SEX JEWELS

Part Two

Edited & Illustrated by Caroline van Art

We believe in liberty in our family & home! I really don't understand it when people come here & say, "Ah, we've never seen so much love! Never felt so loved!" Now I feel good in a way, but it really makes me sad & sorrowful, it almost makes me weep, to think they had to come all the way here to find the love I thought was existing in all of our Homes! That's really sad, to think you had to come here to find it, & it's not & hasn't been in your Home!

I thought the way we live is the way you were living. We have a little orgy now & then, we don't publicize it or do it in front of reporters, although we have had in front of a few guests! As long as it's all in the Family, why not? I haven't hidden Davidita, I have made him an example to the whole World! I haven't hidden all our exploits in FFing & sex—I have told you about all of them. I don't think I've left any out, none! Why the hell are you hiding yours?

I don't try to hide it, I don't deny it, & I encourage you to have the same freedom. I don't know why you think there's anything wrong with sex! God created it, He made every nerve that feels good! So why are you so timid & hesitant & so ashamed & bashful, especially with your own Family, of all things?

I think that the main motive should be sweet love & fellowship & to help & satisfy the desires of those who need it. I suppose there are excesses, I don't know—I've never had too much sex yet! Maybe you can. If so, what a way to go! I'm kidding, but I'm serious!

I believe that you & I today are the last church! We are the ultimate, the last, & therefore should be the best!—Maybe not the most righteous in the World's idea of righteousness, but what is righteousness? It's being right! If you're full of God's love & grace, how more right can you be?—If you're not in disgusting lust—but some would call any sex carnal.

I'm not selfish with my wives, I give them away & share them with others. I once had a little talk about 5 reasons God gives me my queens. One reason is you're linked in closer to me, & I hope it makes you love me more & be more faithful & loyal to realise you're one of my queens, & you go out to represent me. (Tongues) "This is that for which I have called thee, for which I have raised thee up, to show the people the love of David!"

If you're still ashamed of sex, there's something wrong with you! You're a weaker sister or brother & I suggest if you don't like it & it's too strong meat, go back to your weak churches that can't take anything! The Churches can't take anything, not even witnessing or missionary work! All they can stand is go to Church on Sunday & that's the end of it. It's hard for me to believe that they are saved when they claim to believe in Christ & yet don't obey Him, claim to belong to Jesus, and then refuse to hear the truth! At least the sinners appreciate us!
