

Roy Nettles, a West Palm Businessman, who took the Florida Soul Clinic Course 1956, writes the following letter from Nassau, Bahamas:

Dear Prayer Warriors,

I am writing you today from the beautiful city of New Providence, in the heart of the Bahamas; a play ground for tourist and a veritable paradise for vacationers. Yet, spiritual needs here are so great, souls starving for the Gospel. Since coming here my heart has been gripped with compassion for the spiritual needs of the people. Because of the great need for a Soul Winning school here, I was asked to help get the work established before going on the big battle field of Africa. I will be setting up a base here and getting things ready for our training school, to open here in August. Our first problem, was finding a suitable building for our school. However, God began to work in answer to prayer --- ministers and missionary workers offered their assistance. They have School buildings here that are in use only 4 months of the year. They will let us use the buildings the other 8 months for our Soul Winning School. We do thank God for these friends.

However, there are many other needs that are very pressing that we must meet to enable us to operate the school here. We need faithful friends who will promise to help each month with a gift to feed the students. We will need at least three good bicycles for the staff. The school bus which they are letting us use free is in need of repairs to put it in good shape to transport students to and from witnessing. This may be the way the Lord wants to use you to help in this great work. It may be that you, your family, or Youth Group, of Church, would like to sponsor a student.

The Lord is blessing in our childrens work, and I am so very happy to tell you that God is saving souls in this class. He is also saving souls in our street work, and from house to house, praise his precious name. He is giving us many souls both children and adults. How I do praise Him for ever calling me into this work.

"NEW LIFE FOR GRANDMOTHER" a beautiful book written by Aura Jones, a missionary and teacher of our own schools in Florida, Trinidad and Jamaica, is now off the press. This month we would like to send a free copy to all of our friends who write in and send a gift if you are able to be used for missionary work both at home or abroad.

"GO YE INTO ALL THE WORLD AND PREACH THE GOSPEL TO EVERY CREATURE!"
"HE THAT WINNETH SOULS IS WISE!" Only what's done for Christ will last.

PRAISE AND THANKSGIVING TO GOD ! !

Within 48 hours after we arrived back in Miami we were in our new school location. Two weeks later the Lord led us to our new ROSE OF SHARON Missionary Colony location.

Just one month later the first family moved into Sharon with lights, water and cesspool, dug through 12 feet of solid coral rock. (Thanks to the men in Key Largo who donated 16 sticks of dynamite, heavy equipment and labor for this project.)

A few days later, as a result of our missionary journey to the West Indies, where we spoke twice at the Evangelistic Temple, the Lord opened the door to a lovely school campus for our new Native Mission School in Nassau, Bahamas.

We have several fine students living in the school and classes are now in progress. We have been on the Radio several weeks - thanks to the help of Christian friends who sponsored a program.

A lovely trailer has been provided for one of our staff members for use at Sharon Colony - thanks to a Christian businessman in Phila.

Three new television stations have been booked because we traveled 2000 miles in behalf of the Church in the Home Telecast.

Two thousand individual meals were served to staff, students, and missionaries. Seven hundred individual night's lodging were provided. Several thousand pieces of Gospel literature have been distributed.

Already a number of souls have been won, including some Florida Seminole Indians by the students and staff. Thanks to God and You.

PLEASE PRAY WITH US FOR THE FOLLOWING REQUEST - - - - -

More students to study God's Word and to "Forsake all for Jesus" For the West Indies Missionary Training School in Nassau. For the Young People from the Islands to come & receive training For the Sharon Missionary Colony in Key Largo:

That we may have laborers to help in the work there

That we may have the finances to construct dining room-chapel

That trailers will be loaned or donated for staff & Students

That we may stay on the radio to Cheer shut-ins & Challenge Christians

That precious souls will be saved as we go forth to witness

THE FRUIT BEARING VERSE: John 15: 16 "Ye have not chosen me, but I have chosen you, and ordained you, that ye should go and bring forth FRUIT, and that your FRUIT should remain: that whatsoever ye shall ask of the Father in my name, he may give it you."
