1. SUDDENLY I SEE MARIA AND ME MAKING LOVE LAST NIGHT! You probably heard us--we were making enough noise! Did you hear us? Come on now, don't try to tell us you didn't hear us! (Family: We were watching the fireworks.)

2. THERE WERE MORE FIREWORKS GOING ON IN THE BEDROOM THAN THERE WERE OUT THERE! Maria said, "Don't you want to watch the fireworks?" I said "I've got my own fireworks!" So finally she got up and stood naked by the window watching the fireworks afterward. She said,

3. "OH, WOULDN'T YOU LIKE TO WATCH THE FIREWORKS? They're so pretty!" I said, "No, I'd rather watch you, you're so pretty!" Because everytime there was a flash of fireworks I could see her real plain and it was really a beautiful picture! I wish I could have gotten it, she was so beautiful! So we had our own fireworks, flashes of light! But what's that got to do with what I've been talking about?

4. OH, THE WORD, THE WORD! I just had two pictures, two strange pictures! The Word! As I reached an orgasm with her and as I exploded, Abraham was yelling--you didn't hear us? Good night! He was yelling at the top of his voice a word that we begin to recognise now because of interpretation.

5. "OIKA! OIKA! OIKA!"--which means "Listen! Listen! Listen!" Hallelujah! (Tongues:) "Hear these word-kisses of thy father David! These are the word-kisses of thy father David!" Thank You Lord! But what relation did that have?

6. WELL, YOU COULD CERTAINLY COMPARE THE EXPLOSIONS OF THOSE FIREWORKS TO THE EXPLOSION OF AN ORGASM, right? It's like a burst of light! Well, when the prophet explodes with the words it's like a burst of light too! It's a burst of the truth! It's like an explosion, right? Especially when it happens like that.

7. WHEN I EXPLODED, ABRAHIM EXPLODED, and he was saying, "Listen! Listen! Listen to the words of your father!"--and so on. It must be that he was thinking of those bursts of light, the fireworks out there.

8. THAT'S WHAT HE WAS TALKING ABOUT! That's why I didn't understand. So often he talks to me and I don't get it all, because I'm too far gone in the spirit. But that's what he was talking about, the fireworks!

9. HE WAS COMPARING THESE BURSTS OF TRUTH FROM THE MOUTH OF GOD'S PROPHET TO THOSE BURSTS OF LIGHT and explosions of the fireworks! He didn't use the word fireworks--he probably didn't even know that word--so I didn't know what it was he was saying. I couldn't figure out what it was he was saying, but he was exploding! He yelled,

10. "OIKA! OIKA! OIKA!"--at the top of his voice--about seven times at least! "Listen! Listen! Listen!" --Like you watch the fireworks you should listen to the words of your father like explosions of God's truth.

11. HE WAS ALSO COMPARING IT TO THE SEXUAL ORGASM that we were having, which is a burst of energy, a burst of love, a burst of feeling, a burst of the Spirit. But I couldn't get this other thing, what this was, but that must have been what it was--he was comparing it to those fireworks!

12. BECAUSE THAT'S SORT OF WHAT IT'S LIKE WHEN THE PROPHET BURSTS INTO A MESSAGE, IT'S LIKE HE EXPLODES in the spirit like an orgasm. He explodes and the truth explodes in a burst of light with these words of truth! In other words, the words of truth with which the prophet explodes are both like a sexual orgasm, an explosion of feeling, and also like an explosion of light, the skyrockets and the light of the fireworks!

13. BUT I DON'T KNOW WHAT THAT OTHER PICTURE MEANS. But it was immediately related to it--I know it was comparing it to my penis in your vagina. It's like just now when I was seeing my penis being withdrawn from your vagina,

14. I ALSO SUDDENLY SAW A SWORD BEING WITHDRAWN FROM A WOUND AND THE BLOOD POUR OUT! Well, when the penis is withdrawn sometimes a little semen pours out, out of the vagina, right? And you are all wet. But these are like two opposites:

15. THE PENIS GIVES LIFE, and the fluid of the penis, the flowing of that fluid brings life, the seed creates life, new life!

16. WHEREAS THE SWORD BRINGS DEATH and the flowing of that blood brings death! It's like semen is a part of your blood and it creates life, but the sword brings death! Why that picture now though? Could it have a spiritual significance?

17. THE TRUTH, THE WORD OF GOD, HAS TWO EFFECTS: To some it brings life, creates new life, but to others it brings death, it slays them! We were just talking about the vengeance of God, right?

18. IF THEY WILL NOT WELCOME IT AS THE WOMAN WELCOMES THE PENIS, IF THEY RESIST IT IT WILL WOUND THEM LIKE A SWORD! If they will not love it and want it, like a penis, want that truth, the blood, the water of the Word like the semen, the fluid, the blood of life which creates new life, which brings life--if they resist it, it will wound like a sword! That's picturing the two reactions, you see? Hallelujah! What a picture!

19. I SAT HERE for a while and I wasn't even going to tell you because I couldn't understand it. I thought, "Now that's crazy! I don't see what that means. I don't get any relationship whatsoever!"

20. I SAW ME WITHDRAWING MY PENIS FROM MARIA last night after the explosion. That picture was like over here, but at the same time right

over here...Ah!--Right there toward the mountain! (Tongues and Weeping:) Oh Jesus, Jesus!

21. "IF THEY WILL NOT HEAR THE WORDS OF THY FATHER, THIS MOUNTAIN SHALL BE A SWORD UNTO THEM that shall slay them, that shall devour them with fire from above!" Thank You Jesus! Thank You Lord! You see, I don't even understand it sometimes. I get a flash and I wonder, why Lord?

22. IT'S SO MARVELOUS TO ME HOW THE LORD WORKS! Here we're talking about the function of His Body, His people, and we're talking about the difference between the way people receive the Words or they reject them.

23. IF THEY WILL RECEIVE IT, IT'S LIKE A WOMAN MAKING LOVE: SHE RECEIVES THE PENIS and the life-giving fluid, the semen, like the seeds of the words, the truth, and it creates life. And she'll enjoy it, right? And it makes her happy! Those who receive us and receive His Word like a woman receives a penis, they will be glad and rejoice and be happy and explode in an orgasm of love!

24. BUT THOSE WHO RESIST IT, WHO FIGHT AGAINST IT, WILL BE WOUNDED BY IT LIKE AN IRRESISTIBLE SWORD THAT WILL SLAY THEM! (Maria: If they don't open up to it voluntarily, it still has to be pushed into them!) Exactly! The sword is not received voluntarily--the sword is thrust into the body against the resistance of the body, right?--And out pours the blood and brings death.

25. EVERY LITTLE PART MEANS SOMETHING. When I saw that vision just now I almost didn't tell you, because I thought, "I don't see any point to it! I don't see any reference, I can't figure it out!" Instantly it came back to me something that happened in London that time and I wrote it to you in a letter--

26. "START DESCRIBING WHAT YOU

SAW, AND I'LL GIVE YOU THE MEANING."

You see, you have to go ahead by faith and you really stick yourself out on a limb, because the Devil tries to make you think, "Now, what if I do tell them what I saw and I still don't understand what it means? I'm just giving them pictures without any meaning!"

27. I SAW MY PENIS BEING WITHDRAWN FROM MARIA'S VAGINA right after making love, and I saw it over here in the direction of the bedroom. Now the place is important.--I'm going to tell you that now, because I understand now because of what we just got from the Lord about the mountain.

28. THE PLACES WHERE I SAW THESE THINGS ARE IMPORTANT. Isn't that funny? I was just talking about that mountain a little while ago, and I said, "Maybe that legendary god up there is the angel of the Lord that rules this place!"--And just like that I saw

29. AN ANGEL STANDING UP THERE WITH A SWORD! I didn't even tell you that. I didn't tell you that because I thought, "Well, I don't see any connection--maybe that's my imagination. I don't see what that means.--With a sword! Ah, the sword! Ah, now I begin to understand it all better now!

30. THE BED AND THE BEDROOM IS SYMBOLIC OF WHAT?--LOVE AND REST AND PEACE, happiness, enjoyment, sweet intimate fellowship with the Lord. We're talking about now the relation between the physical and the spiritual. God uses the physical to illustrate the spiritual.

31. THE BEDROOM AND OUR LOVEMAKING IS LIKE OUR RELATIONSHIP WITH THE LORD, THOSE WHO RECEIVE THE LORD, like these boys who've received the Lord. They're happy like Maria. And look how we must make God happy too! It sure made me happy! I exploded!--Exploded with an orgasm of enjoyment! That must mean that God really explodes in the spirit too! He enjoys it!

32. GOD ENJOYS FUCKING YOU WITH HIS WORD, just like I'm enjoying it right now! I'm fucking you with the Word of God, and I enjoy it because you're receiving it.

33. YOU'RE SUCKING ON ME just like the woman sucks on the man! When your body starts really getting into action while you're making love and fucking, what is the woman doing? Her organ is sucking on your penis, right?

34. HER VAGINA IS SUCKING ON THE MAN'S PENIS LIKE A MOUTH, right?--Just like you're doing to me right now spiritually--doing it to the Lord really. You're sitting there making love to me.

35. YOUR SPIRITUAL VAGINAS ARE SUCKING ON MY SPIRITUAL PENIS, AND OUT POURS THE WORD, THE LIFE-GIVING SEED! If received in your heart as you're receiving it, it will bring forth life and fruit and all the things that God wants! Isn't that beautiful?

36. THE PLACE THAT THE OTHER VISION APPEARED WAS DIRECTLY BELOW THE PEAK OF THAT MOUNTAIN, right against the dark background, almost like I could see it there better as on a screen. I've even found that the directions are important sometimes.

37. I DON'T KNOW WHAT THE DIRECTIONS IN THIS CASE MEAN, but the wound was like this and the sword was like this. (Illustrates with his hands.) The wound was in this position like this, and the sword was in this position like this, and the blood poured out down like this.

38. OH, LIKE LAVA, LIKE FIRE! Did you get that message the Lord gave a while ago? I hope you got that, because that's important. It shows what God is going to do. (Maria: And the sword came from your direction, like you were wielding it.) Yeah, like it was coming down like this into the wound!

39. IN OTHER WORDS, THE WORD WILL ENTER INTO THEIR HEARTS WHETHER

THEY LIKE IT OR NOT, LIKE A SHARP TWO-EDGED SWORD! What did it say of Jesus' enemies? Oh boy, how the Lord gives you the Scriptures!-- "And they were cut to the heart!" --by the Word, by the Truth!

40. BUT THOSE THAT RECEIVED IT FELT SO GOOD LIKE THEY'D JUST BEEN FUCKED! What a difference, huh? It gave them a good feeling, enjoyment, life, peace, rest! Ah, how do you feel after fucking? You feel so relaxed, you feel wonderful, like you're floating on a cloud!

41. BUT THOSE WHO RESIST the Word --they cannot really resist the Word of God! If they resist, if their hearts resist the Word, the sword enters in anyhow!

42. IT'S ALMOST LIKE GOD RAPES AND KILLS THEM BECAUSE THEY RESIST! The resisted Word acts like a sword! The resisted Word becomes like a sword instead of a penis. Instead of His blood flowing into them giving them life, their blood flows out, their blood pays for their sins, their own blood!

43. THEY WON'T BELIEVE IN JESUS' BLOOD, SO THEY HAVE TO SHED THEIR OWN BLOOD, their blood flows out in payment for their sins and brings death instead of life! If you receive the Lord like a penis, His life-giving blood flows into you and brings life. But if you resist His Word, it'll become a sword to you that will pierce your heart anyhow--you'll be "cut to the heart"!

44. THESE PEOPLE HERE, SOME OF THEM ARE BEING CUT TO THE HEART BY THE WORD, BY THE TRUTH! There must be some people here who are our bitter enemies, apparently, probably religious people, churchy people, who have been complaining to the authorities. They are "cut to the heart" by the truth and by the words that these boys are bringing home, and the Lord is going to "cut them to the heart" with it, that's for sure! I saw that vision right there, right below the mountain, right

there!

45. (MARIA: THE PROPHECY SAID, "THIS MOUNTAIN SHALL BE A SWORD"-- "If they shall not hear the words of thy father, this mountain shall be a sword unto them that shall slay them, that shall devour them with fire from above!") Hallelujah! Thank You Jesus! The faithfulness of the Lord! It will be the faithfulness of the Lord to love and deliver His Children!--Amen?

46. IN THAT VISION I HAD HERE A LONG TIME AGO I wasn't in jail, I was out on the mountain and I was free! So I hope it means they're not going to put me in jail!

47. THE LORD MUST DO THIS TO TEACH YOU A LESSON, how to proceed by faith, to show you that I'm nothing at all! All I do is, I'm just a channel. Like the lens in the projector, I just let the Light through, that's all. I just let it through. But that's to show you how the Lord works, praise the Lord!--And to show you how dumb I am!

48. I DIDN'T WANT TO TELL YOU THE ONE ABOUT THE SWORD because I thought, "Oh Lord! That sounds bad! Maybe that means they're going to kill me, or maybe they're going to kill us or something!" (Wham!--Swats fly on leg:) Sometimes hitting back at the Devil you hurt yourself!

49. WELL THAT EXPLAINS A LOT DOESN'T IT? You know I said that before, didn't I? I said I wouldn't be surprised if many of these people really reject the message, maybe that's why God's going to shake them up with the mountain! They say it's just about due--of course they'll always explain it naturally.

50. THEY SAY IT EXPLODES ABOUT EVERY 30 TO 40 YEARS, and it is now overdue for its next explosion! But don't worry, the Lord will take care of us! (Maria: I didn't know it could explode!) Oh yes, it's still active! In fact in some places they're so active they're blowing smoke and steam! The fire is coming

right out of the holes! Not a very secure house to live in that's on fire in the basement!

51. THIS WHOLE WORLD IS ON FIRE IN THE BASEMENT!--Not a very secure place to live unless you trust the Lord! It would be like living in this house while there's a big fire going on down in the basement, a big fire down below! So praise the Lord, that's about the end of the lesson, thank You Lord!

52. AMEN, LORD! IS THERE ANYTHING ELSE YOU WANT TO SAY or anything else we need to know? "The Spirit indeed is willing but the body is weak" (Mt. 26:41), and these have work to do and so do we. But thank You for that, thank You Lord for those pictures and those messages and lessons from You, Lord! Thank You Lord!

53. THANK YOU LORD FOR THESE BEAUTIFUL REVELATIONS You've given even here afresh! Here You've given a direct fresh sample, Lord, right straight hot off Your griddle! Thank You Lord! Thank You Lord! What was that message again about the sword and the mountain?

54. (MARIA:"IF THEY SHALL NOT HEAR THE WORDS OF THY FATHER this mountain shall be a sword unto them that will devour them and slay them with fire from above!") That's terrific! That's an absolute direct confirmation of what the Lord is going to do! So when you hear that mountain start to rumble and you see it begin to explode, we can start praising God!

55. LIKE MY FATHER DID IN AN EARTHQUAKE DOWN IN MEXICO in that wicked city. He'd been sent down there to pastor a little church in Calexico and he was in the will of God. So when they had a big earthquake he said, "Shake 'em up, Lord! Shake up this wicked city!" He wasn't a bit afraid because he knew it was the Lord!

56. BUT RIGHT AT THAT TIME MY MOTHER WAS OUT OF GOD'S WILL be-

cause she was supposed to be giving her testimony in another town in another church, but she didn't want to. She wanted to be with her husband and family instead, so she was like Jonah out of God's will and the earthquake to her was like Jonah's whale, and she was scared to death!

57. SHE WAS PRAYING ON THE BED, "LORD, STOP IT! LORD, STOP IT!" WHILE MY FATHER WAS SAYING, "SHAKE 'EM UP, LORD! Shake 'em up, Lord!" So it depends on whether you have faith or not or whether you're in the will of God or not, how you're going to react when that mountain explodes!

58. YOU'LL NOT WORRY IF YOU KNOW IT'S GOD'S WILL and you know it's the Lord and His sword of fire! You know, when I saw that angel standing up there with that sword I couldn't believe it! I thought, "Now that's my imagination! That's my imagination! That's just because I've heard these stories about the legends here that the god of this place lives on top of that mountain! I'm just seeing my imagination!" But it was sure awful real!

59. I HAD A SUSPICION that was why that was going to happen, and now the Lord's confirmed it.--Which shows there's going to be a lot of people here apparently who will resist the Word and resist the Truth.

60. SO GOD'S REALLY GOING TO SHAKE 'EM UP! But the Lord will take care of us, praise the Lord! Have you folks heard the story of the house of Rahab on the wall of Jericho?--When all the wall and city fell, only her house stood!

61. (MARIA: A GOOD NAME FOR THIS TALK WOULD BE "A SWORD OR A PENIS?") All right, what is the Word of God to you? Is it a sword or a penis? How do you receive the Word of God--as a sword or a penis? The sword kills, the penis makes alive!--Which do you want?
