Miami, (Kendall Br) Fla.

Fall 1968-

Dear One's in Christ,

Greetings in the Love of Jesus. May the Lord bless you far above that which you could ask or think.

We feel lead of the Lord for our first prayer letter to express our love, gratitude & deep appreciation for David, Jane & Family. We are here in Miami only because of their patience and desire to see young people in full time service. Rev. David and his wife better known among the young people as uncle Dave and aunt Jane, even though they've been mother and father to all. If there is but one thing they have kept, it's the very words of Jesus when he said, "For whosoever shall do the will of my father which is in Heaven, the same is my brother, and sister, and mother." They too like Jesus consider all those that serve Christ, as their own son or daughter.

Ever since the first day I met uncle Dave, two major roles he's played in the lives of his children, and those that made their abode with them. Bible study, no matter what, and put God first. The verse's II Tim. 2:15 study to show thyself approved unto God, and Matt. 6:33 Seek ye first the kingdom of God, became very real to me. Pray before you do anything, was another precious lesson. To meet ardent soul winners is one of his greatest joy's. Which he teaches is a great honor to tell others of your faith in Christ. We were taught according to Acts 1:8, the holy spirit was to give you power to witness.

If I had one line to explain aunt Jane. It would consist of the following: Let's pray and ask the Lord. It hurt's her so much to see someone with a testimony or ability to witness, not all out for the Lord. Many time's they've traveled halfway across the United States to help some ex-drug addict, gang leader, college student or someone warming the

pew. If there's a need you can count on aunt Jane.

There's no doubt in my mind that uncle Dave has had a great impact in the lives of his two sons. It's hard to train your children when your a few states apart. His ministry at one time was to get gospel on radio and T.V., all over the states. This is where aunt Jane and Grandmother instilled their faith into the lives of these two young boys. I Tim. 1:5 "When I call to remembrance the unfeigned faith that is in thee, which dwelt first in thy grandmother Lois, and thy mother Eunice." Paul and Jonathan have been faithful Timothy's. Many have tried to dispise their youth, but like St. Paul told Timothy let no man dispise thy youth.

Now last but not least Linda and Faith the dauthers. John who is married to Linda the oldest of the children. Both of them are responsible for the work in Palm Springs, California, which has flourished to some 30 young people in a few short months. Sounds to me alittle like the book of Acts. They also handle the office work, and help keep up the house. Making it possible for uncle Dave to pray, and minister, the word a great deal more. While aunt Jane can make important contacts. Two of Linda's three children are already witnessing by passing out tracts's. Faith who is my wife, a pearl of great price, was God's gift to me. Lord willing she and some of the new converts from Huntington Beach will join us shortly. If you feel they have helped you, please write and let them know. Encouragment always is a great help.

Artie, Claudia and their handsome God given baby (Daniel) with myself want you to know we have considered it a great privilege to have been a small part of their wonderful ministry. They are what they are only by the grace of God.
