

scious blessing I keep deep in my heart.—And you looked so good! Your face so kind & reassuring. "Faith is knowing"—you looked so happy, so sincere, so deep. The anointing the Lord has given you just shined out of the screen!

**EVERYTHING YOU SAID WAS SO EASY TO RELATE TO,** so easy to visualize. It was so feeding & convicting, & even tho' you especially challenged the unsaved at the end, you definitely challenged me to be a more faithful witness for the Lord & never be afraid to proclaim His Truth! Love, Uriah & Katrina.

From Mary-Magdalene; French MWM's D:  
Dearest Dad & Maria,  
**THANK YOU SO MUCH FOR THE BEAUTIFUL TIME YOU OFFERED ME AT LOVEVILLE!** It was so feeding & simple! I hope & pray that I can faithfully pass on the love & lessons I've received there. The most beautiful thing I'll keep secret, but it was to see you, Dad, on video, & your face often comes on the screen of my mind as an anchor, like an image of the Lord. You are my greatest love on Earth! **I DIDN'T REALISE UNTIL**

**Simon Peter Keep Movin'!**  
(Written by Michael Fogarty to the tune of "Gotta Keep Movin'")

Simon, one of God's children  
Since the beginning of time  
Looked for a Show that's  
Only seen by faith!  
Had to live like an Indian  
Stranger to the world  
Wandering without a resting place!  
Simon Peter could've been an actor  
But he got the Word from above  
To leave it all & join the  
Children of Love  
Tho' all his friends got angry  
Simon didn't fear,  
Said to himself, "I gotta plunger!"

**I'D GOTTEN BACK TO FRANCE** how much you & Loveville had done to me these past four weeks. In Loveville the Lord was not in the thunder or the earthquake but in the still small voice—thru your voice in the tapes, videos & CDs, thru the MWM tapes, videos & of course the sample of love & concern given by the brothers & sisters.

**THERE WERE TWO POINTS THAT STRUCK ME THE MOST PERSONALLY:** Simon's motivation to reach the souls of India that led him to do the Show in the first place, & your strong urge to give a Salvation message at the end of each of your videos, altho' your first field is the Family. It sure made me check my motives!

**ESPECIALLY WHEN I HEARD THE FRENCH MWM SHOW 2A & 2B** that I'd done. I'm sorry, Dad, for the result which is so slow, dragging, monotonous & the songs that lack variety. I should have looked at the souls it could help save & put my all into it, despite the fact that I was still a bit sick & under the shock of your message about Mitterand's election. Like you said, Dad, if we only

get one soul for the Lord we'd feel that it was worth it all!

**YOU CAN'T SPEAK FROM YOUR HEART IF YOUR HEART IS WRONG!** Well, I finally saw that my main motivation was to find where I could fit, where I could be fulfilled & happy, instead of reaching the French-speaking lost souls, & that was the reason the French MWM Show 2 lacked fire. Like you say, when you can't see your audience, you really have to keep the vision that you're actually talking to somebody! So Dad, please forgive me for not doing it even tho' I was warned by your tapes. The change of heart came slower; I have so much to learn!

**ONCE AGAIN I WANT TO THANK YOU** from the bottom of my heart for giving me this chance. Daniel reminded me that it was an answer to my prayer to be closer to you & Jesus! I love you forever in Jesus,—your Mary-Magdalene.

(Amen! GBY all! ILY!)—Thanks for your encouraging words of love & gratitude. I didn't realise I was gonna make such a hit & be thought so beautiful! Ha!—But Maria did, GBH! GBM & KMM a blessing!—D.J.

Get back to work until the job (Chorus) is done!  
He just had to keep movin'  
To prepare the MWM Show!  
He just had to keep pushin'  
Til it became the Greatest Show on Earth!

Simon moved to Athens  
Where he got the word from Dad  
To make the whole world  
Mad, sad or glad!  
So he called for some musicians  
With the help of Faith & Juan  
Til they got to be about 80 strong!  
140 stations booked within a year  
40 shows broadcasting loud & clear  
Now Simon is the Show itself  
And Dad his baby to grow  
Hence the International  
Music With Meaning Show!

new strength to fight. God bless Dad & Simon Peter. Faith & Juan were away at the time, so Chronicles gave Peter the car that Faith & Juan had given him for a very small price & asked Peter to sell it. In Greece this is a monumental task. Lots of red tape. By a miracle of God Peter sold it just before its permit was up & the Greek gov't. was about to confiscate it. TYJ!

**WHEN FAITHY & JUAN RETURNED & WE GAVE THEM THE MONEY FOR THE CAR,** guess what they did? They gave it to us! We were just amazed! God bless them! We just cried to see such sweet & loving concerned shepherds—giving always. Well, with this money we bought our first tent. Hallelujah!

**SHORTLY AFTER WE BEGAN CAMPING AN INCREDIBLY WONDERFUL THING HAPPENED!** I spent "7 Days With Dad" via 1-hour tapes every night! Wow! We were all in 7th Heaven! Music With Meaning for the World was no longer a dream but a clear & precise reality.

**ON ONE OF THESE TAPES DAD SUGGESTED WE MOVE IN AS FULL-TIME WORKERS AT MWM!** Wow! All the tapes were so full of love & encouragement to each one personally. To say the least, it changed our lives & increased our vision. Dad's voice so lovingly wooed & soothed us all. And all the pains & sorrows, troubles & woe of the past just melted away, TYJ! Thank God for such a wonderfully dedicated prophet who is always there to call us back & even search us out when we've gone astray.

**NOW TO BE HERE AT MWM IS FOR ME THE CLOSEST THING I'VE EVER EXPERIENCED TO HEAVEN!** Of course, the battles, testings & trials still exist. Hal PTL, that's what we all joined the Army for, & I'm glad I "shluck"! Love, Topaz. (PTL! GRY! ILY!)

## I'm Glad I "Shtuck"!

Five MWMers tell why!—And how!

From Simon Peter:  
Dearest Dad & Maria,  
**GBY! ILY SO MUCH & AM SO THANKFUL FOR THE PLACE OF SERVICE** that you & the Lord have given me & that I am able to be part of this tremendous ever-growing worldwide MWM Ministry! It's certainly much more than I deserve because, as you know,

**AT ONE TIME I WAS ABOUT TO FORSAKE IT & leave** my post & turn my bishopric over to another! I'm so thankful that you wrote to me that priceless lesson "Shtick" & that thru' God's grace, strength & mercy I have been able to do so & be used by Him in a way in which I feel completely incapable & unworthy. Truly His strength is made perfect in our weakness, & why God chose a fool like me only He knows. I guess it's Scriptural! (1 Cor. 1:27!)

**THIS WEEK WE BEGIN WORK ON THE VIDEO OF THE "LOVE TAPE"**. What a beautiful idea, Dad, that we should strip & make love before all & show the world the true beauty of love & love-making & show them that this is truly the Kingdom of heaven on earth! How marvellous to be able to give God the glory for sex, the most exciting wonderful thing that He's given His children to enjoy! How thankful we are to you, Dad, for being so sexy & for helping us to enjoy life, love & sex to the full!

**TRULY WE ARE MORE BLESSED THAN ANY OF GOD'S CHILDREN EVER** have been. We have so much more Word, so much more love & instruction & counsel & shepherding & training than any Christians ever had before! And it's all thanks to you, Dad, & your faithfulness to "shtick" over the many years.—The longer that I'm in the Family the more clearly I can

Simon Peter, the original MWM shlicker—Hal—Now being mightily used by the Lord as the result of his obedience & faithfulness

see just how great a prophet you are, so much greater than any who have gone before.

**MAYBE WE WON'T FULLY APPRECIATE HOW GREAT YOU ARE** until we get to Heaven & see you on the right hand of Jesus & how ashamed we will be then that we didn't obey you more, jump to it quicker when you gave the Word & shtick to the Letters more closely.

**PLEASE FORGIVE ME FOR MY WAYWARDNESS** in the past & for not serving you as wholeheartedly as I could. Thank you for your faith in me & for your tremendous constant love & encouragement, for all the so many encouraging & strengthening things that you've said to me on your tapes. Dad, it's these that have made a new man out of me & have given me the faith to step into the role that the Lord wants me to play with all my heart!  
**I REMEMBER ONE BEAUTIFUL**

**FUL SPRING DAY,** just like this, in England in 1973 when I first joined. I remember the joy of my salvation welling up inside & I was so thankful for it that I just cried & desperately prayed that the Lord would never let me leave the perfect path that He had planned for my life but would see me thru' unto the End so that I could indeed look Him in the face & hear Him say, "Well done, thou good & faithful servant."

**TRULY THE LORD ANSWERED MY PRAYER WHEN I RECEIVED THAT LETTER FROM YOU** that kept me abiding in my calling, & it is because of this Letter that I am still here today, & I pray I can continue to "shtick" close to you & the Lord so that He can continue to use me to MC His music & to speak your words to the people. The only way I can ever think to repay you to follow closer than ever before & with God's help never leave an "unguarded moment" so that I disappoint you & cause you heart break as others have done.

**YES, I'M GLAD I SHTUCK!** But I can only give the credit for that to you & Jesus (Jude 24). I hope that the fruit of the MWM Ministry will encourage others to do the same & not ever leave their plough in the field as I could have done. Your thankful son,  
—Simon Peter. (GBY, Sm' ILY!)

### FROM TOPAZ:

**ON THIS SUBJECT I CERTAINLY HAVE TO GIVE CREDIT WHERE CREDIT IS DUE,** that is to Jesus, "the author & finisher of our faith". When we are faithless yet He remaineth faithful. So many times things looked pretty dark & gloomy & even hopeless but thanks be to Jesus we "shluck"!

**I GUESS THE LORD KNEW THAT BEFORE HE COULD GIVE US SUCH A MIGHTY BLESSING** as working with MWM, some good hard testings &

initials. As the time we had our idea why we needed the Lord had in store. But looking back now, we have a thankful understanding that all this was necessary.

**"WELL, WE NEVER BACKSLID ALL THE WAY."** That's what Peter & I & our at that time 3 children & a precious Danish sister named Grace told ourselves. Ha, ha! But what we have come to learn is that you can backslide within yourselves while still thinking you're in the Family. Just like Dad has told us for years.

**WE ALWAYS SEEMED TO BE BUSY**—busy being selah, busy at system trades to support ourselves, busy worrying about the new babies that were soon to be born (Grace was pregnant with a Jesus baby & I with our 4th). Sometimes we were busy worrying about the rent, the utilities & on & on. But we really were not trusting & seeking the Lord's solutions thru' the Word. So of course problems just tumbled about us & heavier came each task.

**WE HAD BEEN IN GREECE ALMOST A YEAR WHEN FAITHY & JUAN ARRIVED.** And were they ever a refreshing sight for sore eyes, as the expression goes! The whole area at the time was going thru' a purging. And Faithy & Juan really helped us all to get back to our "First Love". Chronicles & his family had just arrived from America. Then came Jeremy, then Simon Peter, then Michael. Whew! It was so exciting because we could feel in the Spirit that God was moving & working & about to accomplish something great!

**WE BEGAN SINGING TOGETHER AT THE CLUB** in Athens that Peter helped pioneer & was also working at. We also recorded some of the first songs in the new studio. These were some of the happiest days I had had in a long time! I truly felt new life & purpose in not just singing before a crowd & then it's finished

Co-MC of Music With Meaning—Topaz! "...with shimmering shoes the shines with a light without end!" (777:20)

but putting it down on tape for many, perhaps not forever but for a long time, TYJ!

**AT THE TIME WE WERE LIVING IN A ONE-ROOM APARTMENT** in the middle of Athens. The camping Letters were exciting to us but we just didn't see how we could do it with two babies on the way in the middle of winter & with no extra funds or any camping equipment. Then, boom! "The Crash Is Here" came! And boy, did that Letter shake us up! We began to really pray for the Lord to help us go mobile somehow.

**AT THIS TIME CHRONICLES & PATIENCE DECIDED TO GO BACK TO AMERICA.** This saddened us as we were very close to them. But his father had offered him help in going mobile or getting a refuge & he felt it was what he had to do. After they left many times the thought would come to us to "go back". But I noticed the thought came only when we were the most down & discouraged, so we knew it was just the Enemy.

**I REMEMBER READING THE LETTER "SHTICK"** & it being such a help in giving me

### FROM ABEL SEAMAN:

Dear Dad, Maria & all,  
**HII GBY & THANKS SO MUCH FOR ALL THE BLESSINGS** you send us. I wanted to write & let you know that I'm glad I shtuck too. It was only one year ago that I wanted out of here as it was so hard—sleeping in a tent with holes in the cold of winter, without heating, & alone.

**BUT NOW, ONE YEAR LATER,** the Lord's blessed us with beautiful tents, electric heaters, rugs, bungalows & even caravans! And no longer alone due to the greatly increased sharing as we're becoming more "One Wife" here. Hallelujah! That's a real victory!

**"THE JEANE MANSON REVELATION" WAS A PERSONAL COMFORT** as sometimes I feel I should be mated by now, but it's less of a problem due to the wonderful care we get here. Boy, do we have such loving mothers & sisters. They make it easy to be single. It's really a "Family Marriage" here more & more, & the sacrifices our precious mothers make for you really inspire me to want to do more for them & their children! So that's been a real victory. In conclusion, it's been a real blessing to help here in any way I can. And thank you, Dad, for your tapes. We just love 'em & they have sure made it worth "shucking"! I'm so happy to be in your & Jesus' service. Love, John. (PTL! WI, Y!)

### From SOLOMON DRUMMER

**PTLI I'VE BEEN AT MWM FOR ALMOST A YEAR NOW** & it's been the best, most fulfilling & satisfying year of my life. I thank God I "shluck" because I can see how the Lord has used me. And the Lord's personal words thru' Dad to me were really worth "shucking" around for!  
**WHILE HERE I'VE BEEN THRU' TRYING & TESTING TIMES,** mainly thru' sicknesses,

Abel Seaman, Loveville Log Keeper & teacher to the camp's children, reading with Marsha, 3iv, of Jeremy & Fiona.

but the Lord is helping me to keep hanging on. If I weren't here I dread to think what I'd be doing. I'd be a mess just like I was before I came here! So I thank God for His continued mercy in using such a one as I. Yes, I was a backslider, but now I'm enjoying the benefits, PTL! God's way up is down!

**BEFORE I JOINED THE FAMILY I WAS A LOST DEFEATED HIPPIE DRUMMER** watching the flame of my life slowly flickering out before me until the day I met Onesimus & Adoriam in a park in Bromley, England & they led me to the Lord. Two weeks later I forsook all & joined full-time.

**FOR TWO YEARS I FORSOOK PLAYING THE DRUMS,** trusting the Lord to use it in His time. Well, His time came when I was in Dublin in the form of a phone call from Martha saying, "We're opening a Poorboy Club in London. Would you like to come & play drums?" I was there in London for a long time learning many valuable lessons, mainly by mistakes.

**THEN I WENT TO AMSTERDAM** & helped in their Poorboy Club, then accepted an offer to go to Athens. I was there for 6 months but wasn't happy so went back to England for a while. Then Zach & Shalom wrote me

from Belgium & invited me over. This was the beginning of "TLC" & I really enjoyed being with them. As long as we were recording & getting new songs, it was great. But when we didn't, things began to stagnate.

**DURING A STAGNANT PERIOD I GOT A JOB** at a piano bar in Antwerp. There I met a Russian girl I liked & thought I'd try & win her to the Family. I moved in with her mainly to get away from the upside-down home I was in at the time. Well, living with her, having a job in a night club & not having much fellowship anymore started me on my downhill road.

**AT ONE POINT I TRIED GOING TO ITALY** to be with MICHAEL & JEREMY, feeling that if anything was going to happen with Family music it would be with them. But while there I didn't see anything happening, so I went back to Belgium to the same club, the same girl, the same rut. But I did keep writing to Patience, Michael's wife, which in the end helped bring me to MWM, PTL!

**WHEN THE LORD WAS READY, HE CLOSED ALL THE DOORS IN BELGIUM** & I finally woke up & applied for clearance to MWM. I'd had enough world & I wanted the real thing again! I was invited, so I bought an old

car & here I am! I've found my calling! Wow! What peace, TYJI Much much love, Solomon.

**FROM WINDY:**

Dear Dad & Maria, ILY BOTH SO DEARLY & am so thankful for this moment to write to you & tell you how happy I am that I "stuck" & continue to "stick"! In coming to MWM the Lord brought me to the end of myself. For it was here in all the light of the most wonderful sample I had ever experienced of love & sharing & honesty, that my failures, sins & shortcomings came out in the open as never before.

**WHILE HERE THE LORD HAS LED ME INTO BATTLES** that I had never had before— to spiritual confrontation of change & repentance, even of physical affliction. Oh, such big mountains, I just cried as I climbed them, hanging on to Him for dear life, face-to-face with death to myself & my pride & selfishness. I just knew that it wasn't a mistake, & surrendering into His arms was my only comfort, TYLI

**TTL FOR FAITHY & JUAN WHO HELPED ME TO UNDERSTAND THESE BREAKINGS** & lessons that the Lord was allowing me to go thru, "to become nothing but a tool & a channel, nothing but a little diamond dust..." (DM1:3). For when some of those nights were so dark & those days so dim, they really helped me to look to Him!

**MOST OF MY NINE YEARS IN THE FAMILY I HAVE BEEN AN INSPIRATIONALIST,** witness & the past two years before coming to MWM a year ago, an F'er. I loved the freedom of being a street fighter, a wild & woolly, willing witness of the Words of David! **I HAD BEEN MATED TO ABISHAI** for four years whilst in Paris, after which he became mated to Francoise, & the Lord

"Bouncy" Windy, a valuable asset to MWM's growing Kid Power in their witnessing & performing!—Here with Dicon-12, Heidi-10, Koa-8 & Celeste-6, with Michael on piano.

blessed their union with a beautiful little girl, lil' Windy, a real answer to my prayer for the Lord to give him a child.

**AT TIMES I WAS SADDENED & A LITTLE CONFUSED** why the Lord never gave me a child, for deep-down in my heart I knew that my life as a single independent was not good & that I needed some responsibilities of motherhood for my maturity & to draw me closer to the Lord. So I always felt inadequate in this area of my life with a consequent lack of faith in my ability to be a blessing to our children. But as I've found out, "the best ability is availability!"

**THE LORD HAS WONDERFULLY FILLED THIS AREA OF MY LIFE** with a greater love & sense of responsibility for His lil' prophets. The song you commented on, "He'll Take Care of His Own", with your sweet words of love, this song was written last summer while I was putting Katusha, Fiona's 6th, to sleep.

**TTL FOR FIONA WHO HAS SHOWED ME SO MUCH LOVE** & patience & an example of a Real Mother. She & Jeremy have gone for the two-week rest period that you suggested, & Andrea & I are keeping the home fires

burning. So even tho' I'm still "bouncy" for the Lord, I'm learning to keep my feet closer to the ground, lest I get lost in the clouds!

**IN CLOSING, I GOT THE VERSE:** "If ye continue (stuck!) in my word, then are ye my disciples indeed, & ye shall know the Truth & the Truth shall make you free" (Jn. 8:31-32). Thank you, Dad, for your ever precious words of love & truth that have set me free to do His will & given me the courage to yield to Him. Your messages of love to me that I heard on the tapes you've sent just send me into the heavenlies! Oh, ILY & hug you & kiss you & TTL for you, & Maria too! You are my loving King & Queen A Queen of hearts & a King who's been A father & a shepherd too To lead me in what I'm supposed to do.

-To want to be a holy hole!  
-To sing with all my heart & soul!  
-To be a blessing every day!  
-In everything, in every way!  
Thank you for your love so true, I love you, Oh, I really do! Close in your arms I find sweet rest.  
I want to "stick" & do my best! Love always & forever, -Windy (I'm stuck on you too! GBY)!

Gypsy Video! Celebrations! French Visitors! Products of Progress!

From Paul & Marianne:

King Abraham (Angelo, seated in center) surrounded by his Gypsy Band (standing) Sule, Margarita, Hoanna & Maria, (seated) Sunny, Solomon, Windy, Angelo, Patience, Paul Michael, Sabina & Phoebos. Photo by Tiras Seeds.

**"THE GYPSY LIFE IS ALL IN SONG & MUSIC..."** And how close we feel to Abraham & his gypsy band of old here in our musical heaven, particularly during the beautiful Springtime when all nature around us explodes in bloom, & our colourful-skirted Gypsy girls grab their tambourines & our gypsy men their guitars for two beautiful evenings around the fire, singing & dancing wild & free for our special Gypsy Video Show! It comes so natural, as it is so much our true Family spirit, we can really feel one with those Gypsies of old, particularly when Abraham, beautifully interpreted by Angelo, tells his own story & ends with a very moving song "Abraham the Gypsy King!"

"Abraham, watch your children play..." Angelo & little Maria, daughter of Tracy & Joan.

**SHORTLY AFTERWARD, TO KEEP US FROM SETTling DOWN FOR TOO LONG,** at the request of our faithful king & camp owner, we all moved to the other & wider side of the campground. This may seem a small operation, but moving & reorganising our growing family of 70 with all its little families, tents, caravans, communal kitchen & dining room, fixing up the electricity again, dishwashing area, a shaded taverna & school area, took more thought & work than we first planned! But thanks to our faithful helpers Andrea, Tiras, John Cloud, Timothy Fix-it & all the other willing workers of the camp, along with Silas & Endureth who have been such a tremendous help with managing the camp-life & organisation, we were totally resettled within two weeks without stopping all our other activities of audio & video recording & the arrival of new visiting brethren!

Gypsy Dancers Peruvian Manuel, Norwegian Phoebos, Italian Andrea & German Maria. Photo by Tiras.

**BETROTHAL!** And with such a big family, we always have something to celebrate—birthdays (which we have one for each sun sign), new visitors, new exciting Letters & precious comments from our faithful shepherd. This month we had two special celebrations—first the betrothal of Peruvian Manuel, our precious teacher, inspirationalist & KP Show originator, & beautiful German Maria whom he went himself to fish in to the Family from her empty life of drugs & loneliness in Germany! GB them both, they have been growing a lot in the 7 months they have lived together & are a real blessing—& adornment—to the camp!

**AFTER A REVOLUTIONARY MARRIAGE SKIT** by Angelo, Endureth, Topaz & Peter, which made us all laugh at ourselves, we read

"One Wife" & both Manuel & Maria repeated, "By the grace of God I am going to put Him & His Family first!" & shared a little of their testimonies & how the Lord had brought them together & the Family read different DMs on love, unity & giving. It was beautiful & sweet & reminded all of our real marriage to the Lord & our Family first, PTL!

**WE CELEBRATED EASTER WITH OUR GREEK KINGS, FRIENDS & NEIGHBOURS,** led by them in their traditional way, adding only our happiness & rejoicing in songs & dancing to their rather sober feast. It was a beautiful sunny day, & we woke up early to help our king set up the fire to roast the lambs & to prepare the various Greek dishes—tzadziki (thick yogurt with grated cucumber & garlic), potato salad, Greek salad etc., set up our long tables decorated by the artistic hands of Francoise, prepare a show-around the theme of Easter etc.

Our campground queen & friend teach us to fix the lamb the Greek way! Photo by Tiras.

**THE MIRACLE WAS THAT WE WERE ABLE TO FEED 100 PEOPLE ALL THRU THE LORD'S FAITHFUL PROVISION** thanks to our precious & hard working provisioners, PTL! Apart from the abundance of fruit & vegetables, they were able to provision 3 big lambs, 80 litres of wine & all sorts of other goodies to make a real feast for all, GB'M!

**SPECIAL GUEST TO OUR CELEBRATION WAS JOHN,** faithful friend who owns a club in town & has been a long-time king & friend to us & recently received the Lord. It was his first visit to "Loveville" camp, & he was so touched by the Spirit & by the children! After the children did an Easter skit & sang Easter songs both in English & Greek, all the crowd who had gathered around when they heard the music, hushed one another so they could hear our friend & new convert John whole-heartedly & reverently read the Easter Story from Matthew 28 in Greek!

**WE HAD SUCH A HUNGRY & RECEPTIVE CROWD OF OVER 50 ONLOOKERS** that we went on & on singing & then dancing, some Greek girls stepping up to do some of their beautiful dances with Uriah playing Greek songs, then finishing up with Gypsy songs & dances, everyone dancing in a long chain all around the tables! The Greek people were so touched by the children & by our happy singing & dancing that many asked if we would do it again next Sunday! It certainly was a real witness to all!

**OTHER VISITORS TO LOVEVILLE THIS MONTH WERE SOME MORE OF THE FRENCH MWM CREW!** First Michael & Sunny Listen came for two weeks, soon followed by French Canadian Gideon, then French Joseph, Abigail & Mary Magdalene came in time for Easter. With Mary as its MC "Music Magique" seems to be ready to roll, PTL, to reach every French-speaking tribe & nation with the Gospel!

Michael & Sunny & daughter Virginia!

**IT HAS BEEN SUCH AN INSPIRATION TO SHARE WITH THESE PRECIOUS BRETHREN** the lessons we have learned since MWM began, how lives have changed thru returning to full time service, whole-hearted obedience & loyalty to the Words of David under the loving oversight of Faithy & Juan & the constant encouragement & guidance of our faithful shepherd, knowing that all this experience & training will help them to reach a whole other part of the world! How inspiring, too, to see Angelo & Sarah produce their first four beautiful Italian shows. Indeed, "this year the world!"

**BUT ABOVE ALL THE GREATEST EXCITEMENT & SATISFACTION** is certainly to see that these new projects are getting completed! God bless all our precious musicians & performers & video team who have been working all they can to get as much out as time allows! Accomplishments for this month include an hour drama tape, a witnessing tape, a disco tape, a children's song tape, a Mo Song tape with musical accompaniment, a Daily Might tape, plus recording 7 songs from Michael Mountain & several also participated in the making of the first four Italian Shows. We also just about completed an hour "Love Video" as well as a regular show & children's dance class by Topaz & our KP, PTL! It is so exciting to see the work progress, & we are sure thankful for Dad's constant inspiration & challenge to get us stirred up & moving, always inspiring us with new projects!

**WE REALLY LOVE YOU ALL** & are so very thankful for the beautiful notes of love & encouragement we receive from our Family all over, for the support & prayers you send our way, as we certainly need both! We love you & are praying for you too! Love, Paul & Marianne.

"Welcome home, Gideon!" Photo by Tiras.
