

ROGUES GALLERY

The first want ad on page 90 of mag 50 is a deceptive lie from some backslider enemies who are writing everyone who writes them, feeding them lies and deceit, as well as their own anti-Family, anti-sex, and anti-Dad komix, and we have received at least 5 letters from homes on the field about the devil's dirty work, so that they should be immediately exposed!! They are "Find a Friend" Melita, Angel and Jonah Peter, alias Alfred La Piana in New York, and they are obviously connected with our bitterest enemies, and should not be received nor written to, but only rejected, as the scripture warns with such devilish heretics!! We honestly feel they need to be openly exposed as they have done a lot of damage, according to the number who have written us and forwarded us their devilish literature. PTL! WLYAPFY!! SERIOUS WARNING:

Excommunication of Elia Burnfree (photo left) and his followers. Elia is the undiscussed leader of a group of so-called brethren, that have since their formation been a cause of problems & stumbling for the rest of the Family in Italy. The root of their problem is spiritual

pride. They re-interpret the Letters & many of the things they do are contrary to them & they don't give a good sample of what our Family is. Because they are very much into the personality cult, they consider their greatest ministry winning influential people, & have already lost some good kings & fish of the Family because they approached them with the intent of getting them on their side. Some of their fish also after being financially abused have left them, some turning into enemies & some have found the real Family elsewhere. They are now moving to Venezuela where they have a house in Valencia.

Watch out also for Eliseo who is very much like his flesh brother Elia. They always try to get people & brethren to join their group. It's now one year that we have tried in many different ways to rescue them but to no avail, so now we see the immediate need to excommunicate them before they do any further damage & spread their disease all around the World. Elia's legal name is: Domenico Di Maio & his brother Eliseo's legal name is: Pietro Antonio Di Maio. Signed: Matteo Miracolo (HS), Marco & Marta (LAS), Francisco di Shangri La & Tabitha Dove (LAS), Titus & Gioia (DAS), Chronicle & Madian (GAS), Daniele & Mary (VS). WARNING: We'd also like to inform you of the excommunication of Paola Tesi (Talita),

a single sister with her child who, due to her mental handicap, has often been a tool of the enemy. She has been asked to leave the Family many times but she's always managed to come back in through some home shepherd short on discernment. She is a very bad testimony, always dirty & we've often tried to help her find some other place as a friend but

she insists on staying full-time & said that if we don't want her full-time she'd become an enemy, but of course we prefer an outside enemy to an inside one. Signed: Matteo Miracolo (HS), Marco & Marta (LAS), Francisco di Shangri La & Tabitha Dove (LAS), Titus & Gioia (DAS), Chronicle & Madian (GAS), Daniele & Mary (VS).

"THE LORD RAISED UP A REAL QUEEN FOR US in one of His typically unorthodox ways. At the same time opened up to us a new ministry that we had been neglecting. One night, out of necessity, all eleven of us (5 adults & 6 children) loaded into our motorcycle & sidcar (Absolute insanity!) & went to one of the many outdoor restaurants in the area. Not only did the owner of the restaurant give us all a wonderful meal & let us sit at all her customers, but she went around & collected donations for us. We went back a couple of times & she let us sing etc... She started to really pour her heart out to us about her life & problems etc. She began visiting us & in the month or so that we've known her, she has been over at least every other day. She's been getting closer each visit until finally a few days ago she prayed to let Jesus into her heart. PTL!—the real payoff! But in the meantime, the Lord has used her to supply 'exceeding abundantly' towards His work here." (Gibson & Mercy; S.E. Asia)

"THE OTHER DAY MY DAD ASKED ME HOW OLD THE OLDEST MEMBER OF THE FAMILY WAS. I said I know of one man who is about 70 who has been a friend of the Family for many years. Immediately my mother spoke up & declared, 'The Family is not all just young people you know, I'm almost sixty!' Ha! She really loves the Family & is always telling people about us." (Hezekiah & Leah; Australia)

"PROVISIONED PLANE TICKETS, HOTELS, & MEALS worth over \$1400. The Lord has shown us the 'Call of India', with many miracles & confirmations." (Luke & Marie; Australia)

"I'M COMPLETELY BLIND, but I had the chance, by the Grace of God, to be in kinesiatrics (massage). The Lord showed me how to use my job to serve Him better by opening the door in a big Rest Home for the wives of professionals who have had nervous breakdowns. I was in charge of the re-education, massage & relaxation of these women. They are so broken by the System & so deprived of real love.

THE LORD INSPIRED ME TO WITNESS TO THEM & to give them the Word & control the physical effect the Word was producing in them. Just think that they were naked & lying down on a table in a great intimacy, rocked by the penetrating & operating Word, under the influence of the Spirit, & caressed by my hands. That was a very fruitful FF ministry! TYJ! In fact, every Monday as I started my work a soul got saved—such an encouragement for the rest of the week. These women would not have received the Word nor the Spirit (because they are too rich & not enough broken), except in this particular situation where they could be witnessed to & saved. TYJ! It was an encouraging & inspiring experience. TYJ for your precious love & the Words of David. ILY! May God bless you!" (Serge & Nelly; Europe)

(Thrilling! What a fruitful way to witness! Can we hear more from you: How you became blind, its effect on your life, how you met the Lord, your life before & after joining the Family. You encourage us by living for Jesus in spite of a handicap. GBY! WLY!—Marta.)

"WE FINALLY DISCOVERED WHAT 'DV' MEANS! 'He is!' (Reuben & Rainbow; Europe) (Initials of two Latin words meaning God willing!)

Sneak Previews

—From a work report to Dad & Marta.

From Martin:

COMMENTS:—Dearest M., GBY & GIUNI ILY! What a blessing it's been to receive D's interpretation on the recent event in Egypt, the assassination of President Sadat! On the very same day dear D. was working on "The Suicide of America" & got all these heavy verses from the Lord to warn our Family & the whole World about the now-soon-coming destruction of the West, the Northern Hemisphere! Wow! At the end of most recent Letters D. always put "Tomorrow may be too late!" Now it's "Tomorrow will be too late!" TYJ! Well I always thought some day a Letter like this will be published & now this is it! It can't be long! It's so exciting & with Sadat's death God removed one more obstacle which stood in His way to pour down the judgements on a wicked World! It was so revealing when D. explained that so often throughout history God's people stood in God's way & it was such a clear warning to all of us here in the North to get out as quick as possible & not get in His way! LHM!

It's so exciting to watch now everything beginning to be fulfilled what D. has said for years & everything's right on schedule. TYJ! It makes me feel so blessed to know the Letters & to not sit in darkness & at the same time gives me an ever greater desire to reach the Lost out there which are misled by their leaders & don't know what's going on! "And they that be wise shall shine as the brightness of the firmament; & they that turn many to righteousness as the stars for ever & ever. But thou, O Daniel, shut up the words, & seal the book, even to the time of the End: many shall run to & fro, & knowledge shall be increased." (Dan.12:3,4.) Wow! Now is the time & we're about to see all these things happening in front of our eyes! Ha! TYJ! It's so exciting & every day becomes more valuable as time progresses & our Redeemer draweth nigh! ILY for D. to lead & guide us, xxx, ILY!

Another great victory is we finished the "One-Heart-Diary"-project & needless to say, it was one of the most inspiring projects so far as it made us dig into our Bibles & Memory verses to find the right answers to the quotations! I'm sure if that diary goes on the market, 7-Star will go bankrupt as ours is so much better & much more inspiring than their silly quotes of man's wisdom! Ha! TYJ! Now we're working on the "Security"-project which we hope & p. will become a useful publication to prepare the Family for the coming days & teach us all how to carry on our work despite of most difficult conditions under the AC! How exciting! Always some steps ahead—ha! PTL!

With lots of love, hugs & kisses — your Martin

The Mystery of Nivea

Some interesting facts on Nivea's place in history.

From Pearl: WS:

Dear Dad,

GBY! ILYSM! The "Nivea" dream was so amazing & thrilling & shocking with its admonitions to obey & warning of the consequences if we don't & so marvellous how God put the answer to the mystery right in the Letter! Such a wonderful lesson how God loves to puzzle us & play games with His children to challenge us to search out His Word & will. TYJ!

We must have fun watching us trying to search out His "Strange Truths"! We couldn't find out who Nivea was in the encyclopedia or Ref. books but I did find some interesting facts that I hope are relative & I'm not just reading them in or getting off track. Although we haven't found who she is in a book yet, I'm sure she's out there somewhere. Maybe no one has discovered her yet or wrote about her but you! But when looking up Nivea it was interesting to note all the words beginning with "ni, na, or ne" that have to do with the sea or water like:

Neptune—(Roman myth) God of the sea
Nereid—a sea nymph
nailed—water nymph
nephritic—a kidney inflammation
nymph—mythological semi-divine maiden of the sea
narwhal—arctic whale
nautical

Nautilus—also a Roman god of the sea
nefarious—wicked
navigate, navy
nemesia
Nun—means fish
nymphs—bride
And many cities beginning with "na" are located by the sea

Niveah sounds a lot like Nivea & there are some interesting facts about Niveah & water & judgements that are very interesting that were the Halley's Bible Handbook. It seems Nivea has been around a long time & punishing His children for disobedience. In Niveah were found the Flood Tablets & other accounts of the Flood agree that the Deluge was a divine judgment on human transgression. Niveah is described in Nahum 2:8 as "like a pool of water" & was surrounded by a great number of protecting canals. Niveah was the founder of Niveah & his name means rebellious, first rebel on earth in audacity & idolatrous wickedness. He was born right after the Flood & founded Babylon & Niveah

which were the leading Cities of the World. (Sounds like the States & some of the disobedient there!) Niveah according to Orde's was a "habitation of Nimrod". Niveah was founded shortly after the Flood & the term Niveah refers to the whole complex of associated villages served by one great irrigation system & protected by the one network of fortifications based on the river defenses. It was built at the junction of 2 rivers, the Tigris & Euphrates. After 2 years of siege a sudden rise of the river washed away part of the walls & the Babylonians & Medes through the gaps to conquer the city. But as you said the other night, Niveah was overthrown when the Babylonians & Medes came under the walls & overthrew her. Nahum had predicted that "the river gates would be opened" (Nah:2:6) thus predicting water to be a tool in Niveah's destruction. And then, of course, Jonah's whole story of how the storm was part of God's judgement on him for disobedience being out of His will & came into the sea & swallowed by the whale & only coughed up when he decided to obey & finish his work of going to Niveah & warn them to repent. Maybe Nivea was the one who had control of the storm & it was her God was using to bring judgement on Jonah's rebelliousness & later on Niveah's wickedness the same as she's doing today on the States & those who are still there & out of God's will because of rebelliousness.

Hope this is interesting for you, it does have some similarities & sure hope our Family gets out of the States soon & back in God's will before they get trapped & drowned by the judgements of God. ILY & thank you for sharing so much with us!!

Your Pearl XOXOX The "GO!" Niveah the end PTL! WLY!

P.S. There's a very amazing verse in Jonah which shows God's mercy on the children, "And should not I spare Nineveh, that great city, wherein are more than six score thousand (120,000) persons that cannot discern between their right hand & their left hand?" It looks like the Lord spares Niveah also because there were so many children in it. Maybe one reason the States haven't been destroyed yet is because we have so many of our little ones there & He's just waiting for us to get them out so they won't all have to pass thru the fire.

All Hail To The King's Love!

Expressions of Love from those close to Dad!

From John:

Dear D.,

ILYSN & am always taking a minute here & there to pray for you & all the work you have at this busy time. Thank you for the little project you gave me to work on. It means so much to me to be able to help in these little areas. TYJ!

I wanted to take a minute to write you a note to tell how inspired I get each time I'm able to walk you to dinner or to come in for our prayer before our walk. For about 3 hour afterwards, my head is in the clouds thinking that was so beautiful! The sweet things you said & the concern you showed. I used to hear testimonies or read in the Mag of people who had met you personally & how they said you had so much love & compassion but it's something that can't even be put into words or print what a beautiful experience it is. Today I walked out of the room after talking & praying with you & I told Dore, "I feel so inspired, I feel like I've just been to Heaven & back. Do you have the same feeling or is it just me?" She said, "Yes, it's so beautiful!" It's so hard to put it into words as it's such an indescribable feeling. I hope & pray I never take for granted the great blessing & special privilege I have in being able to work so close to our King. The great love & concern that you show can't even be put into words. I think a lot of us are going to get to Heaven & be convicted that we weren't more faithful & obedient to our King & Queen. Lord help me! I feel so loved & cared for when you always look to see what I'm wearing making sure I'm dressed warm enough. And the other day when I walked you to dinner & you went digging through your closet trying to find your extra hat for me to wear. I felt so bad & said, "I'm sorry to have caused you this extra bother." You said, "That's okay! I enjoy it! Besides, you're my son!" It made me so happy! I also thought it was so cute yesterday when N. pointed out a hole in your sweater you were wearing & you said, "Well honey, I just don't believe in wearing a new one until I've worn out the old one." Guess it's time to wear my new one now. TYJ! Where these enemies get these lies about living luxuriously, I just don't know. It just shows how deceived they are. It really shows that the Devil's mad at the good work we're doing or he wouldn't fight it so hard. Anyway, I could go on forever but I just wanted to take a time to thank you for all the kind things you always do. I hope & pray I can be a blessing & be faithful & loyal to the end. —Tke!

Much, Much Love in His & Your Service,

PTL! Tke! It's only Jesus, Son. GBY! WLY!

One of your many sons—John
