

# Gleaned Gold Galore!

Pick 'n shovel work on new W.S. Word Projects at the King's House!

From Apollos' work reports:  
Dear Dad & Maria, 28/2/81  
ILY SO MUCH & AM VERY  
THANKFUL FOR THE BLESS-  
ING & opportunity of coming  
here! Wow! To me it's like a  
dream come true!—Something  
that I had always sort of secretly  
hoped would happen, but never  
consciously thought about, lest  
I "exercise myself in great mat-  
ters, or things too high for me"  
(Ps. 131:1) But here I am, TYJ!  
—And thank you too! (P. 24)

OUR LITTLE TEAM REALLY  
FELT THE NEED, LIKE NEVER  
BEFORE, FOR SOME  
MORE DIRECT PERSONAL  
COUNSEL & HELP from you  
with this new project idea. For  
years we have had a very strong  
burden for a truly topical book  
containing the tersest terms &  
most relevant revelations on a  
variety of important subjects.  
So we really rejoiced upon receiv-  
ing your first letter to us men-  
tioning this project.

THE ONE THING I REGRET  
ABOUT MY TRIP WAS OUR  
FAILURE TO BRING THE VID-  
EOS which had been prepared.  
I know "being sorry" doesn't  
bring them here. But I really am  
sorry for not doing more to get  
them here & do ask for your for-  
giveness. By His Grace I've learn-  
ed a real lesson & hope to never  
repeat such a blunder again. I  
hope & pray some alternative  
method of getting them here can  
be worked out.

WELL, MY REACTION TO  
ARRIVING HERE AT THIS  
WONDERFUL HOME has been  
a combination of awe & excite-  
ment. Like in "The Watch", all  
the little cogs, gears & jewels here  
are all happily & busily humming  
along in perfect synchronisation,  
finely tuned to their tasks & well-  
oiled by His Spirit! So I'm pray-  
ing this blundering Bull can fit  
in & be a blessing without upset-

ting the delicate balance that ex-  
ists here.

SO BASICALLY MY REAC-  
TION THUS FAR is that I'm very  
happy & thankful to be here,  
I'm very impressed with every-  
one's concern for each other in  
every little thing & challenged by  
the way everyone so diligently  
tends to their tasks, & hopeful  
& inspired about the prospect of  
having access to more of the  
Words to enrich our Quote Sheets  
& to receive more guidance &  
help from you in the piecing to-  
gether of this new book. Thank  
you so much for all your love,  
prayers, concern & help—and for  
the wonderful privilege of help-  
ing to work with His wondrous  
Words!—In this wonderful place  
Love always, Apollos.

P.S. I DIDN'T FINISH THIS  
IN TIME TO SEND IT BEFORE  
so I thought I'd add another re-  
action—and that is that I see my  
time here as a very important step  
in my training, or education, in  
the Lord's Service.—A time to be  
"renewed in the spirit of my  
mind". So my hope & prayer is  
that my time & all lessons learn-  
ed here will truly help me become  
a more useful vessel for Him—and  
you, for His glory & the further-  
ance of His Message thru His  
Words to feed His sheep! TYJ!  
ILY so & really appreciate you  
& all your help & prayers—and pa-  
tience & love. GBY with a won-  
derful day! xxx (Tks! Sm 2 U!)

Dear Maria, 6/4/81.  
GBY! ILY I'VE BEEN READ-  
ING THRU SOME MORE RDs  
(rough drafts) & I felt I should  
write you about something: In a  
"Jewels" note sent by Sue it said  
that "Dad said it would be nice  
to have just a Devotional Book  
of Prophecies—they're so beau-  
tiful & poetic. We have David's  
book of Psalms. Well, it could

be called the Psalms of David.  
Also he said it would be nice to  
have the Prayers in a book."

WELL, I JUST WANTED TO  
LET YOU KNOW THAT I  
WHOLE-HEARTEDLY AGREE  
that a "Psalms of David" devo-  
tional & inspirational book would  
be tremendous! And just like  
the Psalms Book in the Bible, I  
think our Psalms could be a com-  
bination of both prophecy &  
prayer.—Prophetic promises that  
we can claim, & prayers & praise  
that we can pray!—It would be  
so beautiful. I can picture it now!

IT WOULD REALLY BE THE  
PUREST GOLD, THE CLEAR-  
EST WATERS, THE SWEETEST  
HONEY & most feeding food  
from His Words today—not so  
much for the GP, but to thrill &  
inspire, feed & encourage His  
spiritually-minded children who  
hunger for His Truth & spiritual  
refreshment from on High! Hal-  
lelujah!—So what do you think?  
GWBD! Love always, Apollos.

Dear Maria, 7/4/81.  
GBY! ILY ILY WORK ON THE  
RDs HAS BEEN GOING REAL-  
LY WELL, TYJ! I've come upon  
such beautiful rich gold-veins  
the past two days! And altho'  
my number of pages covered is  
down a bit—164 for Mon. & Tues.  
—they're really good pages full  
of gold & could make some beau-  
tiful new MLs!—On Spiritual  
Gifts, Helpers & Life in the Spir-  
it World; Backsliding—Why &  
How It Happens; False Prophets  
& True Prophets—how to tell the  
difference, etc.

IT'S SUCH A BLESSING &  
PRIVILEGE & SPIRITUAL  
FEAST to have access to these  
RDs! I've gotten so inspired &  
fed working on them! I believe  
the Lord's really helping me to  
pull out a lot of priceless good-  
ies. And even on the above-

mentioned RDs that hopefully  
can be made into new MLs. He's  
given me some ideas on how to  
combine 'em with other RD ma-  
terial on the same subject, & I  
think the results would be beau-  
tiful!

GBACTKY & DEAR DAD  
healthy, safe & sound in the hol-  
low of His loving Hand! Love  
forever in His & Your Service,  
—Apollos. (GBY! RALL'N!)

Dear Dad & Maria, 17/4/81  
GBY! (LYBSMI!—TYJ! The  
Video on prophets (1 Cor. 12/  
Acts 19) was so inspiring &  
"prophet-able" to all! Just saw  
it this morning. These videos  
with you are the best devotions  
I've ever had! I'm sure the  
Lord's gonna mighty use them  
to really strengthen His children!  
Hallelujah!

I WANTED TO WRITE &  
THANK YOU FOR THAT JUICY  
NEW STACK OF RDs that  
just came. The Lord has really  
been helping me pull out a lot  
of wonderful material which I'm  
sure will make some beautiful  
compilations! So much new  
gold has really increased my bur-  
den & faith for—

THE NEW MULTI-TOPICAL  
COMPILED A-Z BOOK with  
the finest gold from over 1000  
MLs, plus all of this newly re-  
fined material from 1000s of  
pages of RDs! Whew! It'll be  
the most compact, power-pack-  
ed, feeding & instructional single  
book we've ever worked on!

A real Wowser!—By God's grace  
& with His help, TYJ! Also,  
thank you for your little love  
note, Dad. It's always so encour-  
aging. I really appreciate it, GBY!  
Another thing I wanted to men-  
tion is something that we got to  
discussing recently—

A FAMILY HISTORY VID-  
EO PROJECT, A-Z! I just want  
to say that I personally feel that  
such a video—or video series—  
using colour slides, b&w prints,  
news clippings, super-8 films,

b&w videos etc., would probab-  
ly turn out to be one of the best  
outreach & educational & inspi-  
rational tools ever devised!—His-  
torically documented proof of  
how the Words have worked &  
the early visions & prophecies  
of the Lord have been fulfilled!

—WITH FAMILY MUSICAL  
ACCOMPANIMENT & an excit-  
ing Letter-based narration! Wow!  
I realise dear Gene is so busy, I  
don't know how or when he  
could ever get around to doing  
such a major project. But I was  
wondering if maybe He could?

SUCH A VIDEO SERIES  
COULD BE THE ULTIMATE  
HISTORY PROJECT! Boy, I  
think it would be terrific! So,  
God's will be done! Just thought  
I'd mention this as I could bring  
some of or all of the materials  
to Ho on my way back thru  
there. The wonderful Video  
Ministry could make these price-  
less pics, slides, films etc. avail-  
able to all!

IF I WASN'T ALREADY SO  
BUSY, I'D VOLUNTEER to  
work on this Video History pro-  
ject also! (Hal)—with Ho—to  
help with the ID'ing, chronolog-  
y, ML text for narration, musi-  
cal selections etc.—But I'm sure  
he could manage fine if he'd real-  
ly put his nose to it & see it thru!  
—If, of course, you all would  
want such a Video History done  
& would give it priority with him.  
—So PTL!—GWBD! Love in His  
& your Service.—Apollos.  
(Sounds great! Let's go!—D.)

Dear Maria, 19/6/81  
GJPN! GBY! ILY I'VE  
ALL STILL HOPPIN' & POP-  
PIN' HERE, "working the works  
of Him that sent us while it is  
still day!" TYJ! I just finished  
putting together a Communion  
compilation for Jacob to illus-  
trate into a TK for the DFO TK  
Book.—I agree, such an explana-  
tion is good, especially for  
friends that might attend Fellow-  
ship Days, in which the Home  
was having communion. PTL!  
THE WORK ON THE RDs

HAS BEEN GOING VERY WELL  
covering well over 100 pages per  
day with gleaned Gold galore!—  
Getting it all typed up topically's  
gonna be a thrill! TYJ!—And  
thank you & Dad again for allow-  
ing me this privilege & opportuni-  
ty! I know, by faith, that the  
end results will be such a bless-  
ing, TYJ!

IT LOOKS LIKE I SHOULD  
HAVE EVERYTHING WRAP-  
PED UP & DONE by a week to  
ten days from now, D.V. So it  
looks like the finish-line is near!  
It's been a Heaven of a race, by  
His Grace, & I'm so glad you asked  
me to come. I love your  
dear crew here, & their fellow-  
ship & help has been a good  
sample & inspiration, TYJ!

AND THE GREATEST BLESS-  
ING OF ALL HAS BEEN THE  
100s OF HOURS SPENT WITH  
YOU & DAD, at His feet, receiv-  
ing His Words for today! I know  
you more intimately & closely  
than ever before. I've been with  
you thru battles & victories, for  
breakfast & dinner, while driving  
in the car, while having fun in  
the bedroom, talking with the  
children, on the phone, to report-  
ers, to friends, to enemies  
etc. etc., covering every subject  
under the sun, A-Z!

—OVER 10,000 PAGES SCAN-  
NED, ANALYSED, REFFED &  
LOGGED into my computer!—  
And I can honestly apply to Dad:  
"I know whom I have believed &  
am persuaded." That he is in-  
deed God's loving shepherd for  
His chosen few in these last days!  
TYJ! —To whom (else) could we  
possibly go?—Thou alone hast  
the wondrous Words of eternal  
life for today!—Fresh off God's  
great golden griddle! TYJ!

THE MORE I KNOW YOU  
—THE MORE I'M SOLD ON YOU  
—& the more I wanna sell others  
on you—on the Lord's Words, on  
Jesus & His loving plan for man  
today! TYJ! And that's my  
prayer, that the Lord'll now help  
me to refine & mold this Gold  
into the best & most & come

## More Responses To Dad On Video!

"Comforting!" "Convicting!" "Life-changing!"

From Emmanuel & Hannah:  
Dearest Dad & Maria,  
THE VIDEOS: WOW! WHAT  
A BOMB! What a privilege & so-  
bering responsibility all at once,  
to be able to see them. Thank  
you so much!

YOU WERE LOOKING SO  
BEAUTIFUL & INSPIRED,  
DAD—we were just thrilled!  
Ahhh, what Love the Lord has  
given you for us—it never ceases  
to amaze us! And it came right  
thru on the video! Quite some-  
thing that a little piece of tape  
would be able to carry the Spirit  
from one place to another. TTI!

SEEING YOU GIVING  
THESE CLASSES IS ALMOST  
LIKE THE COMPLETION OF  
THE MESSAGE. Of course, the  
printed word carries it faster,  
further & cheaper, as well as giv-  
ing us the chance to study & mem-  
orize it more easily. But hearing  
you blast the Lord's enemies &  
really soaking it to them adds  
another dimension to the written  
word, & the underlinings are just  
not the same thing! Hearing you,  
of course, we have on WW tapes  
already.

BUT SEEING YOU IS LIKE  
THE THIRD DIMENSION—see-  
ing the expression on your face  
& in your eyes & the Lord's an-  
ointing on you is really some-  
thing! I have always been fasci-  
nated to see the love for the Lord  
& us in your eyes, Dad, ever  
since the first time I met you.

IT STRIKES ME AS SOME-  
THING SO POWERFUL—be-  
cause that's what it's all about,  
that we are to love the Lord our  
God & our neighbour as ourselves.  
It is so very convicting, inspiring  
& encouraging all at the same  
time—the Lord shining right thru!  
And let me tell you, it comes right  
out on the videos!!

AND BOY, ARE THOSE

CLASSES NEEDED!—whether  
printed, on audio tape or video,  
or all three. What a blessing they  
are! I have never had a teacher  
bring them so close to home &  
make them so clear to me! And  
as we said before, seeing & hearing  
you give them adds so much! It  
really makes an impression, very  
real, very alive, very personally  
for us!

ANOTHER BIG BLESSING IS  
THAT YOU HAVE SO MUCH  
EXPERIENCE at teaching & you  
know that repetition is the law  
of memory. By the time you are  
done with a class we have heard  
everything several times, from all  
different angles, & it really has  
sunk in. Understandably so, this  
is not always possible & the writ-  
ten word is best. But it sure is  
a blessing! Oh what a blessing to  
be "right there" as you are getting  
brand new things from the Lord!

WE WERE THINKING TOO  
HOW THE VIDEO IS SUCH A  
TIMELY INVENTION, to put  
these very very important things  
down for us. This is certainly an  
important time in world history,  
& we need to get the Lord's mes-  
sage out as quickly & effectively  
& powerfully as we can! Luther's  
translation of the Bible came to  
mind & how then the Lord anoint-  
ed Gutenberg to invent the print-  
ing press, how timely!

WE TTL FOR YOUR FAITH,  
COURAGE, VISION & LOVE to  
get into this new ministry! Wow,  
we can certainly see why the Dev-  
il hates it & fights it—it's so pow-  
erful! We're really praying for  
you, in this especially! Please  
keep loving the Lord & us. We  
need you! All hail to our King  
& Queen! Yours forever in His  
love,—Emmanuel & Hannah.

From Leah: W.S.:  
Dearest Dad & Maria,  
I WANT TO SEND OFF A

LITTLE REACTION TO THE  
SURPRISE that Peter brought  
with him for us!—Wow!—What  
a super blessing! Actually, I  
could hardly believe it, but sure  
enough it was! The classes are  
really great & so exciting & inspi-  
ring.—We really need them!  
So does the whole Family!  
What a blessing they will be to  
all!

SEEING YOU BROUGHT  
TEARS TO MY EYES; I love  
you! I know the classes that I  
had with you that have come out  
later always stuck in my mind—the  
way you said something, your  
emotions while giving it really  
struck the message home. Of  
course, there's nothing like the  
written word for re-reading &  
studying, & I can't wait for these  
to come out in the Mags to go  
over them. I can really see the  
usefulness of these videos now  
& in the future! I love you & al-  
ways will & need you more than  
you could ever imagine.  
—Love, Leah.

From Shari: W.S.:  
Dear Dad,  
I LOVE LOVE LOVE YOU!  
THANK YOU SO MUCH FOR  
THE VIDEOS! They are such a  
big help & help me to understand  
the chapters so clearly. It is an  
amazing difference to have it  
taught to you on video! It's so  
much clearer & enables you to  
catch the Spirit so much more  
clearly & directly!

TO HEAR & SEE YOU LETS  
ME KNOW THE SPIRIT SO  
MUCH BETTER. It enables me  
to understand the underlinings &  
exclamation points of the writ-  
ten word when I see how it is giv-  
en by you. Then when I read a  
Letter there is more depth & un-  
derstanding to what I read, be-  
cause I have a better idea & clear-  
er picture of how you probably  
gave it. It helps so much!

IT'S LIKE A MULTIPLYING  
EFFECT—to see a video must ad-  
dress the absorption capabili-  
ty, makes it so much more easy

## Letter From Sally!

June 21st, 1981

Today's a special day, the Summer Solstice, &  
also a year ago I received your pho. to come work  
on our team! TTY! What a happy day & year it's been  
with the wonderful new editing ministry. The Lord  
opened up to me! PTL! I wanted to write you a little  
letter to tell you how much I love you & how much  
you too! It's been such a blessing to visit your former  
home & the highlight being when James took us into  
your trailer, your little Heavenly Home! Even tho' you're  
gone, the spirit in there was so special & so  
heavy, I just wanted to stay & stay in there—thinking  
about how you worked there at that cozy little table  
w/ a lamp & then thinking about how much fun it would  
be to cuddle up with you in your cubbyhole bedroom (Haha!)  
Mmmmm! The little adjoining room was so cute  
too! I really pray your new home is just as  
cozy & comfortable & a blessing to you as was  
that old place & a beautiful secluded location  
too! TTY! It was fun to see your "Guides of  
Eden" poster too & sit in the very chair you sat  
in to give your classes! Today we're all going over  
there again for Sunday Fellowship & to watch your  
Song Videos which we haven't seen yet! I've been  
listening to the audio tapes all week tho', & they're  
really beautiful! PTL! (Hope you're a blessing 2 all!)  
We've been keeping really busy in our  
remaining time here to get as much done as  
we can before moving! I'm all finished with  
the Video Comments project I'd been working  
on & now probably will dig in to my stack of  
dreams & get those all edited & F'd! There's so much  
to do & so much the Lord has given us, all your  
precious words! We have so much to be thankful for!  
I love you so much, Dad, thank you for your precious  
love & precious priceless words & for the privilege &  
honour to be here & entrusted w/ shaping the gold! TTY!  
I'm wholly yours & His forever & ever! Your Son,  
—Tks! GBY! WLY! —Emmanuel & Hannah
