSO VERY INSPIRING TO SEE HOW CLOSELY YOU & MARIA ARE INVOLVED** in this project & the concern you show to each one of your sheep here at MWM by way of the inspiring tapes you send us with your comments & wise suggestions. We feel so close to you all here, & it is such a source of strength that we can all draw from knowing that you are in direct charge of things here, PTLI!—No wonder everything is so exciting here!

**THANK YOU FOR THE BEAUTIFUL CLOTHES** you got for the children & the adults here as they are such a blessing to all. "The shepherd layeth down his life for the flock!" We love you so much! And thank you again for everything, especially your words of love, inspiration & guidance thru' the Letters—& also for the opportunity of being able to come here & see MWM personally. I love you! Love, John Rain.

(Amen! GBY!-D.)

*Musicians' responses to Dad's tapes!*

From Jeremy: Dear Dad,

**THANK YOU FOR THE LAST TAPES OF COMMENTS ON THE MWM SHOWS.** Much needed guidance & I appreciated the direction on children's songs. Some things we seem to overlook, so that's why we need you. We want to hear the truth, & it's greatly appreciated.

**I USED TO BE SO AFRAID OF MAKING MISTAKES** I hardly did anything. Jethro used to tell us that a leader cannot afford to make mistakes. That isn't true is it? You wrote in one Letter that the only person who's never made mistakes is the person who's never tried. (—And that was a mistake!—Dad.) So thank you again for your correction. We need it so we can do better with Jesus' help. Love & prayers,—Jeremy. (GBY, son, you've really grown!)

From Michael: Dear Dad & Maria,

**GBY BOTH & THANK YOU SO MUCH FOR THE NEW TAPE,** your reaction to MWM Show 27, "Meaning With Music" or "Clothe Her Lightly". The revelation you received about a song being like a girl & the music the clothing really helps me to see clearly how a song should be.

**I TOTALLY AGREE WITH YOU ABOUT TODAY'S "MUSIC"** & how far off balance it has gone. The words are so hard to hear & the music so loud. Of course these groups having nothing to say would put the emphasis on the music, but we have more to say than anyone in the world must go to the other extreme if necessary to make sure the words are heard & felt.

**THE LESSONS ON PRIDE WERE SO BEAUTIFUL,** & Jeremy & I had a good laugh at our-

selves. You let us down so easily. Dad, & correct us so lovingly when we make mistakes, bearing our burdens for us, seeing the problem, understanding it & then presenting us with it. You make it so easy for us to be good. I pray we do better in the future in our musical projects here with the different songs & learn how to better "clothe her lightly". Love, Ahimelech (Michael), (Amen)

*MWM—a special place to be!*

From Jean

Dear Dad & Maria! **GBY! ILY BOTH SO SO MUCH!** My name is Jean Toulouse, I'm French, 25 years old. I came to MWM from France with Jeremiah & Priscilla. Please forgive my English as I'm not perfectly fluent.

**I'VE NEVER FELT SO CLOSE TO YOU BOTH** as at this moment in such a wonderful place with so many sweet people around. We can see you & the Lord's loving hands behind everything here & being the source of every accomplishment.

**I DON'T THINK JEREMIAH & PRISCILLA'S CHILDREN** have ever been in such an inspiring place. They really get the sample they needed here, PTLI! They appreciate it so much, their little lives are being affected for the best from this experience. For me it is a big change & revival as I have been so long far from the real fellowship of the Family. **MWM IS A REALLY SPECIAL PLACE TO BE** as I can feel how much your presence & the love of Jesus affect the life of each one who works here & makes this operation so fruitful. I feel I'm being in a very blessed place with very blessed people. Whenever we'll be back on our field I hope we can share what we've seen with others. I love you both dearly. Much love & prayers,—Jean. (GBY all!—Love, D.)

## All Hail To Our Queen of Music!

—A tribute to FAITHY, from the MWM Minstrels!

**ALL HAIL TO OUR NEW QUEEN!**

By Dad crowned today  
To lead us along the straight narrow way  
All hail to our new queen  
A prophesied of God by video seen  
Whose job with us truly has been  
One of the highest and hardest amongst men  
To reform us musicians and prodigal sons  
To her we surrender as Lord Byron of old  
"To perform that which is ordained"  
—To produce the gold!

**ALL HAIL TO OUR NEW QUEEN**

Who with love's medicine  
Has truly made our hearts to mend  
For when the wicked bore rule  
We surely did mourn  
Scattered & lost, by the wolves we were torn  
But now a queen by judgment establishes the land.  
by the shepherdess' hand  
For she hath considered the cause of the poor  
And hath not turned away from her door.

**MAY HER THRONE BE ESTABLISHED**

For ever and ever  
And of her love, may it never fail, never!  
How we rejoiced when we heard of her crown  
And from it our musicians may sing a new song!  
For when righteousness rules the people rejoice  
Without a doubt, she is God's own choice!  
In our camp there has been such a happy refrain  
Within her sweet and loving domain!  
Proverbs 27:23 and 24  
Did Rachel reverse to gain riches more.  
But Faithy cares for her flock more than  
riches and crown  
Valuing souls, that the lost may be found.  
Daily she gives her life for us all  
In utmost obedience to His very call!  
She sings loud & strong, with a voice of thunder  
And 'neath her feet will our foes be under

**QUEEN OF THE VALKYRIES, BRUNHELD,**

Daughter of God!  
May all come now and fight by your side,  
And in this battle we will turn the tide.  
The gates of Hell we'll invade with His music  
No matter what, this war we cannot lose it!  
If God be with us, how can we fail?  
All attacks of the Enemy will be of no avail!  
Dad, we wholeheartedly accept this new coronation  
Let us ring & sing it throughout our New Nation  
That now upon the throne of the Queen  
Reigns our Dear Faithy, on whom we can lean!

Queen Faithy, now off to the furthest reaches of her realm, to help pioneer MWM-Spanish!

To My Sweethearts! (TRACY) LBY! PTL! GBY!—Happy April!!

Dear Dad, GBY and keep you, Ty very much and are so thankful for you and Maria. Mags & Silas & Naz were both beautiful and also very heavy. The letters on Jesus' Mother & Father were both very heart searching for all of us in these traps of the enemy and other words are in our hearts. The "Unsung Hero" moment was a very heavy lesson right at the end. GBY for giving it to us to keep us all on the straight & narrow. Tly.

I also read the "Jeane Manson Revelations" and it was a very heavy & beautiful letter. I also wanted to write about what you said about Jean.

In sorry if I took her away from you Dad. I always knew she was something special and when she asked me to marry her deep down I knew she was blowing it. I knew she needed a helper and I knew if I married her it'd be like that Harry Belafonte song "Brown Skin Boy Stay Home & mind baby" But I knew I could never keep up with her spiritually. I know I was a "Sinner" & like in "The Baner" could only give her a "flirt from below" & she did really need you Dad. I prayed really desperately for her lots of times when I'd see her home over to die, like when she was around Rachel in Monaco. And sometimes people wouldn't understand her & just ignore her spirit. Right before we left Monaco I really prayed the Lord would inspire her again like when she was around Faithy in the past. I'm so glad we got the letter from Peter asking us to come here! We flipped out. I am so happy for her and am so happy to hear all the personal words of love for her from you. Even when it was the red, she changed so much and I feel just so happy to see her beginning brightly again. As I feel like she's home at last. Tly! So close to you. Like in "Goes Expressions" "Blackness means I'm proud" —yikes!

If you ever want her closer Dad please feel free to take her. She's not mine for sure, and would forsake her to you immediately. I hope it's not too late for her, as there is nothing it went more for her than that. You and Dad close as possible. You know her love & I know it's true & she continues to move ahead whatever the cost. —Tly!

I could never thank you enough for all you've done for me, thanks for all your encouraging comments too. Tly! Hope to be more of a blessing. Much, Much Love always to you & Maria. I'm sure it's just what she needed. —Tly!
