Entertainment: There are lots of cinemas - Indians love movies - and English and American movies are shown in English. Time and Newsweek and international newspapers are available in the major cities and in 5-star hotels, and local newspapers have editions in both English and the local language.

Family situation and outreaches: At present there are 19 Homes, 57 adults and 26 children, in India. As you can see, we need many, many more labourers to reap the bountiful harvest here!

Our greatest need at present is for **brave pioneers to open new Homes.** The Homes we have now are almost all full, but we need more Homes everywhere, in the major cities such as Bombay, Delhi, Calcutta, Madras, and Bangalore, as well as in remote but empty or almost empty fields such as Goa, Kashmir, Hyderabad, Ahmedabad, etc., etc., etc. There are many cities with populations of over a million that have no Family at present! There is no place that can't handle more Homes!

We also need teams to go everywhere and visit MWM listeners - roving MWM minstrels. To do this you don't need to be able to play the guitar (though it helps), but what you need more than anything is a real love for these precious sheep who are almost always eager and hungry for the words and love of David. Usually the minstrels base in a major city and make trips into the surrounding towns, visiting all the listeners in the area. It's a tremendously fruitful and fulfilling ministry, often resulting in salvations of whole families and their friends, relatives, etc., and sometimes in new disciples. (See Linda's testimony in a recent "Love is News".)

We need **litnessers!** The Word is starting to pour in India, especially in English, Hindi, and Tamil. In the past we have had persecution for litnessing here, but it was because we were asking for donations. Since about a year ago, when we started to really pour out the Word here freely (Matt 10:8) the Lord has really blessed it and we haven't had one incident of persecution! It's a free and open field at the moment, and it'll take a lot of labourers with a lot of lit to really saturate it the way it needs to be done! Street litnessing is possible in many places, and DTD and office to office litnessing is also very fruitful.

We need **FFers!** Bombay is an Ffer's paradise, with Arabs from all over the Middle East coming on holidays, as well as the rich Indians and foreign tourists. In other parts of India FFERing is fruitful too, though with nationals it sometimes goes slowly and requires a lot of patience and wisdom. Aside from Bombay, there aren't so many suitable night spots in Indian cities, and you'll get well-known real fast, so the most common way to meet fish is during your regular activities, DTD, etc. We do have some very precious Indian fish who have been very faithful for years now.

We need **inspirationalists**, not only for MWM followup, but for shows at schools, colleges, etc., which is an excellent way to reach these new bottles!

We need you, if you're willing to come here and forsake yourself and lay down your life for the hundreds of millions of precious lost sheep here! GBY! WLYSM! Come soon!

"She's love-starved, and will respond shyly at first, but warm to us with fervent and ardent enthusiasm if we will love her passionately with all our heart!" (#202:14)

"So don't be surprised if God does some very marvelous things for us in India and for her peoples there, through us! With men it is impossible, but with God, nothing shall be impossible, and all things are possible to him that believeth! Praise God! Hallelujah! Can you now believe God even for India?" (#177:26)

Polish Lit-Pic newsletter

50,000 pieces of Polish lit distributed! First Polish live-in full-time disciple!

TO BEGIN WE'D LIKE TO THANK OUR WARMEST THANKS TO DAD & MARIA & W.S. for their encouragement & kind love gifts which have greatly helped to get us off the ground. TG for such loving & concerned shepherds! We'd like to share how the Lord brought us together with a vision to get the Words that work into Polish.

I (MICHAEL) FIRST VISITED POLAND in 1977 on one of four different tourist teams. We all fell in love with this new field & all felt that the Poles were some of the humblest sweetest people we'd ever met - so hungry & receptive to love & the Words of Jesus & David.

IN 1979 I RETURNED WITH JOAN & our 3-month-old son Miguel, where the Lord miraculously opened doors for us to stay for 1 1/2 years! We shared 700 versions of the Letters with all our sheep. When we left Poland in August 1980 we had a mailing list of about 50 of our closest friends, about half of whom had actually received Jesus with us! TYJI! Some had also gotten filled with the Holy Spirit & were trying their best to witness. One of the youngest & most on-fire of all was 19-yr-old Jola, who just recently became our first full-time live-in Polish disciple! Hallelujah! (See her testimony below.)

AFTER LEAVING POLAND THE LORD SHOWED US NOT TO LEAP but rather to continue our East-Bloc outreach & be prepared to move South "when the night cometh when no man can work". When Jola recently came from Poland to visit us & decided to forsake all & join the Family, the Lord showed us clearly that He wanted us to help get the WWW's translated & printed in Polish! TYJI!

JOLA'S ZEAL FOR TRANSLATING THE WWW's has been

producing exciting results! So far she's translated "Why Disasters" TK, "Love is God", "Give Us Our Sons" TK, "Life After Death" TK, "Proof At Last", "World Conquest Thru Love", "Love Never Fails" & the whole "New Life New Love" booklet! The first three are in print & on the streets!

OUR CITY HAS BEEN FILLED WITH POLISH TOURISTS & refugees, & we've been doing our best to reach them while they're here. Italian Matteo has been the spearhead of our litnessing attack, & his convicting sample has inspired many to do more. Altogether we've distributed an average of almost 15,000 Polish Letters each month since May, a total of over 50,000! TYJI! And on the personal witnessing front we've been able to lead 17 Poles to the Lord! Hallelujah!

"THE LORD HATH DONE GREAT THINGS FOR US where of we are glad!" At present we do have many needs, including good Polish-English dictionaries & a Polish typewriter. Another burden we have is to visit our sheep in Poland which we are unable to do at the moment because of lack of funds. We believe a trip like this will possibly reap a great harvest of souls from our mail ministry contacts. Due to the compulsory exchange of \$15 per person per day, a two-week visit for two would cost around \$500. Anything towards this would be greatly appreciated & prayerfully used, & we know the Lord will mightily bless you! -Love, Michael & Janet for your Polish LIT-PIC. (Amen! GBYM! Send it now!)

GBY ALL AROUND THE WORLD! My name is Jola & I am your new Polish sister. TYJI! I was saved thru the "charismatic movement" in the Catholic Church in Poland. I became a

youth leader in Bible study groups & even sometimes did a little witnessing. The Lord put a desire in my heart to serve Him. The only way I knew of was to join a convent but somehow I knew that wasn't for me!

THEN 1 1/2 YEARS AGO I MET MICHAEL & JOAN in Poland when I read his advertisement in the newspaper as an English teacher. As I got to know them better I realised they were really only living & travelling for the Lord. They gave me a few Letters to read. One called "Death in Your Arms" was a real help to me just a few weeks later when my father was killed in a plane crash!

SIX MONTHS LATER THEY LEFT POLAND & invited me to visit them the following summer. In the meantime I began to go to university. My spiritual life deteriorated & I also became dissatisfied with my charismatic movement. So I wanted to go visit them & grow spiritually.

WHEN I CAME HERE THEY BEGAN TO REVEAL TO ME for the first time about the Family. After staying in one of the Homes for a month I read the Letters "7 Ways to Know God's Will" & "Forsaking All" & I decided to sign God's "blank sheet of paper" & let the Lord fill in His program.

I'M SO HAPPY TO BE SERVING THE LORD full-time in my beautiful new Family, & for the opportunity to translate God's Words for today - the Mo Letters! I love you all! -Jola. (PTL! GBY! 10/77)

THAI LIT-PIC NEWSLETTER

Coming to Thailand; Lit-Pic News & the Beginning of Thai MWM!

Dearest Family & Friends,

GBY&WLY! GJPN! Well, it's been another exciting month here in beautiful, sunny Thailand. Actually, it's the rainy season, but the sun still shines, especially in the faces of the many precious sheep here.

THIS MONTH WE HAD A SLIGHT "NO NEUTRALS" PROBLEM but the Lord really used it to strengthen many of our newer national disciples, expose the tool of the enemy within our midst & help everyone to check their security. So God gets His greatest victories out of seeming defeats! PG!

MANY OF OUR NEW ARRIVALS from Australia & elsewhere are beginning to find their places in the work here & many more are still arriving, with more to come we hope!

"The harvest truly is plenteous but the labourers are few!" So if you are looking for a new field, why not come down to beautiful Thailand; land of smiles & pretty girls! But hurry!

WE'D LIKE TO REMIND ALL THE NEWER ARRIVALS, many who are truly brave

pioneers having not been in the Family too long, as well as those of you still planning to come to Thailand, that Dad's Letter "Pawn", No. 370, is a beautiful revelation giving insight into the situation here & how to succeed in winning Thailand & its nationals for the Lord. Have a lot of love & patience, go slow with them & don't get discouraged if it doesn't happen right away. Remember, you're not dealing with Westerners now & it takes time to really win them & ground them in the Lord, His Love & His Word.

THERE ARE SOME RARE EXCEPTIONS TO THIS as we have seen recently with a few who have joined, even putting many of our older Western brethren to shame. GBT! But they are the exception to what seems to be the rule. Generally, "Pawn" applies perfectly! So don't quit rescuing them prematurely. It may take years to really make leaders out of some of them, so if you don't have this kind of love & patience, perhaps there is a better field for you elsewhere, because you'll need a lot of love & patience to succeed here. WLY!

ON THE LIT-PIC SIDE OF THINGS, 6 Letters were print-ready this month: "Rotten Apples", "TV Intimacies", "Rewards", "Russian Faith Test", "How Long Oh Lord!" & "Schedules" plus the MWM Brochure & 9

Komix. 5 Letters were translated plus pages 1-52 of the Childcare Handbook Vol. 1. We re-proofread & have print-ready the Ffers Handbook. We've also begun photocopying 50 copies of all the Letters now in Thai to have on hand for new disciples & Homes. 10 Letters were photocopied this month. We also printed 16,000 pieces (64,000 pages) of the "Chained Eagle" & 7,000 pieces (28,000 pages) of "Gotta Be A Baby" for distribution, bringing the total number of FREE distribution lit given to the Homes to 4,068,000 pages! Made possible by you! GBY!!! The total number of print-ready pages done so far this year would be 1358. TYJI! But there is so much more to do.

ONE PROBLEM WE HAVE ENCOUNTERED is that we have none of the older Letters

Beautiful Noi invites you to come to Thailand today!

on hand for new disciples & new Homes. To print these is far beyond our financial capabilities but to photocopy 50 copies of each is possible & within reason, but ideally we would like to purchase a photocopier. So, Lord willing, if this is the direction He's leading, He'll surely provide the funds. If you can help towards this, please do. In the meantime we will continue to photocopy them using a system photocopier. We really would rather invest the funds in the copier than just the copies.

MWM IS CONTINUING TO MAKE PROGRESS with the vision of translating Simon's part into Thai & using the English songs, at present, with hopes of eventually putting a Thai show together. Luke is in the process of testing the nationals with a burden to try out for Simon's part. Then the Thais will decide who sounds & gets the Spirit across best. Then, Lord willing, he'll begin producing the Thai tapes.

MWM IN ENGLISH IS ON A FEW RADIO STATIONS IN THAILAND NOW & Mark recently got it booked on Radio Thailand (the Thai equivalent of VOA & BBC)! TYJI! But

tions & shows are needed as the lit picture of Thai doesn't speak English.

THE LORD HAS BEEN DOING MIRACLES IN SUPPLYING FOR A STUDIO which Luke has put together. A king donated a Sony open reel tape deck, a fish donated the funds for a Pioneer Professional cassette deck, Michael & Esther bought an AKG 3000 BT microphone in Singapore on their way to Thailand, & various other mikes, mike stands & headphones were provisioned. The brethren in Singapore donated about 50 Dollars worth of cassette & open reel tapes. Bert donated the speakers from his car (GBH), wood & other materials were provisioned & most of the brethren in Thailand have given funds & labour.

SOME NEEDS WE STILL HAVE would be: a Tech Portastudio or a 6 or 8 channel mixer; a 4 track open reel tape deck; bulk tape eraser (cassette & open reel); another tape deck & instruments: bass guitar, electric piano (we have a few talented pianists now in Thailand), guitar amp & a tuning meter.

IF YOU CAN HELP WITH ANY OF THIS, please do! Brethren coming to Thailand could bring it or stop in Singapore on the way & purchase it at a good price. The VS's there could help you find what you need.

EXCITING THINGS ARE HAPPENING & still in their early stages since the Fellowship Revolution. We're so thankful to be here serving the Lord in this beautiful, tropical country. And we are especially thankful to all of you who make it possible with your faithful support. We may not always send a personal thanks (other than this newsletter) but we do receive all the gifts sent via your reporting office (the best way to send them) along with your name & address & we truly are thankful to each of you for the great sacrifices you have made to help us here. We know for a fact that we do have the greatest Family on earth! TP, tried & proven! MGBYAMYABTM!!!

Love,
Your Thai Lit-Pic Family
