

on a small island for the summer because they had" a weekly show on the "good girl list" and were to sort of re-do some showings for while by working at their rather boring, small-time club.

14. **CLAIRE WAS NOT ONLY A BAR-TENDER, BUT EXHIBITED IN "DANCE CLASS" (Dancing?), and Monica was a hairist who also talked and danced with the men and "looked there for as much liquor as possible in order to get good commission. If they'd keep the men "buying" enough of their bottles and addictive liams, they wouldn't even have to work "ver-tical," unless they wanted to!**

15. **THE BIG FRENCH MANAGER WHO OWNED THE CLUB and adjoining French restaurant, along with her handsome older Italian boyfriend, the "Manager," were very apprehensive about us girls' friendly relations and meeting together at night for meals, and especially our coming to the club a few times! Then they really began to worry when they saw Faithy join our little team. When Claire was introduced to Faithy for the first time, she commented, "Oh, so she's a new re-oval! Welcome aboard, honey!"**

"Well, we're certainly not all here chasing buffoons", Claire said soon after our friendship had blossomed. "So tell us your secrets, girls! I just can't accept doing it only for money!" Both she and Monica were very much love-starved for the real thing, as you can imagine. 16. **MONICA**

WANTED TO BE THE MOST SPIRITUALLY INCLUSIVE OF THE TWO, she even had drawn two weeks prior to seeing Dad, that she met his just so he looks like person but yet in another future world where Dad witnessed to her about Eternal Life. P.S!

17. **YOU CAN IMAGINE HOW AMBITIOUS SHE WAS TO ACTUALLY MEET HIS FACE-TO-FACE, and on our first night's introduction, Monica explained, "You know, you all remind me very much of some beautiful people I met in Greece called the "Chil-**

ren of God"! A very sweet young girl named Maria told me all about Jesus Christ, and I prayed with her and received Jesus into my heart and was baptized a Child of God!" Hallelujah! "In 24 hours you've given me so much faith", she said after that first night's witness.

18. **WE CONTINUED TO FEEL MONICA WAS VERY A WISE, INTELLECTIVE, AND VERY SINCERE. SHE DIDN'T SEEM TO BE AT ALL ATTRACTED TO US TOO, and grew to love us very much, but she made sure to keep her distance at all times when the Spirit felt heavy, not wanting to be too convicted by the message. Dad and Maria witnessed not only to Claire & Monica, but also to the Madam and her boyfriend, and pretty much the whole club of girls came on and our message and really enjoyed our Fellowship! 19. **DAD GAVE MONICA A GREAT SURPRISE FOR A LONG VISITOR, AND CLAIRE, A STAR WISKAGE that she always wore, and on two different performances suddenly ripped it off her neck on stage, along with her clothes, & immediately****

stepped to the floor to scurry and find it. Unusually it was some kind of a "bad omen" if she ever parted with Dad's love gift! Dad told her that maybe it happened on a sign she should stay closer to the Source, Jesus!

20. **EVERY DAY DURING THE TWO CLARE WAS FEELING WITH US ON THEIR NIGHT OFF to the Big Bear and hotel. "You're gonna see how we operate", he said, and the two girls learned a few lessons about choosing big fish and discernment of spirit as a witness.**

21. **MONICA SPECIALLY ENJOYED BRANDING TO "WITNESS WHILE AT HOME," and when the girls barely stopped exclaiming, "You people are the only ones we've ever met who actually gave us a reason to live, and who've encouraged us about our post-bacon." 22. **DAD EXPLAINED, "THOSE GIRLS ALWAYS HATE****

ONE THING THEY NEVER GET, AND THAT'S RESPECT, and we're the only people who seem to know given it to them!" Dad had said one girl. "Well, we believe it's a God-given talent to be used for the good of mankind. Thank God for girls like you who are willing to give love to men who really need it. After all, it's not illegal to make sex, just to make love!"

23. **DAD, BO, AND THE OTHERS A FEW MONTHS BEFORE OUR RE-ARRIVAL WITH THEM, MONICA & CLAIRE LEARNED A LOT ABOUT OFFERING MORE TO MEN THAN JUST THE PHYSICAL!**

They had lots of problems with jealous and one-time boyfriends who wanted to marry and "own" them, and lead them to the "straight" life, but they were having far too much fun with their glamorous reputation of travelling, showing it with the men of their own choice, earning all the money they'd ever need and want, and not having to settle down to just one man!

24. **IT SEEM'THAT LONG HIS BOYS OF THEM TO FEEL VERY CONVICTED about their selfish, proud ways of treating lonely men in the past. They were used to "being" people for their own gain, and falsely playing up to men as well as grossly lying most of the time. They were very impressed by our Family marriage relationships and how we could share one another, yet really**

make it work! 25. **AND THEY WERE CONVINCED BY THE POWER OF THE SPIRIT! Children love a way of winning even the hardest hearts. Thinking they'd never even want children of their own, they were amazed to discover that "small" people" & blessing children can be after meeting him.**

26. **THE GIRLS ENJOYED IN A LOT MORE BEARS, FEELING VERY SPECIAL, THAT ENJOYED US LEARN THEIR secrets about dieting! and they often brought David to little healthy snacks like fruit or a jar of honey. David did come very needed PE with the Madam and her boyfriend by showing interest in their furry relations dog.**

By making everyone around him very happy, little helped them forget about the warlike of competition or contention. And when we all got to know one another better, they even invited us to a private spaghetti dinner one evening.

27. **AFTER DINNER, THE MADAM INVITED US OVER TO THE CLUB FOR THE EVENING!**

28. **ONE NIGHT CLAIRE & MONICA INVITED US TO THE CLUB! The last night of the night was so much to the only ones there. Claire bought David to some orange and he pulled them all over the place. Monica played "ball" with all the girls and was also very happy to dance on the disco music on-stage! Then Claire sat on down and gave a special little dance for David, running her hands over her body, really turning everything on!**

29. **WE WERE SURPRISED TO FIND HOW MUCH WE HAVE IN COMMON WITH THE MADAM! Among the others who worked at the club we met an 8-month pregnant Portuguese girl named Candy, who was trying to leave the business and go back home to "mommy" because of her non-comforting baby. We explained to her the possibilities of raising a "love baby" for Jesus and trying to keep on with the work. She said her most happy, but no one there wanted to help her in the business, because "a child just**
