Excuse me, sir. This is for you!

No, thank you.

That was a bit discouraging.

Life is like a stream of water flowing down a mountain.

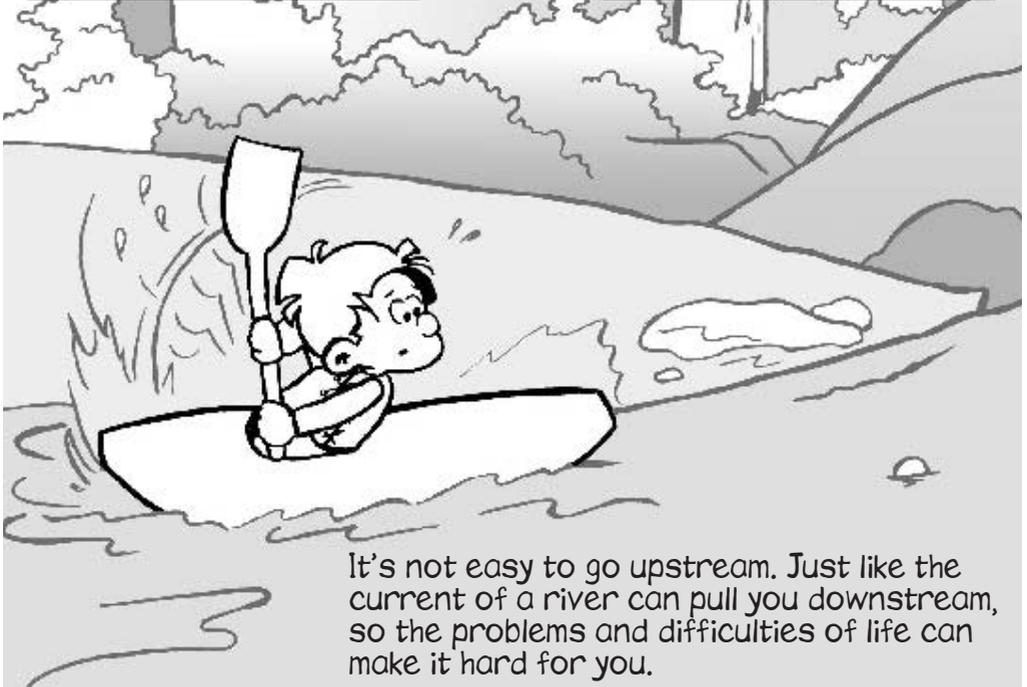

Hey, Dad!  
Look at this neat  
train set. It's the  
kind I've always  
wanted. Can I have  
it, please?

We can't  
afford to buy it  
right now. So, let's  
pray and ask the  
Lord to supply  
one for you soon  
another way.

Okay,  
Daddy!

It's not easy to go upstream. Just like the current of a river can pull you downstream, so the problems and difficulties of life can make it hard for you.

Oh dear! It seems extra difficult to do my schoolwork today.

It was my idea to dress up like Pocahontas first. It's no fun when you copy me.

But I like being Pocahontas too!

Uh oh! Disunity!

As the stream of life flows downward, the current pulls against you, making it difficult for you to paddle upstream. You make progress, but it is slow, hard work.

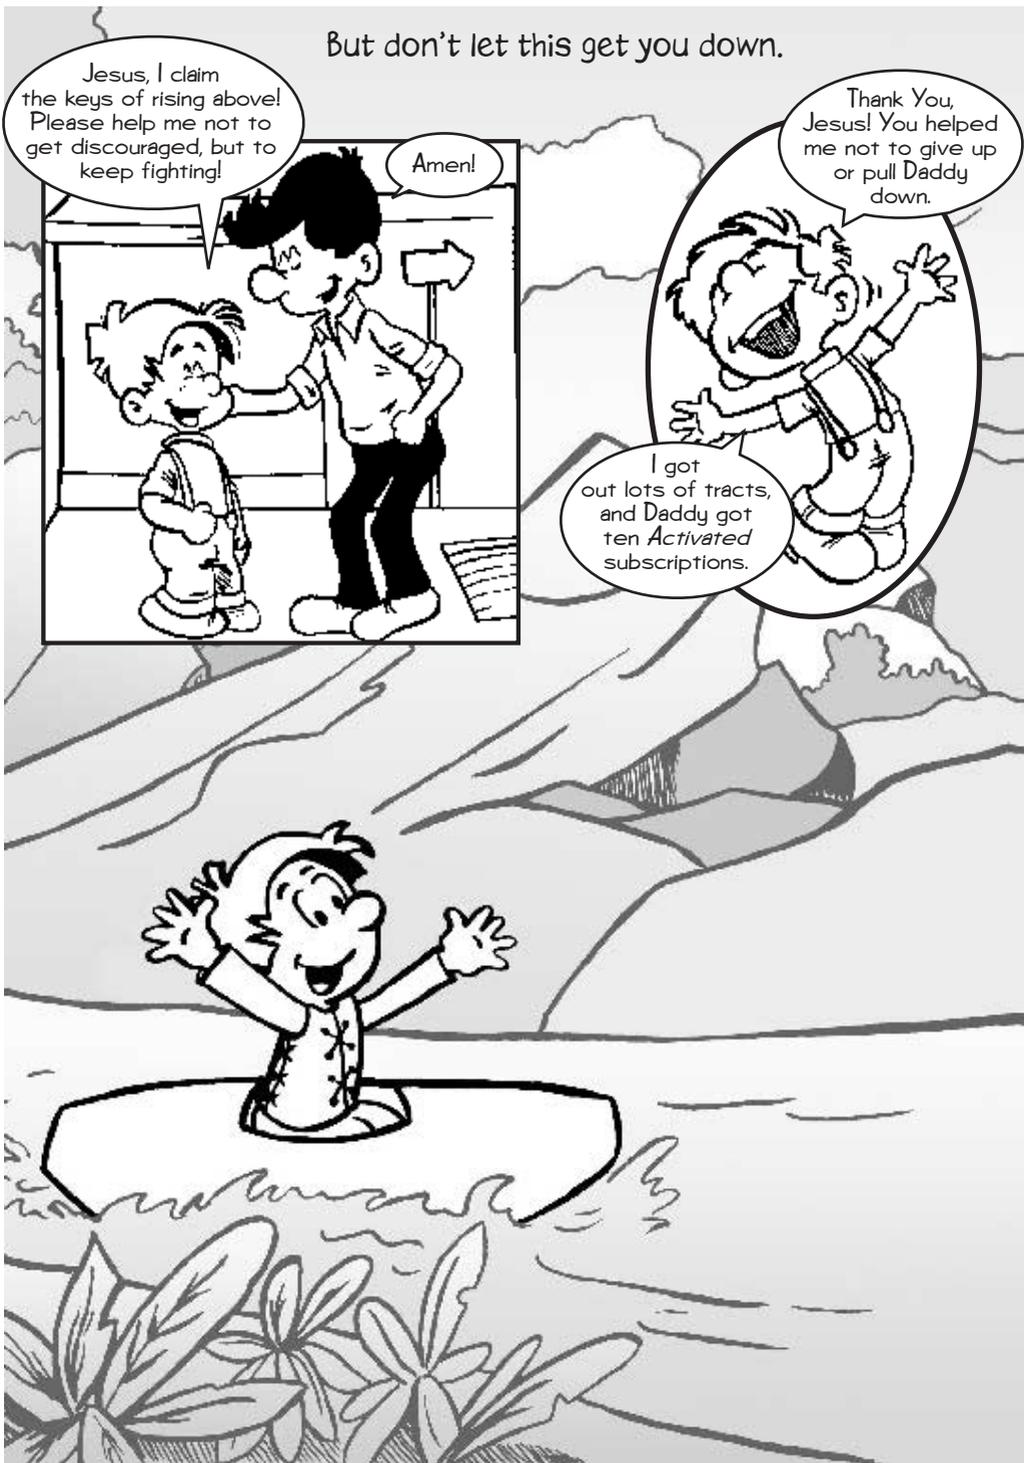

But don't let this get you down.

Jesus, I claim  
the keys of rising above!  
Please help me not to  
get discouraged, but to  
keep fighting!

Amen!

Thank You,  
Jesus! You helped  
me not to give up  
or pull Daddy  
down.

I got  
out lots of tracts,  
and Daddy got  
ten *Activated*  
subscriptions.

If you lift your hands in praise and claim the power of the keys, you will rise above the stream of difficulties.

Jesus, please help me to rise above! I claim the power of the keys for a happy and inspiring day!

Thank You, Jesus, for the power of the keys! You helped me to rise above. It was a great day!

No longer will you have to struggle through the water; you will now fly above the stream like a fairy with wings. Through praise and the keys you will be given wings to fly above life's problems and obstacles. The keys have given you wings to fly above life's problems that pull you down the mountain.

**That, My children, is the power of the keys!**
