

His Dream Gives You Strength!

AFTER A DREAM WARNED OF 2 HOURS OF PUSHING BEFORE GIVING BIRTH!

From Lydia West; S.E. Asia:

PTL FOR HIS PRECIOUS GILTS FROM HEAVEN! Ours came on March 24th—a 7 lb. 14 oz. baby girl named Pandita Dawn. This birth was by far my most beautiful experience, although the hardest. "The greater the battle, the greater the victory!" (727:136)

I HAD FALSE LABOUR TWO WEEKS EARLIER, with a bloody show & dilation, & 50% encephalment of my cervix. I stayed in the hospital that day & over-night but it was not until the 23rd that I began labour again, being overdue.

HOWEVER, MY CONTRACTIONS WOULD NOT GET STRONG, so by the afternoon I was given an I.V. with the hormone to bring on my contractions. Then, within half an hour I was in hard labour, & in half an hour after that I was completely dilated & starting to push, which I had to do for the next 2 hours.

"HIS WORD GIVES YOU STRENGTH FOR THE BATTLE!" (155:5) I had already picked out key quotes & scriptures on fighting, because of a dream I had 2 weeks earlier about the baby being stuck & having to push & push. With some of my other children I'd had dreams of their births which came true also.

I DREAMED THAT TIMOTHY (MY 2ND) WOULD BE BORN OUTSIDE A HOSPITAL, & therefore got all the things needed in case it happened. Sure enough, we began travelling in a big caravan—on the road—& he was born in one of the trailers.

I DREAMED THAT SHALAM (MY 5TH) WOULD BE BORN IN A HOSPITAL, so we moved out of our decky, cold cabin in Burlington to a warm, multi-story cabin. The new born nearly 3 weeks early! So,

Lydia's 5 oldest: (l-r) Davina, Deborah, Shalam, Daniel & Timothy.

although I couldn't say if the dream was from the Lord, I did feel I needed to be better prepared for any difficulty.

"THIS TIME, BECAUSE PANDITA WAS IN A FACE-UP, HEAVEN-WARD POSITION, & the cord was wrapped 2 times around her neck, & my bladder wall had fallen in front of her head blocking her from coming out, I had the experience of some "Greater Victories" & learned to "endure hardness" as a good soldier, that we may please Him who hath called us to be a soldier." (11 Tim. 2:1-4) Although it was a good fight, it never seemed like 2 hours.

AT ONE POINT, WHEN I WAS SO TIRED & beginning to look at the waves, I looked over at Marc, who had his eyes shut & was really in prayer. It made me look up, & all the Word came to me again: "Though He slay me, yet will I trust in Him." (Job 13:15)

ELISHABA WAS HELPING ME BREATHE & RELAX, & her stand of faith & continued coaching helped me get back up on top of things. Then I felt like the Lord poured all this strength back into my body. Marc, in his prayers, was also rebuking the Enemy.

"THIS WAS THE REAL TURN-AROUND. The doctor had been pushing in & up on my bladder as I pushed down. And now, finally, the Lord had the doctor back the

bladder over her head. I was able to push with such renewed strength & longer than ever before! It wasn't long until Pandita was crying & lying on my tummy! TYJ!

I HAD READ TECH'S "BIRTH MIRACLES" OVER SEVERAL TIMES, & her testimony & scriptures there gave me such faith that as Maria says, even "...if you do have difficulties, the Lord lets it happen as a test or a testimony, & He can over-rule all damaging effects, because you are His child & it is His precious baby—& by His miracle-working power, things that seem do not have to be..." (789:16)

ALSO: "HE SHALL DELIVER THEE IN SIX TROUBLES", yea in seven there shall no evil touch thee." (Job 5:19)

"THE LORD WILL PERFECT THAT WHICH CONCERNETH ME: thy mercy, O Lord, endureth for ever; forsake not the works of thine own hands." (Psalm 138:8)

AND QUOTES FROM "FIGHTERS" like: "A real soldier likes the battle! He likes to fight!...If they don't want to win, they don't want to fight!...No rose without a thorn!"

SO NOW WE HAVE 7--2 BOYS & 5 GIRLS! And the Lord's allowing the difficulties gave me what I needed—to learn to be a better fighter --& all the way to the end! All the glory to Him for His strength & Word to deliver me! (PTL! GBY! WLY! D.)

Expecting God To Answer!

GOD'S DELAY RESULTS IN ANOTHER WILLING WORKER FOR HIM!

From Josh & Miracle; S.E. Asia:

I JOINED THE FAMILY IN CANADA IN 1975 & CAME TO THE PHILIPPINES 7 MONTHS LATER. My wife Miracle is a Filipino & we have been mated for 3 years & have 2 children. We have kept busy & always felt fulfilled in the Philippines until last Christmas when we began to have itchy feet for a change.

IN MARCH WE DECIDED TO GO TO HONG KONG, & on April 1st we told our home that we would be gone by May 1st, giving us one month to raise all our fare & make the necessary plans. I began work on our legal papers, & we continued witnessing & FTing, expecting miracles.

DURING THOSE MONTHS, WE RECEIVED GRANDMOTHER'S BOOK with "Streams That Never Run Dry" & also the new "Daily Might" book. We wanted to go right away & hoped the Lord would do it, but the trying of our faith is more precious than gold; & faith is the substance of things hoped for! (Heb. 11:1) Dad says: "One of the biggest lessons you're gonna have to learn is to wait for the Lord to work."

SO, WHEN MAY 1ST CAME, we were broke & hadn't seen the miracle. But we had been reading "Streams" a lot & knew we were being tested on our stand of faith. We decided to go on the road, so we packed up, borrowed 3,000 pieces of lit & went to a town where a U.S. naval base is located.

AN AIRCRAFT CARRIER FROM THE INDIAN OCEAN was in port, & we witnessed steadily for 10 days, distributing most of the lit & witnessing to many young sailors. It was really exciting & fun, & we were able to raise about \$200. But then the ship was about to leave & we knew the

town would soon be deserted, & still we weren't half way with the needed funds.

WHILE TAKING A WALK TOGETHER we had to laugh at ourselves because we realized that we just couldn't do it; it was an impossible situation, & it had to be all God's doing! We too, like Grandma, felt exhausted with our efforts, & the Enemy tempted us to fear & feel that somehow our faith had not been quite big enough, that it had not been built up to quite the pitch necessary to meet the demand. But TTL, with the help of Grandmother's testimonies & the Daily Might, we hung on! And we felt so good knowing we didn't have to do it!

AND GOD DID DO IT! That night I met John while witnessing. He had arrived the same day from California where he is stationed in the U.S. military. A year earlier he had visited the Philippines & met & married a local girl, but then he left her behind when he returned to the States. Then, four months ago he got saved, & so completely changed from his drinking & drug abuse that he really wants to serve the Lord.

BEING UNHAPPY IN THE MILITARY, HE TOOK 30 DAYS LEAVE to return to the Philippines to see his wife & to hear from the Lord. He came over the next morning to visit us, & we read "Did God Make a Mistake?". He fell in love with us, the music, the fellowship, etc., & for the next week he visited a lot, reading many of the Letters & learning about the Family & our vision to serve Jesus. He also learned about Bible prophecy, including the destruction of America, which flipped him out! **HE'S PART OF A LETTER**

WE WROTE TO US: "I love you all with all my heart. I thank the Lord for being introduced to a bunch of revolutionists. Amen! It has set my spark even more. The Lord has set my path. The Lord has started a revolution in my heart. I'm praying totally on being dismissed out of the service to come back in the Far East to be part of this Revolution for Jesus. I ask humbly to be in your prayers because I'll sure need it in being more bold than before! Whatever the Lord wants me to do in California I don't know, but I'm ready to unfold the bomb of truth. Love, John."

SO HE'S GONE TO THE U.S. NOW TO CARRY OUT HIS PLAN. Please pray for him! Before John left he gave us the rest of the money we needed, \$350, saying he didn't know why at the time, but just before leaving to come here he had received his income tax returns & had more cash than he needed. TYJ! He had decided to come to the Philippines about March, the same time that we prayed to go to a new field.

SO, WE'RE A MONTH LATE IN OUR PLANS, but right on with the Lord's schedule. And what precious lessons of faith & patience He's taught us! God is not a respecter of persons, & He answers prayer very definitely if we expect Him to do so. TYJ! (Amen! GBY!)

THANK GOD FOR THE WORD WHICH KEEPS US INSPIRED with new faith for each day; God bless Dad & Maria for all their labours & wonderful sample. WY! And thank God for this wonderful Family who have been such an encouragement with their love & help. GBY! Special thanks to those who worked to get Grandmother's book & the Daily Might; they were a priceless help & guide during this time. We love you!

God's Love Cures Mental Patients!

From John Europe:

LY & I WANT TO SHARE SOME OF MY EXPERIENCES WORKING FOR 16 MONTHS IN THIS COUNTRY'S HEALTH SERVICE. I was a conscientious objector to the military, so they gave me a civil service job instead.

I WAS PLACED OUT ON A LONELY ISLAND, where the only thing present was a hospital/home for psychiatric patients who were considered "hopeless" cases, about 30 in all.

WHEN ARRIVING I WAS TOLD BY THE PRINCIPAL THAT CONTROVERSIAL SUBJECTS like religion & politics were not to be discussed with the inmates in order not to upset them in any way. But after meeting them, I immediately felt there was a great need for love, attention & fellowship. And I think the Lord then started breaking my heart for these

MILITARY SERVICE JOB IN MENTAL HOSPITAL RESULTS IN PATIENTS SAVED & HEALED!

Just seen to have done you good. It seems to have healed you! Ha! To! So now I have contact with him where he now works.

AT THIS TIME I FREQUENTLY HAD MY MATE ANNE LIVING THERE. One evening we decided to try to FF one of the younger inmates, so she took him to bed & made love to him, & he got wonderfully saved & later received the Holy Spirit. That night we received the verse, "Inasmuch as ye have done it unto the least of these my brethren, ye have done it unto Me." PTL! This boy now lives at his home & frequently works in a factory; he is much better!

WE WERE ABLE TO PRAY WITH A FEW MORE ALSO, as well as going on faith trips on the weekends that I had off. And now I'm back serving the Lord full-time again! TG! (PTL! Jesus never fails! GBY!)

THERE IS NO FAMILY LIT IN TIBETAN yet, but we were able to get out several dozen Tibetan & Chinese Gospels, many of which will probably reach right into the heart of China. TYJ! During this 2-week trip we were also able to pray with 5 souls & give out 1,500 pieces of lit. Together with the rest of the month, this made our stats of 4546 Letters the highest yet for this closed country where we live. And besides the languages already mentioned, this total also included a lot of English, Hindi & even some Russian lit. TYJ!(GBY!)

NOW THAT IT IS THE HOLI-DAY SEASON FOR COLLEGE STUDENTS, several of our sheep have gone to their home villages, & inspired by our "Tommy" skit, they have also taken lots of lit with them to give out to those who have never heard before. TYJ!

Parents' Visit To Loveville!

Love changes parents' lives through faithful, loving ministering!

FROM SABINE,
HELLO! GOD BLESS YOU! My name is Sabine. I'm one of the violinists here at MWM & I want to tell you about the very inspiring, fruitful visit of my parents here in "Loveville".

FIRST, ABOUT THEIR BACKGROUND: I remember my childhood as a very happy time. Although my parents were not saved, they brought me up in a quiet Godly way. They taught me Bible stories, to play music, drawing, sewing, helping in house & garden, & they tried to protect me from bad system influences like T.V. & magazines (like Stern Magazine, etc.). They also taught us that sex was good & even let me invite my boyfriends home for the night. Also, they gave us, my brother, my sister & I, heartfelt good food to eat (without white sugar, etc.). I remember "Music Weeks" when many different musician friends came together, camping in the garden, playing music all day long. (We also had dishwashing & cooking schedules, Ha!)

SO, IN A WAY, THEY TRIED TO CREATE A PHYSICAL PARADISE behind the walls of our garden, but without the Lord it did not work & they could not be happy.

WHEN MY BROTHER, MY SISTER & I STARTED DOUBTING THEIR EFFORTS, calling them luxuries, & leaving home, they could not understand why we would not follow in their footsteps. My brother was the first one to leave home & many times I saw my mother at the end of herself, asking herself if she had brought us up wrong & seeking mistakes in her life. The Lord later used this to bring her closer to Him.
WHEN I FIRST JOINED THE

FAMILY IN 1975 IN INDIA, they were very afraid that I would become one of those mindless, blindly obedient followers of so many religious sects that they had read about in the papers.

ON THE ONE HAND, MY PARENTS WERE REALLY SEEKING FOR THE TRUTH, even to the point of getting interested in Astrology & Yoga; on the other hand, they were very afraid of following any organized group, because they, as children, had once been follow-

Tangent To Tibet!

From Peter & Rosy; Asia:

RECENTLY SIMON & I (PETER) WENT ON A VERY INSPIRING ROAD TRIP by bicycle to the Tibetan border, 114 km.

At the time we were almost broke with only about \$4, so we knew the Lord had to do many miracles to supply all our needs, which He did. In fact by the time we reached our second stop 2 days later, the Lord had boosted our faith quite a bit, as we hadn't had to spend anything, so we gave the money to a friend to keep for us & we went the rest of the way with no money.

IN EACH SMALL TOWN OR VILLAGE ON THE WAY, we stopped for a day or two to witness in tea shops (the main meeting places) & give lit to every single person who could read. Many young peo-

ple & students especially asked questions such as: "What is the difference between this & Hinduism?" & "What do I have to do to become a Christian?" etc., so it was quite easy to witness & also collect addresses for a mail ministry.

CONCERNING LIVING CONDITIONS, most of the places we passed thru were without electricity or running water, & except for occasional buses & trucks passing thru, life has changed very little in hundreds of years.

UP UNTIL NOW THE BORDER IS NOT FULLY OPEN FOR ORDINARY TOURISTS to enter Tibet, but we were able to stay in a small village right on the mountainous border overlooking Tibet. Many Tibetans & Chinese live there & pass thru all the time.

ers of Hitler's Youth Groups, where they had learned to obey the leader without thinking. Now they feared that the same thing would happen to me.

I KEPT WITNESSING TO THEM IN LETTERS & finally the Lord made them desperate about their children & they broke & asked the Lord into their hearts. I gave their address to a brother travelling through Germany & on his visit my mother received the Holy Spirit. The Lord even gave her dreams to encourage her & I noticed how she changed in her letters to me. She did not worry anymore.

AFTER BEING 2 1/2 YEARS IN THE FAMILY, I had a chance to visit them in Germany. I read a few milky MO-Letters with them, like "Faith & Healing", & "Stop, Look & Listen", & my mother really liked them.

WHILE I WAS BACK IN TURKEY, the bad publicity news hit them, & after reading letters like "The Hooker", & listening to the Jewish propaganda of different magazines, they were turned off MO-Letters completely & started worrying about me again! There was nothing I could explain to them, so I just prayed for them.

WHEN THEY VISITED ME IN CYPRUS, & saw a sample of the Family there, they were very impressed & they loved everyone of my "friends", & thought that I was in good hands. Slowly they started trusting me again & even asked me to work out inside family problems & to pray for different people, etc.

THE NEXT TIME I VISITED THEM WITH MY JESUS BABY MARIANNA, I explained to them how I had witnessed to the father but how he was too proud to live for the Lord. Although they still worried about my future security (especially my father did), they

accepted everything lovingly & said they would pray for a father for the child.

THE SECOND TIME THEY SAW THE FAMILY SAMPLE WAS IN GREECE, about one year ago when I lived with baby Marianna with a family couple. My parents saw how we all helped each other's children & loved each other & they said they would like to live close to me & my "friends", because they felt so relaxed & happy around us. I witnessed to them about the coming war & always fed them spiritual principles & quotes from the Letters, which they received without knowing where they were coming from. They still were not sure about MO, but they couldn't deny the fruit!

THIS YEAR, WHEN MY PARENTS CAME TO "LOVEVILLE", THREE WEEKS AFTER MY BABY JULIANNA WAS BORN, they were completely overwhelmed with "so many sweet people living together in love". Especially my mother seemed to fit in, hugging & kissing everyone & getting free in the spirit. They were happy to see me live with Simon & Celeste & the new baby, but also for the first time they really got a vision for everyone living & working together to preach the Gospel to every creature via radio & they understood how everybody was just a small, but very essential part of the whole operation.

MY MOTHER MENTIONED: "The other home you lived in, disciples in Greece, were beautiful, but here is even more unity & a higher standard." After hearing the Drama Tape, the Shows, & the Daily Might Tapes, & seeing MWM videos, they were really impressed about our work here. They know it's all Dad's fruit, but they don't like to talk about it anymore. They like it here & that's what counts.

"SIMON REALLY AMAZES ME, how he gets all these ideas & puts these Shows together! You'd better care for him well & really inspire him!" God bless her! She really loves Simon & gave him lots of warm hugs & kisses, Hal!

I TOLD THEM THAT WE MIGHT BE MOVING SOUTH SOON & they said they themselves have been thinking of leaving Germany, especially after Reagan had become president. After a heavy talk about God & mammon, my father admitted how hard it would be for him to forsake his house & garden in Germany which he had been working for all his life (other than my mother who wants to leave right away). They asked me to pray for them to be able to make that move. They also offered to help the work here by buying property to set up all our caravans in whatever country we choose.

AFTER A DINNER & INSPIRATION IN THE TAVERNA, my mother joined in after our prayer, & thanked the Lord for allowing them to come here. She told me several times she would love to live with us if she could be of any use here, but she would not want to leave my father, who is very settled in his ways.

ON THE WAY TO THE AIRPORT she asked again: "Couldn't you use a grandmother who takes care of the children? I could teach them to sew, cook, sing or play music!" Well, the Lord will show them how He can use them the most & how they can help His Work the best. God bless them! Please pray for them that they will come closer to the love of David & His Letters. Already they really like the Daily Might Tapes, & I'm so happy & thankful for the way the Lord has been working in their lives. GBYAI Love, Sabine.

MWM Club Parties Reap New Members!

"MWM FOLLOW-UP IS ONE OF THE MOST FRUITFUL & LASTING METHODS WITH FRUIT THAT REMAINS!"

From Peter & Joanna, India: **ADDITIONAL SONGS & SOME FUNNY SKITS** to get everyone happy & relaxed. After that we try to slow it down a bit & have solo artists or duets who really try to deliver the message thru songs. This sobers the audience up a bit & gets them in the mood for a ML reading.

WHAT WE USUALLY DO IS PASS OUT WHAT WE'RE GOING TO READ, a comic or quotes or whatever, & then we have them read it along with us, with someone reading it out loud to them & expounding on it a little bit & applying what we're reading to their everyday lives. At this time we also try to fit in some personal testimonies, perhaps how they came to MWM, how their lives were changed, how they met the Lord, & also testimonies in general about the work that we're doing & the lives that are being changed!

AFTER THIS WE AGAIN TRY TO LIVE UP THINGS UP A BIT WITH SOME DISCO DANCING OR WHATEVER! We have quite a young gathering at our club party, so they really like

THE GENERAL FORMAT OF OUR CLUB PARTIES IS TO BEGIN WITH SOME LIVELY INSPIRA-

to get up & have some dancing, & one of the brothers does a good imitation of "Rocking Reggie".

ON THREE OCCASIONS WE'VE HAD A CHANCE TO SHOW MWM VIDEOS at our club parties, & this is a great blessing & a tremendous witness for the club members. The members that have seen the videos have really flipped out over them & really commented on the tremendous impact that these videos have had on them.

THEN, WE TRY TO GET THEM PARTICIPATE & LEARN THE MWM SONGS & sing along with us! This all helps to get them out of themselves & to show them a sample that we're happy children of David & that they can be free & happy too! After that we usually close the party with light refreshments & very informal mixing & talking to them. This gives us an opportunity to witness to them in depth & to see exactly how we could better minister to them & feed them & see where they're at & how they're responding to the club, the mailings &

Club members are entertained by a 20-minute video of one of the past parties.

the radio show. **THE PARTIES ALSO ARE AN EXCELLENT TIME FOR US TO RECRUIT NEW MEMBERS** because we always encourage our present members to bring along their friends & families, & many of them have done this & the new visitors have signed up with us as new club members right on the spot!

FROM GREECE WE ALSO RECEIVE A LIST OF ALL THE PEOPLE WHO HAVE WRITTEN IN TO THE CLUB ONCE but never wrote in a second time & actually become a club member. We give them a second plug from here & send them a personal letter inviting them to our club party. We have had many of these people come & we don't think that there has been even one who hasn't signed up with us at the party once they've actually come & seen the sample of a live MWM show!

WE ARE REALLY INSPIRED TO SEE HOW MWM IS REACHING SO MANY DIFFERENT TYPES OF PEOPLE with so many different types of backgrounds! We have businessmen, school girls, secretaries, just about every type of person you could imagine, & it's really inspiring to see quite a few of these members also coming along to our local Church of Love on Sundays!

IT'S INTERESTING TO NOTE THAT SINCE MWM HAS STARTED HERE IN INDIA there have been 4 listeners who became Club members & in turn became full-time disciples coming right into the Family. Now in this city alone we have nearly 100 members, so our ministry is really growing in the short time that we have been here, & it's so inspiring to know that these are not just "numbers" but people who are getting fed the solidly thru the mail, the radio show & the club parties, many of whom have

the potential to soon join as full-time disciples!

WE ALSO DO A LOT OF SCHOOL PROGRAMS & OUTREACH HERE IN THIS CITY, & we've found that this is also a really good opportunity for us to tell people about the program. We've just printed up a flyer advertising MWM with a little form on the back that people can send in--so we plan to get them out by the thousands now at the different schools & to everyone we meet, & we plan to promote the show as much as we can. We always take along MWM magazines & stickers & also the cassettes which we have a chance to play in many people's homes.

WE FIND IT SO MUCH EASIER TO WITNESS AS MINSTRELS FROM MUSIC WITH MEANING, as we now have all the material to back us up. It's just a lot more inspiring to meet people this way because the MWM Show & MWM Club are really geared to their mentality, & we find it so much simpler to witness to people & talk about the Lord & to reach them thru MWM, especially in India! We've been out here for quite a while & we've tried so many different ways to reach people, but found that MWM follow-up is one of the most fruitful & lasting methods with fruit that really remains & people who have come all the way in the Family--good solid remaining fruit!

AS MWM MINSTRELS WE'VE BEEN ABLE TO GET INTO A LOT OF SCHOOLS & INSTITUTIONS & PLACES where we could never have gotten in thru any other way! As a result we have been able to reach & win thousands & thousands of souls this way! Thousands of children's lives have been saved just thru going as MWM Minstrels.

IT'S ALSO REALLY INSPIRING & ENCOURAGING TO KNOW THAT

WITH EACH ADDRESS & EACH NEW MEMBER THAT WE RECEIVE FROM GREECE we have the opportunity then to witness personally, often not only to the members themselves but also to their entire families. Often when we visit their homes the whole family & their brothers & sisters & friends that they may have over, they all pray with us & get saved! Sometimes they just all gather around us & hungrily devour every word that we have to say!

WE'D LIKE TO SAY HOW THANKFUL WE ARE TO EVERYONE WHO IS INVOLVED in this ministry behind the scenes, the ones who are recording, answering the mail in Greece, the musicians & song writers & just everyone who is involved! We really appreciate all your labours & the tremendous job that you're so faithfully doing! Being out here on the front lines & meeting these sheep is so very fulfilling & inspiring because we can see just how much they are changing & are being fed & are receiving the witness! They are really growing! & their lives are being changed because of it!

WE'RE SO THANKFUL FOR OUR PART IN IT, & we'd like to do our best to do all we can to reap the harvest that is here & that you've had a part in! We feel that we're really entering into your labours over here, & we get to see the end result of it, & we just really want to inspire you that it's really worth it & that God is being faithful & lives are being changed! We just want to be faithful to keep pressing in & reaching as many people out here while there is still time & just do what we can while we can! We really love you & need you & are so thankful for Music with Meaning! (AMEN! HALI! That's what it's all about! GBYI!)

Miraculous MWM Bookings!

THE LORD RAISES UP RADIO CONTACTS TO HELP MWM REACH THE MILLIONS!

STATION HELPS WITH MWM CLUB!

From Tom & Angel, Indonesia: **WHEN THE MWM TAPES WERE FIRST MADE AVAILABLE**, Angel & I booked the show on a popular young people's radio show here. We received a letter from MWM encouraging us to form a club, so Josh & I went down to the radio station to see if they would like to help & have meetings once a month at the radio station itself.

WELL, THE STATION LIKED THE IDEA SO MUCH THAT THEY BROADCAST THE MEETING DATE over the radio after every show. I might add that the Fellowship Revolution came just before this, & because of this we were able to have the ideas, counsel & help of other homes in our LAF, which made our first meeting really powerful. Other Home members were Matthew & Davida & kids from their city & Tim & Rachel & kids from another city.

AT OUR FIRST MEETING, 12 listeners showed up who got turned on by songs, skit & message. The radio station representative was so turned on that she invited us to sing at their 10-year anniversary for about 200 people. After singing at the anniversary, there were two newspaper articles written about our songs of love & testimony. Another door opened as one of the new MWM members invited us to sing at her yearly college independence day party. With the help of Simeon & Trust from another city, it was a real smash. Many people signed up immediately when they heard that we have a music club.

RIGHT NOW FOR OUR FIRST MAILING, we have over 70 ADDRESSES. What a blessing

Davida & kids sing "The Time to be Happy" in Indonesian to a crowd of 200.

& open door the Lord has opened for us, to use music as a means to reach the youth in this area, all within 3 weeks' time!

NOW THAT MWM IS ROLLING HERE, we spend more time working on it, so we have cut down on our English teaching, which is our main means of support, to spend more time on this exciting ministry! So, if anyone would like to help us by sending a small donation, we would greatly appreciate it. As you pour out, He will pour in, & you can never out-pour Him, as we have found true in this musical explosion! Any donations can be sent via your reporting office to Guy DeSantis. Thanks! WLY! (AMEN! GBYI!)

MWM CARRIES ON AFTER FAMILY LEFT!

From Daniel & Etelle; the Pacific: **GRABY! MWM IS STILL BEING Aired EVERY SUNDAY MORNING** on the island where we booked it before our departure. Here is what Sam & Liz, two very good friends of the Family, have written us since we left there:

"WE WANT TO SEE THE RADIO DIRECTOR. He said he really likes the program & that he is going to write to Greece for the magazine. Shortly

after MWM began to be broadcast here, there was an article in the paper about the Family. A woman brought back the letter, "Fifteen Fishy" from Australia & gave it to the press, & you know what the press does! They only pick from here & there & put it in such a way with a different meaning, just to criticise the Family.

"THEY SAID THE FAMILY WAS NOT SUCCESSFUL HERE, so there is no one left, which is not completely true. (Thanks to MWM & friends there like Sam & Liz! GBY!) They said it was completely out of the island. We are so thankful for the MWM Club for the good work that is reaching the whole world fast."

AND IN A RECENT LETTER FROM THEM THEY WROTE: "You are always in our prayers. We are really hoping that some others will come thru our way. The MWM Show is still on the radio every Sunday. We are so fortunate to have an opportunity to hear some other members of the worldwide Family. We are also very happy to know about the great work that they are doing everywhere around the World, even though there are difficulties in some places. Thank you for opening the closed doors here thru MWM!" (AMEN! GBYI!)

BEAMING BELIZE WITH MWM!

From Obeth; Central America: **BELIZE, SOMETIMES CALLED BRITISH HONDURAS**, is a hot tropical country of perhaps 150,000 people, most of them being black or a mixture of mestizo & black. It is located on the Caribbean, with Mexico to the north &
