Power to the children with the keys!
We are learning to use the keys often throughout each day.

The keys contain awesome power—all the power in Heaven!

We are able to wield that power if we call on them in faith.

Calling on the help of the keys makes things go much easier. And the keys even work miracles!

When a situation comes up where we need to use the keys, we like to pull out our key rings* and claim one of the promises.

We are trying to memorize as many key promises as we can.

Here are some examples of how we use the keys!

That girl was very thankful for the *Activated* mag you gave her.

Let’s make a push on winning more souls. Would you like to pray with the next people we talk to?

I’d like to, but I’m feeling a little shy.

Let’s pray and ask the Lord for boldness.

I call on the key of boldness, and on the help of my spirit helpers to give me the boldness to win souls for You, Jesus!

The keys worked! Together we won ten souls!

If you feel shy and don’t know what to say, Call on the keys of boldness and then I’ll have full sway*.

Every need, no matter how great, will be supplied as you call on the power of the keys.

And He did it! We got the tickets!
Darren, do you remember which verse we are up to in the chapter?

Who? Me?
Uh, no.

The keys of Heaven will help you concentrate while you study.

Later, when Darren was asked again:

Jesus, I’m sorry for not tuning in to our Word time.

I praise You, Jesus, for giving us Your Word. I call on the keys of concentration and enjoyment for my Word time.

Let’s see. What’s a good key that I can claim?

The keys of Heaven will help you concentrate while you study.

Yes, Uncle Mark! We were up to verse 24.
The other day the Devil was really trying to get me down and discouraged. I had an argument with my brother Brendan... and I felt real bad about it afterwards.

Then someone borrowed my headphones and lost them. They were found later and returned. But by then I was discouraged and having a hard time being happy. So I prayed:

Jesus, thank You for Your love. I call on the keys of faith and rising above to stop the Devil from getting me down.

Jesus helped me rise above and have a great day!

Use the keys of the Kingdom, and you’ll stop the Devil in his tracks!
Knowing how the gifts of praise, prayer, and prophecy help us, let’s pray for Jesus to help you to use them more.

Jesus, You are wonderful!

I call on the keys of praise, prayer, and being a good channel to help me grow spiritually.

Oh yes!

Can you help me read my key promise?

You are My beautiful little flower. I love you, My sweet girl.

Through the keys, you can use the gifts of the spirit fully.

You are My beautiful little flower. I love you, My sweet girl.
Repeat after me kids. “A”, “Aa”, “I”, “Ee”...

Uncle Peter, I just don’t think I’m getting it. It’s too difficult.

Why don’t we stop and pray again for help.

Thank You, Jesus, for how You help me learn new things. I call on the key of learning to help me learn Hindi.

नमस्ते*

The keys will help you tap into all the wisdom and knowledge of Heaven that you need for your studies.

The Key of DETERMINATION

Celine, please take your fingers out of your mouth. Thank you!

You are such a big help, Jesus. I call on the power of the keys of determination to help me to keep fighting to break this habit.

It's so hard to break this habit. I try, but always seem to forget.

With the keys you can stop and change any bad habit.

Two weeks later:

Jesus helped me break that bad habit!
The Key of MERCY

He borrowed my bike without asking me and broke it!

He said he was sorry, but sorry doesn’t fix it.

He promised to fix it with his dad’s help, but it still bothers me that he broke it.

I know I’m supposed to forgive Darren, but I really don’t feel like forgiving him.

Thank You, Jesus, for all the times You have forgiven me. I call on the key of mercy to forgive and forget.

Of course I forgive you. I’m sorry for holding a grudge.

The keys give you love enough to forgive.
Rice and dahl* again? Mom, can I just have a banana?

Do I have to eat this?

*lentils

It makes Jesus sad when we complain about the things He supplies. Why don’t you ask Jesus to help you be thankful for your food?

Thank You, Jesus, for the food You give us. I call on the key of thankfulness to help me be thankful and to help me eat the food You provide.

Mmm! Dahl is yummy when you get used to it!

The keys will give you positive and praiseful thoughts.
The Key of HEALING

We love You, Jesus. We call on the key of healing to help Brendan to feel better and to lessen the pain.

Thank You, Jesus, for healing me! Help me to be more careful.

Claim My full healing power through the keys, and you will be healed.
