1. WHEN THERE ARE GOOD, RECEPTIVE OR IMPORTANT MEN SITTING AT YOUR TABLE unaccompanied, it is not usually correct or in good taste to accept an invitation to dance from a stranger or someone you barely know unless he is more important than those sitting at your table. However, this situation can be avoided by engrossing yourself in conversation and/or dancing with those at your table.

2. WHEN TWO OF YOUR FISH COME ON THE SAME NIGHT and you are already involved for the evening with the one who came first, you should while dancing try not to slap the third party in the face by dancing affectionately right in front of him. Try if possible to move to the other side of the dance floor where you won't be so obvious.

3. YOU SHOULD ALSO ASK TO BE EXCUSED FOR A FEW MOMENTS SOON AFTER THE THIRD PARTY ARRIVES TO GO AND GREET HIM and apologise for being tied up for the evening. Possibly you could give him a dance or two. Don't wait too long after the third party shows up to go and greet him. If you do, you give him a chance to get very hurt and jealous and offended.

4. YOU SHOULD TRY TO GET ONE OF THE OTHER GIRLS IN THE FAMILY TO BE WITH YOUR FRIEND for the evening since you cannot be, or if not for the entire evening, at least to dance some with him. But she should try to seat him somewhere where he won't have to watch you and your fish and have his mind on you all evening.

5. DO NOT TALK DURING THE FLOOR SHOW if you can avoid it. It is impolite, discourteous to the participants in the show and a bad sample to the other spectators, as well as irritating to some.

6. DON'T COME TO THE FISHERMAN WITH A FISH waiting right behind you or beside you and ask if you

can sit or dance with him or go home with him. Excuse yourself from him and leave him somewhere else while you come for counsel out of his sight if possible.

7. KEEP YOURSELF FREE AND AVAILABLE AND DON'T GET TOO TIED DOWN TOO EARLY IN THE EVENING. Keep circulating so you can dance with different new people, unless you find someone that the Lord really lays on your heart to share more with.

8. IF YOU'RE NOT SURE BUT YOU WANT TO FIND OUT IF HE'S WORTH YOUR TIME, suggest that maybe you could have a drink together at his table for just a few minutes, and then you have to go back to your friends and Family. That way if you want to stay with him longer, you can with no problem. But if you want to leave, you've already given him advance notice of what you intend to do and he won't be offended.

9. NEW PEOPLE YOU DANCE WITH FOR THE FIRST OR SECOND TIME whom you still don't know really well, it's better to go with them to their table to drink and talk rather than bring them right into the Family immediately, for security reasons, to be able to talk with less distraction of so many people, and so they can pay for your drinks and so that later you can leave them if you wish.

10. BE CAREFUL ABOUT IGNORING GOOD OLD FRIENDS IN FAVOUR OF NEW ONES you don't even know. Remember, a bird in the hand is worth two in the bush. If, on the other hand, they've been around so long they've almost become part of the Family and they understand sharing, they may be content to just sit there and chat with the men.

11. BUT BE SURE TO PAY THEM AT LEAST A LITTLE ATTENTION and a few dances throughout the evening to show them you haven't stopped loving them and that you are concerned

about them even though you have to share with others.

12. If possible, you should seat your friend with his back to the Fisherman, so he will not be so self-conscious while talking with you.

13. IF YOU WANT A PICTURE OF YOUR FISH, wait until the club photographer comes around and then say, "Oh, I want a picture of us together, John!--Can we have the photographer take one of us for me?"--Or, "Would you like a picture of me?"

14. WHEN YOU HAVE RESERVED TABLES for the evening or have a standing reservation you must get there on time to take your table. This is usually 10 P.M. at early clubs and 11 P.M. at late ones. If you have a large party coming, and only a few arrive there ahead of the others you should spread out and have at least one or two persons sitting at each table to hold them or show they are reserved.

15. WHEN ASKING A MAN TO DANCE, wait until he is not engaged in deep conversation with a friend. Even at your own tables, if the man is deeply engrossed in conversation it is impolite to take him away.

16. YOU SHOULD NOT COME IMMEDIATELY AFTER DANCING WITH SOMEONE TO DISCUSS THEIR SITUATION or ask a question, as it's too obvious what you're doing. Wait a few moments--at least a minute--then turn to us casually as though talking of something else.

17. YOU SHOULDN'T BRING ANYONE TO OUR TABLES to sit with the Family unless they are worthy of being introduced to the Fisherman. If so, they should be introduced before being seated.

18. WHAT IS THE BEST WAY TO GET RID OF SOMEONE YOU DON'T LIKE who plops themselves down uninvited at your table--or worse yet, if you've made the mistake of inviting them and then want to get rid of them? Just say sweetly, "I'm very sorry, but this seat is reserved for some-

one else and you'll (or we'll) have to vacate it now. (Let's sit over there.")

19. DON'T EVER TELL ANYONE NOT TO COME BACK OR TO COME LESS FREQUENTLY because you have to share with others and can't spend time with them. The Lord knows how long they need you, or maybe that they need to learn to share with others of the Family. So let the Lord work out who is to come and how frequently and how long and let the Lord lead them.

20. AFTER ACCEPTING AN INVITATION TO DANCE, you should glance over at the Fisherman to see if he's watching and approves your choice. If he smiles and nods, fine. If not, you'd better sit down after one dance!

21. AT THE FANCIEST CLUBS, OUR SPECIAL MINISTRY TO THE SYSTEMITES AND CITY FATHERS, THE CRITERION FOR DANCING WITH FIRST TIMERS should usually be if they are wearing a suit or sport jacket and/or tie, and are over 30 or 35. This rule is at least for the newer girls who have not had much experience or training in FFing or who do not have much discernment.

22. WE'RE TRYING TO REACH THE SYSTEM THERE, the important and influential middle class whose souls are priceless and whose goodwill is essential to our work here. It's PR! You can dance with the teenagers, hippies, wierdos and waiters and revolutionaries at other clubs or the discos if you like!

23. TO TELL MEN TO MOVE FROM YOUR SEATS OR TABLE is best the job of the Fisherman, since he may know the situation and the men better than you. If you don't like the man or that he has plopped himself down beside you, for example, you should ask the Fisherman for advice, because he may know something more than you do.

24. AT A PLACE LIKE THE FANCIER CLUBS WHERE WE'RE TRYING TO REACH

OLDER MEN OF INFLUENCE for goodwill and PR, one time in the evening when you might dance with the younger less important boys is at the beginning of the evening when things are slow and they are almost the only ones there. Later when the older important men come in, you'll have to leave the boys and work on the men.

25. DON'T GO TO DISTANT PLACES OR OUT OF THE LOCAL VICINITY on luncheon or dinner dates without very special permission! Ordinarily we don't have time to go out with the boys during the daytime. Always try to make your special dates for dinner time (after 7 or 8 P.M.), or for afterward at the Club.

26. YOU HAVE A GOOD EXCUSE FOR NOT BEING WITH THEM DURING THE DAY: You have a full day's work to do, many responsibilities. Once in a while it may be necessary, but these times should be exceptions rather than the rule.

27. LOVEMAKING: WHAT SHOULD A GIRL SAY WHEN HER FISH ASKS HER TO SLEEP WITH HIS BEST FRIEND?--Especially if he's trying to do it to prove that he's revolutionary also?--STALL! Say, "Well, I'd like to get better acquainted with him first, if you don't mind. I don't go to bed with everybody the first night!"--Then take time sharing with him until you know if he needs it or is worth it and let the Lord lead.

28. ALWAYS WHEN YOU GO TO A HOTEL LATE AT NIGHT WITH A MAN, the man should tip the hotel desk clerk well as you go in (at least 5 or 10 dollars). This usually discourages the clerk from insisting on checking you in, name, address, ID, etc. If the man foolishly fails to do so, you tip the clerk if he asks for your ID, passport or name etc. and say, "I'll just be a little while." This is for your own protection, and will also teach your man a lesson in hotel decorum! (Poor hotel: 1 Dollar.)

29. WASH IT BEFORE YOU SUCK IT!--

Or insist he does!

30. MAKING LOVE includes sleeping with them, sucking them, petting, fondling or jacking them off, even if you don't fuck them! Please be more specific in your reports exactly what you did and how and how much!--Including any wierd behaviour, unusual positions or abnormal sexual perversions--to warn the next girl!

31. ALWAYS CARRY vaseline, tissues, perfume and if possible talcum powder--and a bottle of strong wine, whiskey, sherry or mouthwash--and use it! There are small flat silver whiskey flasks for sale at some stores which fit easily into a woman's purse--or miniatures.

32. WHILE MAKING LOVE, IT IS GOOD TO HAVE SOME TOILET WATER OR COLOGNE BESIDE THE BED so you can wash your hands without having to get up to go to the bathroom to do it if inconvenient.

33. IF YOU'VE MADE LOVE WITH THE GUY or gone to dinner with him or gotten involved pretty closely with him and given him your phone number, you have a right to ask for his.

34. ALWAYS MAKE IT CLEAR TO THE MAN BEFOREHAND IF YOU CAN'T FUCK HIM--Don't wait till you're in bed with him! Tell him when he first asks if you can--at the club, before he takes you home. Just say, "Sorry, but I'm on my period."--Or, "So sorry, but I'm under medication--Doctor's orders!" "The Doctor says I can't make love for a week, or for two weeks,"--or for however long it is.

35. WHEN A MAN AND WOMAN GETS THROUGH WITH A SEX SESSION they should not only wash but go to the toilet and urinate, because that's a great aid in internal cleansing, because uric acid is a great disinfectant. Urinate first, then wash!

36. IF THE DOCTOR TELLS YOU THAT WHOEVER YOU HAVE MADE LOVE WITH ALSO HAS TO TAKE THE PILLS, you might say, after you really love up your

man and show him you do care about him, "You know, John, after we made love last time, I had a little irritation and I went to the doctor and he told me I had a little problem commonly called "thrush". And he gave me some medication and told me I couldn't make love for 2 weeks.

37. "HE SAID YOU HAD TO TAKE IT TOO, without making love for a week. Normally there are no symptoms in the man, so he doesn't even usually know he has anything. But sometimes it can be itching or a slight discharge or a sore throat, etc." (Change name and symptoms to what they are in your case.)

38. "I BROUGHT THE PILLS for you --they're just antibiotic, to help fight the infection. Please take them--for both your sake and mine--and any others you might make love to later.--Thanks!"

39. WITNESSING: HARD-SELL VERSUS SOFT-SELL.--It depends on the situation and the case. If it's your last chance, hard-sell! If you'll see 'em again, soft-sell, go slow. But if they're ready, like sex, sock it to 'em!

40. BE CAREFUL ABOUT INSCRIBING Bibles, Letters, etc., with your personal name and "I love you" etc. unless you are certain the man does not have a wife!--Better to say, "From the Family--We love you!"

41. AVOID DISCOTEQUES! Hellish atmosphere and fiendish music too loud to talk and little or no close romantic dancing to influence your partner!--Why fight it?--Leave it! Better take a walk--or go to bed!

42. "HOW CAN YOU BE IN LOVE WITH MORE THAN ONE PERSON?"--Answer: Well, you love all the members of your family, don't you?--You love all your children. God loves us all!

43. "IT SEEMS THAT YOU'RE MANAGED." Answer: Yes, of course! A father always manages his family! It's actually more so in the European family because the father is so much more strict. A father has more wisdom

and knowledge. He loves us. Why not?

44. "THEY SEEM TO THINK WE ARE DOING NOTHING BUT TAKING A VACATION."--Answer: "We have lots of work to do, like in any family. Even on a vacation you still have to eat, wash, work on your house, yard, car, letter-writing, studying, visiting with friends etc. We all work--but not for money."

45. "WHERE DOES THE MONEY COME FROM?"--Answer: "The Lord! God is rich, our Heavenly Father, and He gives it in many ways: Through friends, gifts, bequests, parents, relatives, literature--and maybe you!--Would you like to help us? You may if you wish. We would appreciate it very much! Thank you!"

46. SECURITY: NEVER GO ANYWHERE WITHOUT TELLING THE FAMILY exactly where you are going. We need to know where to find you in case of emergency. Always get permission first.--And NO DAYTIME DATES!

47. DRESS: ORDINARILY, LONG SKIRTS OR DRESSES are the most appropriate wear at night clubs. Full flowing pants skirts are good, and very occasionally normal fancy slacks or pants on girls on whom they look good.--But never ordinary house or street wear!

48. COURTESY: WHEN THEY ASK, "ARE YOU HUNGRY?", it usually means they're hungry.--So have a heart!--Say, "I could eat something if you like.--Why not?"--and go with them.

49. "WHY DO YOU DANCE WITH MARRIED MEN WHO ALREADY HAVE WIVES TO LIVE WITH?"--Answer: Everybody needs God's love, even the married! Besides, many of these men are here on business far from home and lonely and need companionship, sympathy and understanding--which even their wives often don't give them! But they especially need to know the love of JESUS. What's wrong with that?

50. "WHY ARE YOU SO NICE TO SOME PEOPLE WHEN THEY GO AWAY FROM YOU

AND TALK ABOUT YOU BEHIND YOUR BACKS?"

--Answer: God loves us all like a father, even when we're sometimes naughty. Jesus said: "But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you and persecute you; that ye may be the children of your Father which is in Heaven: for He maketh His sun to rise on the evil and on the good, and sendeth rain on the just and on the unjust." (Mat.5:44-45.) Also, St. Paul said, "Recompense to no man evil for evil. Provide things honest in the sight of all men. If it be possible, as much as lieth in you, live peaceably with all men. Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine, I will repay, saith the Lord. Therefore if thine enemy hunger, feed him; if he thirst, give him drink: for in so doing thou shalt heap coals of fire on his head. Be not overcome of evil, but overcome evil with good."(Rom. 12: 17-21.)

51. "WHY DO YOU GO TO THE MEN AND ASK THEM TO DANCE?"--Answer: Why shouldn't ladies have first choice? Why should we let you men do all the choosing? We believe in freedom of choice! Besides, many men are too shy to ask, for fear of being embarrassed by a refusal, particularly older men by young girls. So we save them the trouble and possible embarrassment by asking them--and they're usually very flattered to be chosen!--Weren't you?

52. "HOW DO YOU DECIDE WHO YOU WANT TO MAKE LOVE TO?--OR DO YOU MAKE LOVE TO EVERYBODY?"--Answer: Of course not! We make love to whom-ever we want to if we feel they really need it and to know God really loves them that much, to "supply all their need, according to His riches in glory"! (Phil.4:19) Why not?--We're "feeding the hungry"

Jesus' command!

53. "I NEED LOVE!--WILL YOU COME AND MAKE LOVE TO ME TONIGHT?"--

Answer: Maybe. I don't know yet. It may depend on how receptive and responsive you are to God's love and truth! Do you want Jesus in your heart? If so, maybe I'll come and show you how to receive Him! If not, you wouldn't want me either for I have Jesus in me! If you want me and Jesus, yes! I'll be glad to make love to you with Jesus love, and you can have us both!--OK?

54. "WHY WON'T YOU KISS ME ON THE MOUTH ON THE DANCE FLOOR?"--Answer: First, because it's not good manners in public with someone I hardly know. Second, it's not good hygiene--you can catch a lot of things from kissing people on the mouth that you don't even know!

55. AND THIRD, I ONLY KISS PEOPLE ON THE MOUTH THAT I WANT TO SHARE EVERYTHING WITH, their germs, their problems, their life, their love and my whole heart, love and body! --And I don't know you that well yet--I don't know yet if you deserve that much of my love!--Do you? Why? Do you want Jesus?--Or only me? If you don't want Jesus, you're not worth it!--You've got the wrong girl! Go find one like yourself that only wants sex and doesn't care about Jesus! There are plenty of that kind! Why do you want me? I can't really help you if you don't want Jesus! Any girl can help you if all you want is sex! I've got Jesus! Do you want Jesus?--Then you can have us both!--OK? Let's pray about it!

56. YOU CAN HAVE JESUS RIGHT NOW if you'll just follow me in this simple prayer: Dear Jesus, please forgive me for all my sins and come into my heart and cleanse me right now. I believe You're God's Son and I promise to confess You before others and tell them of Your love for us all. Help me read the Bible and obey Your Words and help others. Thank You for Your love and forgiveness. In Jesus name, Amen!
