SO WE KNOW FF-ING IS GOOD BY ITS FRUITS. "Don't give up! Promise her everything & give her whatever she needs, &

When All Else Fails, God Heals!

LESSONS OF FAITH & DEPENDENCE ON GOD FOR HEALING!
From Martha Wildwind, Ven.:

WE WERE NEWLY ARRIVED HERE IN S.A. FROM EUROPE, when our little 10mo. old Jonathan came down with a high fever. We had desperate prayer & a fast day for him & some other children sick in the home.

AFTER A FEW DAYS, THE FEVER WENT BY & one of his ears started oozing a yellowish puss! That's when I got some mild penicillin & started to give it to him as we were told that the infection he had was very hard to get rid of.

WELL, WHEN THE BOTTLE WAS FINISHED & THERE WAS NO CHANGE, in fact, it had gotten worse, I started to really pray & seek the Lord & ask him why.

WELL, THE LORD IS FAITHFUL TO ANSWER when we ask Him with a whole heart and this is what He told me: "Let us remind you, however, that we who know the Lord & His healing power, if we fail to pray & be dependent on Him in every respect, then we shouldn't be surprised if all our other 'remedies' fail."

"HE UNDOUBTEDLY WANTS US TO REMEMBER THAT WITHOUT HIM WE CAN DO NOTHING. Our only hope

she'll remain one of your loyal faithful devotees forever. If it is stick-tuitive quality that you want, 'fruit that remains' go after the females!" (529:46,47)

WYI! HAPPY BOOKING!
(-Hallelujah!) Brother Sun

as His children lies in our faith in Him & our dependence upon Him." (Techi's Story, chapter 10:65)

THAT HIT THE NAIL ON THE HEAD as in my heart I was not really depending on the Lord but leaning to my own understanding & trusting in the medicine.

THEN OUR LITTLE JONATHAN GOT ANOTHER FEVER WHICH WAS EVEN WORSE THAN BEFORE, over 40 degrees & I gave him a little aspirin. While he was sleeping I really prayed that the Lord would give me a verse to claim, & this verse spoke to me, "And ye shall serve the Lord your God, and he shall bless thy bread, and thy water; & I will take sickness away from the midst of thee." (Ex.23:25)

HALLELUJAH! PTL! So that is what I claimed & the next morning his fever was gone & his ear was dry, overnight! My husband was so encouraged as he was trying to tell me the very same lesson, but it took a real desperation on my part to really see it. Praise Him!

ILY! & all your little ones, (PTL!) Martha Wildwind (TYJ!)

LOVE AWOKED IN MY SOUL!

BOY! We received this letter from a friend who Bethesda had witnessed to. She met him while witnessing & he ended up staying the night with us. The next morning at his hotel there were two pilots waiting for him, as he was supposed to be on a plane headed for Northern Brazil, as he was a special engineer hired by an international company. But he was so happy he didn't even care he was late!

And the amazing thing was we received this letter during the Malvinas War, & Ian is English & Bethesda is Argentine, which shows God's Love can overcome any barrier!

--Shadrach

Dear Bethesda,
God bless you & thank you for writing, my love. It was a beautiful letter & touched my heart.

First of all, I would like to thank you from the bottom of my heart for making my first two days in Brazil one of the most special two days in my life. I shall never forget them as long as I live.

You gave me faith in myself & in the Lord for the first time since my "innocent" childhood days & I must confess--seeing the way that you & your family live in Brazil tempted me very much in leaving Scotland & joining you there to live the same lifestyle as yourself.

The Daily Night book that you gave me was greatly appreciated, far more than you could imagine; Reading the book everyday has given me a totally different concept to life. The Lord seems to be down by my side whenever I am in stress, & in my job that is very often.

Bethesda, I miss you very much. I spend the cold Scottish nights alone thinking of you; you are so beautiful to me, "an angel of the Lord". I shall never forget the night that we sat on the sand, the only two people on the beach. You would sing a beautiful melody accompanied by the enchanting background music of the sea, & that night, love, you made me feel so happy & proud in a way that I have never

felt before. That night God was looking down on us & smiling. I could feel it, I could feel His Love.

Remember the day which we parted, on the rocks of the beach I said, "Oh well, all good things must come to an end." "No!" you replied, "God is good & Love is good. Neither of these can ever come to an end. Remember, love never fails because God is Love." Well, when those words came from your mouth, something inside me awakened from a very long sleep. God came back into my soul.

I hope to visit you in June-July for a couple of weeks as I miss you very much.

You must come to the U.K. to visit me & stay for some time. Pope John Paul II is coming here so that is the time for you to come & visit me & we can fly back to Brazil together. I would like that very much for us to be together again to see the Pope, & maybe he can bless us.

The political situation in Britain is not as bad as you fear it to be. The only problem is, excuse me Eric (American husband) that the Americans are building many war bases in Britain so Britain will be the front line. But right now it is two old men arguing over what they believe in, Reagan & Breznev, & their shout is harder than their sting, thank God.

You will like Scotland & England very much; apart from the weather the scenery is beautiful. Myself, I prefer Brazil & your beloved company. I have already had a taste of Paradise.

Bethesda, I love you & hope to see you this Summer. Please write back very soon. We must keep in touch. Remember what you said, "Jesus is good & Love is good. Both can never come to an end." My love for you, Bethesda, will never come to an end. I miss you & I pray for you & your family always.

Find enclosed all my love & kisses & a hug to your young sons.

Lots of love, Ian

(From 1981)
