

**CHRISTIAN GREETINGS AND A BLESSED NEW YEAR! 1968!**

Just hearing from us is news for most of you! As a result of our fight with evolution in the public schools in Miami in 1962, our home was torn to the ground and we were compelled to close our witnessing school there and launch out on the road in our mobile home with all 4 children in full-time radio & TV work, placing the Gospel on the air throughout the nation as the Lord led.

WE TRAVELED & TAUGHT THE CHILDREN THE WORD and witnessing as they continued their studies by correspondence. What a joy it was to get them out of the Anti-Christ public schools! In nearly 100,000 miles of travel in almost every State, Canada & Mexico they received an excellent education, thrived on the Word & witnessing, won many to Christ & grew in grace & favor with God & man.

LINDA, OUR ELDEST, WAS SOON MARRIED to a fine young witnessing Christian from Florida Bible College, John Treadwell, & they resumed their studies in Miami until they joined us with new baby Joy Jane to help man our witnessing exhibit at the New York World's Fair the Summer of 1964, then journeyed on to Los Angeles where John became IBM manager of "Church in the Home" office, & little blond, blue-eyed John Jr. was born in '65. They still reside at 325-A East Mooney Dr., Monterey Park, Calif., if you care to write.

PAUL, JONATHAN & FAITH CONTINUED TO TRAVEL with Mom & Dad until we began to headquarter on the Ranch in Texas where they resumed their public schooling at a little country school which had not yet banned God & the Bible; thank the Lord!

PAUL RAN THE RANCH & JONATHAN RAN OUR BOOTH at the N.Y. World's Fair in '65 with the help of Faith, Mom & others--all by faith--witnessing to countless thousands of every land, winning many to Christ, while Dad put the Gospel on the air.

AFTER PUTTING THE GOSPEL ON OVER 300 TV STATIONS

& 1200 RADIO STATIONS IN 12 YEARS it became more difficult to get time due to the growing power of the communistic National Council of Churches who, with Government help, now control the air. "Drop the Gospel & programs against communism!" is the gist of a Government letter to the stations that I have seen with my own eyes! Named were Carl McIntyre, Billy James Hargis, Lifeline etc.--all good Christians whose only crime is to warn of growing communism in Government, education & religion! (Note enclosed tracts on same.)

SO WE HAD TO DROP OUR RADIO & TV WORK IN '66 just as Paul & Faith graduated from high school with honors, their education even better for travel & serving God! So we decided to go all out for teens that Summer--surfers, students, hippies or Christians--where the teens are: beaches, parks, drive-ins, schools or churches. Multitudes were won to Christ & taught to witness by kids their own age!--"The Lord working with them, confirming the Word with signs following" as "they went everywhere preaching".

CAME FALL, PAUL & ARNIE, BOTH DRAFT AGE, "chose rather to suffer affliction with the witnesses for Christ than to return to college for the season, esteeming the reproaches of Christ greater riches than the treasures of education, knowing the time is short and the days evil, so we must work the works of Him that sent us while it is day, for the night cometh when no man can work!" So they kept on & God kept them. Do pray for them.

SARA ULM & ARTIE JOINED US IN NEW YORK & CLAUDIA YOUNG IN MIAMI, all sacrificing some of their education to reach teens while still teens & time before the Great Confusion (see enclosed tracts: "Warning!" & "Predictions").

IN FLA. LAST FEB. FAITH MARRIED ARNIE, witnessing co-worker she'd met at N.Y. Fair in '65, who traveled with us. They worked with youth' groups in N.Y. until rejoining us this yr.

TEENS FOR CHRIST NEWS--David & Jane & Family

JAN 1968

Huntington Beach, Cal.

PAUL & SARA, ARTIE & CLAUDIA WERE MARRIED in a thrilling double wedding at the Ranch in Nov., different and more inspiring than any we've ever seen!--They wore their "uniforms" & supplied their own Gospel folk music & testimonies for a group of interested friends & co-laborers.

ALL SING, PLAY & WITNESS TOGETHER EVERYWHERE, (see enclosed handbill picture) testify well, and are an attraction with their teen-style Gospel music, always getting results! If you'd like them at your church or meeting, write us.

EVEN GRANDMOTHER JOINED THE TEAM AWHILE! Our 82-year-old teenager, enjoying the evangelistic read again, still an active & courageous trapper, inspired us all as she traveled with us for 7,000 miles of miracle from Texas to Wis., across Canada to Expo '67 in Montreal, & on to New York, Miami & the West Indies! She still speaks, writes, broadcasts, leads the American League of Praying Mothers ministering to servicemen around the world by mail, & lives at 605 1/2--10th St., Huntington Beach, Calif. 92646.

THE MORE THAN 7,000-MILES-OF-MIRACLES TRIP this past year with Grandmother began when she joined us in Texas to make one of the most unusual journeys we have ever experienced, nearly every step ordered directly by the Lord in very supernatural ways! Wish we could tell you all about it here, but it would take a book!

HE FIRST LED US TO HELP WITNESS AT FAIRS IN WIS. With Jonathan, Arnie, Faith & Pat joined by Dad, Mom, Grandmother, Paul, Sara, Arnie & Claudia, sponsored by the Christian Business Men. Then Jonathan, Arnie, Claudia & Pat returned to Texas to witness at the World's Largest State Fair, assisted by Mary & Mark Glassford & the Full Gospel Business Men, while Grandmother, Dad, Mom, Arnie, Faith, Paul & Sara were led of the Lord across Canada to witness at "Sermons from Science" Pavilion at Expo '67 Montreal, counsel-

ing many to Christ, including a Russian communist saved! At all of these fairs thousands were personally given the Gospel & many led to Him.

TWO WEEKS OF WITNESSING, DEEPER LIFE, PROPHECY & youth revival followed in Albany, N.Y., with Grandmother supplying the deeper life inspiration, Dad the Bible prophecy, & all the young folks the music, youth & witnessing. It was truly a glorious revival that really changed the church with salvations, infillings & witnessing!--as well as deeper instruction in Christian living and warnings from the Word of the future. (See enclosed tracts.) Maybe the Lord could use us to do the same for your church!--Write to us.

THEN ON TO THE NEW YORK HIPPIES, TV SHOWS, etc. where Faith witnessed to some famed personalities. Bob & Sally, converted hippies (see enclosed), went with us to a big Miami "Love-in" where they preached to hundreds in the parks & hit the headlines in Nassau, Bahamas, W. Indies. with a news witness that reached thousands!

WE'VE NOW COME TO CALIFORNIA WHERE HIPPIES and youth abound in need of a witness that will reach them, & we've found our music & sincerity, thru! His Word & power, can do it!--and we take it to them, as Jesus did--where they are!

WE'RE HEADQUARTERING WITH GRANDMOTHER, LINDA & John while ministering here, so if you'd like to have us help your church, meeting or youth, call or write us at above address.

WE ARE NOW WORKING FULL TIME ON THE ROAD in our little mobile homes in this youth work, and are no longer engaged in radio & TV work for "Church in the Home", so our only income is that which the Lord supplies by faith--& He never fails! Praise His name! "Seek first the Kingdom of God & all these things shall be added unto you"-- food for 9 hungry mouths or gas for thousands of miles! But pray for us. God bless and use you!
