

# Angel Called Back To Heaven!

Graduation of one of the Lord's little ones! "He was always special & different!"

From Tiago & Tabita, VSs of Brazil:

**WE WANT TO SHARE THAT OUR 5TH CHILD, MICHEL-ANGELO, WENT TO BE WITH THE LORD** on Jan. 22, 1981, when he fell into the swimming pool here at the campground where we're staying & was drowned. This has been the most crucial experience in our lives, as we loved him so very much!

**WE NEVER REALLY KNEW FOR SURE WHO HIS FATHER WAS** as he didn't look like anyone who could have been. He was the most loving & captivating child we had & sometimes we felt bad because we loved him so much & were afraid the other children would feel unloved.

**HE WAS ALWAYS VERY SPECIAL & DIFFERENT** from the other children. He seemed to know everything, was so smart & different that people here at the campground admired him & found him special. He was so loving & gave us so much love & even helped us to have more love for each other. A real gift of love!

**EVEN THE WAY IT HAPPENED WAS VERY UNUSUAL** as he never before went near the big pool alone. It was a cold morning & there was only one of the boys who works in the campground cleaning the pool. Someone called him away & it was in that few minutes that it all happened, & by the time someone saw it, it was too late.

**IT'S VERY HARD & PAINFUL FOR US WHO LOVED HIM SO DEARLY**, & only the Lord & the Word can help us keep on going for His sake, His work & His children. We feel like a big part of our hearts is gone with him & it will take a while for us to get used to the idea of not having him with us & to really give him to the Lord

in our hearts. Like King David said, "I'll not give unto the Lord that which cost me nothing!"

**IT REALLY DOES COST US A LOT**, but we know he's happy now, more than ever before, & taken care of much better than we could have done. We really believe that he was an angel sent to help us & love us. The "Daily Light" for the day he was born (July 15, 1979) seems to predict his life & death: "Bless the Lord, ye His Angels, that excell in strength, that do His commandments, hearkening unto the voice of His Word...I came down from heaven, not to do mine own will but the will of Him that sent me. I delight to do Thy will, O my God...O my Father, if this cup may not pass away from me, except I drink it, Thy will be done!"

**RIGHT NOW OUR HEARTS COULDN'T BE MORE BROKEN**, but who are we to question the ways of the Lord? We got the verse, "Suffer the little children to come unto me & forbid them not: for of such is the Kingdom of God". It was like Jesus asking for him & we just need to be cheerful givers.

**THE DAY BEFORE HIS DEATH**, or better, his Graduation, we had started our singing ministry with the children for handicapped children, in orphanages etc. Tabita & the children had stayed in town while I, Tiago, went out to the campground to

get some clothes for them & in that morning it all happened. We still had a few other places to sing but had to stop for a while. But who knows?—Maybe Michelangelo will even help the rest of our children to sing stronger in the Spirit! Tho' he was only one-&-a-half he loved to sing & pray with us & wouldn't even eat until we had prayed for the food with him.

**TABITA IS NOW PREGNANT WITH OUR 6TH CHILD**. The Lord is so faithful! Before He took Michelangelo, He'd already given us another baby. So Lord willing, we'll soon have 6!—Five on earth & 1 in Heaven! The Letters on pre-existence & reincarnation (Nos. 794 & 795) are such a help in this moment of sorrow & sadness & help us to understand better the Spirit World & how much better off little Michelangelo is now. He's not dead, but alive, even more than us!

**THE WHOLE EXPERIENCE HAS ALSO BEEN SUCH A TESTIMONY**, bringing the campground landlord, his girlfriend & brother much closer to us as they were such a help & so sweet, even paying for the funeral & staying by our side till the end. They've turned into real friends, whereas before we had always wanted to minister to them but hadn't had a chance. Others here at the campground were also touched & brought closer to us, confessing to us how much they need love & friendship & that they see it in us. Praise God! Even his death can save lives!

**WE WANT TO THANK YOU, DAD & MARIA**, for sharing so much of His truth with us & giving your lives daily to help us. We would not know what to do if it wasn't for His Word & His Love for us! Much love, Tiago & Tabita & family.

## What The Family Says!

-About The Letters & Mags!

Compiled by Maria From the Monthly Reports!

**"PROBLEM CASES"**: "That & 'New Year's Eve Praise' was a real eye opener of what goes on behind the scenes & made us want to pray more for WS in their labours of love & sacrifice to bring us the Mo Letters. GBT all mightily for their concern to reach the world with the message. WLY!"

—Daniel & Abigail; Canada.

**"PROBLEM CASES"**: "I was shocked to see how far the Devil can get you out of it & not realise it. I have quit drinking altogether. I don't listen to the radio anymore; I don't read the news so much anymore. I memorize more Word now!"

—Avar; Caribbean.

**"PROBLEM CASES"**: "Very convicting because of seeing so much of Justus in ourselves. It really put the fear of God into us. The testimonies 'Love Conquers All' by Rufus & 'Don't Give Up, Keep Loving' really spoke to our hearts & encouraged us so much because the Lord is bringing us thru' many of the same lessons."

—John & Summer; U.S.A.

**"ILLUMINATI"**: "At first I balked when I heard John Todd's assessment of Carole King's Tapestry album. But then God brought back to me a very clear fact, that in '76 when I was in

Everyone stops everything & gathers 'round when a new Mag arrives! (A London home)

Brazil (my name was Forest then) I was trying to decide if I should go back to Colombia & leave the Family, as I had just found out I was pregnant & I wanted to try to bring the father back into the Family. I remember when I read the Word it was strong against it, but I also had the Tapestry album & when I was listening to that tape I felt very strongly that it was alright to rebel & to 'march into hell for a heavenly cause' (I felt). When I made my final decision it was from words of the Tapestry album in my head & heart. Five years later I see very clearly that it did not work & I still have unhappiness because of it. Thank God for David—never compromising! I love you, Dad!—And Faithy whose love I remember from way back when she spoke to me. The look in her eyes kept me longing for the Love of David during the hard times that came after I did leave."—Nekoda; Canada.

**MEMORY VERSES**: "I want to say what a blessing the memory verses have been to me these past few months. I have covered the sheets with plastic & memorize 3-5 verses a day. I've found it helpful to read the corresponding chapters. This not only makes the memorising easier but also

makes a wonderful Bible reading project!"—Joseph & Ruthie; Br. Isles.

**"GROWING UP IN THE LORD"**: "This article from Shuly touched my heart a lot because that's what the Lord shows me most of the time: little things. They seem to be sooo important to the Lord. And all the Lord really wants is our love. So Lord help us to love You with all our hearts. It's amazing how simple the Lord is & how complicated we are!"—Ashor & Marie; Europe.

**"DAILY MIGHT"**: "It's beautiful! Makes it so easy to begin each day with the Words of our Shepherd! We also love the testimonies, WN, news briefs from other brethren etc., to say nothing of those super spirit shockers, the red-hot latest messages straight from God via our prophet David!! Keep'm coming!"

**"I FOUND MY CALLING"**: "I really liked Faithy's testimony because it shows the love of God for prodigal sons, even tho' we ourselves might be tempted not to forgive them in the Family."—Julie; Europe.

**KIDZ**: "Altho' I'm 37 years old, I enjoy & benefit thru' reading & looking at the Flannelgraphs & Kidz Mags. I find Zebulun's art style very appealing &

I especially appreciate the happy feelings expressed thru' the faces of his cartoon 'people'. I taught about nature & conservation to school children before I got saved & I like the 'Survival Sam' series in its content & presentation, especially in that it gives God the glory (& Jesus) in survival (1 Cor. 10:31)."—Salvation Light; Caribbean.

**"ILLUMINATI"**: "My brother knew a boy who committed suicide (threw himself in front of a train) who used to listen to 'Crosby, Stills, Nash & Young' & a group called 'America'. The brother of this boy is in a lunatic asylum. Their father died, not too old, an owner of a hard-rock disco. Watch out!"—Jesse; Europe.

**SHULY ARTICLES**: "The testimony of the girl from Central America (Shuly, age 16) with the lupus disease so touches me I cry every time I read them. God bless her, she seems so precious."—Zion & Shiloh; Australia.

**SHULY ARTICLES**: "I was really encouraged by her testimony & how she is so strong & a real fighter. GB her! It encouraged me, as I am presently afflicted & know the Lord is healing me. I am learning lots of lessons & when the burden gets too great, I simply cast it all on Him!"—Crystal Light; Australia.

**"ILLUMINATI"**: "About the album 'Tapestry' by Carole King: A few years ago when I was in Brazil at a friend's house I was listening to this very album. I thought I'd go into a quiet room & listen to some nice soft music. While lying there listening to the song 'It's Too Late' I began to feel really depressed & suddenly felt attacked by a really evil spirit or two! And the more I listened to her songs the more oppressed & depressed I felt. It seemed hard to believe as the album seemed so innocent, but it freaked me out so bad I had to turn the thing off. After I did, the oppression stopped. So it's true about

'Tapestry', her music is definitely demonic or demon-inspired."—Israel Cana; U.S.A.

**"NEW YEAR'S EVE PRAISE"**: "This Letter helped me count my blessings, when I saw all that the Lord gives me. I really liked to read the testimonies of people who live in the King's house, & was really touched by their simplicity. I never realized either what hard work it takes to do a Magazine. Now I pray for all those little people who work so hard behind the scenes. I'm more thankful for all the little changes in the Mag."—Etoile; Europe.

**"PROBLEM CASES"**: "This Letter, especially the parts disclosing his drinking problem, was so convicting & has affected me deeply. This unfortunate case history reveals all too clearly the results of turning to alcohol rather than the Lord. I'm sure Justus must have had valuable talents or he would not have occupied such a high seat in the Lord's Kingdom. But it seems he allowed himself to be destroyed by yielding to the rebelliousness of his own heart & the lust of the flesh. The Family rule of 'two glasses' is becoming more clearly a 'law of love' to be obeyed rather than a 'cute quip' to be laughed off!"

—Peter & Sarah Piper; Europe.

**"PROBLEM CASES"**: "Shook me up & helped me to stop drinking so much, & no more drinking beer!"—Apollos Pioneer.

**"SHOVE OFF"**: "An article in Stern Magazine appeared with a map showing how Germany is totally stuffed full of atomic weapons. This article created quite a scandal & stir in the news. They are always talking about weapons now, which used to be taboo a while ago."

**"PROBLEM CASES"**: "Made me check over many areas in my own life & re-emphasised the importance of constantly subjecting ourselves to the influence of

the Word to keep us from getting off the track. Also encouraged me when Sally revealed certain of her problems & weaknesses, but how mightily the Lord is able to use her anyway. Made me feel that there was still hope for me."

—Song of Solomon; Europe.

**"LATEST NEWS FLASHES"**: "Very informative & inspiring! Dad, your insight & wisdom always amazes me! Truly streams that never run dry!"

—Jay & Joyce; Europe.

**"PROBLEM CASES"**: "This Letter is really heavy for me. I see so much truth that just convicts me so & really helps me to see so clearly some of my weaknesses too & makes me want to fight & really change in those little areas of my life. It's sad to see these people leave, GHU. But thanks for sharing these lessons with us so we can fear & learn too."—Jonah; Iberia.

(Similar comments appeared in many of the TRF Reports this month!—Sp-Po. LIM.)

**"ILLUMINATI"**: "Dalia, an airline stewardess was FF'ed, received Jesus & the H.S., quit her job, forsook all & is now serving Jesus with me & is pregnant! After she read John Todd's 'Illuminati & Witchcraft' she said, 'I think I ought to destroy my record collection instead of selling them with the rest of my things.' What a nice sight to see her, who just one month ago was a Jewish airline hostess, smashing hundreds of dollars worth of records with a hammer so nobody else would get polluted!"

—Simon; U.S.A.

**"DAILY MIGHT"**: "It's helped us so much! It sets us on the right path to start the day. It's the spark we need to light our fire to burn the rest of the day. If you don't prime the pump, no matter how hard you pump you'll never get any water. The Daily Might helps us prime the pump & we get living waters."

—Issachar & Rebecca; U.S.A.

**"SUNDAY FELLOWSHIP"**: "I'd like to thank Dad for starting the Sunday Fellowship. It really works & has given Puerto Rico unity it has never had before."—Silas & Gypsy; Puerto Rico.

**"SUNDAY FELLOWSHIP"**: "Definitely the greatest victory of the month! We invited all the people in this area to our Home. We've met 3 Sundays in a row & it has been fantastic! Hope to start including visitors now. Lots of songs (most from the basic Songbook), communion & Bible study. We begin with a 'Sunday school' for the children, then give them lunch while the adults fellowship & have tea or juice. Then we start off with united prayer & take time to go around individually & pray for each one. Then communion & Bible study. With so many living separately this has broken down all the walls to begin this way & brings down God's Spirit full-force. Powerful! It reminded us of the good old days with that strong unity, fellowship & love, only better now because we can really love each other in word & deed & share all things, hallelujah! Such wonderful freedom & love!"

—Malachi & Christina; U.S.A.

**"CARTER'S 3-DAY ULTIMATUM FULFILLED"**: "Carter said the Iranians had to accept the U.S. proposals by Jan. 16th at the latest. From midnight Jan. 16-17 to midnight Jan. 19-20 is exactly 3 days! His ultimatum turned out to be Reagan! They had to accept or get Reagan to tangle with, & it worked!"—Shosh & Sherah; U.S.A.

**"ILLUMINATI"**: "I got my mind blown when another brother & I looked up 'Illuminati' in different encyclopedias & related subjects. It was startling to see how involved the Masonic Lodges were in the French & Italian revolutions, in republicanism & liberalism etc., as well as their ties with occult doctrines such as ghostism, hermetics

(from Egypt), Kabalists etc. & their link with Jews & Rothschilds & nobility of Europe."—Ben & Blessing; Canada.

**"ILLUMINATI"**: "Makes you want to fight for the truth! Also, since receiving it we have seen witches interviewed on a TV talk show & two regular weekly programs whose plots were based on witchcraft with lots of symbols & language that Todd mentioned."

—Jonah & Rainbow; U.S.A.

**GRANDPA STORIES**: "The more Mo talks about himself & his history the more I understand both the Letters & the Word & how he lives them himself."—Rekem & Sherah; U.S.A.

**"PERSECUTION" SERIES**: "The police stopped by & took all passports & vehicle info & said we'll have to move on after the baby comes. They came by the moment we started reading the 3 Letters on security & persecution. Well, the Lord's been showing us for a while that our time is almost finished for this area, so we'll just wait for the birth & warmer weather before we hit the road!"

—Philip Q. & Issy; Europe.

**"PROBLEM CASES"**: "Struck home as I had seen similar situations & had been guilty myself of murmuring & criticising others, as well as over-drinking which I know often made me
