

songs that relate to children, not songs that were originally written for big people with a heavy message. Our children should be happy, simple, natural & singing what people expect a child to sing—happy simple melodies! Be sure you play & sing in the right key.—You will be surprised how they improve singing in the right tune.

**DANCING:** It takes simplicity & inspiration mixed with lots of conviction to teach your children to dance & sing! Use mostly simple steps that accompany & illustrate the words they are singing, especially for very young children. Dad suggested the use of a mirror while practising to help the little ones to pay attention & concentrate more on their dancing. For older children you can go a little bit more professional & create simple choreography.

**(HERE AT MWM WE'RE WORKING ON A VIDEO KP DANCING CLASS** with beautiful Topaz sharing some tips & lessons on dancing. D.V., the video will be available for all the Family. On the video we have used the special children's tape that has 10 of the best performing & witnessing songs for children, plus the KP theme song recorded here at MWM by the King's Minstrels, following Dad's suggestions! On the other side of this children's tape is the music track only, so you can translate the songs into your own language, play the tape & sing along. Ideal, too, for parents who can't play or sing to make it possible for them to perform with their children, thanks to Dad's wise suggestions, PTL!)

**5. LOOK FOR AN M.C.** It can be the oldest child or a pretty young sister who will run the program, introduce the singers, interview them etc. Then sit down with him or her & prepare the scripts for your program. Remember that it's a children's program, of, by & for kids—so use

simple language that any child can use & understand. **THE SCRIPTS SHOULD INCLUDE MO QUOTES** related

to the songs you're singing or the theme of your program. When you interview the child artists, be sure to include names, ages,

nationalities, whose children they are, any comments & testimonies etc. Make it a natural conversation & give it genuine meaning.

**ALL THE CHILDREN SHOULD BE INTRODUCED** & thanked before & after the songs. For opening & closing the program you can use the theme song sung by all the children. (The theme song will be included on the children's tape, D.V.) **6. IF YOU'RE PUTTING THE SHOW ON VIDEO** it's best to first put all the songs you are using on tape, then when performing you play it back & the children can sing over it. This way the sound quality on the filming will be much better than if doing it all the same time, & this way the children can concentrate more on performing. It doesn't matter whether you have any special equipment or not. It can be done with a normal tape recorder.

**7. COSTUMES:** Look for someone who can be in charge of making or provisioning good performing dresses & clothes, take care of them & keep them clean & neat. You only need simple clothes to give sufficient variety without expense. You can make some changeable accessories to put over or around the basic outfits to make them look different. For dancing solos use tight, revealing, sexy clothing for little girls. Dad said in a recent comment on KP: "The more naked you are, the more beautiful you are, ha!" (Even for little love dancers.) God bless Faithy & our W.S. Family who just sent some beautiful outfits for our children here which have been a real blessing for our performing, café singing & videoring. GBT! It has made a difference in looking pretty & nice. PTL!

**8. I'D LIKE TO EMPHASISE THE IMPORTANCE OF HAVING PRACTICE EVERY DAY** as well as before performing in public or filming, & invite the

Dicon-12, MC of "Kid Power", interviews Patricia.

"The Love Dance"—Armandria of Jeremiah & Priscilla, Christie of Job & Charran, Heidi of Jeremy & Fiona, & Charly of Job & Charran—perform a wild gypsy dance in their colourful skirts simply made by Charran. "When dance, skirts go out & you see pretty girl—very pretty!" (298:18)

people who will be involved to watch (if you are filming, invite the cameraman). Afterwards discuss the last details together, & then you're ready. You can prepare a 15-minute or half-hour show for performing on TV, parks, schools etc., not just with a casual singing team, half prepared, but a well prepared show with well trained children working together preaching the Gospel & setting the example for the world to follow.—A whole new ministry for parents & childcare helpers of an area, working together for Jesus!

**9. BE SURE THE CHILDREN ARE WELL RESTED** before performing. Tired children are a bad testimony. Also if filming, bright colours are the best for the background & decorations are good to back-up the singers.

**10. YOU CAN PROMOTE THE KID POWER SHOW CLUB** by inviting all children to join KP Club, CPO 220, Athens, Greece. Please send any suggestions & ideas you may have too! God bless you as you prepare your children to take the world for Jesus. We love you!

"The Bamba Girls"—Renée of Silas & Endureth, Celeste of Simon Peter & Amanda of Peter & Topaz—put simple movements to the children's song "Squeeze Don't Jerk".

Heidi-10 sings a solo "Little Things".

## Still Striking Gold!

—More glimmering gleanings from a Gold Miner!

From Apollos' Work Reports:

Dear Maria, 27/4/81

**GBY! ILY! PTL, I'M STILL HERE PLODDING ALONG**, like that song from "Brother Sun"—"Day by day, stone by stone, build your secret slowly. Day by day, you'll grow too, you'll see Heaven's glory!" Ha! TYJ!—So that's what I'm doing—literally—daily gathering & garnering God's golden Grain, sorting & storing it by His Grace! "Line upon line, precept upon precept, here a little, there a little"—so built we the Wall! (Isa. 28:10 & Neh. 4:6)

**IN FACT, I THINK I GOT AN ACTUAL GLIMPSE OF HEAVEN'S GLORY LAST NIGHT!**—& then again this morning, in the very Garden of Eden—where Eve herself just about revealed the very "gates of Heaven"—I—not to mention the lovely loftier peaks & higher heights of His Crowning Creation! Boy, those ol' TSC prophecy studies never portrayed such ravishing revelations as that! What music!—What movement!—What meaning! Oh my!—It certainly set the mood!—Hallelujah!—It was great! (New Family Video!)

**WELL, BACK TO EARTH...** Saturday I read & logged in 116 new pages, discovered a fantastic new ML for Sally to edit called "God's Bride", & continued to find tons of fantastic quotes on misc. subjects from the "United Sessions" from Tenerife.—Great stuff for a great new book from God's great Words! TYJ! I love you & am praying for you all, especially Dad, as he does those video revelations!—Ooops! I mean Revelation Videos!—Ha! Love always, Apollos. (25 new tapes!)

Dear Dad & Maria, 5/5/81. **GBY! ILY! I'M SO THANKFUL TO BE HERE** & for the blessing of "entering into other

men's (or women's!) labours" on these RDS! I'm continuing to strike Gold!—And a lot of potential new MLs for dear Sal to work on—not to mention so many thousands of wonderfully feeding, instructing, inspirational & revelatory Quotes which I'm sure will be such a blessing to His hungry happy holy children! "He which hath begun the work will perform it!" And I know the Lord's gonna help us weave the Gold into useful, helpful, inspirational feeding food for His folds—by His Grace! TYJ!

**I'M THRILLED WITH THE POSSIBILITIES & THE POTENTIAL** & amazed that He's so mercifully given me such a priceless privilege & calling. I feel like "Tis odd that God should choose the Jews..."—I'm not worthy of it! Sometimes I read thru' some D.M. pages or other things we put together & I really wonder: "Wow! Did we do that?" And the answer is usually, thank God, a clear "No!"

**THERE'S NO WAY THAT A STUPID, UNEDUCATED 10TH GRADE DROP-OUT LIKE MYSELF COULD EVER WEAVE SUCH THINGS TOGETHER!** It's almost funny!—Ha! For sure the Lord has a sense of humour—to have a high-school flunk-out in His "Education Dept!"—Which just goes to show that it's all Jesus & His Grace & the wonders of His living Words! TYJ!

**LORD BLESS & HELP OUR FAMILY TO FAITHFULLY GROUND THEMSELVES**, our new babes & disciples & our precious children in the Word. I know it's the only Rock-solid uncanting, never-failing firm foundation of His Word that has kept, renewed & strengthened me day after day, week after week, month after month, year after year! "I can truly say, that I have found the Way, & He's

never failed me yet!"—as the old song goes! Hallelujah!—And I know He never will!

**SO GOD BLESS YOU BOTH FOR YOUR FAITHFULNESS TO US ALL!** "To whom shall we go? Thou alone has the Words of Eternal Life!"—For this Last Generation! I love'm! I can really see it now—they are actually the Lord's kisses of His love to us! Wow! TYJ! He loves us! You love us! Now all we gotta do is share this love with others!—It's so simple & so wonderful!—And it's happening!

**THE WONDER WORKING WORDS ARE WORKING WONDERS 'ROUND THE WORLD** thru His wonderful children! This is it!—We have all come to the Kingdom for such a time as this! We're fulfilling Mark 16:15 & "this Gospel of the Kingdom is being preached in all the world for a witness unto all nations & the Ends of the earth!" Wow!—Can't wait to see you at the Wedding! TYJ!

**YOUR TONGUE IS SURELY THE "PEN OF A READY WRITER"** (Ps. 45:1)—& as Aaron used to sing, "You're what keeps us going..." So God bless & keep you & protect & anoint you both, you & protect & anoint you both, to pour forth His living waters—in those beautiful videos, on those terrific tapes—& especially in the Lord's loving Letters that have fed & led & saved more souls for His Heavenly Fold than we'll ever know in this life! ILY & am so thankful for you & the blessing of your & His Words!—Apollos.

**THIS WAS JUST GONNA BE A WORK REPORT**, but I felt so inspired, it turned into this!—The work's going fine, over 100 new pages read & logged in daily, "treasures new & old" coming to light to give us might to fight for the right! **P.S. I JUST FINISHED READING THE NEW "SHEPHERDS' LETTER** for devotions! Whew!—So good & so needed!—Esp. with the new Fellowship Rev. going on, the VSS & shepherds

need that push to encourage their faith to come out & burn free inspiration-wise!

**I THINK SOME FEEL, OR HAVE FELT RESTRAINED** from getting too fired up for fear of a "who made thee to rule over us" reaction from some stick-

in-the-muds who don't wanna revolute. But this "Shepherds" ML oughta really help the inspirational leaders/shepherds to "stir up their gifts" & use'm to stir up & challenge others! I agree—the old "Chain Saw!" just about eliminated, or tried to eli-

minate & squelch any "fire" in leaders, for fear of "wild fire" that would have burned up their binding bondage of the kids. This new ML will get'm burnin' again & show what kind of shepherds you want & we need. It's great! GBT! ILY!—Apollos.

## Another Royal Family News Nugget!

An RFN from one of M&M's secretaries, Path: Dearest Dad & Maria, I just can't help but marvel As this day draws to its end At the mercy that you've shown me, And the sweet love that you send! For I feel so undeserving But I need it, it's so true! 'Cuz I bungled it again today And it's so often that I do! Your provision is astounding And I want to march in time! Tho' I often fall behind you And miss my mail deadline! Or your correction on a Letter Slips by me without the change

So we have to call dear Mordy To see what he can then arrange! So many times my notes aren't clear, And often not precise The plans I wrote 3 hours ago Well, now they have changed thrice! But what I want to really say —In spite of my mistakes— Is I feel the Lord is teaching me These lessons that it takes To be a true-blue fighter! —And I'm learning every day! Thru the loving sample of you both As Jesus shows the way! Love you, always,—Path. (Dad: PTL! GBT! You do wonderfully well!—I'm amazed at your good work!—Quit worryin'!—Just enjoy it!—Ha!—Love,—D.)
