# PAVILION OF THE POWER OF GOD!

Are you connected to the Power of God? You have connected if you are using the keys of Heaven!

Do you fully realize just how great this power is? Here, let Me show you a picture of the generators of the power of God!

# VISION

(channel speaking):

I see a round enclosure. On each side of the entrance is a girl leaning at an angle with her back against the wall of the enclosure. It's as if each girl were a part of the wall, the gatekeepers.

Her face is framed by a golden headpiece that keeps her hair out of her face. Her entire body is dark blue, which contrasts sharply but beautifully with her golden hair band.

Each gatekeeper's pose is one of holding on to this wall, as if some great force from inside this enclosure threatens to detach her.

One hand is placed on the inside of the wall, and the other is braced at a downward angle on the outside of the wall, as if she were holding herself in place.

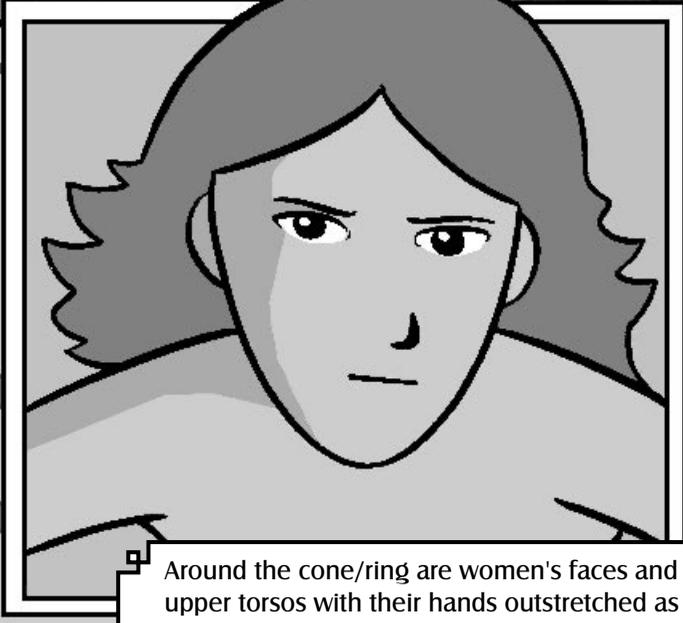

The wall is blue, just like her—the same color.

Within this enclosure is a bright source of  
**LIGHT AND POWER.**

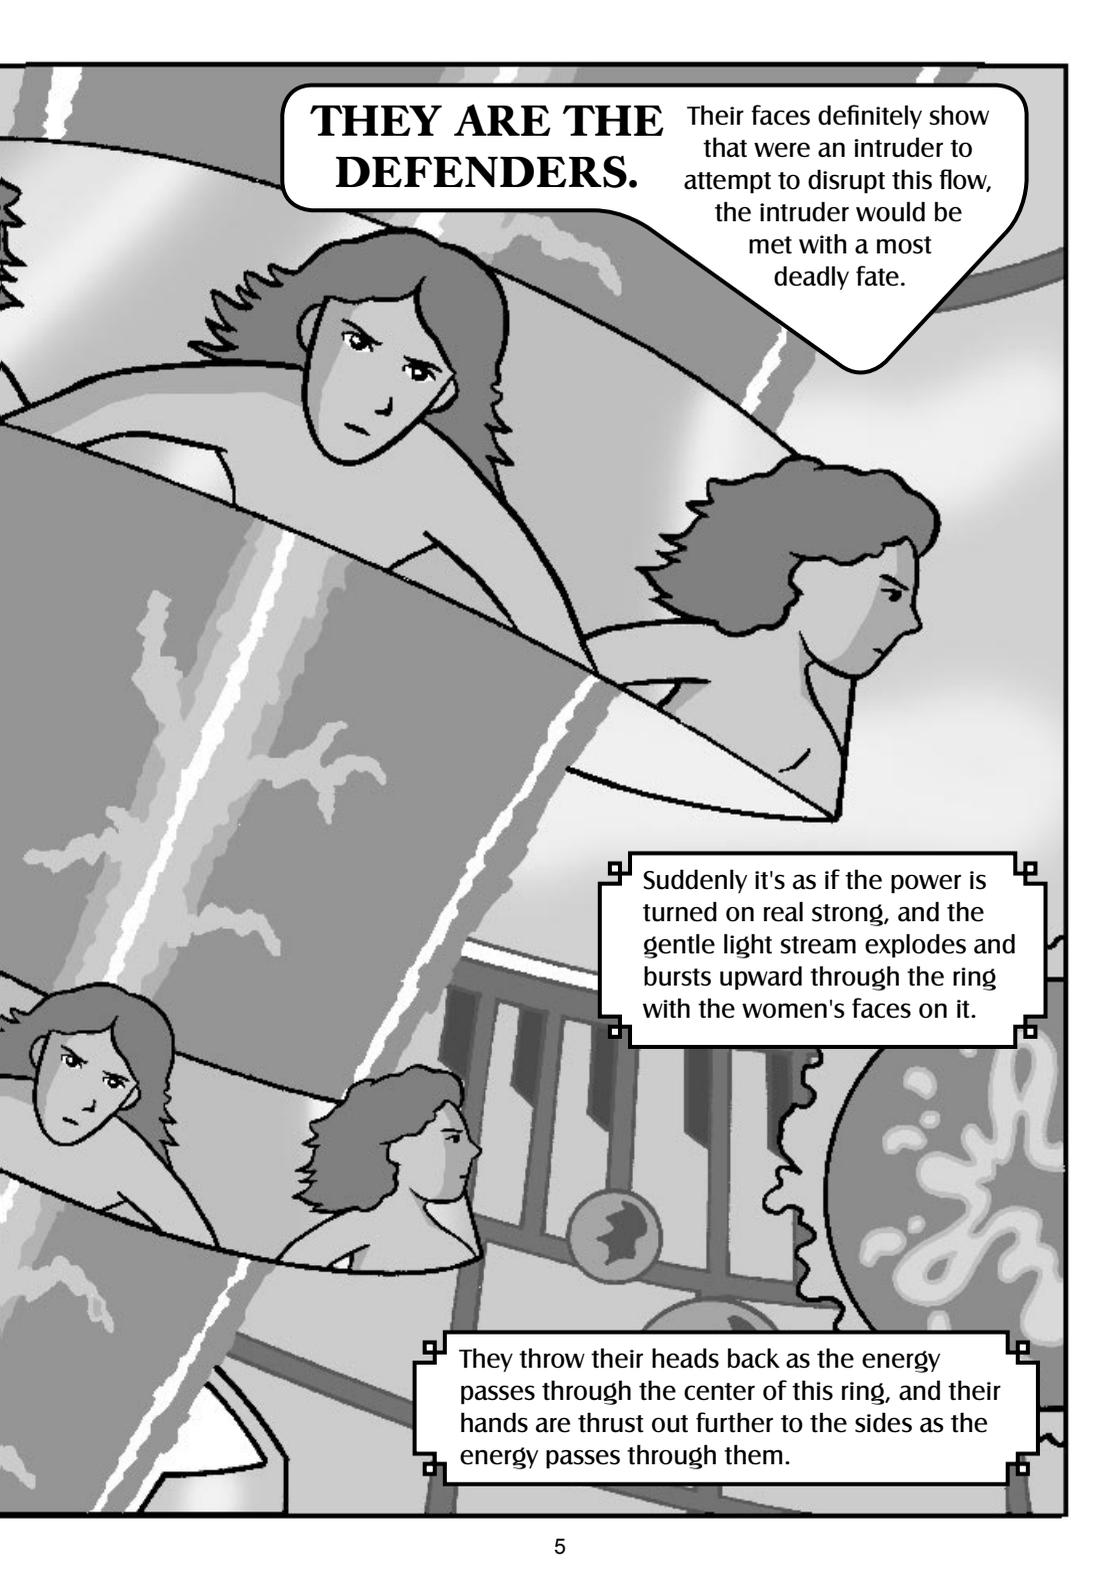

The stream of light begins from a cone-shaped base in the floor, and sweeps down from the enclosing wall to this cone.

The cone doesn't have a top. The light shoots straight up in a gentle flow. It's supporting another cone-shaped object, made of the same material as the base wall and also blue in color.

Around the cone/ring are women's faces and upper torsos with their hands outstretched as if bearing this object on their backs. Their heads are free and move from side to side, and all focus on me as I stare at them.

**THEY ARE THE DEFENDERS.**

Their faces definitely show that were an intruder to attempt to disrupt this flow, the intruder would be met with a most deadly fate.

Suddenly it's as if the power is turned on real strong, and the gentle light stream explodes and bursts upward through the ring with the women's faces on it.

They throw their heads back as the energy passes through the center of this ring, and their hands are thrust out further to the sides as the energy passes through them.

The two gatekeepers have their faces turned away from the flow as if it's too powerful to look at.

The gatekeepers' hair is rocketing in the wind or shock wave behind them as they maintain their positions.

Following the stream up through the ring, I see that there are numerous other rings in line with the flow, all with the same faces on them, all blue in color. The energy stream goes straight up, as if these rings were its conduits, and my eyes follow its flow till I can't see any more.

Around the conduit is a cloud of deep purple and blue. It swirls around and around, forming a cone shape as it ascends.

This must go for miles, because even though it's straight up, I can't see the end of it.

It seems that this is only one of these huge generators, and that they all work together to provide an extremely powerful source of energy.

# JESUS SPEAKING:

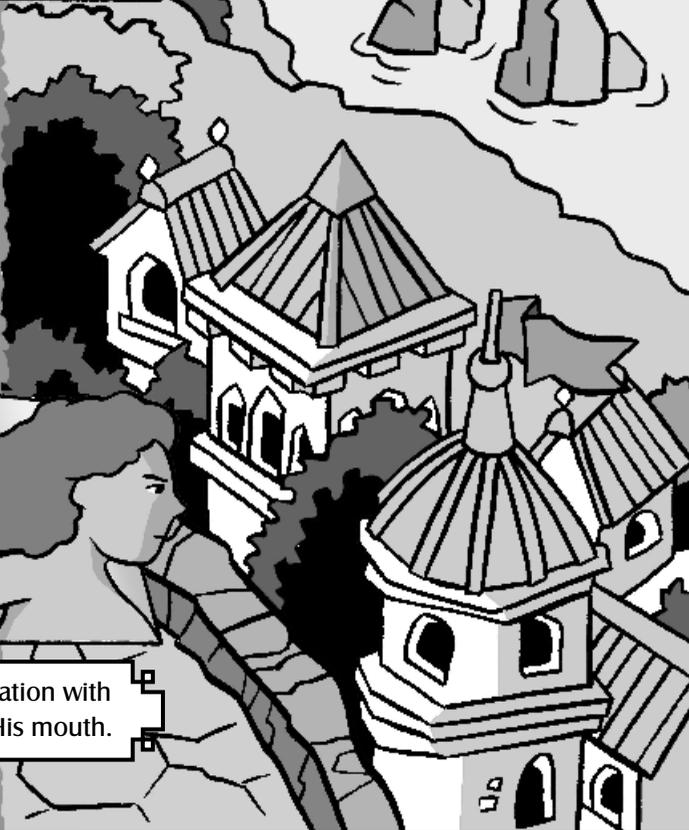

There are many such powerhouses. This is the smallest and weakest of all of them.

What you see here is the life's blood for an entire civilization within My Kingdom.

My Father powers this civilization with the Words He speaks from His mouth.

His thoughts are the air that this culture breathes. They exist by His power. It is their life, and without it they would have no energy at all.

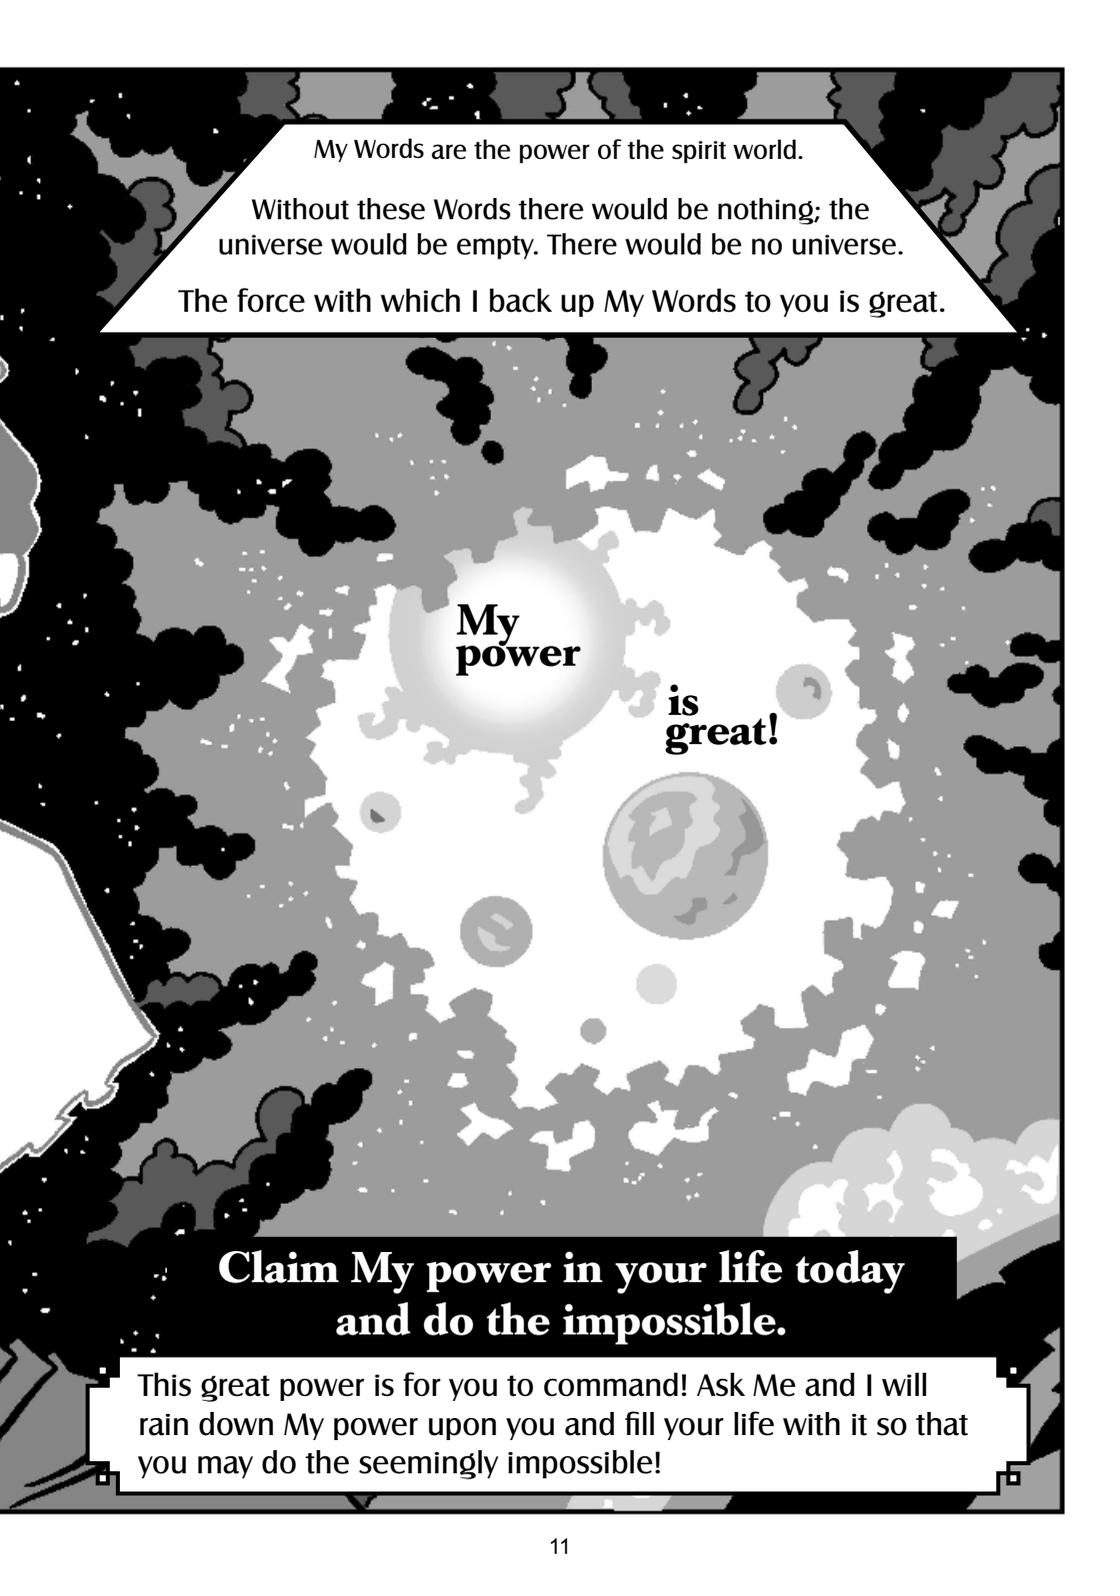

This shows you the magnitude of My  
**FATHER'S POWER** and the  
**POWER OF HIS WORDS.**

You may think that the Words you hear from Me or your spirit helpers are just direction and counsel. But the truth is, these Words are backed by more power than you can imagine—immense power!

**That's why there's such great power in claiming My Words.**

My Words are the power of the spirit world.

Without these Words there would be nothing; the universe would be empty. There would be no universe.

The force with which I back up My Words to you is great.

**My  
power**

**is  
great!**

**Claim My power in your life today  
and do the impossible.**

This great power is for you to command! Ask Me and I will rain down My power upon you and fill your life with it so that you may do the seemingly impossible!

**Mama:** The Lord has revealed this never-before-known truth because He wants us to know that the power He's given us is more than enough to do the impossible.

His power, which we have access to by faith through the keys, is way bigger than the obstacles that we face ...

... obstacles that must be almost laughable compared to the power that backs up our *Miracle-maker's* promises.
