I want you
to know how much
I need your love.

You kids are such fun to be with!

This is so special, Jesus!

You can really play, Jesus!

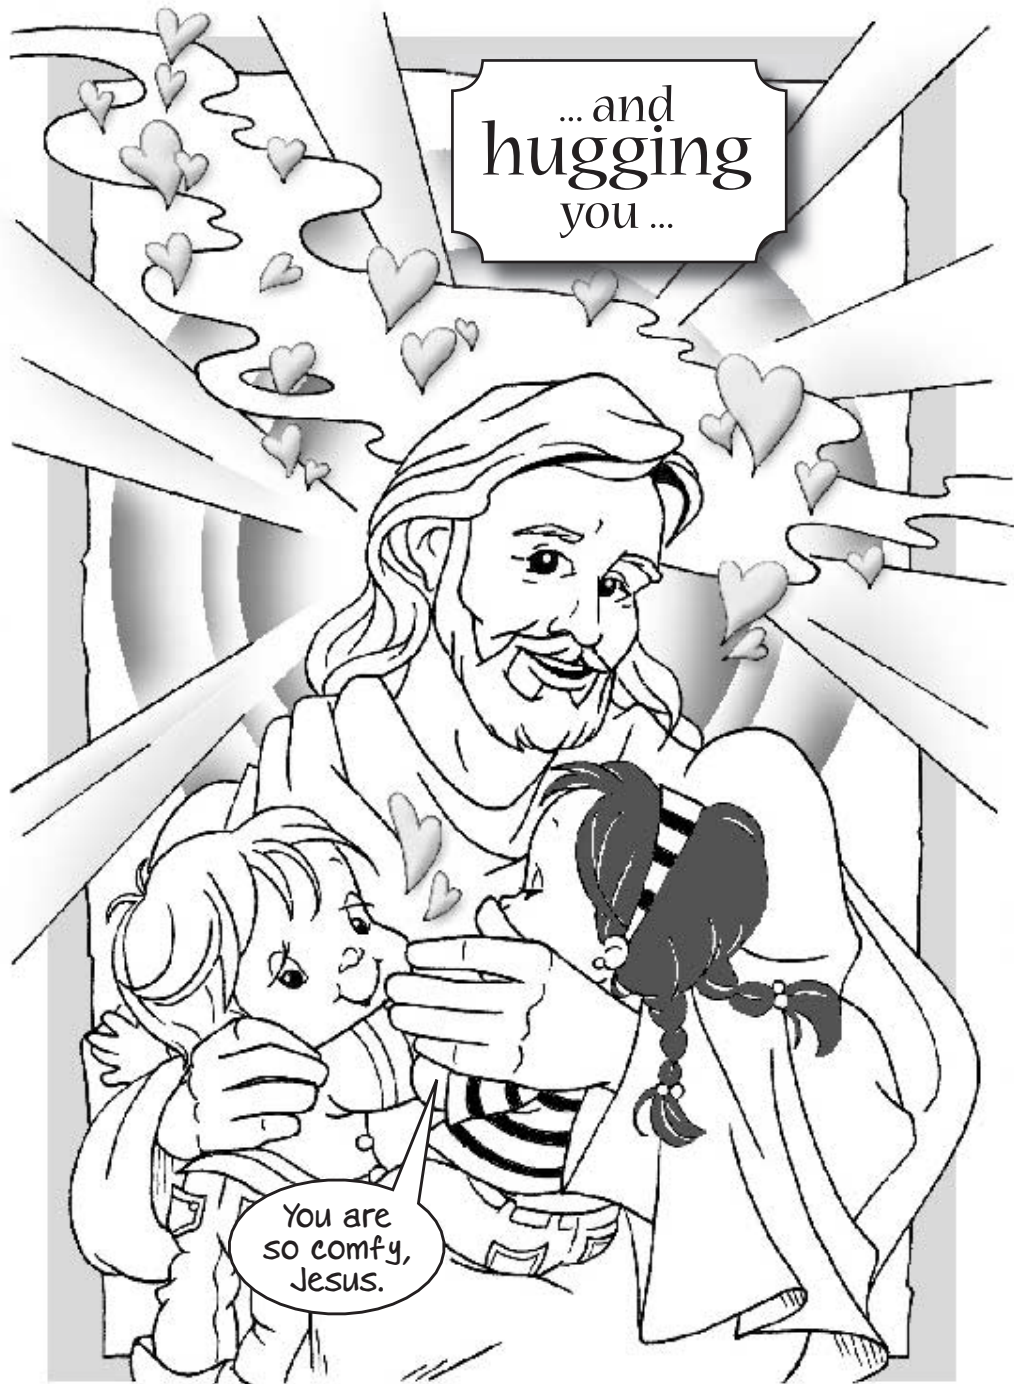

I LOVE being with you!

I love
holding
you ...

How would
you like to go
for a ride in your
dreams?

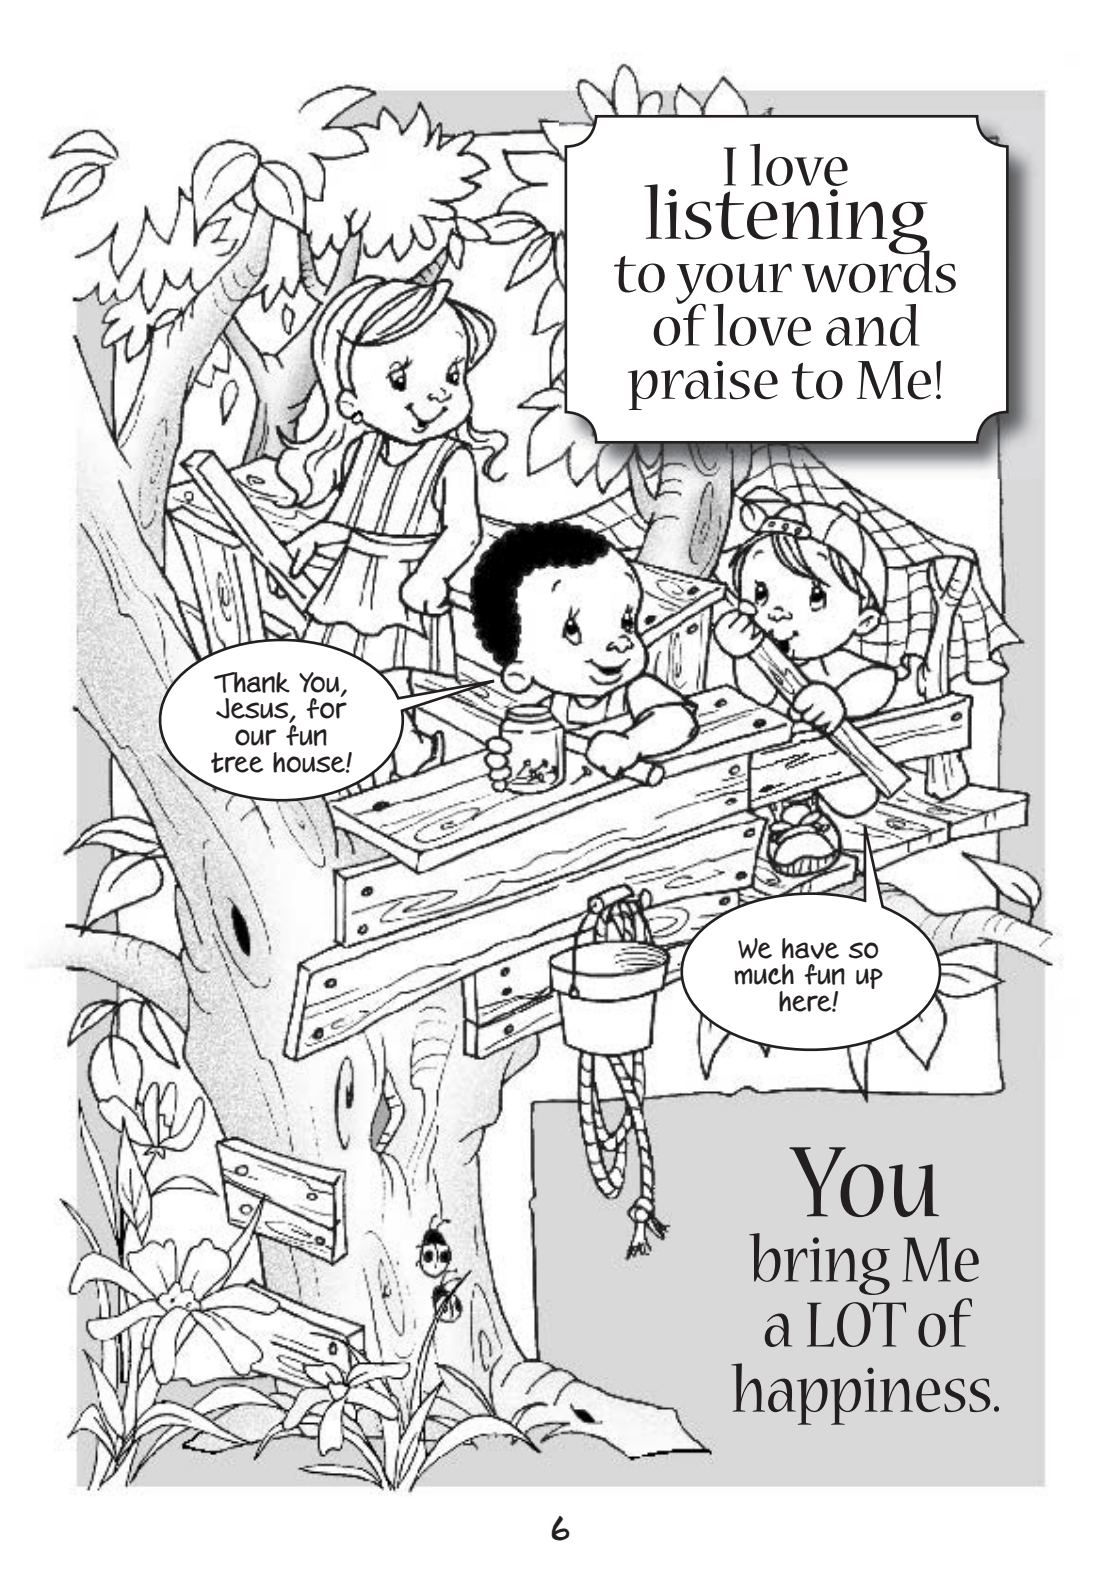

... and
hugging
you ...

You are
so comfy,
Jesus.

... and
speaking
to you.

I love
listening
to your words
of love and
praise to Me!

Thank You,
Jesus, for
our fun
tree house!

We have so
much fun up
here!

You
bring Me
a LOT of
happiness.

When people do unloving things
or they fight and hurt
others,

that
makes Me
sad.

But your love
for Me inspires
Me.

I want
to keep
showing love
to this
love-starved
world.

By LOVING
Me, you
help Me
give love to
others.

Thank
you so much
for your
love.

I want to
make you
happy,
Jesus!

It is true! I NEED your LOVE!

Jesus loves
you no matter
what.
