Anywhere You Look

Countless homes and trailers,
boats, cars, equipment were
destroyed.
Devastation everywhere.

We braced the trailers -
 Boarded the house - - -
 Offered help and shelter
 then came Donna - - -

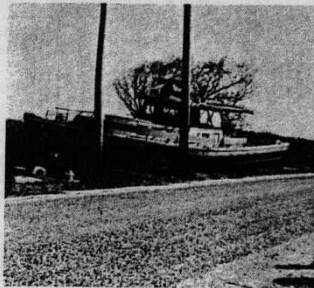

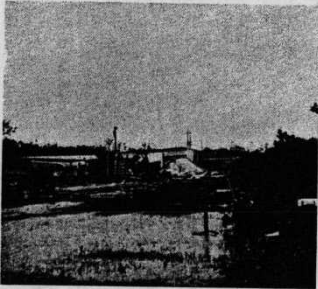

One trailer was completely
 demolished.

We were not sorry for ALL the
 victims - giant by then.

There Is Wreckage

Felled trees and a broken water
 pipe practically our only damage.

Not fifty yards from us was
 great destruction.
