FAMILY ON THE ROAD IN CENTRAL JAVA!

L-R: Levi with Eman, Tini with Seth, Angie, Cosandro with Christian and Maresha & Peter! We LOVE You!

Happy New Year of 1982, God willing it will be even more fruitful this year than last if that is possible! The last month was our most exciting busy and fruitful yet here in Indonesia.

With the coming of December and Christmas we decided to take a trip to central Java even though we were very low on finances at the time! We all decided to go in a stationwagon/truck that Levi had bought about a month ago. We needed new tyres as the roads outside of Jakarta are very bad so we prayed and God supplied 4 new truck tyres plus a sweet Indonesian Christian man to fit and balance them for us. GBH!

So we were ready to go, Levi & Casandra & 4 kids with Tini our Indonesian maid and both of us making 5 adults & 4 kids. One of the first things that happened was Tini our sweet maid got

able to pass out over 50,000 tracts and witness to countless hundreds of people! What a miracle! The mail ministry here in Jakarta have received hundreds of replies already from the seeds of Gods Word planted there.

Our Christmas shows were also a great success with hundreds of souls receiving the Lord from the shows the kids put on! They really won everyone's hearts! GBH!

saved hardly before we left Jakarta! Around night time we arrived in Cirebon, halfway so decided to stop the night and head off in the morning. We went to one of the nicest hotels in town and they gave us two beautiful rooms and breakfast the next day for under 1/2 price! That morning we hit the streets with God's Word. Markets, schools & shops and got out over 8,000 pieces of literature before heading off again around 12:00. That evening we arrived in Semarang. There we set up at the home of sweet Josh & Suzzie who warmly welcomed us and took us in for the next 5 days. GBH. In those 5 days we were

gone-disappeared! The Doctor who was in charge of the case was dumbfounded and sat at his desk quite puzzled so we explained to him that we had prayed them away! He was so impressed that he said he wouldn't charge us to help us continue our work in Indonesia. GBH!

This month we have already planned two more road teams, one to a previously untouched city of 1 1/2 million. Our printer was so impressed at how our last road team went he said he would print all our lit free from now on! Also God has supplied a contact which will enable us to fly free to many of the outer islands that have huge populations yet to be reached with His Words. Can you help?

We need your help to continue to reach these sweet people with His love. Please help!

One major miracle that happened this month was that Maresha got quite sick with kidney stones but we prayed and asked the Lord to heal her up and the next day when she went in for xrays they were all

MWM INDONESIA NEWS!

Dearest Family & Friends,
We love & appreciate you all so much & thank you for your prayers & support. GBH!

The Indonesian MWM Show is off & rolling!! Since Dad's message mentioning specifically that Indonesia should make its own local language MWM Show, great steps forward have been made. We are using a radio station's recording studio to tape a local MWM Show. They give us free use of their studio & we produce a show a week which they air & which we duplicate for all the other stations. We are now up to show No. 8. ETL!

The number of stations now broadcasting the English MWM Show has grown to approximately 100 & over 600 MWM listeners have written us over 2,000 letters! So with the MWM Show now in Indonesian as well, we have a vision for thousands more club members and much

fine fruit won. The Indonesian tape was sent to the stations to supplement the English show, and since our first mailing of MWM Programs 1 & 2 to 80 stations at the end of Nov., our mail response has doubled to 290 letters from the listeners in only three weeks!

DJ FOUND: As Dad has said, finding a good DJ is the most important thing. Well, thank God, we found one! --one of the main Indonesian translators, Michael Tea, to DJ the show! He has been translating for four years & really knows the Word & the spirit of David--& he has a real burden for his people. He has also had past experience as a DJ & musician & is familiar with recording studios. -TWT!

OFFICE TEAM: With the large volume of mail received & frequent communication with the stations, MWM shepherds, Corny & Nekoda's staff of secretaries working in the office has now grown to 5, two of which are full-time. Corny & Nekoda have been monitoring the stations, following up, corresponding with the DJs and booking
