

From Eman Ardai, MCV:

Dear Ones,

GOD BLESS YOU! I LOVE YOU SOOO MUCH! I realise it's been a long time since I last wrote you & I want to apologise & ask you to forgive me for my slothfulness & for being so inconsiderate. I'm really sorry, I'll try to write more often.

WATCHING THE VIDEOS HAVE BROUGHT ME SO CLOSE TO YOU & has done so much to fan the fire of love I have for you both. The sight & sound of you has warmed my heart. Hearing the Lord speak through you & looking at me with your eyes has pierced through to the deepest part of my soul. I thank God for you. I realise more now than ever how much I & all of us need you & your guidance so desperately. You brought joy & happiness to my heart. These videos brought your words to life—'cause you are so alive! You sure don't look your age! Ha! I heard quite a few of the girls mention this, as well as how sexy you are! I'm sure they've told you. It was an unspeakable inspiration for me watching your kindly, fatherly visage there on the screen. Thank you so so much for allowing me to know you more & to come closer to you. These videos have been such a tremendous blessing to me, I love you more now than ever!

THE LORD'S BEEN SO GOOD TO ME, I CAN HARDLY BELIEVE IT! Allowing me to do these new covers has been a real desire of my heart come true! Thank you for your sweet untiring love which I don't deserve.

WHEN YOU TALKED ABOUT THE FUTURE & THE BEAUTIFUL THINGS TO COME, I

started to cry. It was so so touching & beautiful! I cried at other times too. Hearing you tell those stories about your youth & about John & Revelations etc...kept me constantly on the edge of my seat! And hearing you sing those beautiful old hymns while clutching the Bible really was the Peace d' Resistance! It made me want to reach into the picture & hug you & tell you how much I love you & what you've done for me & how sorry I am for being such a bad son in the past. That one scene renewed my conviction & faith so much. It gave me such a desire to love the Lord as you do & be intimate in my relationship with Him—to really love His Word. **ALSO I WANTED TO TELL YOU THAT I THOUGHT THE COLOUR PUBLICATIONS WERE GORGEOUS** & I think Hart & Zeb did a beautiful inspired job! It was all so impressive & overwhelming! TY!! I have a sketch of Faithy as Brunhild I'm going to send in some day. A crown (or crowns, hers & Rachel's) over her head & the musicians below her. We're doing the first club mag now & it's really inspiring. DV, I think it'll really be beautiful & a real inspiration to the club members.

IT'S BEEN REALLY INSPIRING LIVING WITH THIS LITTLE TEAM. They're all so sweet & full of love.

I THANK GOD FOR ALL HE'S DONE FOR ME. I just want to be a blessing & help to those around me as well as to you & His wonderful Family. I love you & need you so so much.

Love,
Eman

Thankful responses & reactions to the latest Letters & publications from our Worldwide Family! Taken from your monthly TRF reports.

Reactions to the Letters & Hugs:

"IT'S SUCH A VAST FLOOD OF MATERIAL, it's hard to absorb everything! It's really Aquarius! Latest FF Letters helped us a lot to get going again in FFing. Netura is far along in her pregnancy, but the Lord is using me (Aaron) instead. Hal!" (Aaron & Netura; Europe)

"WE JUST WANTED TO SAY HOW THANKFUL WE ARE FOR THE FANTASTIC MAGAZINES & MAM TAPES that are running our recorders hot,—and the Magazines run us hot & stir us to action to witness & love more all the time. It's just beyond words of expression what they mean to us & we could never show enough gratitude for them & those who labour so hard to produce them.—most of all our precious Shepherd & Shepherdess, Dad & Maria. We love you!" (Hannah & Jonas Shepherdson; Europe)

"I JUST WANT TO SAY THAT I REALLY THANK GOD & YOU ALL FOR THE FM'S & OTHER 'GOODIES', like the MAM tapes & books that you send. I know that they are really what help to keep me alive when things look so dark & it is such a fight. Truly cool water to a thirsty soul." (Heidi; Europe)

"GOD BLESS ALL THOSE HARD WORKERS IN WS who are publishing beautiful, sharp, clear & extremely inspiring mags." (Mezekiah Fix-it; S.Europe)

"THE LETTER THAT AFFECTED US MOST WAS 'US CANNIBALS' after which we declared a state of emergency. We've begun the process of liquidating almost all we own to see if we have enough to get us to the

field with landing funds. I sure hope & pray we make it. GHU for staying so long. LHU!" (Elijah Ever; USA)

"THE NEW FF LETTERS WERE SUCH A HELP & good & needed sample & 'up-to-date' FFing. I really learned a lot from Maria's recent adventure that I have already begun to apply in my own FFing." (Heidi; Scandinavia)

"'CHILD CARE JEWELS' WAS BEAUTIFUL, & with lots of good instruction. Dad's jewels seem like the Proverbs of the Bible,—all these jewels of wisdom." (Jeremy & Fiona; MAM I)

"'BACKSLIDERS BEWARE' HELPED ME TO SEE I WAS FAILING THE LORD in not putting my whole heart into His Work & that I wasn't moving forward but backsliding. I asked His forgiveness & am putting my all into climbing back up the mountain." (Sharon; USA)

"THE FF LETTERS IN THE RECENT MAG WERE FANTASTIC! Thank you so much Dad & Maria for being such good examples. Really inspiring to see how FFing is the most fruitful method of winning souls for Jesus—building great faith for the days ahead! Also the Davidic Book is beautiful. Thank you!" (Paul & David; Europe)

"'ROTTEN APPLES' REALLY GOOD ABOUT DISCIPLINE SINCE WE HAVE A HANDICAPPED CHILD YOU. We are very thankful that Sebastian is gentle & has a good spirit. He doesn't need much discipline, but that Letter showed us that we can expect more from him, to learn certain important things & not tolerate him being a bad sample for other kids." (Schafchen & Habakuk; Europe)

"'LATE NEW FLASHES' GETTING IT WHILE IT'S HOT & being on all the very latest is the greatest!" (Simon & Home; Urent)

"WE READ THE LETTER 'NIVEA OF THE SEA' WHICH TALKED TO US SO MUCH & enlightened us. TYL for Dad who guides us so marvelously! We prayed desperately for the Lord to deliver us & He did it within the week! We have found somebody to buy the caravan! Hal!" (Ami & Tabitha; Europe)

"'SING OF INDIA' I WAS PRAYING & THINKING ABOUT INDIA. We'd like to go there, but since we're French it seems we don't have a lot of possibilities to work there. Then a thought came to me that there's a part of India called Kashmir. It was an old French colony, or at least there were some French people living there before. Maybe the generation before got a little bit influenced by it, I don't know. What about that? Do you have something about this part of India? Anyway, this country is really needing the Light! TYL!" (Daniel & Rachel; Europe)

"'CHILD PSYCHOLOGY' OUR GREATEST VICTORY IS WITH OUR CHILD CYRIL (4) who changed after our reaction to this Letter. Before this Letter we tried to correct him, but without great conviction, because we didn't have any sample to follow or a great conviction in our heart. After this Letter we knew for sure that we had to do it & we've been more strict in our corrections. We even went to the extreme of buying a fly swatter & believe me, it works. He's paying more attention & has started to learn Psalm 29, whereas a few days before he didn't even want to listen to it or learn it. Thank You Jesus! We

thank you Dad for all the good care you give us, for sharing your experiences, & for all the love you give us!" (Serge & Nelly; Europe)

"'US CANNIBALS' REALLY PUT FIRE IN OUR PANTS. I feel like Dad says, this must be God's last warning. I cannot stay anymore here in the North. God willing, we're going to move South this next month." (John & Maria; S.Europe)

"'US CANNIBALS' WAS REALLY A SHOCKER & repressed on us the urgency of getting out now!" (Grace; S.Europe)

"'COMING KING OF EGYPT' IT SEEMS THE KING IS YET TO COME, but not long now! Everyone here expects trouble around March-April 1982, 3 1/2 yrs. after the signing of Camp David! The Endtime Poster & Calendar are really beautiful!" (Alan & Miriam; Mideast)

"'COMING KING OF EGYPT' VERY REVELATORY & INTERESTING. 'The Micro Revolution'—what a vision. We know what to get now. Also we really love the Condensations—really chewy meat. They make it easy to review long Letters, GBY!" (Peter & Rachel Pioneer; MAM I)

"'US CANNIBALS' HELPED US TO REALISE HOW THANKFUL WE ARE TO BE IN S.E.A. & to pray for those in the North!" (Solomon & Maria; Indonesia)

"'HOTEL MARSHALL' CAME OUT JUST IN TIME as we were doing some things that were questionable in 'ripping off' the System. GHU to trust the Lord more to supply." (Abanin & Charity; Australia)

"'ROTTEN APPLES' RIGHT ON! SHOWS ME HOW I WAS EXCUSING MYSELF many times for situations." (Carshena by Grace)

"'SOLITAIRE' REALLY BROKE OUR HEARTS & the Lord showed us to visit Shiloh's parents in Canada, especially her dad who has been a faithful supporter of the work, loves us dearly, & lives alone. The Lord has already supplied the funds for the

Dear ones! We love you so much, and continue daily to pray for your health, strenght protection and inspiration! You are so good to us in every way, and we truly feel like the happiest children in the world! This place is a piece of heaven on earth—a lost paradise found!! I never imagined places like this existed—it's so beautiful here in every way that after 5 days here I still feel I'm dreaming!! And at the same time I know I won't wake up because it's true!! Thank you Lord!! We are so thankful & overwhelmed! Katakia! Zach is going to flip out when he comes! This place is created for videoing!! It's mountains, hills, valleys, streams, rivers, palm trees, banana trees, pineapple trees, etc (about 15 different fruit trees)—tea plants, flowers in all brilliant colours, huge & small—animals, goats, cows, ducks, horses, cats, dogs, elephants, you make it! and all this at the same place. And it's nice & warm and not too hot, with the sweetest people I have ever met! So sweet, smiling, happy and simple. I have not yet seen anybody in a hurry, worrying, fretting around! I feel like I grew up in a back-ward country, after seeing here how life could be! It's like being saved all over again—and it sure has from the dangerous north—the cold, fast machinery that finally will be destroyed. We are all praying desperately for the rest of the work to escape and come here safe with all the equipment so we can continue to produce the greatest show on earth, and help to reap a mass souls and get the message out for all to hear, and this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come. (Mat 24:14) TYL!

In closing I just want to express my thankfulness to you for the privilege to come here it's just above all I ever expected or could deserve! I pray the Lord will use us to the utmost according to His will! IJN!

I love you so much and cling to every word you give! Hugs & kisses from Lydia.
