and made the reservations, returning home to the campsite we stayed at after Lamb and Zecheus sold their home to start travelling with their van, with absolutely nothing left. The last 2 weeks before we were supposed to leave we just lived from day to day. We started forsaking the few extras we had, started packing and the morning of the 31st of August we were all ready to go, everything packed but.... with absolutely no money. I had to turn the tent upside down to find 25 cents for the telephone to call my mother to tell her the time of departure the next day. Standing on the promises of God we just knew He had to do it. He couldn't let us down after we put all our trust in Him and sure enough a miracle happened. That afternoon a very sweet couple with whom we had worked a lot before came to the camp site, and asked us if we had together that we needed for the

been able to get the money rest of the tickets. When we told them how things were, they handed us an envelope with the money we still needed for the tickets and even some extra for the first few weeks after arriving. It just totally flipped us out. And it was such a good feeling the next day when we left the Amsterdam airport for our new destination. When we arrived in Jakarta it was love at first sight. It is true, it's dusty and dirty and there is much poverty, but if you know that you are in the Lord's will, it does not matter what the conditions are like. "God's Word and His guarantees have no restrictions and no limitations except your faith" and we had total peace and conviction that this was our place in His service and He has never failed us yet. We found a nice little 2 room house in the very best part of Jakarta that we could rent monthly and while living there we got in contact with some very important govern-

ment people and some others who were pretty well off. After the baby was born we decided that we would like to start working with other family members and start a home so we could be more effective and fruitful. But again we had no money. Here you have to pay rent at least 1 or 2 years in advance so we borrowed the money of a friend and payed him back monthly. We found a good house, payed the rent on it and moved in, together with Elly and Amos and their little daughter. When we moved in, the only things we had were a double bed for the four of us and a double bed for the three of them and 2 chairs. We felt really challenged and ready to fight the battle and as we started pouring out, He started pouring in and September the first, exactly 2 years after our arrival in Indonesia, we were amazed to see how the Lord had supplied. We had absolutely everything we needed and even more than that: a fully furnished home, clothes, toys, books, plenty of everything, except money. In fact we had zero!! When the letter "Refugees" came out the Lord really spoke to us about leaving Jakarta to make place for the many new brethren we knew would be coming and we also felt that we needed to move on because after living in the same house for 1 1/2 years we did get kind of in a rut about a lot of things and we knew that a fresh field would really stir us up and re-inspire us. So we prayed about it and the Lord showed us that Surabaya, the 2nd biggest city, would be the place for us.

Again we had to just take it completely by faith. In the middle of all the packing, the very day before we were leaving Jakarta, I out FF'ing a few good-bye to him because very special. After the tried many times to without success. When him he was so happy asked if I could before we would leave. I was doing and went just so hungry for these heavy ques- to pray with him got so turned on for me to go he donation I ever 7 1/2 years rent and another donation furnish the place. It totally blew though we are faithless so many times, full. Thank you Jesus!!! These first few weeks here in Surabaya have been a new revolution in our lives. The people here are even more open and receptive to our message of love and every day we are out witnessing, provisioning, taking care of visitors and also since our arrival, now 6 weeks ago, 12 new stations have booked the Music-with-Meaning show. So don't be afraid to come to these poorer mission fields. Jesus Christ is the same, yesterday, today and forever and He'll take care of His own, no matter where you are.

With much love and prayers for a safe and happy exodus. Ruth, Isaac, Cristy(3 1/2) and Ancy(2).

MIRACULOUS PROVISION OF PLANE FARE, LANDING FUNDS, HOUSING & A MATE!

From Denis; Indonesia:

IT ALL BEGAN WHEN WE RECEIVED DAD'S ADMONITION TO "SHOVE OFF" FROM THE RICH WEST. At that time I had been in Switzerland for a year after coming back from India where I first joined. I was still missing the meek & humble people in the poor Third World countries who are starving for the Words of David. So when the first Letters on leaving Europe came out, that was it for me; I knew I had to do it as soon as I could.

AFTER SEEKING THE LORD DESPERATELY AS TO WHERE IN THE WORLD HE WANTED ME TO BE, I got this field, & as a confirmation I received a letter from a brother in this field with whom I was in contact. So after sharing my burden with the Home where I was staying, I went on the road by faith with the goal of getting my funds together for the trip. But I guess I was trying to do it too much in my own strength, so that after two months I was still at the same point & more eager than ever to be back on the front line. I even started to wonder if I had made the right decision, but I realised that if it was God's will He had to do it all & do it quick!

AND IT WAS JUST A FEW DAYS LATER THAT I MET A PRECIOUS FISH WHO GAVE ME A LARGE DONATION FOR MY TRIP as well as for landing funds. She was not able to forsake all herself, so she decided to help me. GBH! The same evening that I got the money I went right away to the airline office & bought my ticket. A couple of weeks later I landed here & was so relieved to be out of Europe & to find myself in Asia again!

FULLY SHOWED ME THE NEEDS & led me into what I was supposed to do. I decided to open a new Home to use as an open witnessing place & as a landing base for new arrivals. But again we needed a real miracle because in this country it's rather difficult to find good housing for a low price, & they usually ask for a year's rent in advance, which is quite a large sum of money & which we didn't have. So we got together & prayed that the Lord would give us a big house with a garden, telephone & most of all, a monthly rent, & sure enough, a couple of weeks later we got it, with everything we asked for down to the smallest details! PG! He never fails! Where God guides He provides.

AND THAT WAS ONLY THE BEGINNING, as along with the house & a precious team to work with, the Lord gave me the most precious gift of love that He had in store for me. I had to come all the way from Europe to get her, a sweet precious mate to encourage & inspire me in the new ministry He has given me in this new field--precious Maria who is now 6 months pregnant! TYU! So it
