we will serve the Lord."

And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up: That whosoever believeth in him should not perish, but have eternal life.

OUR FAMILY IN MIAMI, FLORIDA, USA - 1961!

(Inset--Pamela Parrish--another one of our "adopted children")

of the companionship of other Christian children his own age. He is now very happy, attending Miami Christian School with the others, and is like one of our own family. To the extreme right, you may recognize Mary Ulm and her daughter Sara, who have been serving the Lord with us for many years. Standing directly behind them is Bob Wright, our faithful cook and all-round helper, whom Mary led to the Lord, right in the same room, almost two years ago. Bob was for many years an alcoholic, but God delivered him instantly and completely, when he asked the Lord to come into his heart. Also standing at the right is a young man, Marvin Doudna, who is a teacher at Miami Christian School, who has chosen to live with us, in order that he might be a blessing and help to the young people of our household. Linda is growing and profiting spiritually and doing very well in her studies at Florida Bible College. Behind her to the right, is a Christian friend, John Treadwell, who is also going to Bible College. The other young man is Richard Dow, who gave his heart to the Lord on the third floor of the old house, which we call the boy's dorm. When Jonathan showed him the salvation scriptures and pointed the way, Richard gladly took Jesus as his Savior, and has been a transformed boy. Every room of the old house has been aglow with spiritual blessings some time or other, and holds sweet memories for all of us. Many others who have passed through these portals have also been blessed and helped. Please pray for us, as we carry on this "house by the side of the road" ministry. Also, don't forget to pray for David and his fight against evolution in public schools--also his TV and radio work. May God bless and keep you! - David, James & Family

Greetings from all the family!

Yes, this is a picture of our "enlarged family" at the old southern mansion in downtown Miami. The termites seem to have slowed down their devouring process of 218, since Grandmother prayed we could enjoy the house a little longer, and share the 18 rooms with our many friends and loved ones. For six months during the summer, we were blessed with the use of a small hotel on Miami Beach. Grandma and Grandpa came from California, with Jonathan. Now they have made a safe return to California, and Jonathan has remained with the family in Miami, where he is attending the Miami Christian School, with Paul and Faith.

In the picture, you see the "family" gathering together in the living room. To the extreme left, on the front row, you find Jeanette Apton and her son Bobby, Hebrew Christians, with their dog, Fluffy. Bobby came to us last summer, very depressed and in need
