

FORGOTTEN BY DOTTEN

THIS UNIT BE TISSO ME CO WHAT BABY WOULD BE AS A LITTLE BOY. IS WHEN MARISSA AND I TOOK HIM TO HIS NIP NURSERY! HE'LL EAGERLY GET TO BED & I'VE QUIETLY UNDER HIS SHEET AND PLAY WITH HIS PANTS.

23. I THINK I'LL TRY TO PUT THAT UNIT WITH YOU TO BUREAU OR IS IT FOR HER! WHEN HE GETS OUT OF BED, HIS PANTS ARE DOWN AROUND HIS ANKLES, SO WE'LL JUST HAVE TO MAKE SURE HIS HANDS ARE CLEAN BEFORE BEDTIME. AND ON TWO DIFFERENT OCCASIONS I'VE DISCOVERED HIM UNDER THE LIVINGROOM TABLE ON HIS BACK WITH HIS PANTS DOWN AROUND HIS KNEES, BUSY AGAIN!—Whatever turns his on!

24. BABY SHOULD WITH US THE IMPORTANCE OF LUBRICATING A LITTLE BOY'S PUBICUS & PERINEAL CHAIRING, perhaps at bed or bathroom, ensuring the foreskin does beyond the head of the penis so it will eventually go back all the way for easy and thorough cleaning. Baby books usually suggest you separate the foreskin back on uncircumcised penises while the boy is still a baby. However, some penis foreseins need longer but persistent separating when the hot-toutside seam is tightly attached & the skin hard to stretch. Be careful not to force it, but do your best to eventually stretch the skin back so the doctor won't have to do it forcefully!

25. I WORTHESS ONE DAY THAT ALPHIE HAD WORKED ON PERLING DITTO'S FORESKIN A LITTLE BIT IN THE HATCH. But said not to encourage familiarity w/this that way, because when it's time out that will be good too, it may get him off on the "hone track"! So this is in the "girl" department!

Big brown brother & little lumpy sister—14 months apart.

Weekend fun with David (1yr. 7mo.), & Daria (18 mo.)

1. SHEET, LET! LARY RIGHT AT THE CASINO ENTRANCE. DANNY, MOM, ALPHIE & I WERE MARRIED IN ANTICIPATORY COMMON DEPENDENCE by accident! The whole scene was in an emergency scenario since the whole safety of the King & Queen, but also our little Prince! We had had some warnings from the Lord above to guard Daria's safety, & the staff agreed that Daria's should go nowhere unless he was accompanied by two adults.

2. DANNY & I TOOK DAVID'S OUT ON A QUICK WALK.

BEFORE WHEN I COULD GET A STRONG CHECK THAT WE SHOULD GET HOME AS SOON AS POSSIBLE! We took a taxi to the home but got off a ways down the street. It just so happened that the Korean magazine reporters were at our front door at the same time that we arrived at our door back home!—It was a miracle of God they did not see us & stop us on the way!

3. SO IT WAS QUITE AN EXCITING BUT BUSTLE DAY. We all had to stay inside to keep from running into the photographers, who were not only pho-
