

ES-ing Tips! How To Hook 'm!

WITNESSING THROUGH ESCORTING—HOW A MOTHER OF 4 DOES IT!
 From Cassandra, Jakarta:

GBY&GIJN! I wanted to write about the Escort work in Australia & Sydney in particular. With every guy I saw (I worked for over 1½ years) I was able to spend a minimum of hrs. with him and during this time was able to witness to him to the point of making him mad, sad, or glad!

I THINK THE BIGGEST TRAP YOU FALL INTO IN THE BEGINNING was being afraid of the Name of Jesus. But once over that hump it's just amazing the results you get. **PTL!** Now I never fail to ask if he believes in Jesus, if not why and heavily witness.

THIS PAST 2 MONTHS OVER TEN SOULS WERE SAVED and I only went out about 12 times. I met so many love-starved guys, although most were not Australians, but Chinese, Italians, English.

THIS ONE FELLOW SAID, "I know God sent you here. I never used an agency before and here you are converting me!" It turned out his girlfriend had just left him & he was blue as can be, but after sharing with him he not only received Jesus but he also wants to support me on the field.

AS A MOTHER OF 4 I KNOW ESCORTING WAS A REAL ANSWER TO PRAYER as so many times going out fishing you meet so many cat fish who expect so much & time is so precious. If the evening flunked out you feel really down about it.

BUT WITH ESCORTING IF THEY TURN OUT TO BE GOATS, and are just not willing to receive Jesus, you feel like you delivered your soul and lost only a couple of hours. And I found the sheepy guys extend their time with you.

THE ONLY TIME I HAVE HAD ANY PROBLEMS WITH GOATS OR WIERDOS is when we didn't pray! Usually before the night would start, we'd pray specifically for sheepy calls and He never failed. The ones who called were always so needy.

ALSO WITH ESCORT WORK YOU DON'T HAVE TO MAKE LOVE TO THEM as you're getting paid for your time, not making love. But I have never (with one exception) met someone who the Lord didn't really break my heart for because of how lone-

ly and desperate he was. I might be a pushover but I think even the fact that they are willing to pay 190 for a couple of hours is a sign in itself. So TYJ!

I JUST THOUGHT I'D SEND IN A FEW POINTERS I LEARNED:

a) **WITNESS HEAVILY THE FIRST NIGHT** as a lot of men say they will be back, but too many times you never see them again. It really hooks them to tell them you're a Christian as right away they know why you're different. It's easy to talk politics & they might think your ideas are wonderful but if they don't get saved or at least have a chance what good is it? Stay simple.

b) **SHOP AROUND FOR THE BEST AGENCY**, as there are lots. The one I worked for was excellent —mostly dinner dates with top notch guys who could have never been reached any other way. The agent was very selective for me and knew I would not do anything abnormal.

c) **BE VERY STRONG IN THE SPIRIT**. When making love if anyone ever suggests anything abnormal say "No" and tell them why. A lot of times guys are just bored & looking for something new. So

turn it into a witness that the Bible is against this and that without the love of Jesus in your heart nothing can ever satisfy, and 'warn the wicked of their wicked way.' Most guys are relieved and happy to find you have a standard.

d) **STICK TO ONE DATE A NIGHT** as doing more tends to drain you.

e) **REALLY PRAY BEFORE EACH DATE** for His protection and anointing. Pray for discernment as a lot will try to suck you in as looking like a potential king or sheep, but then turn out to be wolves.

f) **COUNSEL IS SO IMPORTANT**. I found, that with Levi my husband, as I relate what's happened, the Lord really shows him where they're really at.

g) **DOUCHING WITH A PORTABLE DOUCHE** is a good idea; use every time you make love. It gives you time to pray in the bathroom about what to do next & helps you not to catch anything.

h) **KEEP SHARING WITH YOUR PARTNER OR BROTHER**, as no matter how inspiring the time out may have been, it still takes a lot out of you, and sharing with family is just so fulfilling.

i) **KEEP READING OVER THE FISHING LETTERS** as they are perfect for escorting as to what questions to ask and how to act.

Love & Kisses, Cassandra
