

"I Have Never Felt A Love Like This Before!"

Excerpts taken from letters written to me by my fish, Holly From Stephanas; USA:

"Something very special happened to me this weekend! A large gap in my soul has been filled... This is wonderful & fearful at the same time. I know I cannot go on living the life I do now, or have in the past. It feels so meaningless. The thought of living my entire life working my job, taking care of my home & isolating myself from what I know could exist really gives me a sad feeling...

Since I have been home I have been reading the Bible with such hunger, it is no longer an effort! Every free moment I get I'm zapping it off the shelf. I just want to learn & catch up I suppose on all that I was blind to see. It has helped answer some of the million & one questions I have. Prayer has also become enjoyable, sincere & faithful unlike before.... I want to follow the direction He has chosen. I want to serve Him. It seems I ask so much of Him & He gives so much to me. He gave me the most special gift there is this weekend ... It's been so long since I have been able to laugh & feel happiness as I did this past weekend!

"It's so strange, the communication I feel with you. Instantly I could open up to you! ... It is the Lord. I open the

Bible and each time it has to do with giving up what I have in order to serve Him. It is true though. You cannot serve the Lord & live the high style life I am used to & despise often. The luxuries & all the material goods are chains around my neck. They tempt you & bind you!

"Through you I have taken the Lord into me. He used you for this & I am so very grateful He did.

"I have never felt a love like this before & I am so thrilled that I know now that it exists!" (--AMEN! GBY!)

"WE CAN WIN THE WORLD FOR JESUS!"

FROM THADDAEUS & CRYSTAL:

What is that in thine hand? Nothing, Lord! Nothing but a few dumb little kids who sometimes seem more like goats than sheep. Hal! How many times we have felt like this, wondering how the Lord could ever use us. But never despise the day of small things and the little ones. We began practicing with our oldest boy, Simon, at the age of 4, simple little songs that he would sing to visitors at the house. As time passed, his younger brother Jeffrey joined him at 2 years of age, and then we began to step out more by faith into a public ministry of school performances.

About 2 years have gone by now since we began singing with the children, and they have had their ups and downs. Nevertheless, they are inspired and progressing well, especially with all the recent children's tapes from MWM and MCV.

During the past year we have been singing with the boys at various restaurants on a regular basis with inspiring results.

Recently, we made an all out attack on schools, orphanages, and old folks homes, winning nearly 400 souls. It's wonderful what a little love through the music can do. Directors of orphanages have commented that they have never seen their children so happy and inspired, and have heartily encouraged us to return.

At an old folks home many of the elderly were moved to tears of joy in seeing our sample of love and freedom. Several joined in along with the children in dancing to the Lord's music. They begged us to return, and we have since then when Simon led several souls to the Lord.

Daddy Thaddaeus and sons Simon-6 and Jeffrey-3 1/2 singing on a nationwide TV show

In the last several months we have done 5 shows on a prime time nationwide children's TV show which has reached millions with our message of love. It has also been a good PR boost for the work here. Use It! At the present time Simon is 6 1/2, Jeffrey is 3 1/2, and

Thaddaeus, Simon, and Jeffrey facing the cameras. WE LOVE YOU!!!

we now have a new addition of 1 1/2 year old Christopher who made his first public debut on our last TV performance. We are not professional by any means but simply use what the Lord has given us and rely on His inspiration. Little did we realize the impact the children would have until we began to be recognized by many on the streets. We will be pioneering new things with the boys as the possibilities are limitless.

especially with all the fabulous new material that we have in our midst. We just want to say to all of you, don't give up, but keep fighting and doing what you can and God has to do the rest, because He promised. With His Word and hands in our hearts and hands we can win the world for Jesus! Much Love, Thaddaeus, Crystal and family

MIRACLE BABY!

From Samuel, Anneliese, Sabine & Lydia; Europe

It takes an impossible situation for God to make a miracle!

Due to the chronic inflammation of the bowels, it seemed very difficult for Anneliese, to have a baby. In January '81 A. became very sick, and we did not know why. It was so bad, that we came together for united desperate prayer and anointing. After that she recovered very fast, it was just the answer to our prayer.

But that was not all the miracle! Soon afterwards we discovered, that A. was pregnant. It was much more than we hoped for.

Due to our desperate prayers, the time of pregnancy passed by without any difficulties and on 20. October she gave birth to our heavenly angel, Lydia! What a reward to the hardships in the beginning! The devil was still fighting, as she had to have a C-section delivery one week before time, because of appearing complications. But PTL, A. recovered so quick, that all doctors marvelled about her good state and told her, that it was just a miracle. And for sure, it was! TFL for His wonderful little miracles! --Amel GBY! LIVES CHANGED & HEARTS FILLED WITH LOVE IN INDONESIA From Brother Sun, Indonesia:

SINCE I CAME TO INDONESIA I led 5 fish to the Lord &/or the Holy Spirit! PG! Most of these women are still on our mailing list, one of the girls has dropped out to join fulltime, some are helping to litness or become Queens for our home, & many come to Sunday fellowship! PTL!

NINI IS A MIDDLE-AGED RICH CHINESE who I met because she was looking for an English Teacher & since I am American I was introduced to her. She was so lost & pitiful in a world of earthly treasures & idols that she practically fell into my lap--she was so ripe. Now she's saved & filled & on the way to a new life. She's asked me to sing & witness to her friends who are lost.

STEFY IS A STUDENT IN A UNIVERSITY I met while litnessing, as she was going to buy a book about Jesus. Later she came to our Church of Love & got saved & filled & is now litnessing with the Family.

LANI IS AN INDONESIAN "PLAY GIRL" who has many contacts in the upper class in Jakarta. I met her at a party where we sing & our songs in Indonesian won her heart. I visited her house where I witnessed to her the plan of Jesus & she got saved. She said so sheepily, "No one ever told me like that before!" She has since then

invited us to sing & witness at other parties.

THEA I ALSO MET WHILE LITNESSING. She's half Indonesian & half Dutch. She has a broken heart & often cried at night before she met the Family. She is 23. She married young & has a child & her husband is Japanese & over 40. Now she's saved along with 7 others of her family that we witnessed to at her father's house!

YVONNE IS A YOUNG CHINESE "WOMAN IN LOVE" whom I met DTD. She broke down & wept upon hearing our music & also got saved and filled. She wants to help us get our songs recorded in a studio for MWM.

SHANE IS A STRIP-TEASE DANCER THAT WE MET WHILE LITNESSING. We've shared MO letters & Bible with her & she's begun to memorize the set card. Once she felt we needed funds so she gave me a gold ring, right when we needed it. Does FF-ing pay?

MELANIE--NOW MARIA MAGDALENA --IS THE MOST RADICAL OF ALL THE FISH, who upon receiving the hook jumped right out of the water and right into the boat & began fulltime 100% service for Jesus! PG! I met her while singing in a bar & she right away invited me home to tune her guitar! We not only tuned her guitar we turned her on to Jesus!
