HEALING MIRACLE: "One day on the train I met a girl who was having an epileptic fit before my very eyes. Three men were holding her down in the crowded train. The Lord inspired me to go over to her & lay hands on her head & pray, claiming Scriptures. Immediately she calmed down. PTL! A month later while litnessing, I met her again accompanied by her father. She came running over & smiling told me, 'The thing that you told me healed me completely!' TYJ! James 4: 15-16." --Levi Templettime; Iberia (from VS Newsletter)

"OUT LITNESSING SHALISHA MET A GIRL WHO ASKED IF SHE BELIEVED IN SPIRITS. When she said yes, the girl began telling her about her 6-week-old daughter died of 'crib death' 11 months ago & how a few days later the baby came to her & told her not to feel guilty, that it wasn't her fault, but that now she had accomplished her mission so the Lord called her back to heaven. Before her pregnancy this girl was a drug addict & heavy drinker but when she found out she was pregnant she had stopped doing both. The Lord used the baby to totally change her. Since then she has seen the baby 3 times & really believes in the Lord now. Shalisha gave her a copy of 'Life After Death' & the girl told Shalisha

that she was one of the few people who believed her experience, that most people think she's crazy."
--Dominic & Jael; U.S.A.

"TWO HEALING MIRACLES IN ONE MONTH! Our son David was born with a chronic allergic problem which at 5 months got very bad. The doctor said he was allergic to milk & could not drink it anymore in any form. After one month without milk David was very pale, thin & sad. We prayed desperately & gave him milk by faith. Today David is very fat, alert & happy!*** When I went to the doctor to get checked because of some pains I had in the rib area, a test showed I had a lump in the right lung. They asked me if I had contact with anyone with TB, or had fevers, lack of appetite or fatigue. I answered no to all, & they were quite surprised. Tiago inspired me to have communion, which was very beautiful & gave us a lot of faith & inspiration. Later when I returned to the doctor another test showed I was totally healed!"
--Malaquias & Eva; S. America.

"A FEW MONTHS AGO I MET A COUPLE WITH TWIN BABY GIRLS WHO WERE DYING in the hospital. We prayed for the babies & the couple both received Jesus. This month we spent a day at their house. The

babies are better & are soon to come home, TYJ! At our visit the couple received the Holy Spirit, & a friend also got saved & filled with the Spirit! At the beach, 4 children got saved. Their very poor mother invited us to share lunch with them, GBH!"--Timothy & Joy; S. America.

"RE: 'COMING TO AUSTRALIA?' IN MAG 27--1. 'It is impossible to be granted permanent residence whilst one is in Australia on a visitors visa.' False! Any single or divorced person can marry while on a 6 or 12-month visitors visa; therefore this statement could discourage our Family (those single or divorced) from coming, when in fact marrying an Australian is probably the easiest way to stay here, giving automatically at least residency. Come marry an Aussie! 2. 'FFers could work for escort agencies.' Let it be known that escort agencies in Australia are mostly nothing but brothels! For girls interested in doing some real fishing, ten minutes is not much time! 3. 'One must make application for permanent residence from your native country.' Untrue! If this were so all Britishers, Americans, Canadians etc. would have to return to their countries, apply & wait before coming. For God's sake let's not discourage people from coming thru' incorrect info! 4. 'A wise thing to do might be

to come out here on a visitors visa...working for your prospective sponsor for a while in the hope of impressing them.' Technically, working while on a visitors visa is illegal & could be grounds for an easy deportation, altho' many do get away with it. Of course, one could agree to work 'for free', but I don't know how many people could afford to do that for long. 5. 'Buying a business like a bistro for about \$20-30,000...' Sounds like a silly idea, in my opinion. Whew! Surely anybody with that much money could find something better to do with it! My opinion! Sorry about my comments concerning this article being so late, but I felt there were just too many incorrect statements made to let it go, especially as many people are as trying to leave Europe etc. to come here."--Byron.

TITHING TESTIMONY: "I didn't have any money yesterday & needed a lot for my Tithes. So I went on the attack & had the best day I'd had all month & raised the full Tithes in one day. I sent it all in & am now back to nothing. But PTL the last 8 years in the Family I've hardly ever had any money but I've always had everything I need. I don't know how it works but it does, every time. TTL! We got nothing...to worry about either! Ha!"
--Jeremy Wood; Europe.
