

## THE NORTH INDIAN EXPLOSION!

From Paul and Morningstar Kings,  
DASes of Northern India.

We pray this testimony will inspire  
everybody about the greater works the  
Lord has for us to do here! Hallelujah!

Well, as you can see by this map, our  
DAF area is gigantic. Inside the map  
we have only listed the cities with a  
population of 500,000 or more (under-  
estimated), and how many Homes there  
are in each city. The harvest truly is  
plenteous, but the labourers so few.  
Only 11 Homes....

THIS YEAR - 1981!

The major victory that came about from our beautiful  
DAFM in December was our pioneering plans, and  
that is what we want to share here. Our vision is  
to reach the area effectively by having a united,  
organised effort at pioneering. Newly arriving  
labourers will be able to know immediately  
where there is a need and the Gospel  
will truly be preached to every  
creature!

India is divided into States, and  
the Lord showed us that there  
should be a Home Base in each  
State that will be in charge of  
following up the sheep. There are  
11 States in our DAF, plus we also  
decided to class Delhi and Bombay as  
States because of their size.

What this means specifically is:-

• The Home Base will keep a Stat Book for  
their State. This Stat Book will record all  
baptising done, schools visited, details of  
programmes performed, addresses of special sheep  
and contacts, etc. This way there won't be  
overlapping with hitting schools, plus we will  
be able to see just who is being reached, what  
city is ripe for a home, etc.

• Visiting Road Teams and other Homes in the State  
will turn in their state to the Home Base to be  
recorded in the Stat Book.

• The Home Base is in charge of following up the  
Homes in their State, plus organising MUM parties.

• The Home Base will take care of MAIL MINISTRY to the sheep in their  
State. Visiting Road Teams will hand in addresses. The other part of  
the Mail Ministry will go to the MUM members in the area.

PTL! - A GREAT ORGANISATION! - 68Y!

Praise the Lord! One of the blessings that will come from this is that  
if the Home leaves and a new team comes, all the information about what  
has been done in the area will be written down in the Stat Book. - Amen!

UOW! TYJ! What an exciting time it is in India right NOW!  
Here's a few testimonies of what's happening in the area:-

PREM KIRAN - the Hindi MUM - is now being broadcast each Saturday. They  
got 60 responses from the first show! PTL! - Hallelujah!

Here is sweet Ruth, recording a song for the Bombay  
Family's MUM TV programme, a dynamic half hour show  
broadcast at the end of December on local TV, seen  
by millions!! Beautiful! And POWERFUL! - My new edition

PUNE is also exploding with two prodigals returned,  
plus two new disciples. They joined when the Lord  
really had need of them, as we all attacked the  
schools with a host of programmes, 5,000 souls saved  
and 10,000 pieces of lit out over the Christmas period.  
TYJ! - PTL!

Both Bombay and Pune had super inspiring MUM Christmas Parties. A lot  
of the really hungry MUM Members are coming regularly to CUL and are  
really growing in the Word.

Here are Rose and  
Sharon, two precious  
Indian sisters from  
Goa. They're really  
on-fire witnesses,  
also faithful with  
"What is that in  
Thine Hand" - Rose's  
two cute kidz.

As the DAFM ended, two  
couples arrived from the  
West and we now have two  
new Homes in Goa, such a  
ripe field from where many  
of our disciples have come.  
One couple, Eli and Miriam,  
donated a complete darkroom  
set-up to the Hindi Lit-Pic.  
GBH!

Hallelujah! Thank God for all of these miracles! How often we claim  
this quote:-

"I KNOW WITH GOD'S HELP YOU CAN DO IT, BECAUSE I KNOW  
THE LORD AND I KNOW HE CAN DO IT. HE CAN TAKE ANYTHING  
TO DO IT WITH IF HE WANTS TO, EVEN YOU!" (675:17)

This is the team from Chundrigar, a town near  
Delhi. God bless Simon, Jessamine, Jonathan and  
Eden Jonathan; they came 1600 kms to the DAFM!  
Jonathan is leaning on the lit they took back  
with them. Quite a stack as you can see, but  
drops in the ocean compared to what we could  
get out if you can help us! We just need the  
funds for printing. With \$200, we can print  
100,000 pieces of lit. Can YOU help us  
saturate this country with the Wonder Working  
words? - Amen! SEND IT, FAM!

If the Lord's calling you, come and help us, but if not... then send your  
gifts with your Report designated "Northern Indian DAF - Lit for Homes"

Tks! ULYSM! Keep praying for us!

PTL! 68Y! WLEPPH! - JLN, A!

Paul & Morningstar Kings

## INDONESIA:

While in Singapore on a vise-trip.  
from l. to r.: Beth (Sing.) with daughter Amanda,  
Christy, Lennard (new disc. from Philippines) with  
Ivan from John and Beth, Isaac and Ruth and little  
Angy.

Dear Family,

God bless you, we love you all sooo much.  
After reading the letter "God's Guarantees" we wanted  
to write a short story about some of the mighty miracles  
the Lord has done for us since we decided to leave Europe  
2 years ago to Indonesia, the country with which we've  
just totally fallen in love.

We know we're just strangers and pilgrims in this world  
and we don't know how long the Lord will allow us to be  
here but we hope and pray that it will be a long time.  
I'll start my story from when we arrived in Amsterdam 2  
years ago after being in Switzerland for 1 year.  
While in Switzerland I had a dream about us arriving  
here in Indonesia and after an inspiring visit from  
Faithy and Juan who were very positive about this country  
and its possibilities, we decided to step out by faith  
and we set ourselves a dead line of 2 months and left for  
Amsterdam.

When we arrived we only had money for food for the first

few days but we really prayed that the Lord would do a  
miracle for us and we put the little faith we had in  
action by telling everybody that we would be leaving the  
first of September.

I'm sure people must have thought we were crazy, telling  
everybody we were leaving for the mission field within a  
few weeks without having any money on hand, with a little  
1-year-old girl and I was 5 1/2 months pregnant when we arri-  
ved in Holland.

We started going door-to-door every day, called all of  
our friends from before, telling them about our plans  
and inviting them to come and see us before we left.  
Different people tried to help us but they weren't very  
rich and every donation we received was a step in the  
right direction but it was so little compared to the  
enormous amount we heard was needed to arrive in this  
third world country.

We put together a P.R. prayer letter that we distributed  
to interested people we met and we sent it to everyone  
on our mailing list. I also put a copy on the bulletin  
board of the library. A few days after we put this letter  
up we got a telephone call from a very sweet, kind of  
simple-minded man who read it. I went to see him with  
Etoile and Melody from Lamb and Zecheus with whom we  
were living then and sang songs for him and told him  
some more about what we wanted to do here for the Lord,  
and he promised he would help us if we would write him  
from our new field.

We also sent our prayer letter to all the newspapers in  
the district I lived before I joined the family with a  
little extra note, asking them to print this letter for  
us, because through the paper we wanted to say good-bye  
to all my system friends whom I hadn't seen since I  
joined the family.

I didn't get any responses from any of these old "friends"  
but the day before we left we got a sweet letter from  
a 72-year-old man who just lives from his pension. He  
wrote us that he was so sad that his own children didn't  
have any love for the Lord and he felt so happy when he  
read that we were young people who still wanted to help  
others that he decided that he would help us and support  
us instead of his own children. This old man is still  
one of our faithful supporters and sends us a good  
donation every 2 or 3 months.

Well, after we did all we could, 2 weeks before the first  
of September we just had enough money to pay the 10%  
deposit on the plane tickets so by faith we went ahead

THE LORD FAITH
