

Angel Taxis

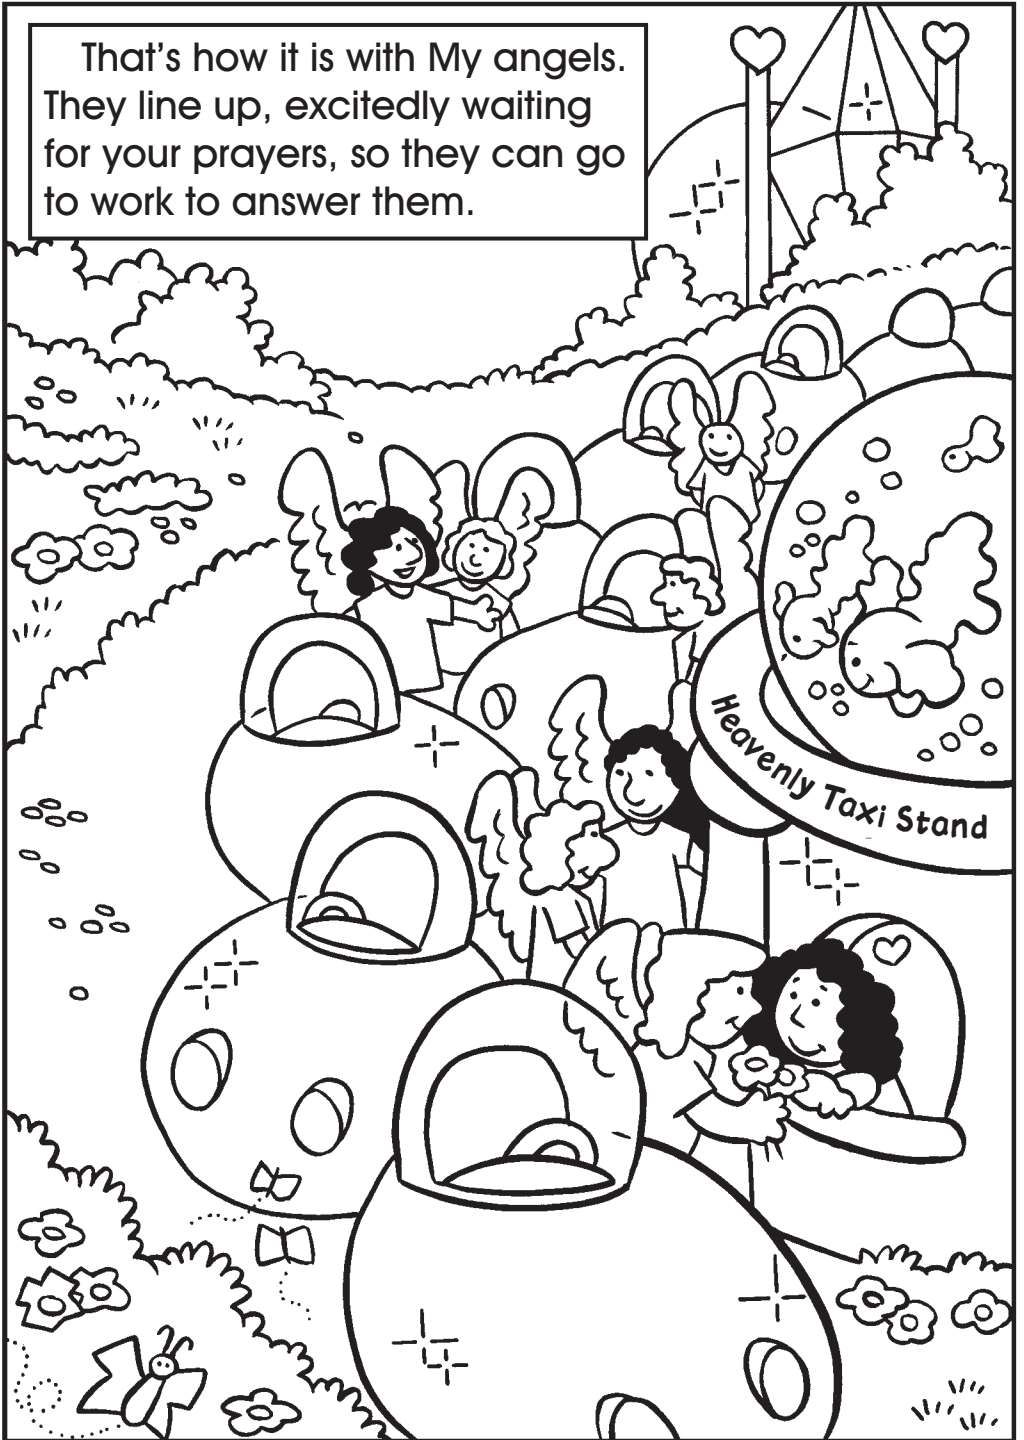

There are thousands of angels in Heaven who like to help Me answer your prayers.

Have you ever seen a line of taxis waiting for passengers?

All you have to do is tell the taxi driver where you want to go, and he will take you there.

That's how it is with My angels.
They line up, excitedly waiting
for your prayers, so they can go
to work to answer them.

Jesus, please lead us on our walk ...

In answer to their prayer, please send them an angel to help guide them.

ANGEL TAXIS

Yes, Sir!

Jesus, please lead us on our walk to those You want us to meet.

We claim the power of the keys!

This is Mrs. Sparks' house.

Thank You, Jesus, for showing us to come here.

Yes, I will be very happy to subscribe to *Activated*.

And we have a fun interactive CD.

If you don't pray and ask for help, it's like having a long line of taxis waiting to take you anywhere you want to go ...

Taxi, sir?

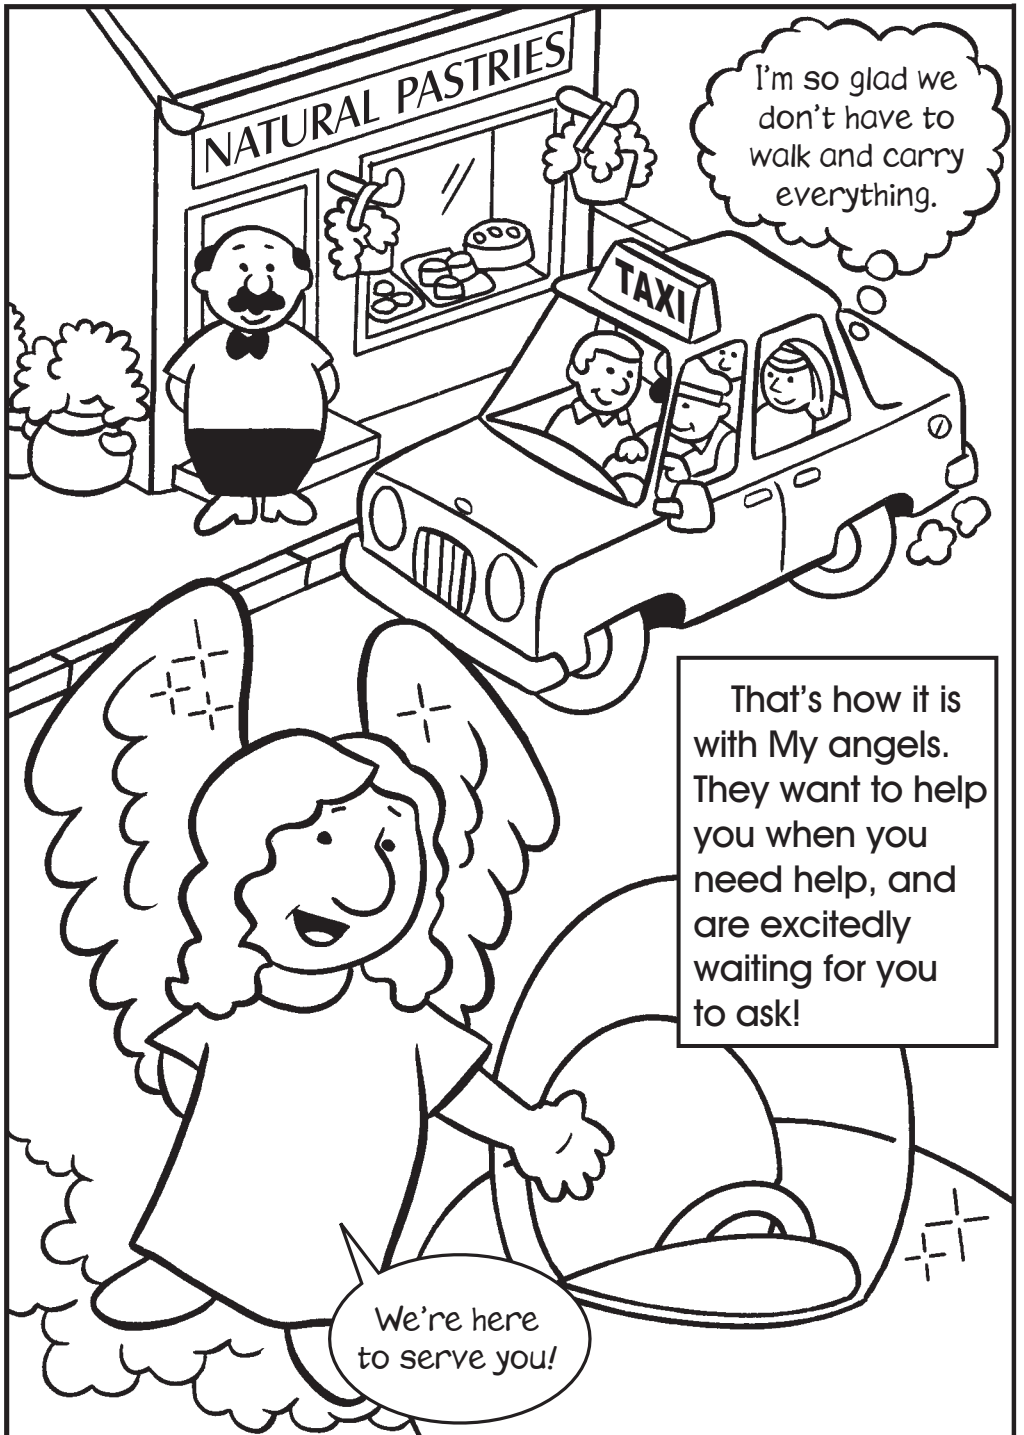

No, thank you.
We'll walk.

... but instead,
you choose to walk.

Taxi drivers can help people in many ways. They can drive them places, and help them carry their bags. They are there to serve people and can make things easier for them.

Call for the angels to help you. They are there waiting for you. Ask for their help!
