-PART 4 OF "THE GARDEN OF EDEN!"

COVER

BE FRUITFUL,  
AND MULTIPLY!

-The First  
Commandment!  
- Gen. 1:28.

EVE, YOU ARE  
GOD'S LOVE  
FOR ME!

God created that gorgeous handsome most perfect man, and the most beautiful woman just for him! God had said; "It is not good for man to live alone, I will make an helpmeet for him."

(Gen. 2:18)

He looked at the two of them standing there naked -- and I'm sure they were looking each other over top -- and the first commandment in the Bible before Satan ever entered the picture, before there was any controversy over the tree, God said to Adam and Eve in that gorgeous tropical paradise Garden of Eden -- "Go on! Go ahead! Be fruitful and multiply!" (Gen. 1:28)

So praise God! God made sex, not the Devil! God created the sexual organs, not the Devil! God made the nerves that make them feel good when they are in action, not Satan!

This was long before the Fall of man, long before Satan entered the Garden and long before Eve and Adam partook of the fruit of the Tree of the Knowledge of Good and Evil. Sex came before sin entered in. Sex is not bad, it is not evil, it is not a sin, it is not wrong to enjoy it! And Adam and Eve may have even had other children before the Fall, but you only hear about the ones that were born after the Fall, because they got in trouble with each other.

God made young people able to have sex at an early age, in fact, even before they're able to have children, and He saw nothing wrong with it! He created it!

And the only reason the System has passed laws against child brides and early marriages and having children at an early age, is selfishness-- hatred of the natural normal processes of the creation of God, your human body and its need for sex.

And dear Cain, after killing his brother, after sin had entered in, went out and married somebody, some girl, and had children by her. Where did she come from? Who was she? She was one of his sisters, of course! There was no law of incest then, against marrying your sister.

And if Adam and Eve's sons had not married their sisters, there would not be any people on Earth today. Think of that! Shocking?

God created boys and girls able to have children by about the age of twelve, think of that! He created the boys to have semen and the girls to have their period (or ovulate their eggs) and able to copulate and conceive and get pregnant and have babies and children beginning at the age of 12 or 13!

*They don't want their children to enjoy sex. They don't want them to have babies, because they might have to take care of them and help them. So they put it off and put it off until the poor kids just nearly scream and explode and have all kinds of problems and sex hang-ups and inhibitions and psychoses and pregnancies, unwanted or illegal, unmarried mothers and all the rest. Sad, isn't it?*

*So the Devil hates sex! He hated the Garden of Eden, he hated the creation of Adam and Eve. He hated God's commandment for them to have sex and be fruitful and multiply. He hated the whole thing because it could frustrate his plans.*

Gen. 3:5

So the first thing he did was to come in and try to interfere and get them not only to have the knowledge of good, but the knowledge of evil as well, until everything went haywire and man was made to think that sex was a sin and that children were too much trouble and unwanted, and all that selfishness came in.

"Love ye one another!" He says, "let every husband love his wife even as his own body." And He intended for you to make love and thereby create babies and have children, and grow them up in the nurture and admonition of the Lord, so that when they are old, if you train them in the way they should go, they will not depart therefrom. (Eph. 6:4, Prov. 22:6)

*My little children, my grandchildren, are the joy of my life today! I am passing off the scene and I will soon be gone, but I see in them a beautiful future, because I have reared them to love the Lord and to serve Him and to love others and to win them to Jesus. And the most wonderful experience you can ever have is to find the Love of Jesus and pass it on to your children, your mate, your loved ones, your relatives, your friends, even strangers!*

*That is the love of God. That is what this whole beautiful garden means. See all these beautiful trees and these beautiful girls? These are the love of God for you! Take Jesus into your heart right now! Just ask Him to come into your heart and you will know His love and be able to enjoy all His love and beautiful loving Creation, including a mate and sex and children! Love is forever! -It's GOD!*
