Ho's Reaction To Mag 34!

From Ho:
 Dearest Dad, Maria & Peter,
GREETINGS IN JESUS' NAME. Thank you so much for your faithfulness in passing on to us the Words of life. In Mag 34 the recording of the accomplishments of the many members of your staff & the tremendous amount of work they have done & accomplished in getting out the Words really convicted me as to how little I have produced & how much I failed in the past to obey & help in getting out the Wonder Working Words.

I'M SO THANKFUL NOW FOR THIS OPPORTUNITY TO BE WORKING ON THEM AGAIN! & also to be writing the stories of our history which you have requested. It was very inspiring for me to read the personal testimonies & comments from you & each of your staff from your New Year's reports that made us feel so much closer in touch with you.

THE LETTER "NEW YEAR'S EVE PRAISE" REALLY CONVICTED ME about how little I have accomplished in this past

year of 1980 towards doing what you had asked me to do at the beginning of 1980 of helping to write the history project. I pray that you & the Lord will forgive me for my disobediences & delays which I have caused.

THE MANY POINTS & LESSONS BROUGHT OUT IN "PROBLEM CASES" really spoke to my heart as I can see that I have been guilty of some of the things that are mentioned & have had some of the same weaknesses & faults that Jus had, but the end result of the downfall of Jus because he did not heed the warnings & counsel you told him so many many times really showed me that that is not the way I want to go down & end up.

HIS IS A VERY SAD STORY WITH A VERY SAD END, but Sally's letters at the end about her choosing to stick with you & work on the Words were a real sample & inspiration. God bless her for her sacrifice & faithfulness to make it possible for us to read your Words that we need so desperately.

IT SHOWED ME HOW MUCH MORE I NEED TO VALUE MY OPPORTUNITY to work on getting out the Words & the lessons which can be a help to others. Personally, it has been a real battle for me to dictate or write out the lessons & memories of our past experiences as a little family which you have requested to hopefully be a blessing to our many young families now.

I MUST HAVE MY HEART FILLED TO BE ABLE TO POUR OUT TO OTHERS, & it takes the Lord to give me the notes on what to say & then to ask Him to anoint me to dictate the story concisely so it can be typed up in a usable form. This I need to learn to do daily as a regular habit instead of letting circumstances & emergencies divert me from the most important assignment which you have given me which will have lasting results.

THE TESTIMONIES & EXAMPLE OF YOU & EACH OF YOUR TEAM IN MAG 34 HAVE BEEN A REAL CHALLENGE TO ME to press in & step out by faith & obey you in working on producing something to help others thru' paper power daily. I

pray that I will be in tune with you & the Lord so that I can pour out your words & lessons from past experiences which can be a help & blessing to others.

YOU HAVE BEEN SO FAITHFUL TO POUR SO MUCH INTO US children over the years, & I pray that I can pass these lessons on in a usable form. My progress & production have been admittedly slow, but I pray that by continued faithfulness & obedience it will flow & grow.

RUTHIE'S COMMENTS IN HER LETTER VOLUNTEERING TO HELP OUT with any other Word projects which you may need help on, even to the point of her coming to work with one of your teams there to help in typing or editing the Words, is something that I wholeheartedly agree with.

SHE HAS A MUCH GREATER CAPACITY & POTENTIAL for typing, transcribing & editing than my limited dictation can

make full use of, & if you need her to work on something here or come there to help get out your words to the world, we certainly want to do what would be best for all the world. So I certainly agree with her volunteering to help you on whatever, wherever you may need her talents.

HER HEART, ALLEGIANCE & BURDEN IS WITH YOU & WORKING ON YOUR WORDS, & she has only stuck with me out of love for you & obedience to you in your telling her to love me as she does you & to help me as she would you. And when you need her to help you or one of your teams more, she will be very ready & willing to go anywhere to do anything. I cannot lose by giving back to you what you have given me, & I only want to serve & obey in whatever way I can be the most useful.

MY PRAYER IS THAT I MIGHT BE A USEFUL VESSEL

in your House & not be cast up on the scrap heap. Thank you so much for the opportunity that you have given me to be useful by working on the projects which you have suggested. I am eagerly looking forward to hearing your reaction & comments on the first history chapters which I have sent in to know if they are bringing out the points that are useful. (Very good! D.)

RUTHIE HAS BEEN A GREAT HELP IN TYPING & EDITING these & we'd be very happy to have her to help you on any of yours. She is a very much needed check-&balance for me on my work on these projects, daily plans, use & recording of finances etc., & especially in the Spirit as she's always encouraging me to obey & put you & the Lord's projects first. If you can send her work to do here or feel she could be more useful there, we will, DV. Love, Ho. (Schick! GBY! D.)

Silver and Gold have I none,
 But such as I have give I thee!
 All my love, all my life, all my time,
 All my heart, all my fealty.

And all that I give to you
 Is all what He gave to me!
 When I was lost and without Love
 He gave me you and His Family!

I haven't a gift bought with
 silver nor gold
 To lay 'neath your Christmas tree;
 All I can give are the Words
 of David and Faith
 Which are Gold and Silver to me!

And I pray that your needs
 all will be met
 As He supplies most bountifully!
 And I pray that our hearts
 be forever knit
 In Jesus' Love eternally!

TO DAVID
 With all my love!
 From Ruthie -- your
 "little Gypsy Rose"!
 I love you, David!

MONTHLY RECAP OF M&M MAIL MINISTRY!

Compiled by Karen Heppach:
"PRODIGAL PRODIGIES" & **"PROBLEM CASES"** brought many responses. Here's one that seems to sum up what many feel:
 "Both were very sobering Letters & made us check our own hearts & see where we ourselves were doing wrong. Also made us so desperately determined to want to stay close to you & follow & obey 'for there's no other way to be happy in Jesus, but to trust & obey'. What you say about Faithy in 'PP' is so true!—She is making it because she believes in the Words of the Prophet & does what she's told to do! GBH! She's always been such an inspiring example! With much love from one of your Scandinavian children—Priscilla."

"FREEDOM FROM FEAR" brought this beautiful letter & testimony from Peter in S.E. Asia: "This Letter really helped me recently as I've been ministering to a girl with a similar problem with a spirit of fear. This is a girl I met almost a year ago just after she'd been released from a mental hospital. When I approached her while out listening she froze in her tracks & be-

gan quivering. When I asked her what was wrong she told me how she was afraid of everybody. I tried to show her lots of love & after a few minutes she received the Lord. As she left I got her address & have since been ministering to her by mail. Of course I prayed a lot for her on my own but it wasn't until the Letter from you that I really felt able to take authority in the Spirit.

"I ASKED MY HOME IF WE COULD ALL PRAY FOR HER at our Sunday Fellowship after communion. We all agreed, so I wrote the girl in advance & told her when we would be praying for her. We claimed Mt. 18:19-20 & Jn. 14:14 & told her to claim them too. Since both verses mention the Name of Jesus, I emphasized that, just like in your Letter—such an important point!

"WELL, THIS WEEK WE RECEIVED A LETTER FROM HER—what a fantastic change from her past letters! She thanked us

for our prayers, saying that 'life continues to be fulfilled & grows nicer & happier' as opposed to the drudgery before! And all this, she said, because we prayed for her & now she is 'praying, as you instructed me to, to Jesus!'

"NOW WHAT SEEMED TO BE A HOPELESS CASE IS A REAL LOVER OF THE LORD!" Thanks so much, Dad, for the answer. We're so dim-witted sometimes, I don't know how the Lord ever manages with us. TG for the Letters, they've got all the answers! Love always, Peter."

PRAYER REQUEST: Jonathan in California writes during what they thought would be a brief Homegoing at Christmas time when it was discovered that his wife Sharon had a large cancerous tumor on her liver. He is praying the Lord will spare her, but more than that, prays for His perfect will. He says, "I am constantly bombarded with the thoughts that somehow we've

gotten off the track somewhere, but we can't quite seem to find it. If we have, please let us know if you think that we have."

(The series of Letters including "Blessed Are the Dead" in Mag 36 should be a great comfort to you, Jonathan. We seem to have had so many Graduations & serious illnesses lately in the Family. I think the Lord is trying to teach us more about death & how merciful it is, because we still have such a system attitude toward it in a way, speaking for myself that is, because the first thing to think is, 'Oh poor kids!' or 'How sad!' etc. But death is much more glorious. The system has lied to us for so long & Dad's given us such truth that it seems the Lord is letting us have more experience with it so we can be prepared for the future & not dread or fear it, but really realize what a blessing it is—to be at Home with Jesus at last! —K-M.) In this first letter, Jonathan also said she had surgery but that doctors had said the cancer had spread throughout her lymph system. But Dad & Maria just received the joyous news that after desperate prayer it was discovered that none of the other tumors were malignant & the operation was a complete success & in a few weeks Sharon should be back to normal & hope to return to their mission field of South America, PTL!

SOME NOTES OF USEFUL COUNSEL from dear Dad & Maria: To a brother who had written to them about how his first wife had run off with another brother (He's accusing that dear girl, his

first mate, of committing a crime by running off with another man. Maybe he's committed a crime by marrying a second wife. The Bible says you should not take on a second wife unless you can continue to give the first one as much time & attention & affection & love...the duty of marriage, which means sex...as before. That was the Mosaic Law, the minimum.)

TO A BROTHER IN CANADA WHO COULDN'T GET MWM BOOKED on the radio so wanted to get a loudspeaker to broadcast it in the streets himself: (Fine, but you'll need a permit, & those aren't too easy to get.)

IN ANSWER TO A COUPLE IN THE PHILIPPINES who write to speak out about bad samples of FF'ers there, one of whom was dressed like a hippie & not very clean who secretly saw another girl's Fish & got a donation from him telling how her mate got robbed in the park while spending the night sleeping under a bush. Also the hippie-girl image of hitching around in old jeans 'which is not the sample we can afford to display in this field'. Also from a brother in South America who writes saying

Sharon: The Lord spared her from cancer. Please continue to pray for her complete recovery!
